HELL²

President Santana and his father Lucifer could not conquer Earth alone. Lucifer is one of the Seven Princes of Hell; a powerful group of fallen angels, and the original rebels against God. Each has come to embody one of humanity's 7 eternal sins. Lucifer and PRIDE, Satan and WRATH, Levithian and ENVY, Mammon and GREED, Belphegor and SLOTH, Asmodeus and LUST, and Beelzebub and GLUTTONY. With Lucifer at the helm, they all took part in planning operation JUDGEMENT DAY.

SATAN (WRATH)

ASMODEUS (LUST)

MAMMON (GREED)

BELPHEGOR (SLOTH)

LEVITHIAN (ENVY)

BEEZEBUB (GLUTTONY)

LUCIFER (PRIDE)

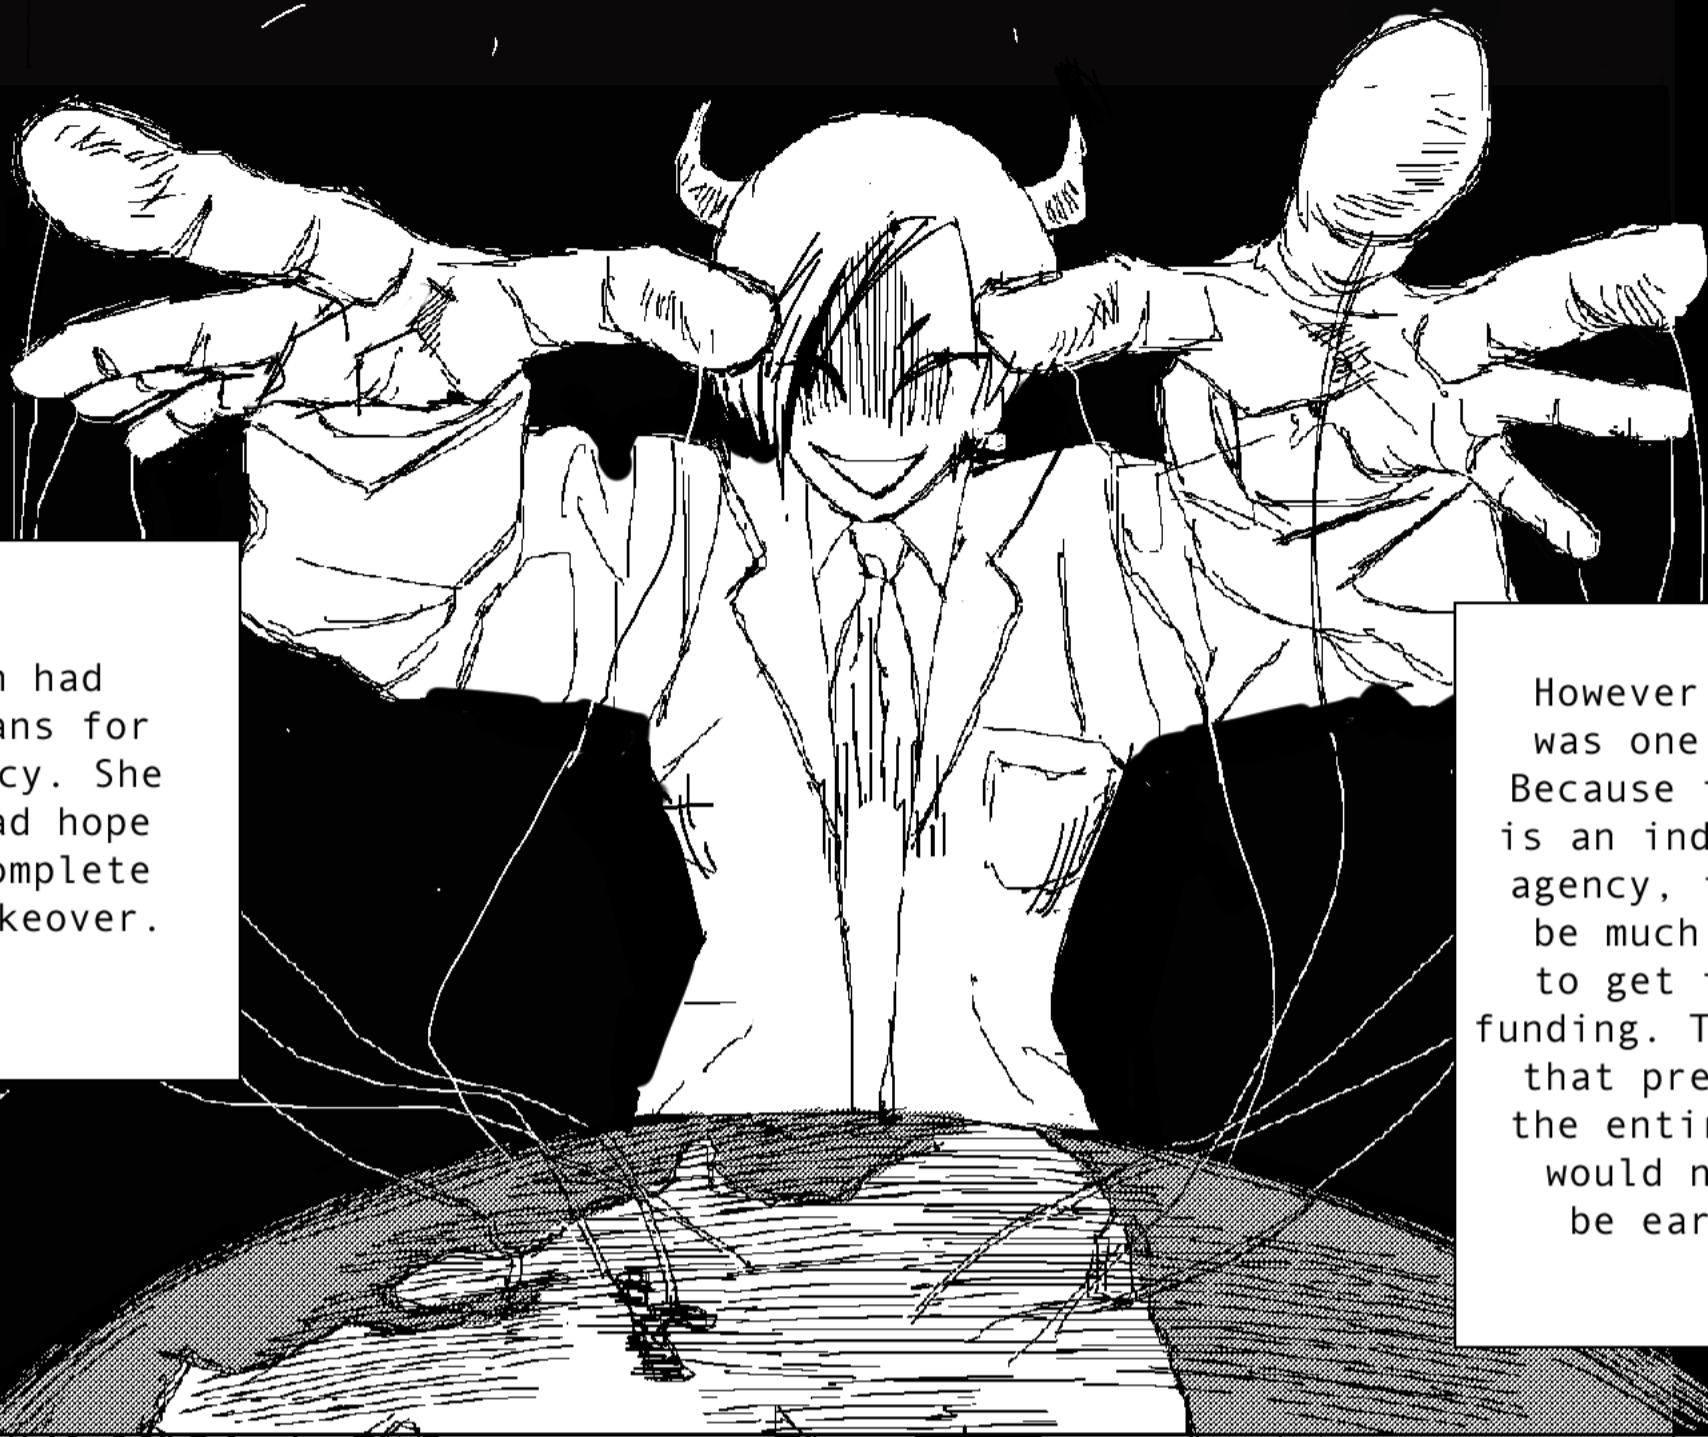

But for all of his effort, only two of the princes joined him. The rest of them had little interest in governing. Lucifer became the Secretary of Defense, and Mammon became secretary of both the Treasury and Labor department.

With there being so few demons in government, The 3 of them immediately went to work on easing their disadvantage, Mammon suggested that they form the DIA. (She became the director of this as well.)

During his surrender, President Santana asked that he could appoint them to any cabinet position they desired. For him, this was non-negotiable.

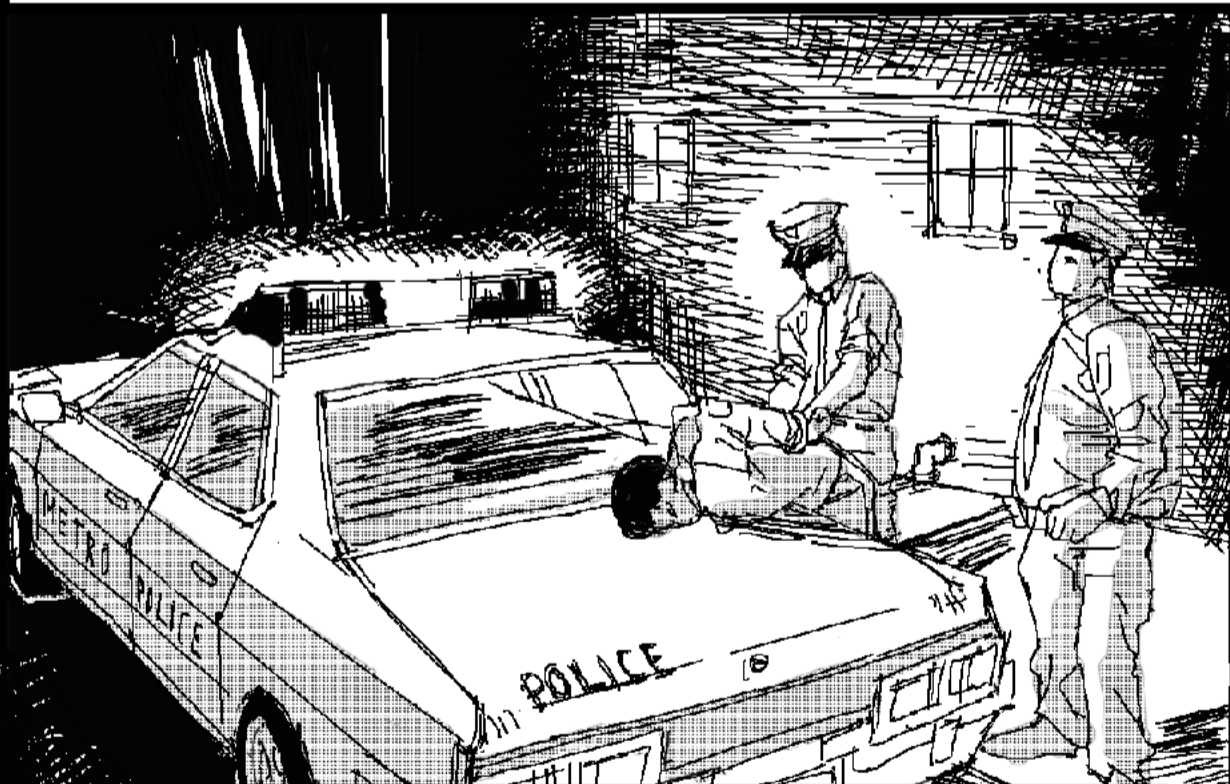

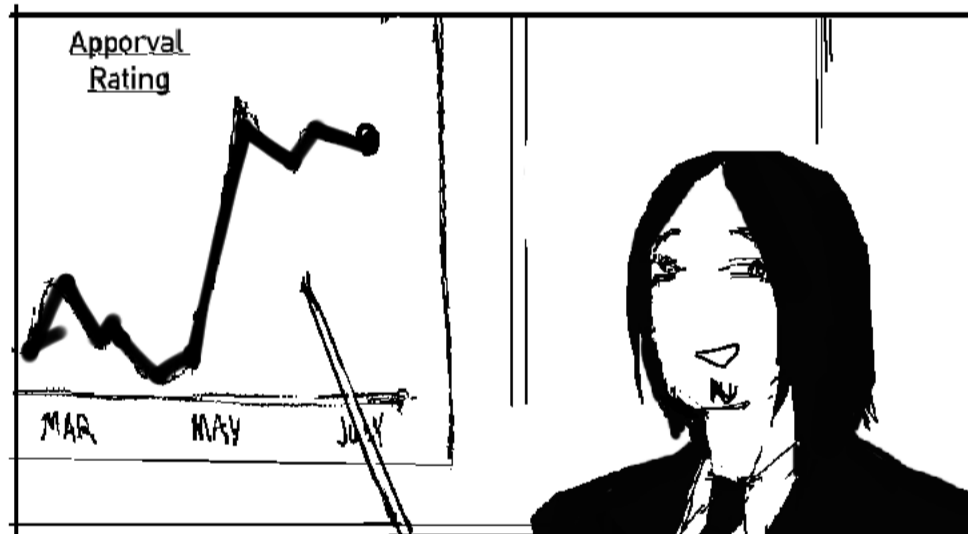

Mammon had grand plans for the agency. She still had hope for a complete demon takeover.

However, there was one issue. Because the DIA is an independent agency, it would be much harder to get federal funding. This meant that pretty much the entire budget would need to be earned.

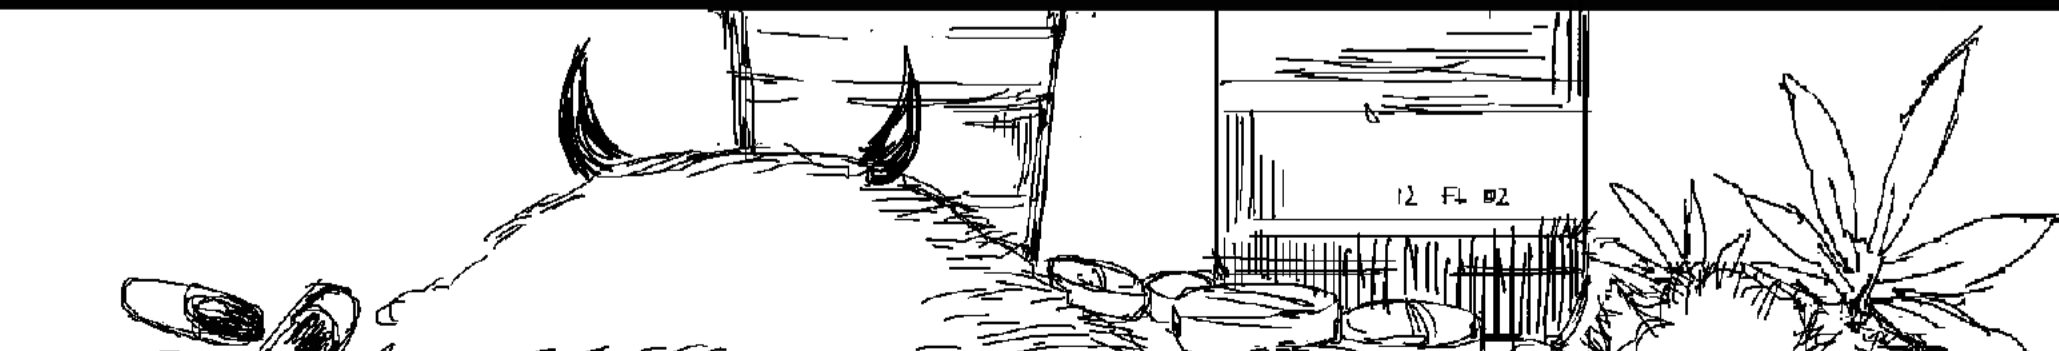

They decided to use another page from their opponent's playbook, and fundraise using something that never goes out of demand.

But this time, things had to be different!

In a bid to increase his popularity, President Santana decided to legalize every drug. He figured that it would be a good idea, since most of the sober people were gone. Although it was a controversial move, Congress did not block it. This was his first major political win!

The DIA knew that this would be the perfect market to test something completely new on: spiritually enhanced drugs.

Get high! And find out how to change your life for the better today.

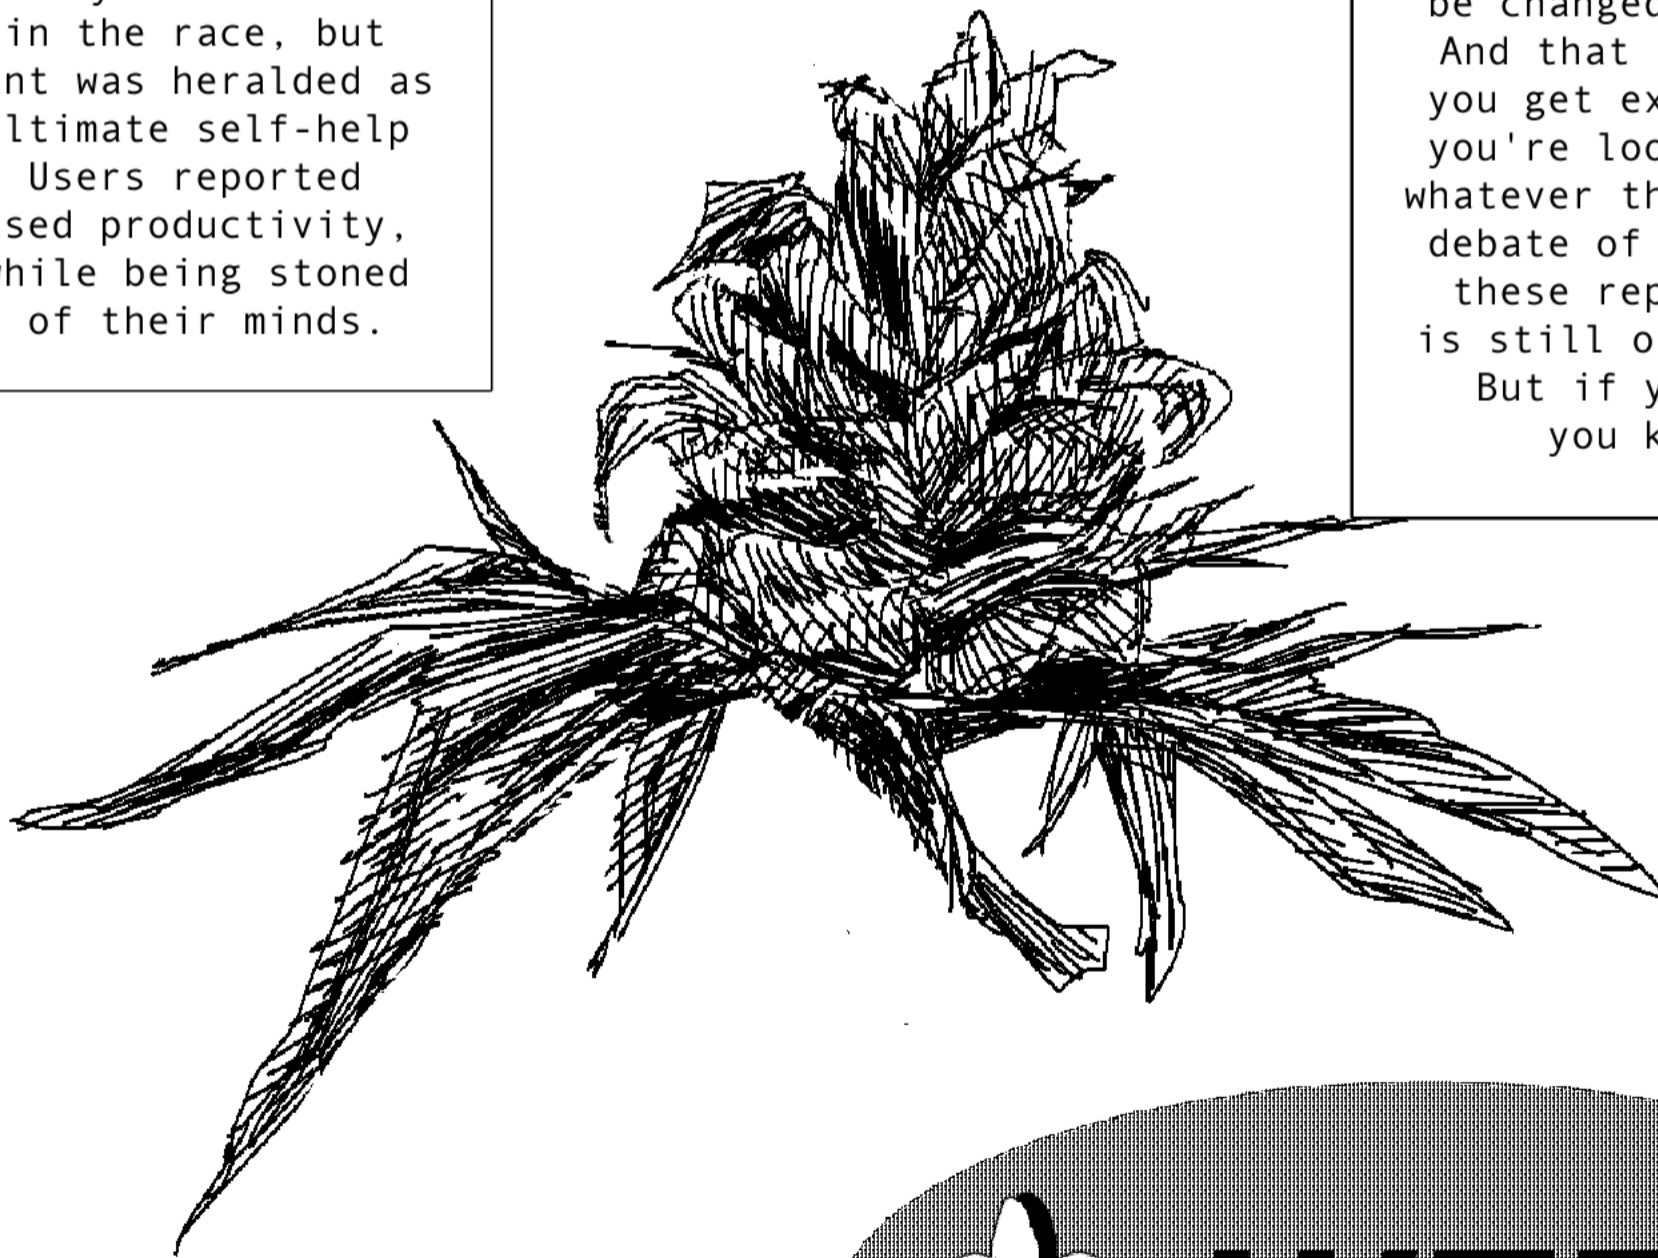

Weed was used as the base for their first try because of its relatively wide appeal. They knew it would be important to make a strain that stood out, though.

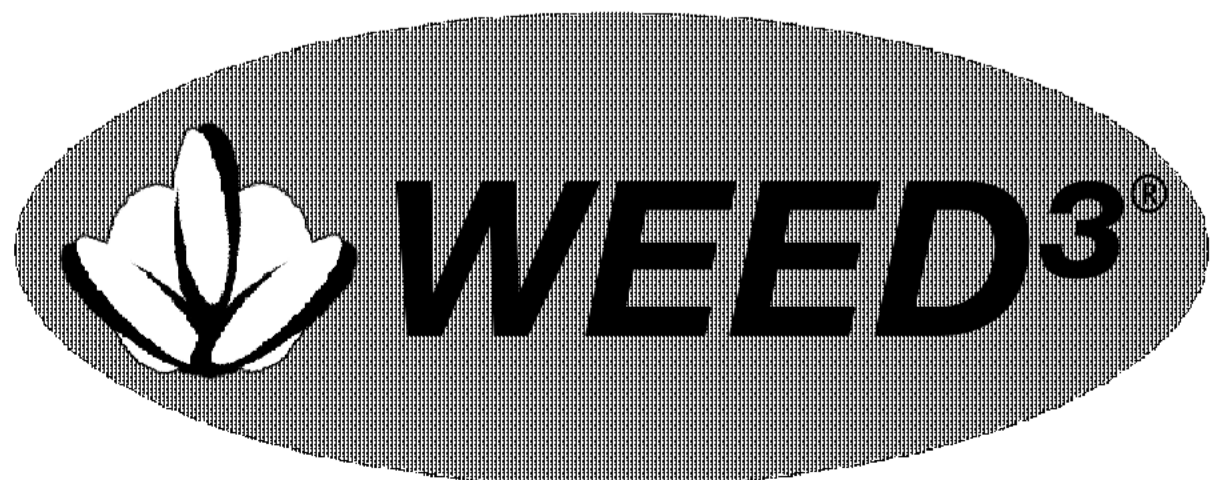

With the help of alchemy, magic, and science the DIA was able to make the 27th magically-synthetic drug to receive FDA approval. Its name was **Weed³**. They were a little late in the race, but the plant was heralded as the ultimate self-help drug. Users reported increased productivity, all while being stoned out of their minds.

Add a new dimension to your high

Reports also said that after smoking this plant just once, the user's lives would be changed forever. And that it'll help you get exactly what you're looking for, whatever that is. The debate of how true these reports are is still ongoing ... But if you knew, you knew.

This tale follows a
succubus named
Trinity. She doesn't
really like
sex at all though,
so she spends
most of her time
running the record
store she "aquired".
Her best friend
Zola is a recent
transplant
from Hell. She's
also a succubus.

HATEFUL DINER

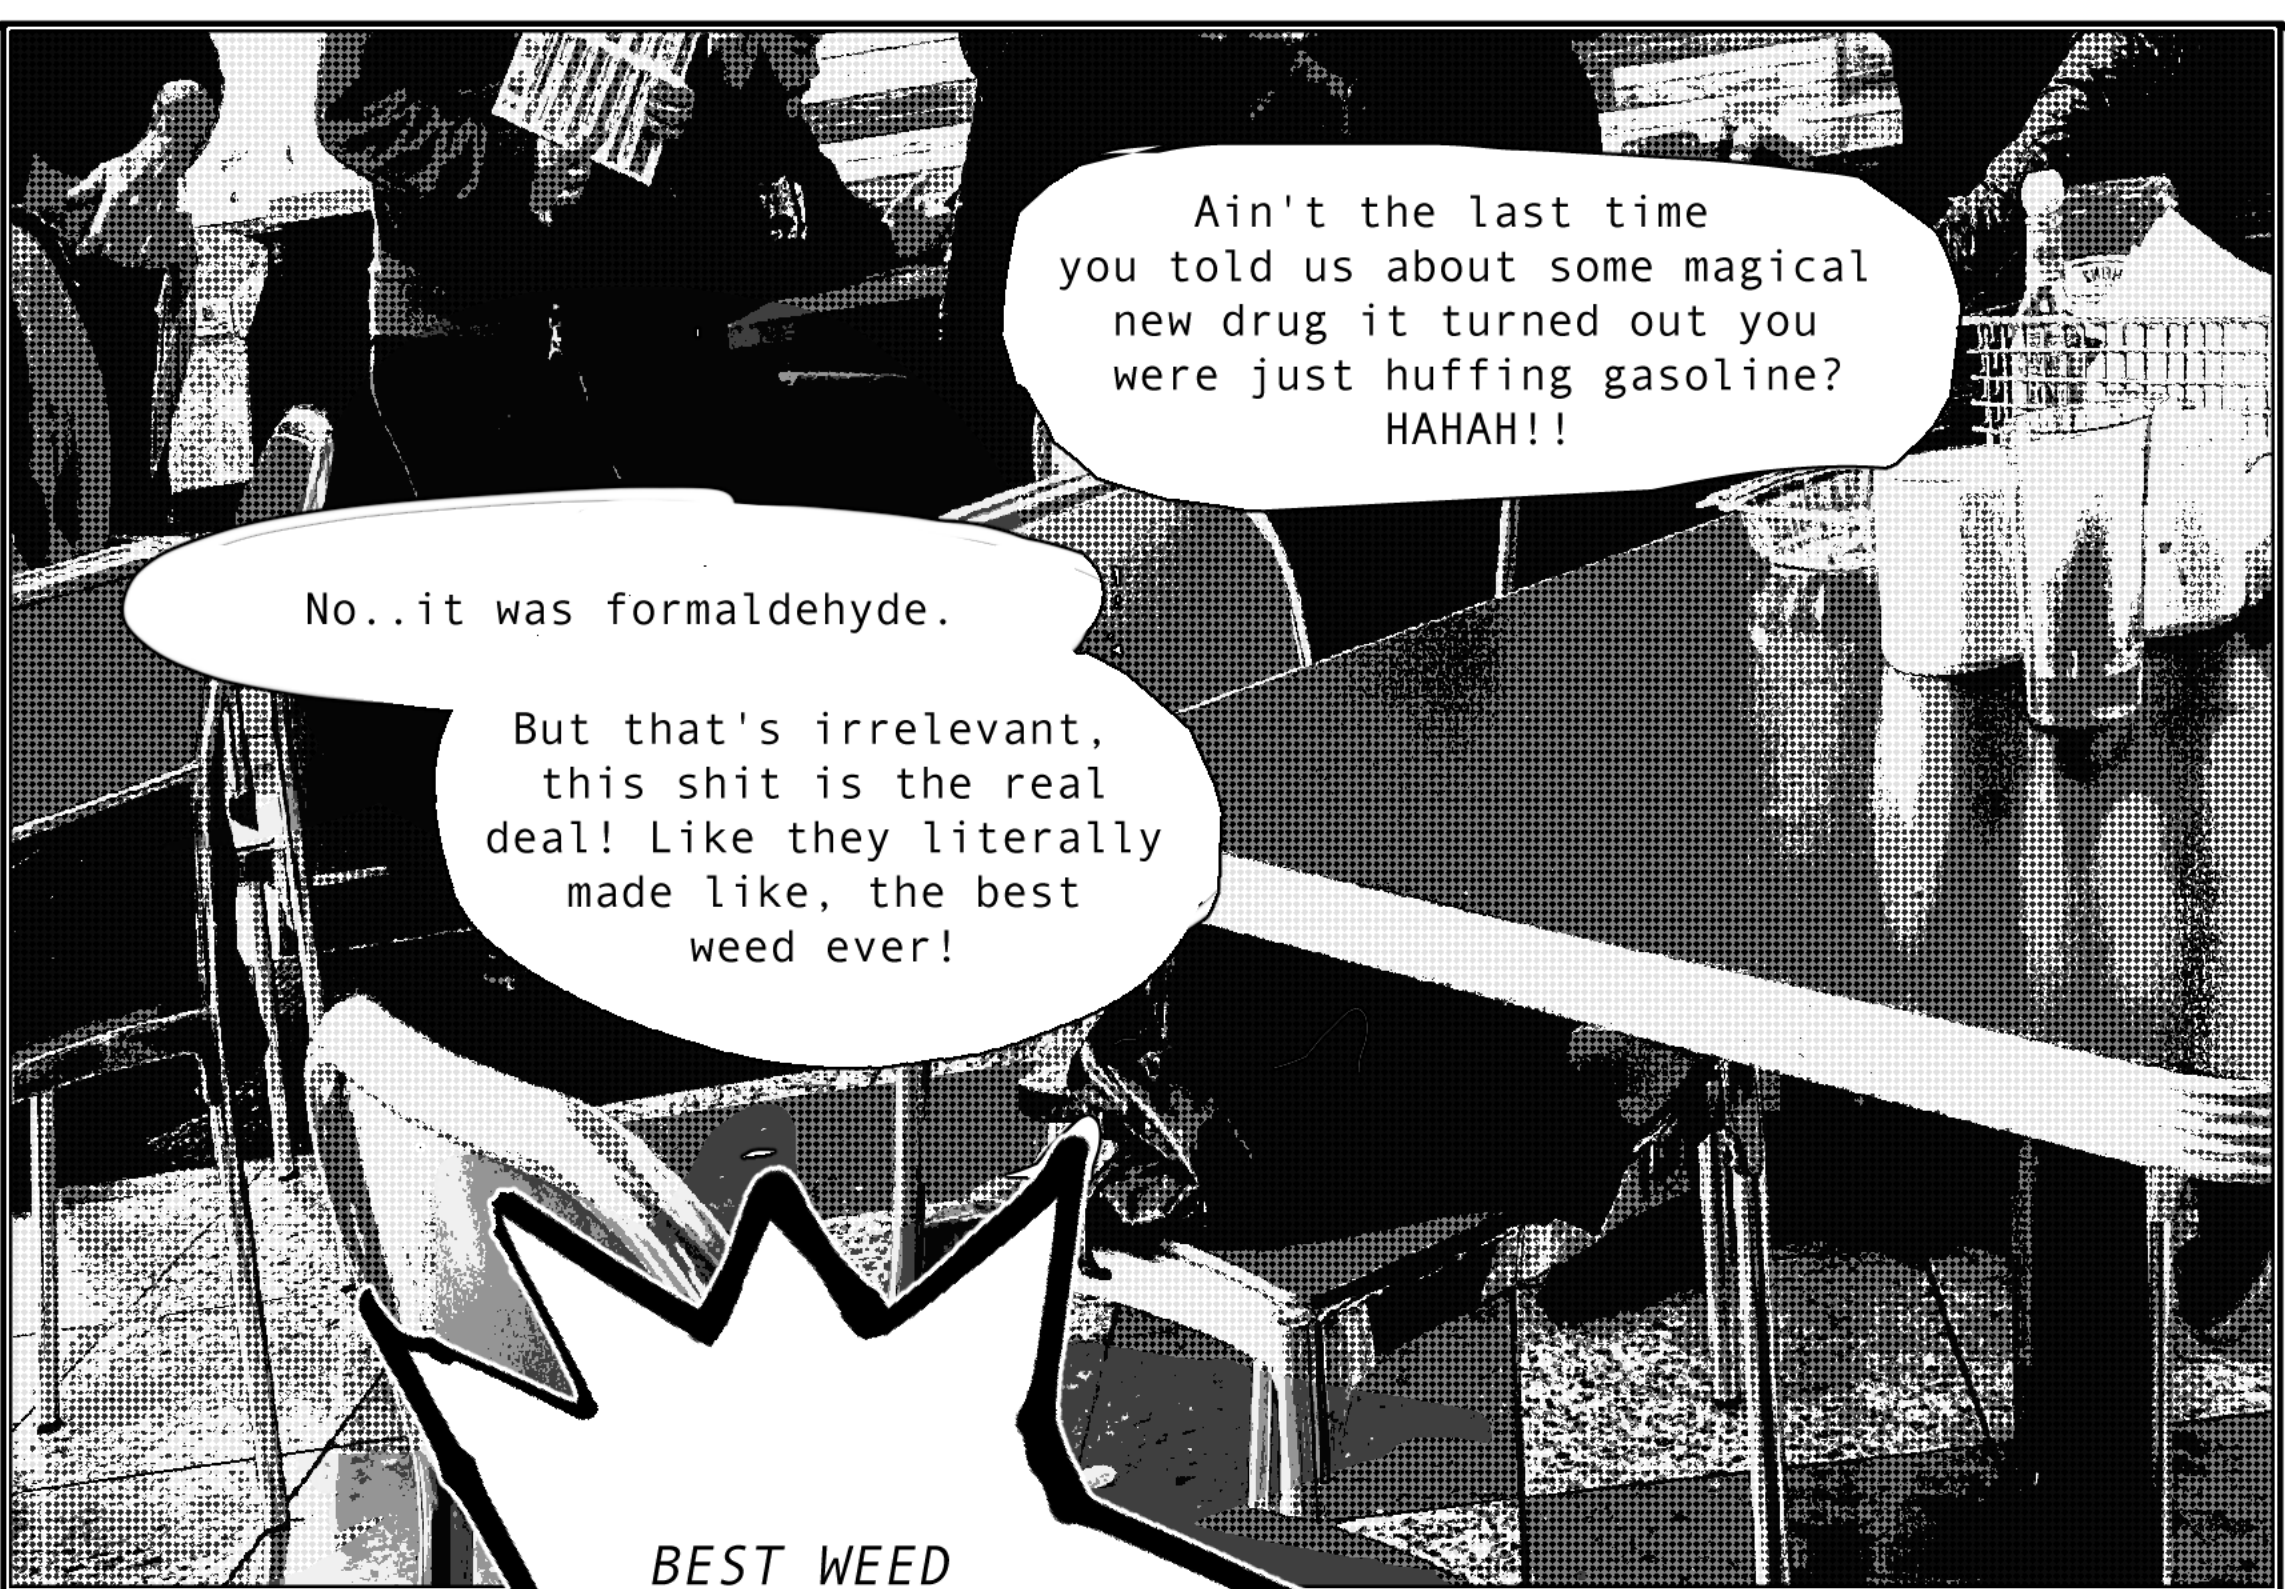

Dudes... I heard about this new drug that came out. It's called **Weed³**. I heard its like a super exclusive dispensary thing.

Nigga, what do you mean? Are they dropping this shit like shoes now!?

Fuck man, I guess so. But look, that's not even the crazy part! I heard this one is more than just a drug! Like it can seriously change your life!

How do you even find out about this stuff?

Right.

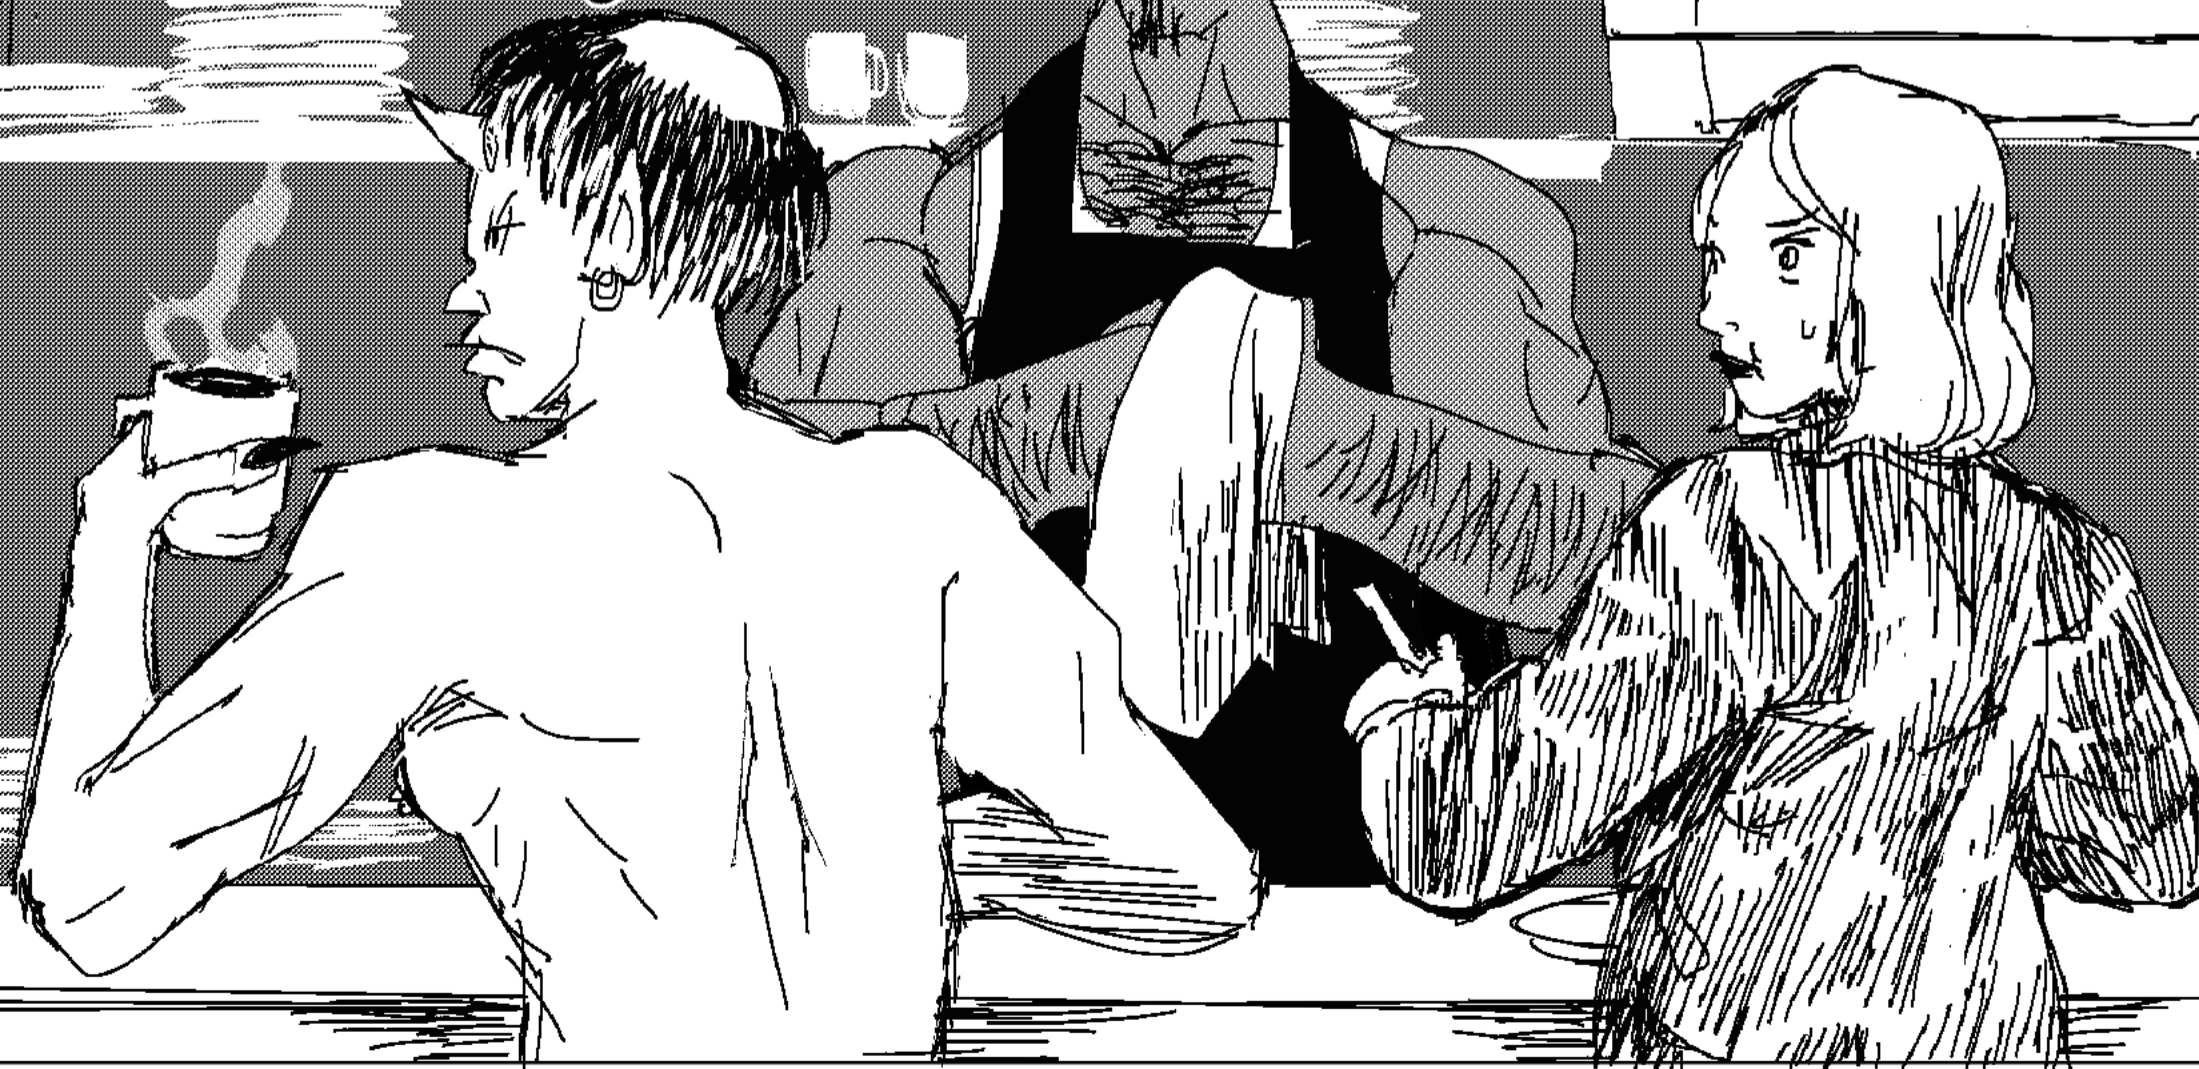

Ain't the last time
you told us about some magical
new drug it turned out you
were just huffing gasoline?
HAHAH!!

No..it was formaldehyde.

But that's irrelevant,
this shit is the real
deal! Like they literally
made like, the best
weed ever!

**BEST WEED
EVER?!?!**

I LOVE WEED!
Whatever
you're
saying
sounds
amazing!

Where can I
find it?!

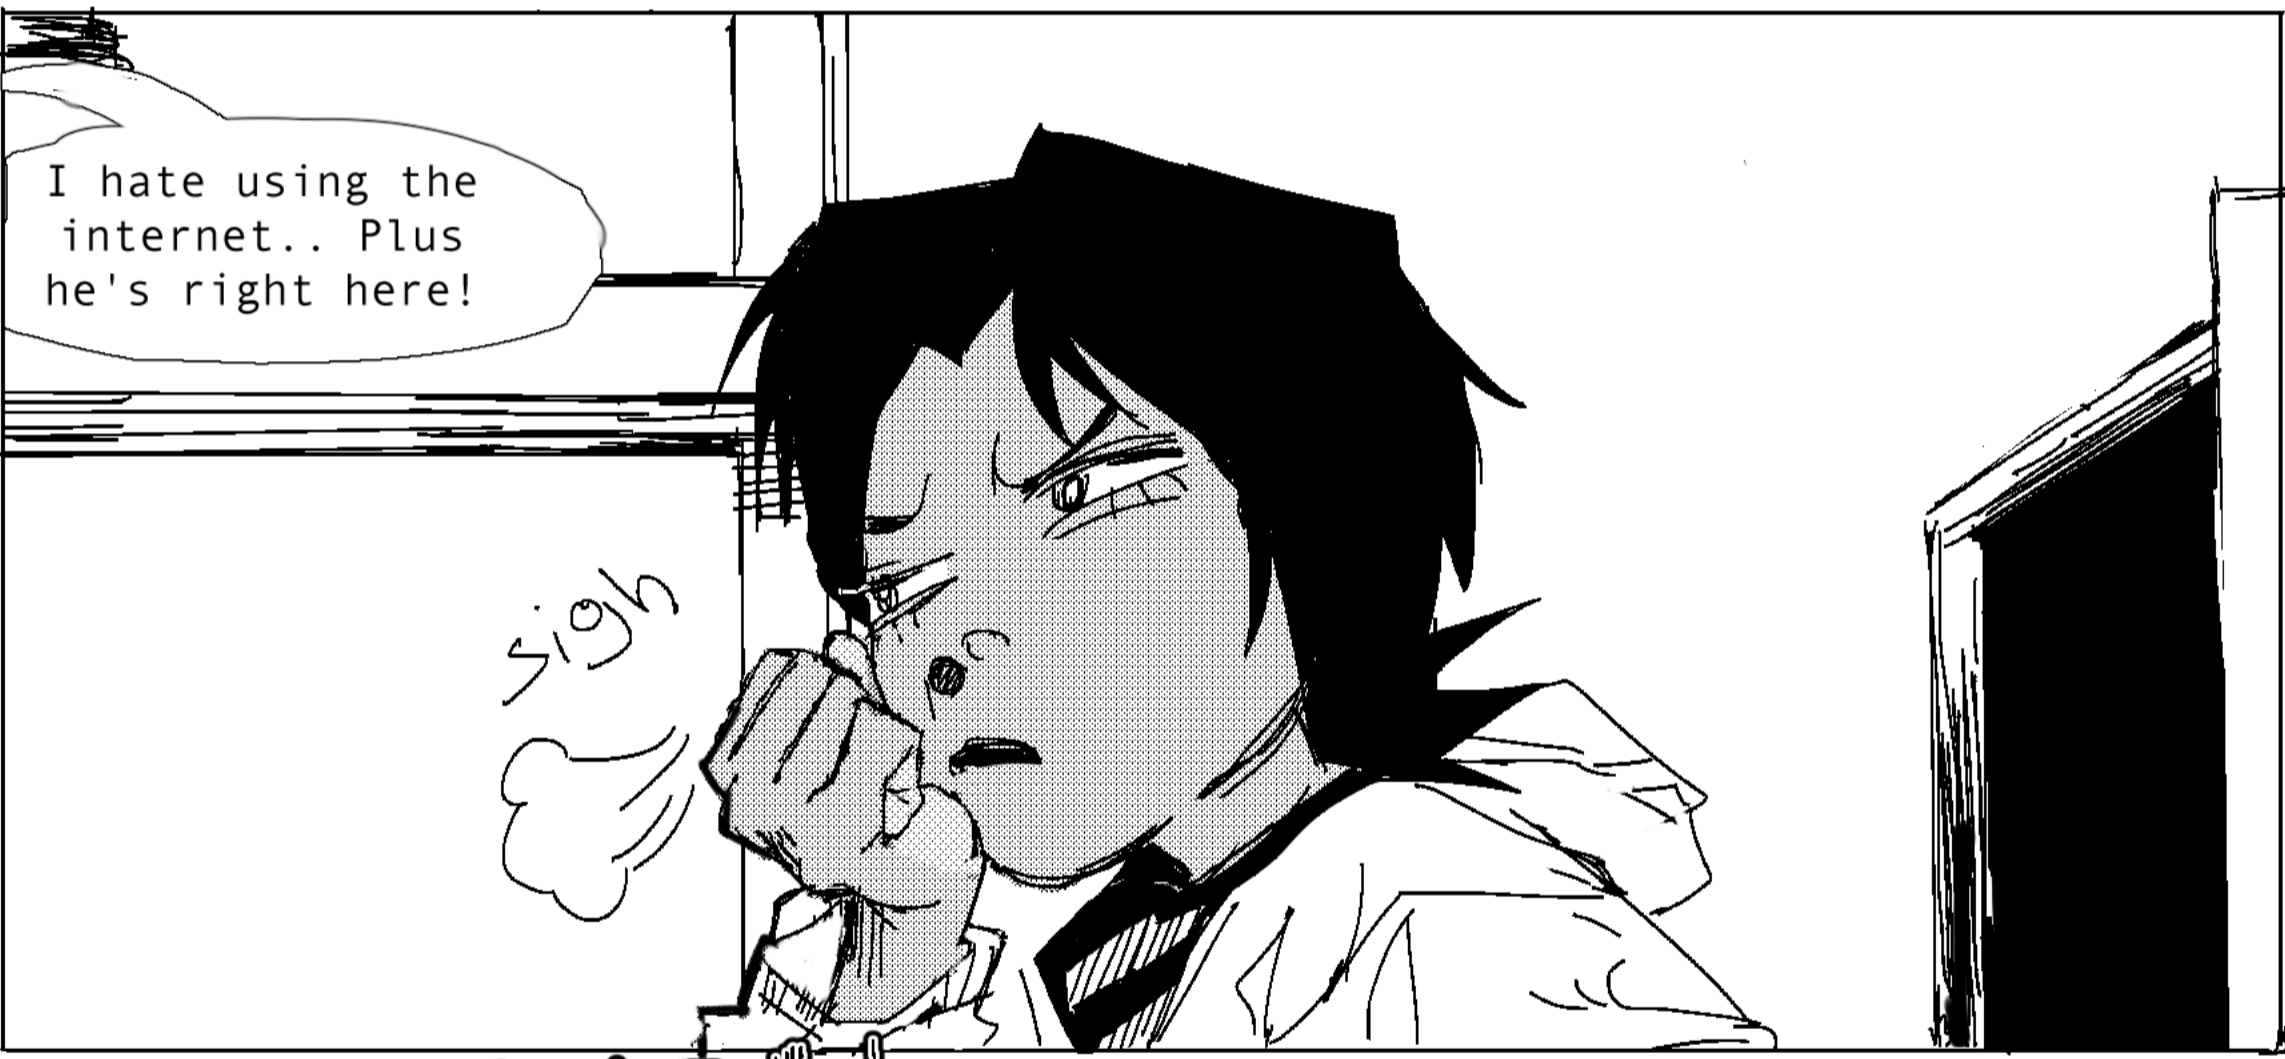

Who the hell are you?

I heard you talkin'. I wanna know more!

Why not just google it..

I hate using the internet.. Plus he's right here!

Sigh

AHEM

Uh Trinity, your card was declined.

Wait- really?

You got any other ways you can pay?

No..

What about her?

Yea..no.

I'm sorry.. This is so embarassing!! Now that I think about it, it's been a pretty slow week at the store.

SPENDS MOST OF THEIR MONEY ON FRIVOLOUS TCHOTCHKES

Don't worry about man, I can cover you guys.

The Boss usually disembowels anyone who can't pay... but you've always got the goods! I can't let that happen to you!

You're a staple to this community!! If you left, I don't know what I'd do!

heh.. I try..

However I am gonna need to ask a favor tonight.. I might need her to come too.

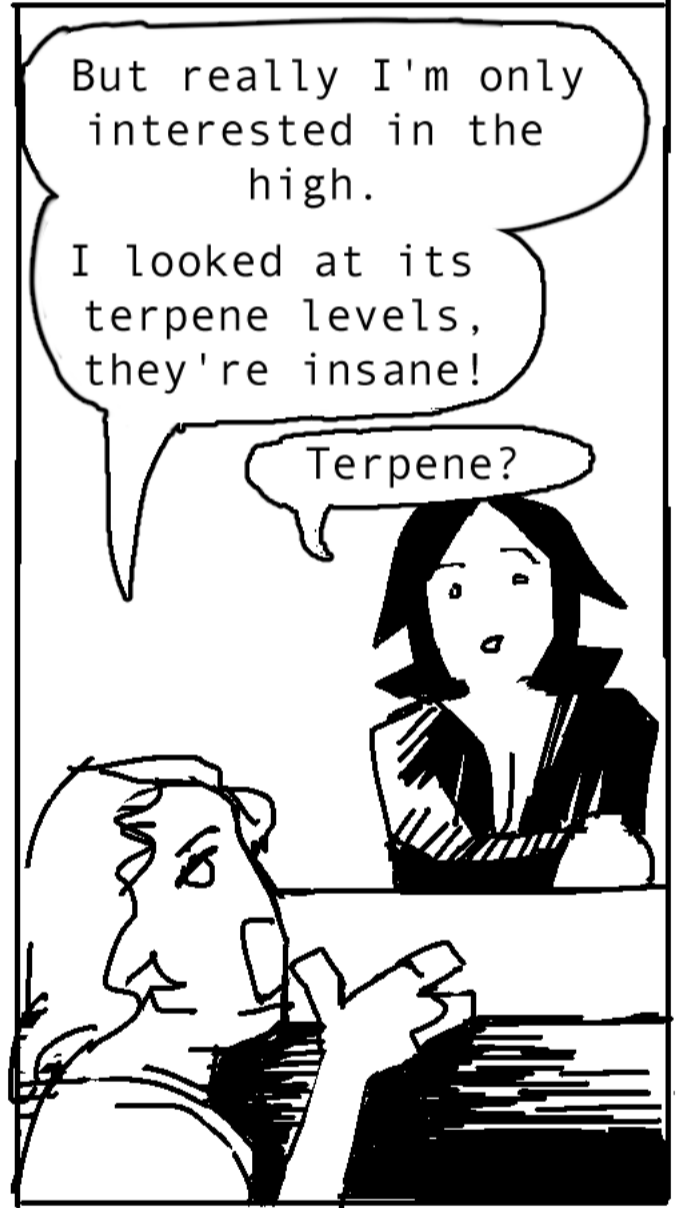

It's whatever guys, I'll just tell her so she can stop YELLING IN MY EAR!

Alright.. so basically there's this new weed strain that's been dropping. I've been hearing crazy shit about it,

But really I'm only interested in the high.

I looked at its terpene levels, they're insane!

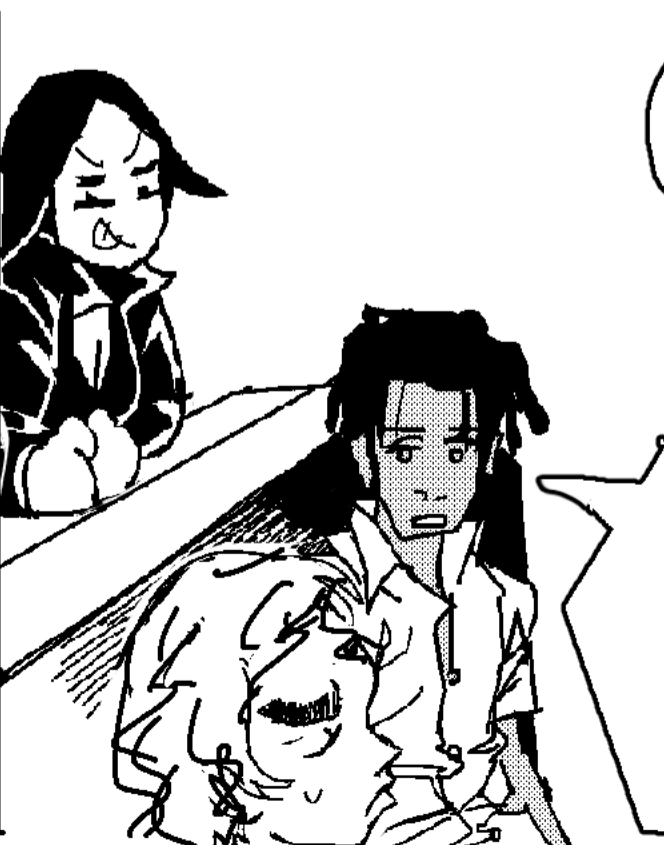

Terpene?

Ugh..

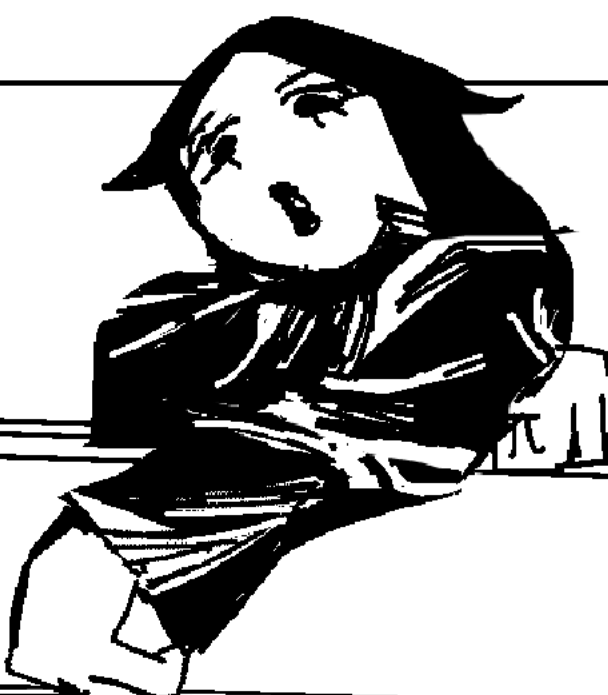

I'm not gonna be able to show the differences if you don't even know what a terpene is! I thought you said you love weed..

Just finish...You know don't nobody give a damn 'bout that shit!

Yea..

Well.. how strong is it?

Chiiill,. I just wanted to say that it's strong!

Too strong.. we're talkin' way past manual breathing.

You won't just be hearing voices.. your ass is in for an experience.

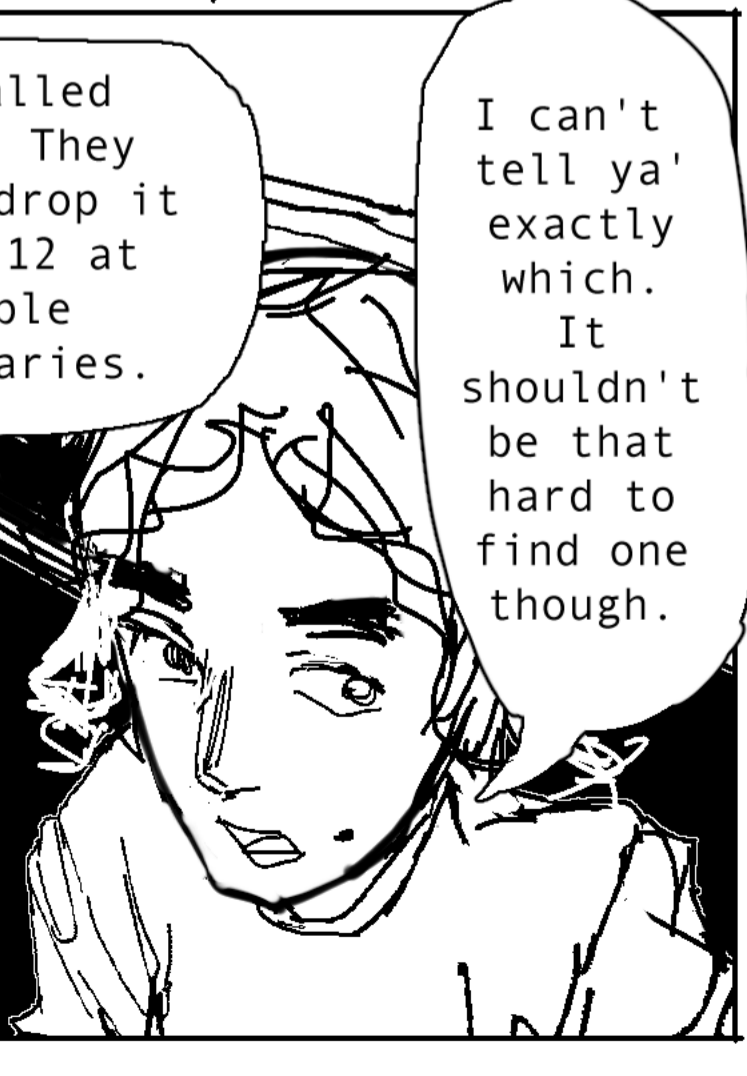

..But I mean, it's not like eat your grandma's face high.. Still impressive though!.

MMnn.. I'm gettin' excited! I need this right now!!

It's called **Weed³**. They usually drop it around 12 at a couple dispensaries.

I can't tell ya' exactly which. It shouldn't be that hard to find one though.

Line's gonna be hell wherever you go, though.

Your ass is gonna be standing in there, waitin' for at least like an hour!

I heard some bozo got shot 'cause he tried to take another guy's spot!

It's that good!?!?

EEE! I'm so ready to try this!

Who wants to buy it for me?!

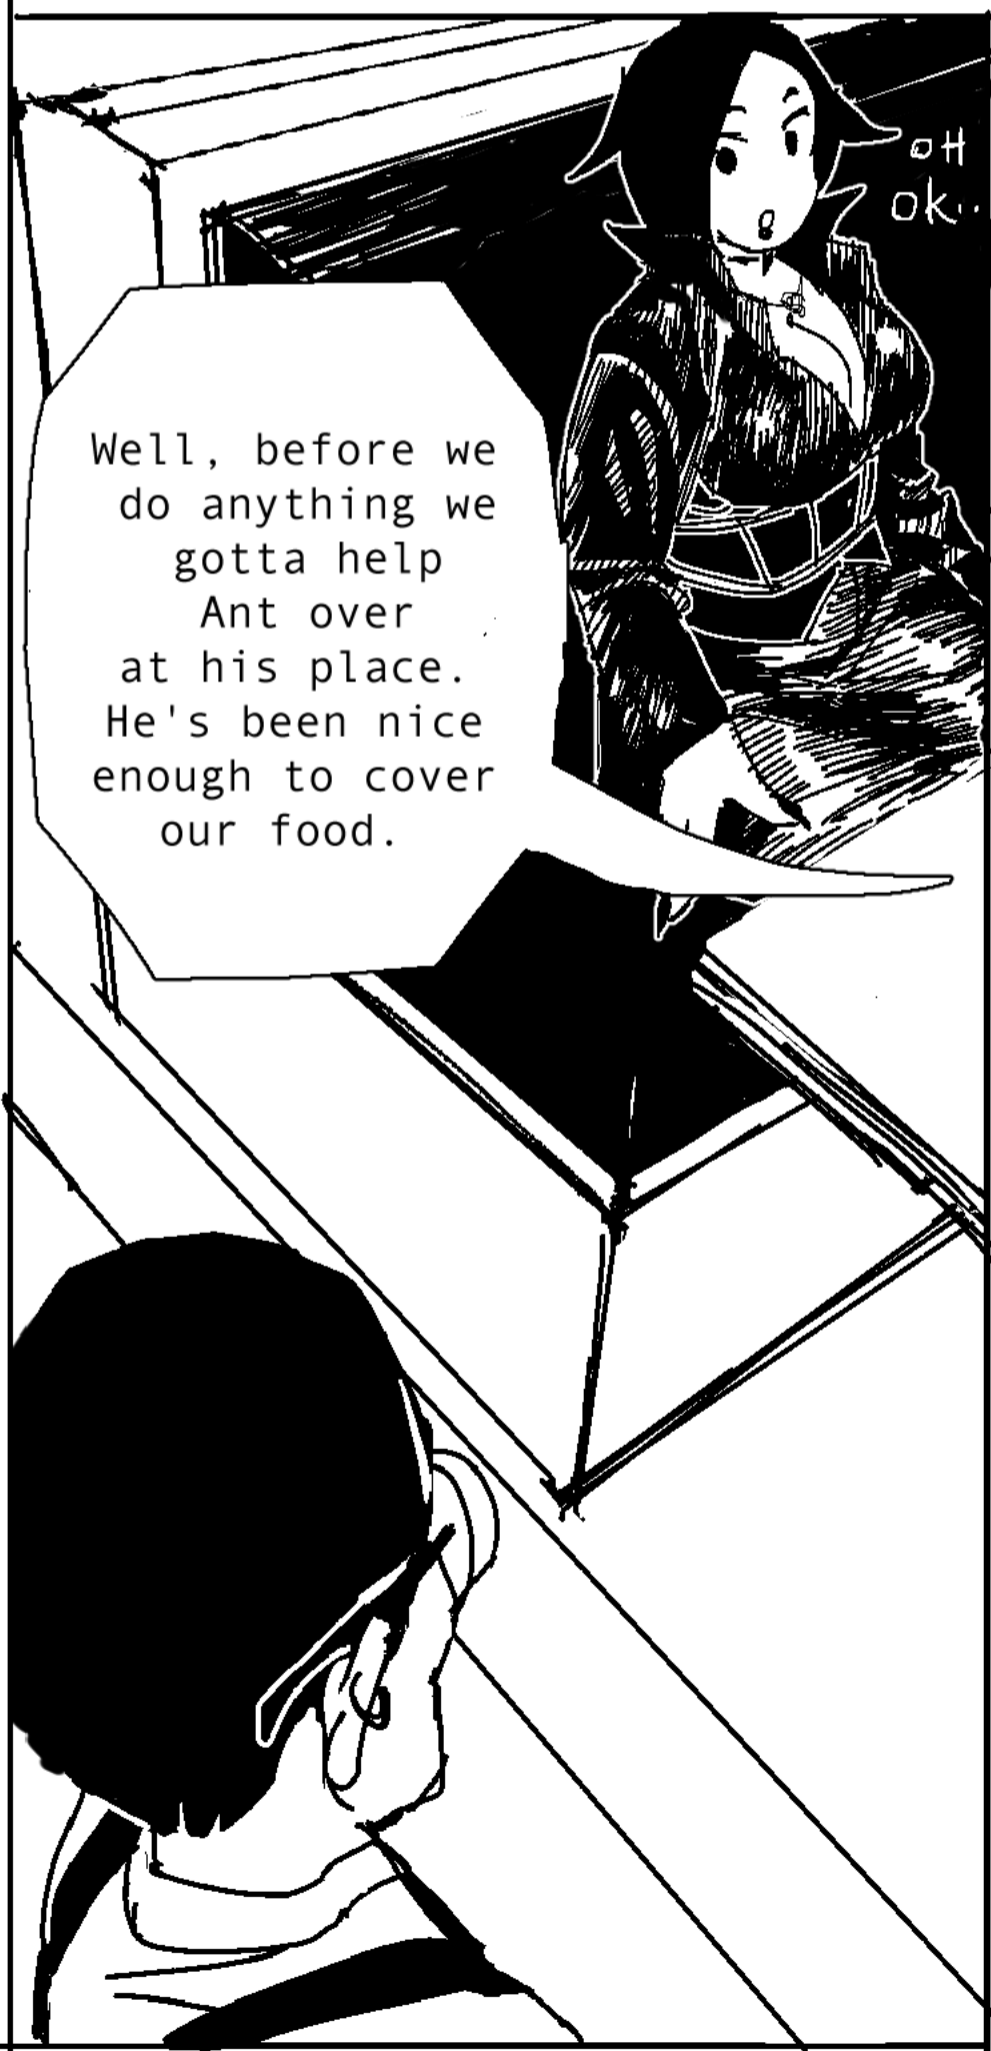

Whatever. Worth a shot.

..I could kill them all if I wanted to,

HAHAHAHAH Holy shit! Wait, are you serious?!

HAHAHAH you a funny bitch for real!!

If you don't get yo broke ass up on outta here!!

He's doing us a favor because he likes the store! He just needs us to help him move some busted speakers out of his place.

Why didn't you just say that!

Dude...

You sure you don't want to get sucked instead?

By the way I.m Zola, nice to meet you!

What!? I mean
I appreciate the
meal, but I ain'
sign up for no heavy
lifting..

Plus this
was between me and
And, I kindly ask
that you exit
our conversation!

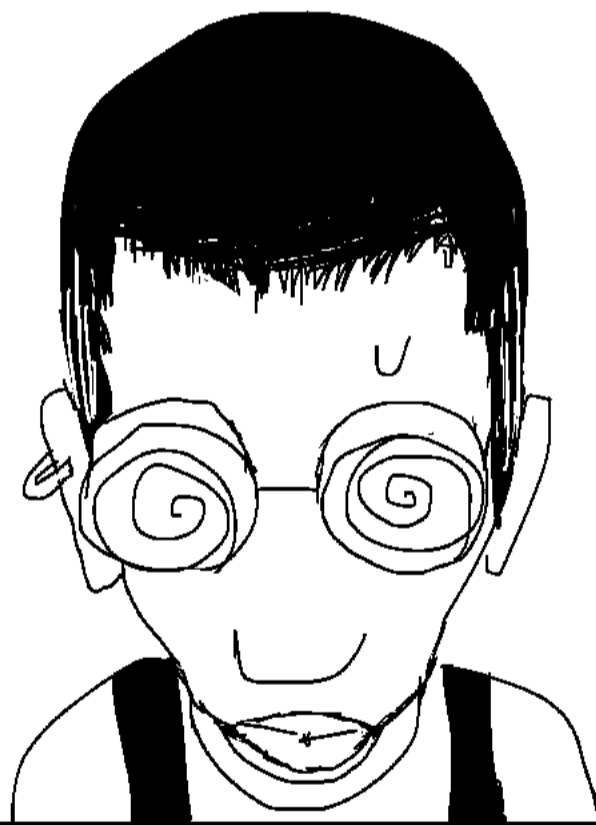

You can't just
randomly ask
people that
shit!!

And his name isn't
And, it's Ant !

You said he came
to the store often..
I figured he knew
what was up.

Honestly it
would be kind of
hard not to..

You're the
reason
stupid!

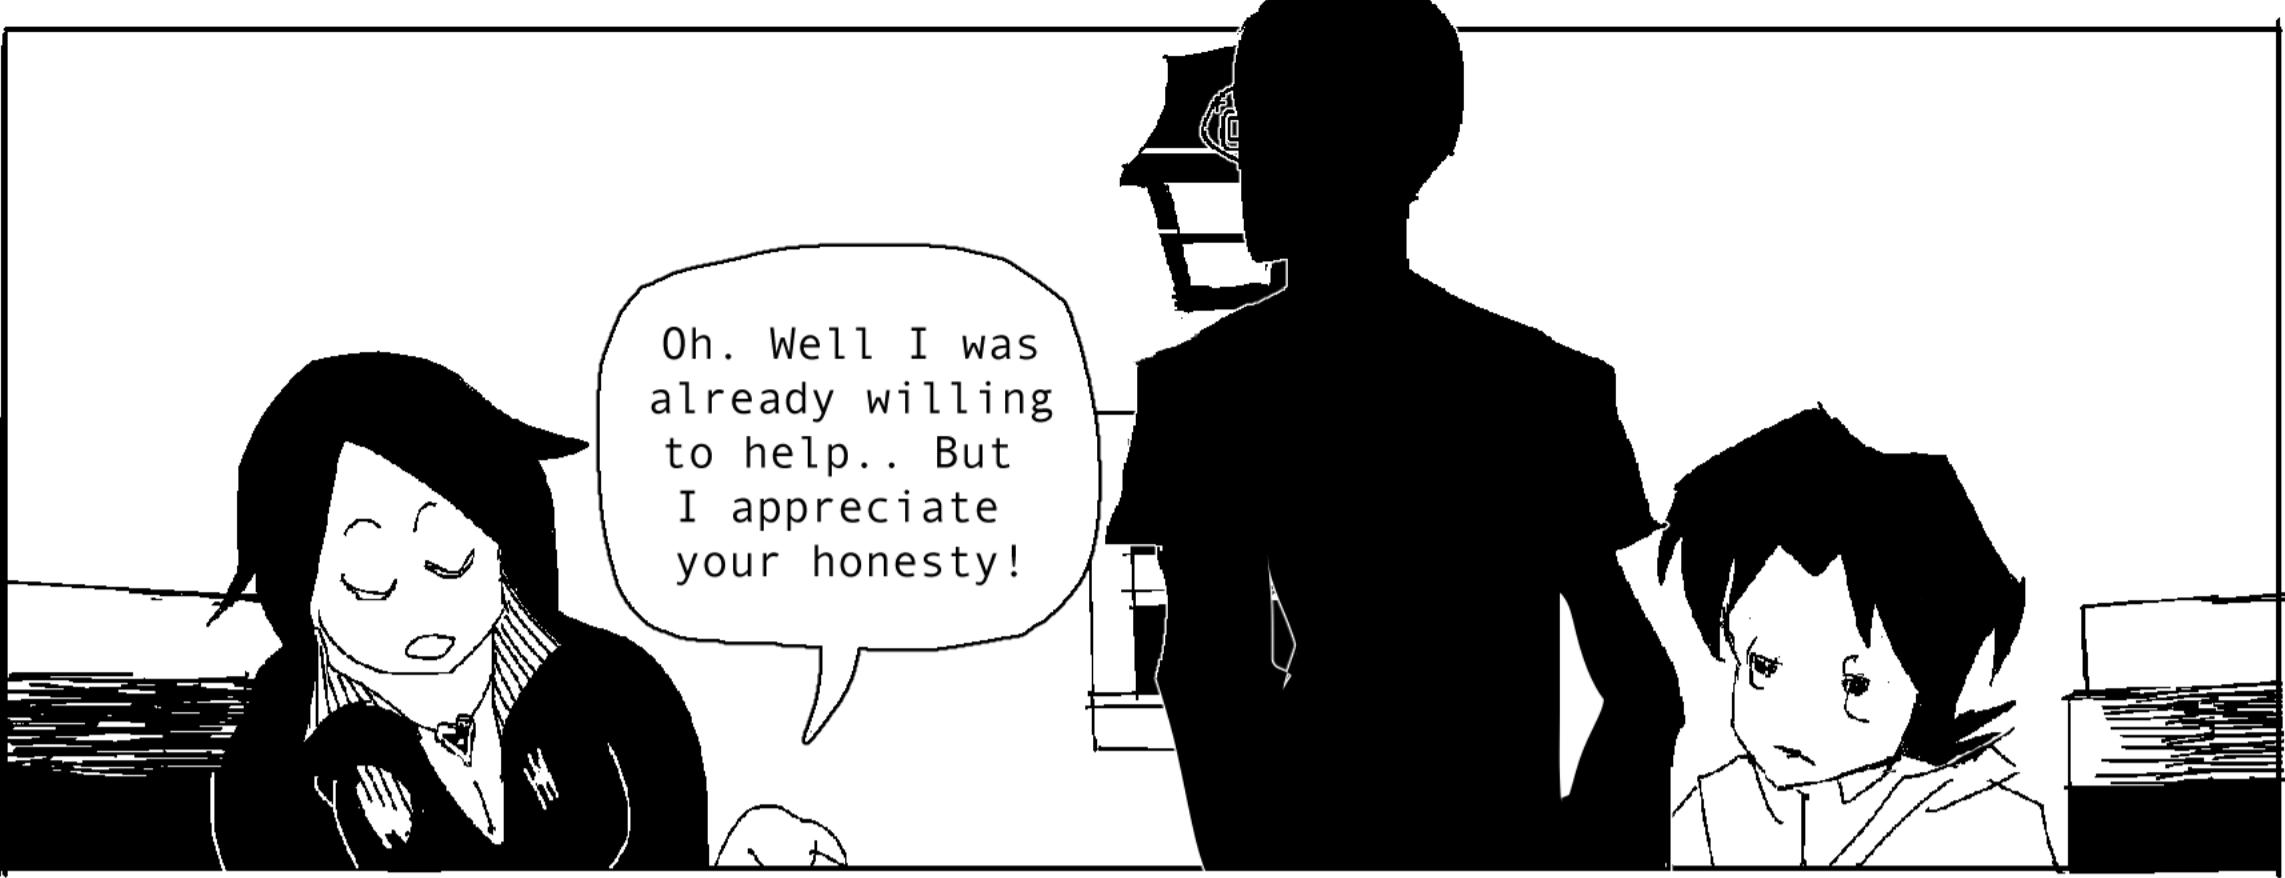

It's okay,
Trinity..

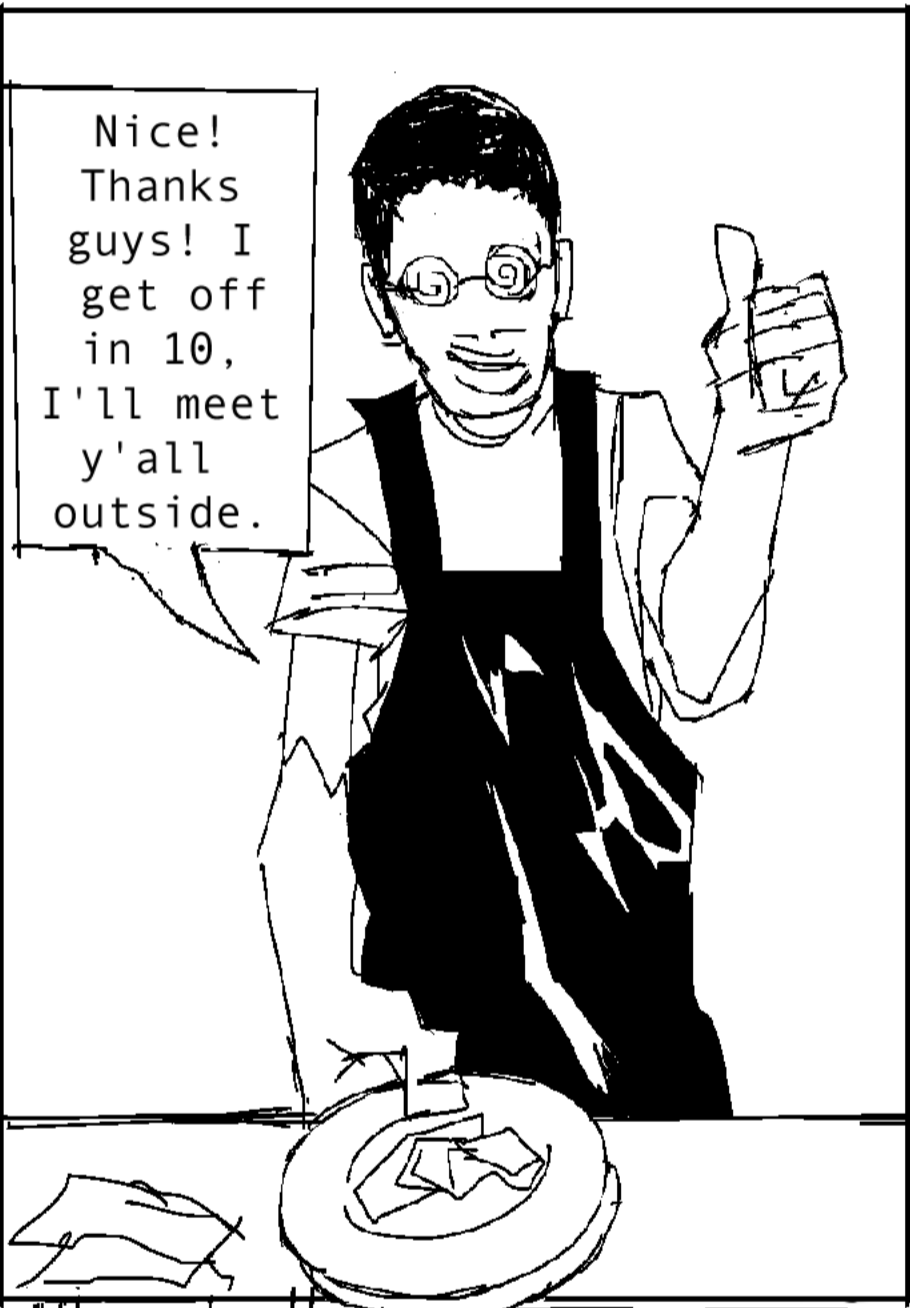

UH...

To answer
your question..
I mean like,
I can get off on
my own. But I
know I can't get
these speakers
out by myself!

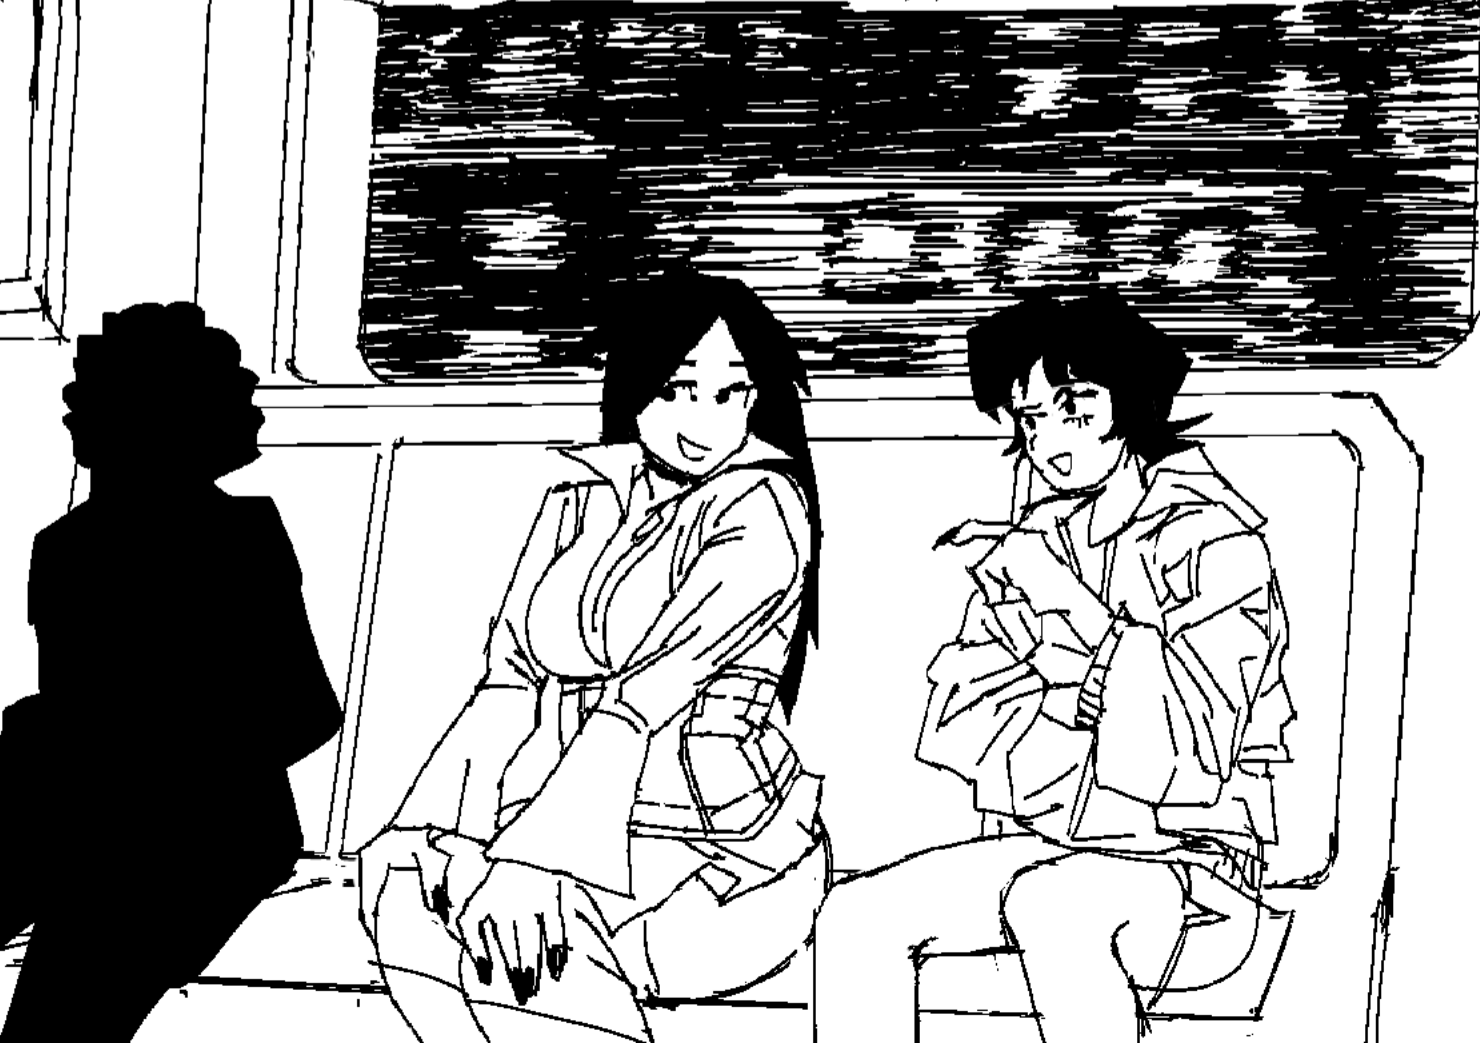

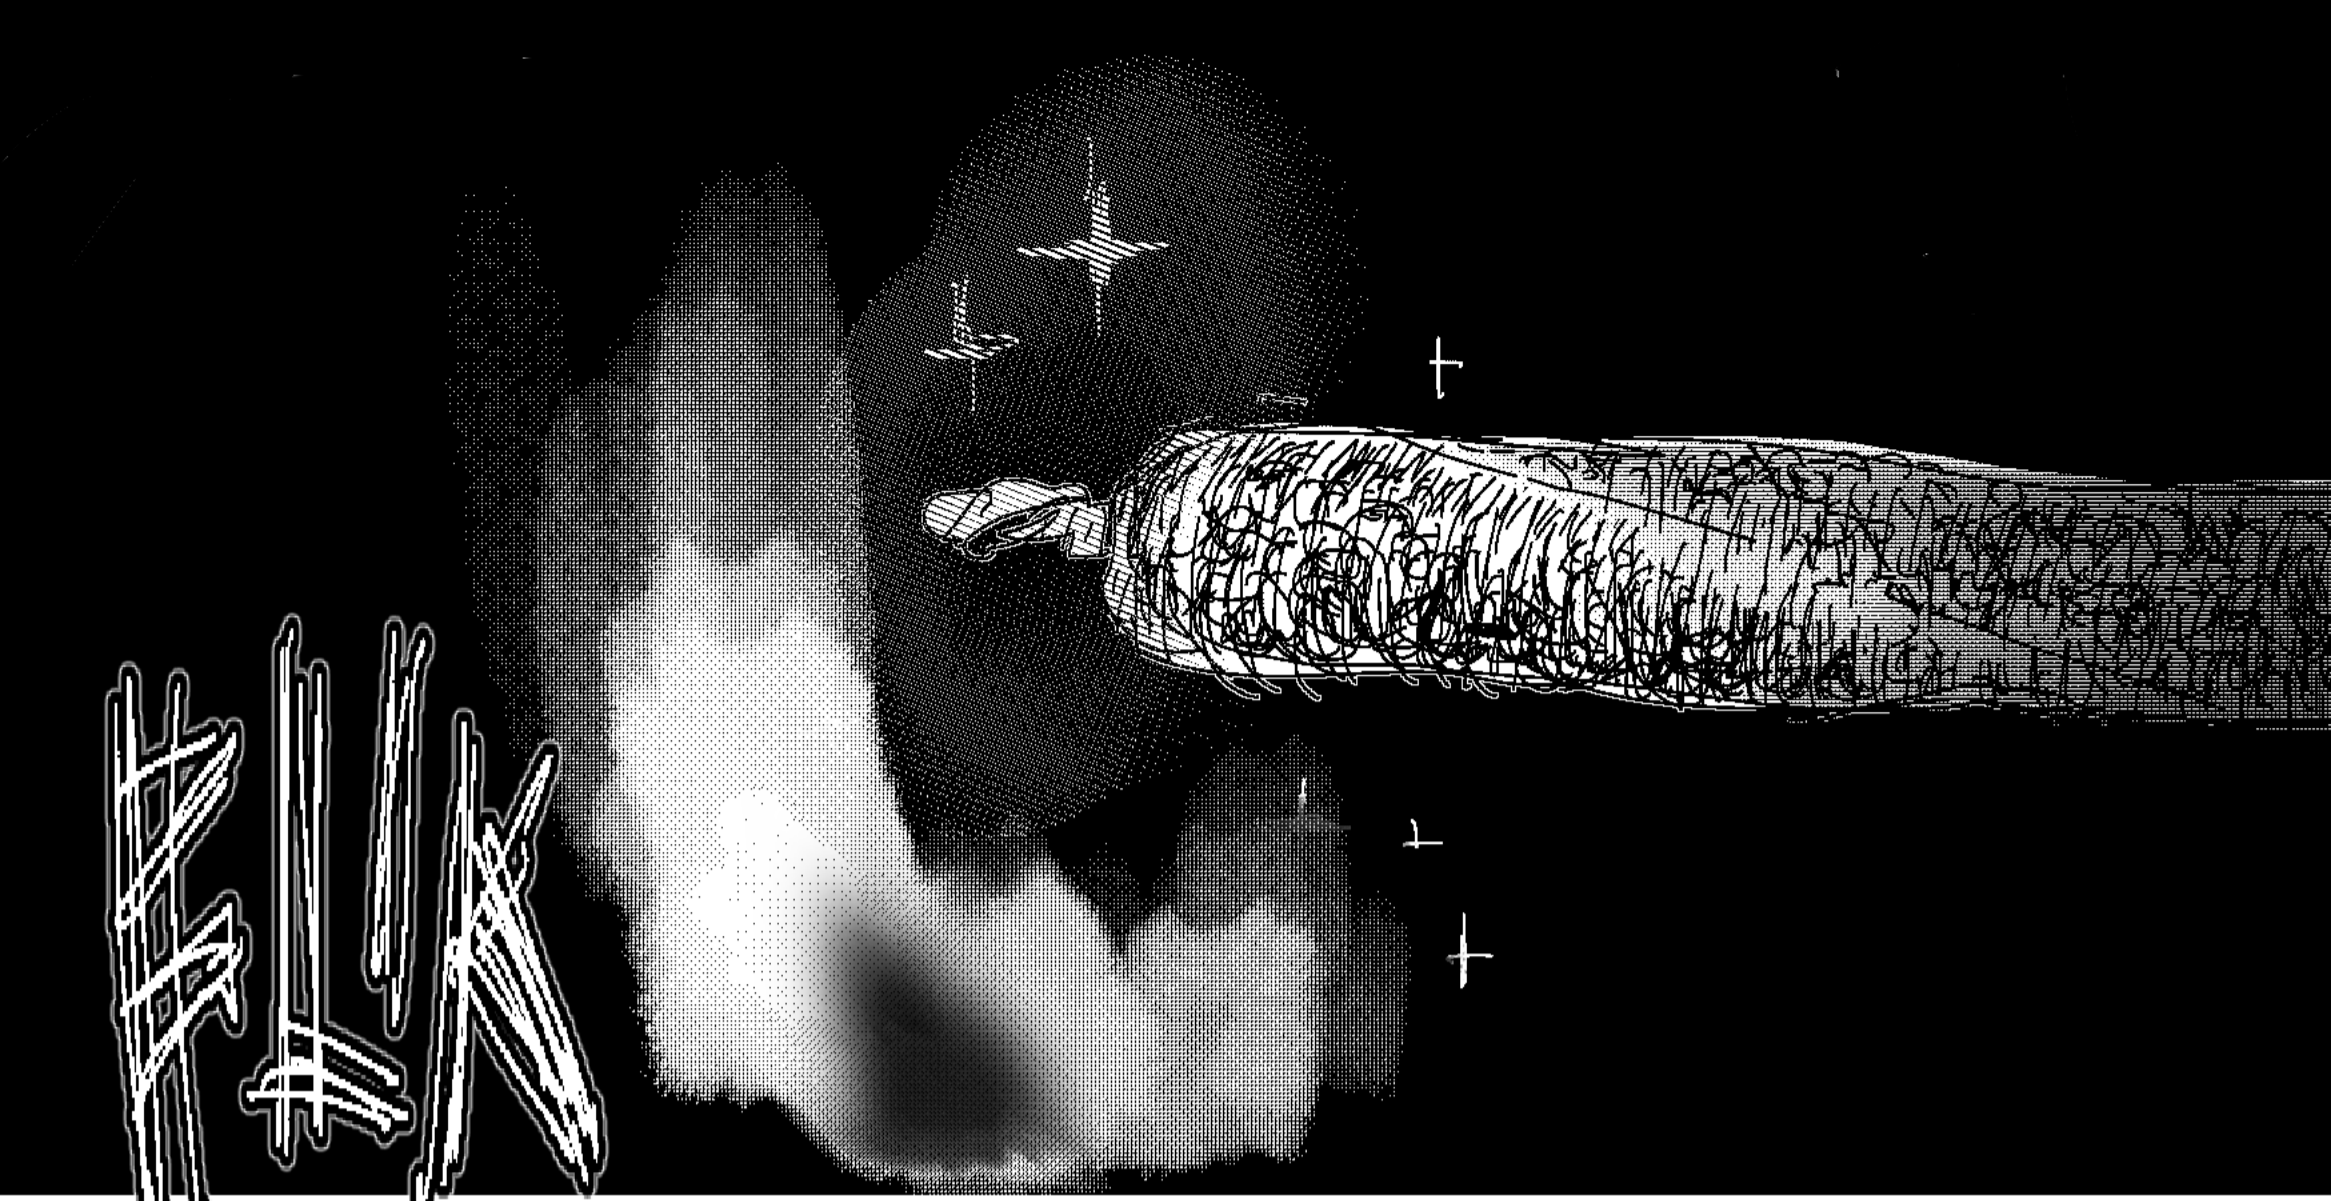

Oh. Well I was already willing to help.. But I appreciate your honesty!

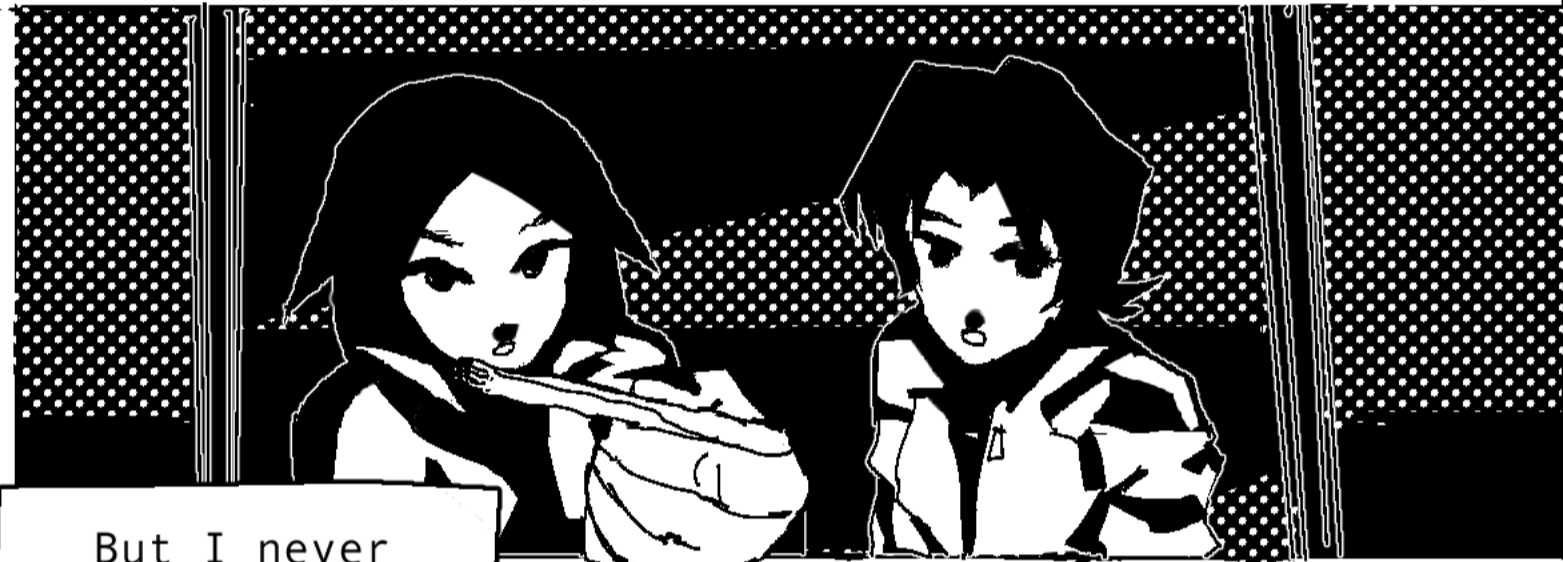

Nice! Thanks guys! I get off in 10, I'll meet y'all outside.

..I guess I could say there was always a certain hostility in the store...

Haha, damn..
Y'all do not fuck around.

But I never would've expected you guys to be succubi!

Succubusses.

Oh.. sorry if I'm being annoying. I just think that stuff is really interesting!

But yea.. I get that a lot.

You're good.. it's not a secret or anything..

I did name the store "Lick Records".

I only pictured guitars..

I can't blame you for not knowing, though. I don't really use my power unless I need to.

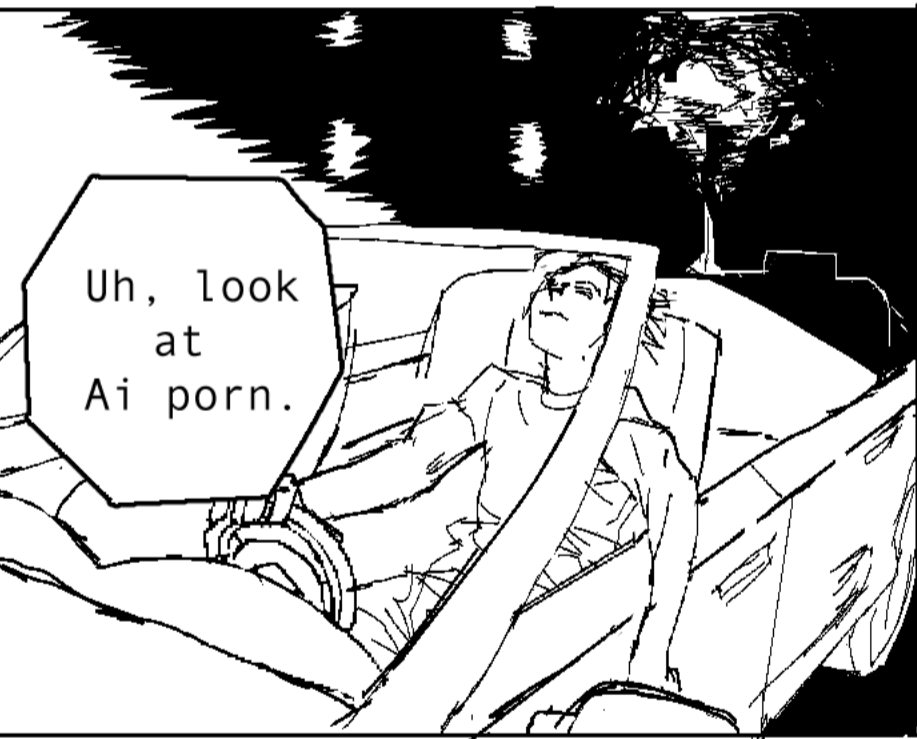

I'll do a quick demo though. This is a weirdly specific ability but I can immediately tell what someone's favorite thing to do is in bed.

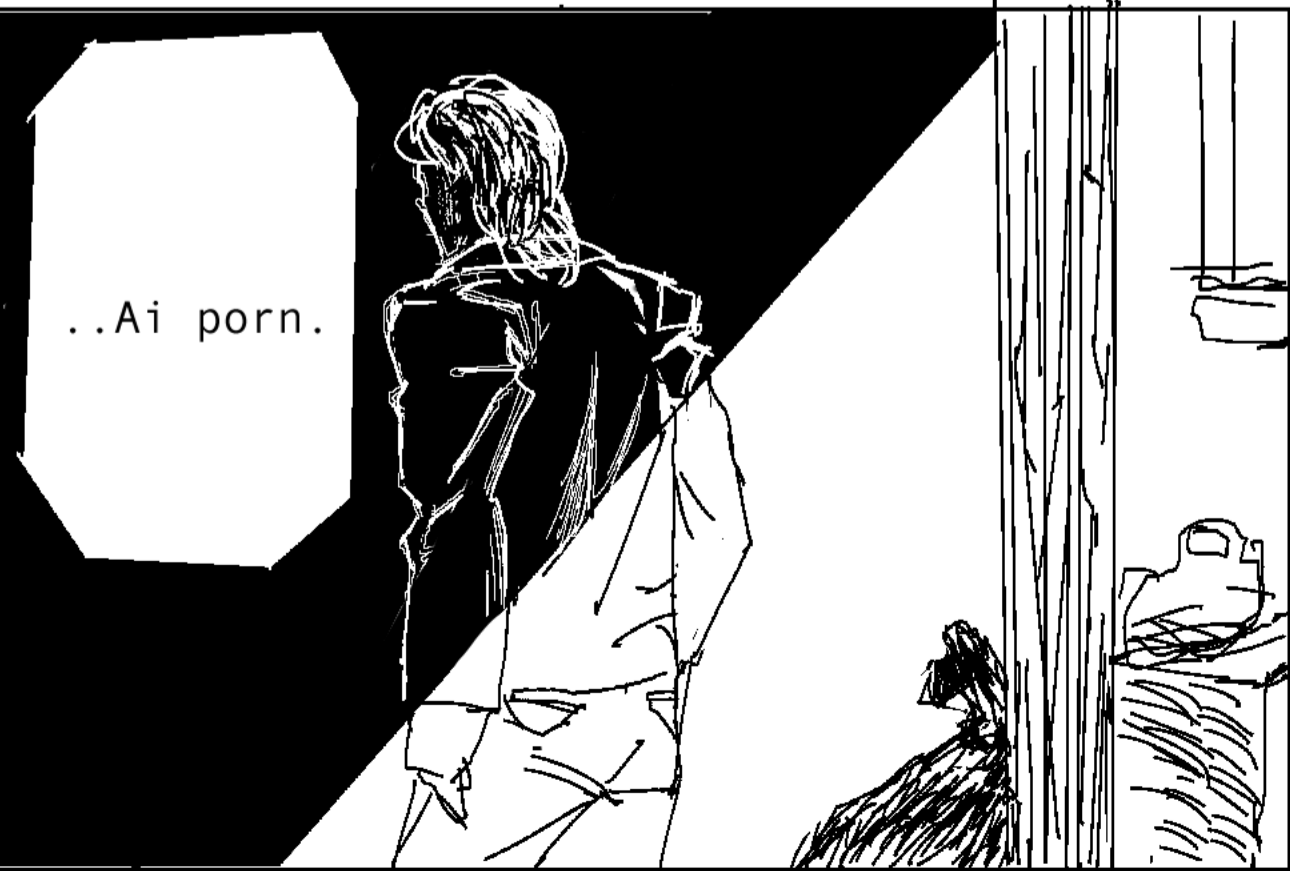

It doesn't have to be sexual either... It could literally be like anything! For example..

Uh, look at Ai porn.

..Ai porn.

...

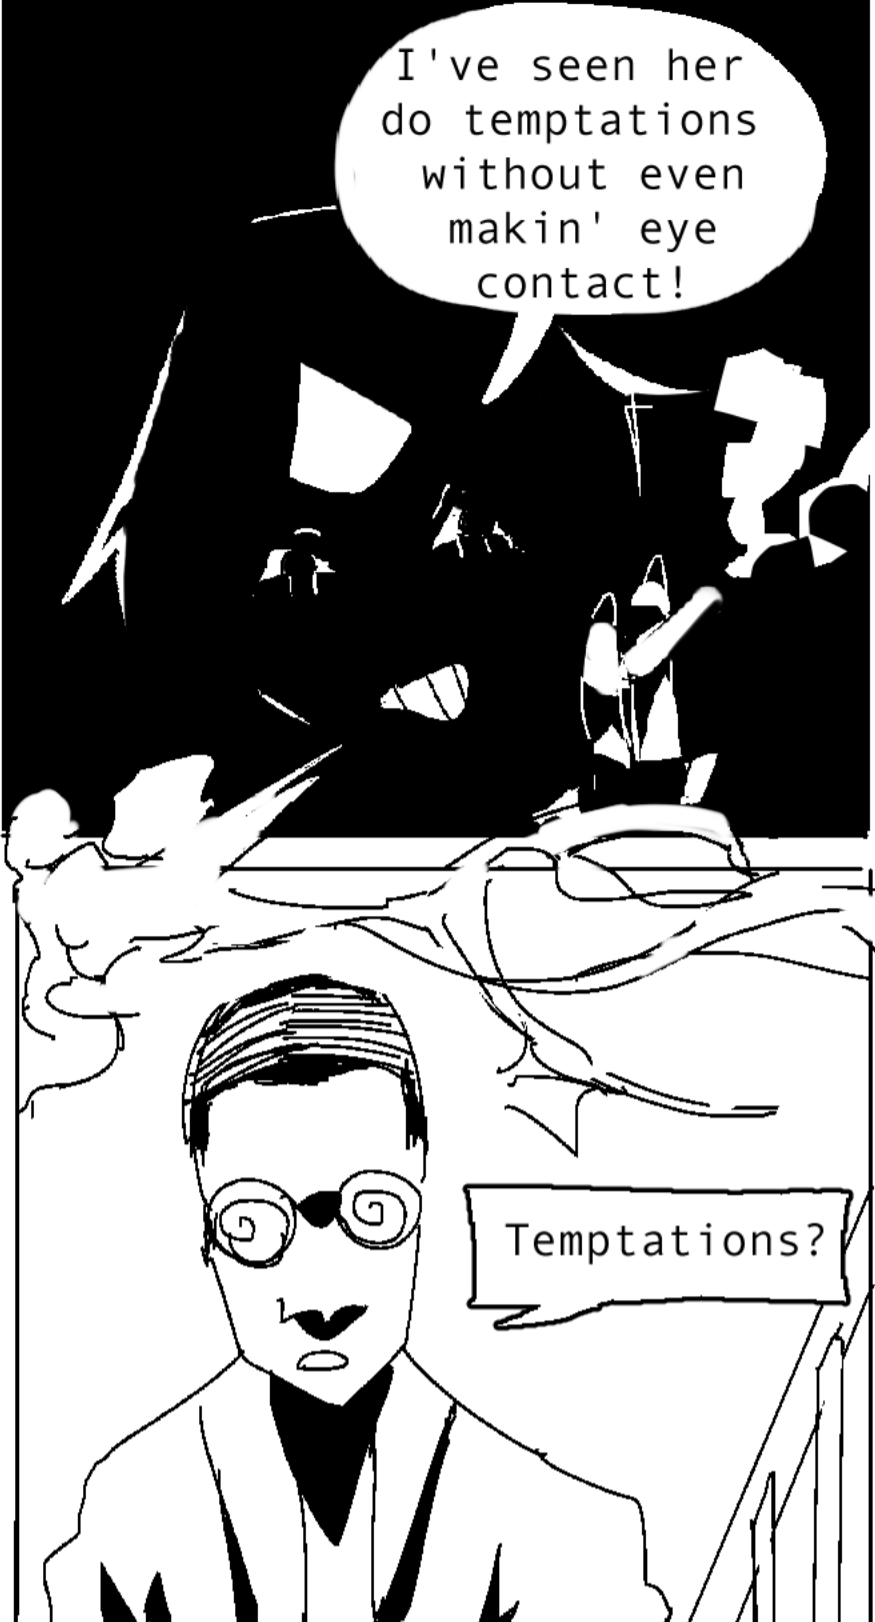

I shouldn't have done this..

Oh my GOD
Trinity is
so good it's
unfair!

I've seen her
do temptations
without even
makin' eye
contact!

Temptations?

They're
spells
that we
use.
We use
them to
wreck
havoc!

Does
everyone
use the
same
spells?

Well, sometimes.
But we usually
do our own thing.

I'll just put
it like this..
if you come at
us without any
discipline,
you're fucked!

But what if I only like guys.. could you tempt me then?

Geez nosy!

Slight

What?! Sorry.. It's just like there's like nothing in the Bible that even talks about you guys..

Bro we're in Hell, there's no way you read the Bible!

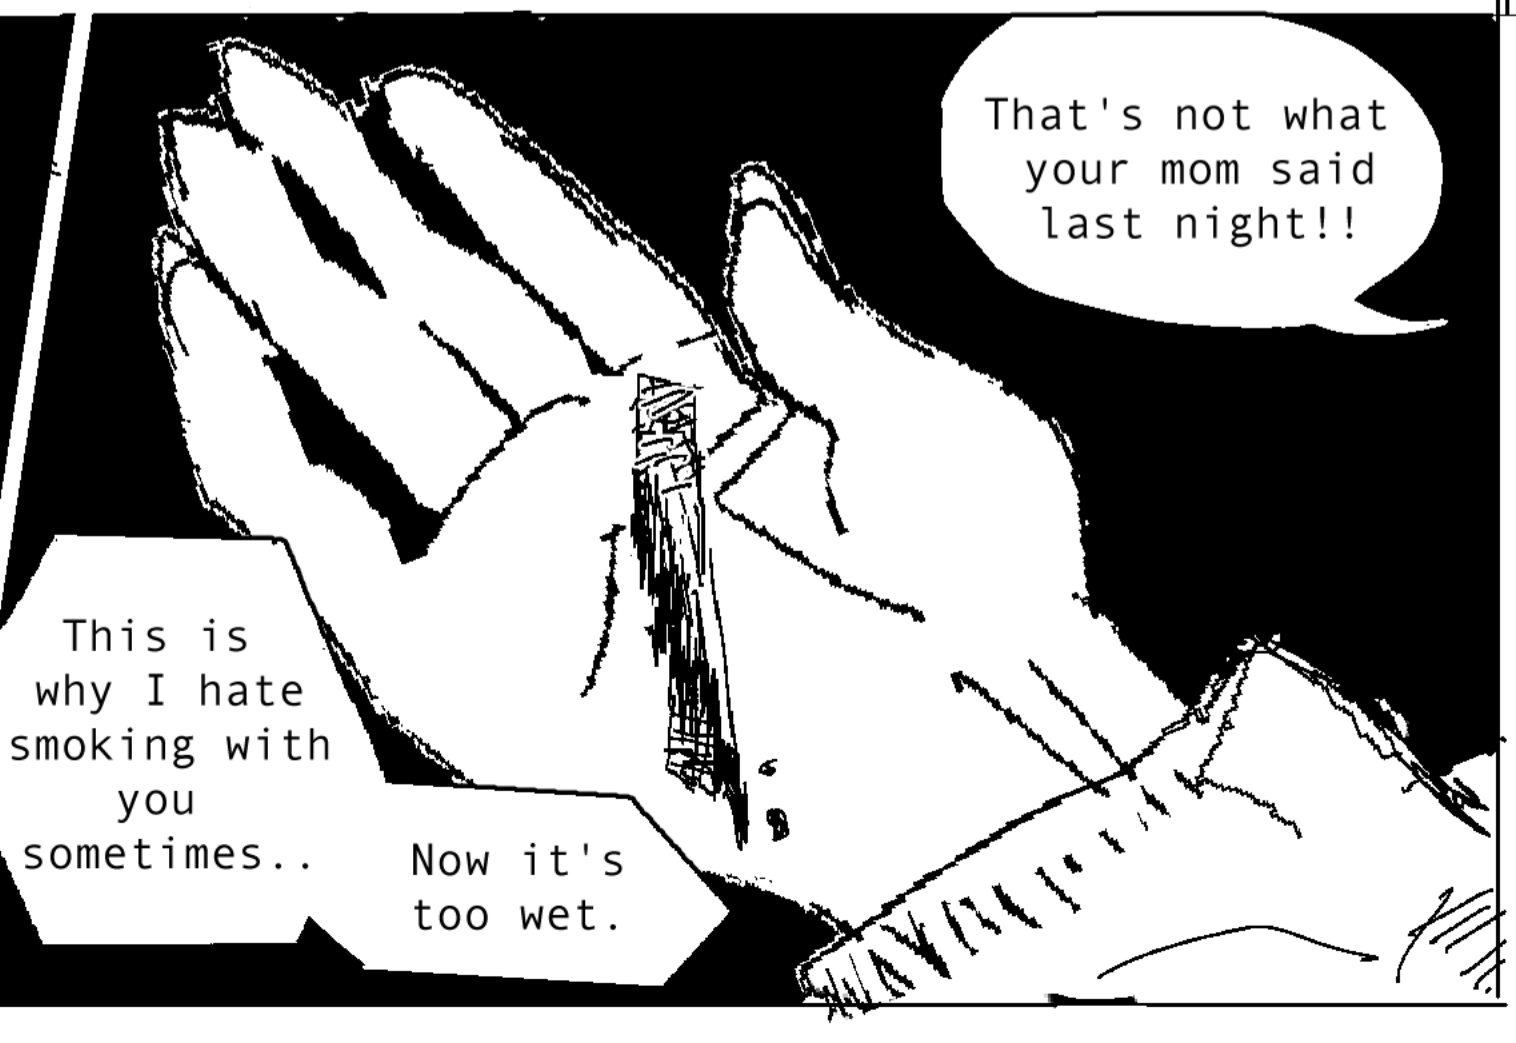

SMACK

You let it go out.. Pass it back so I can re-light it.

Ugh.. why'd you let it burn like this?

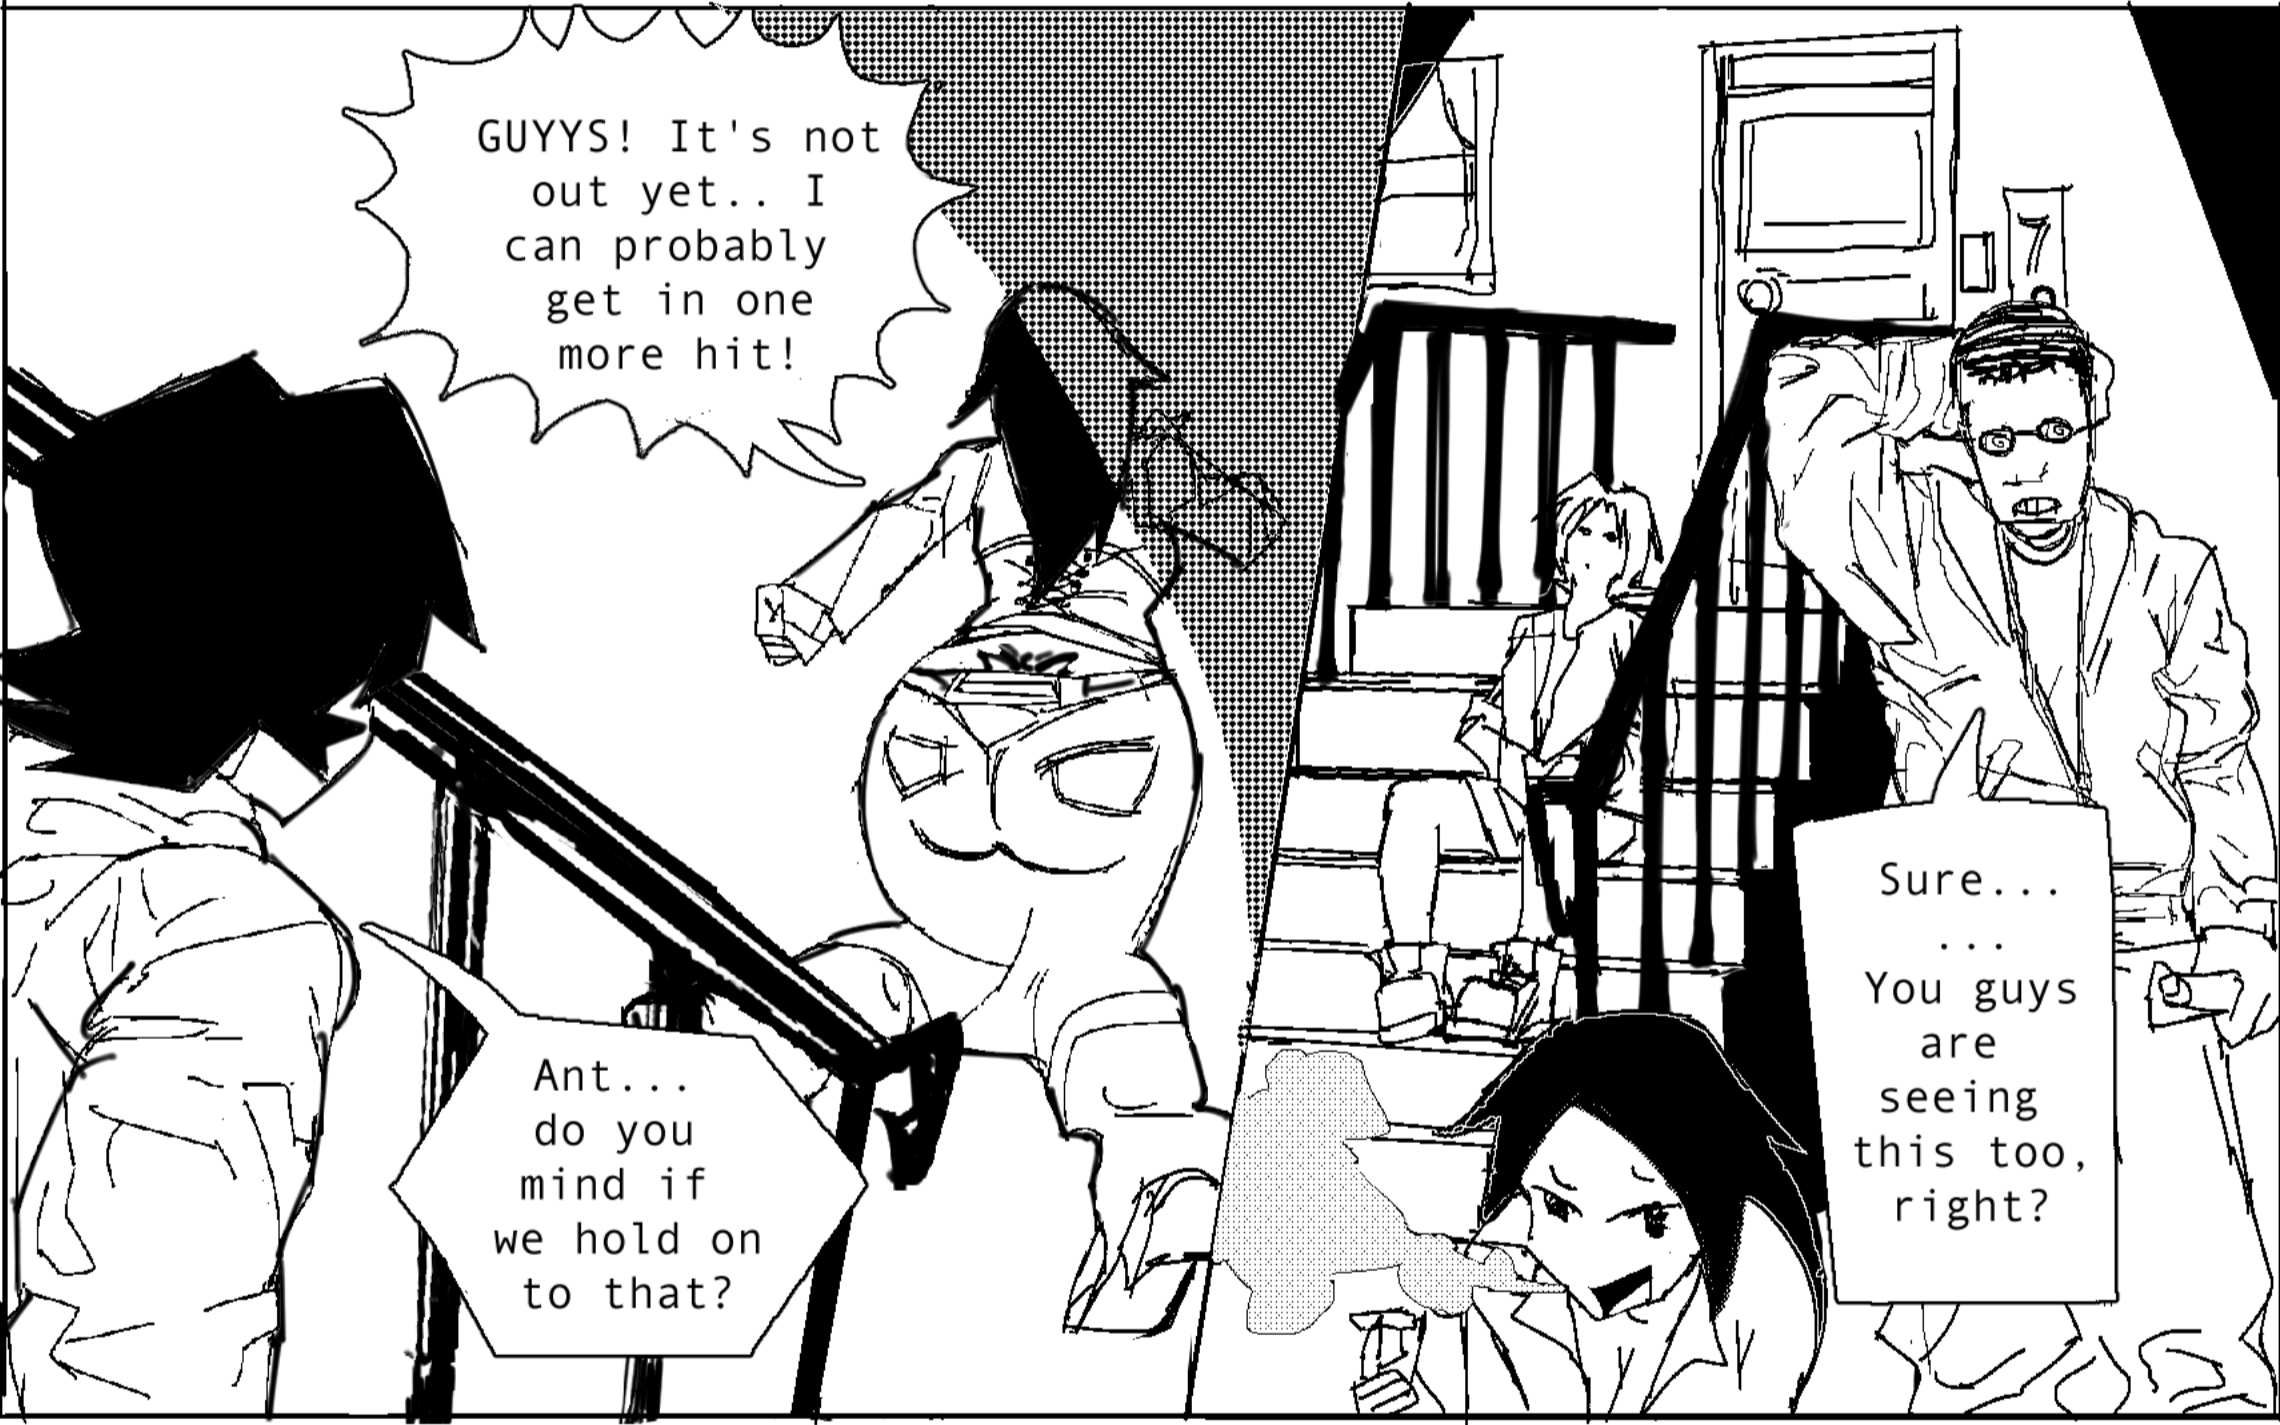

This is why I hate smoking with you sometimes..

Now it's too wet.

That's not what your mom said last night!!

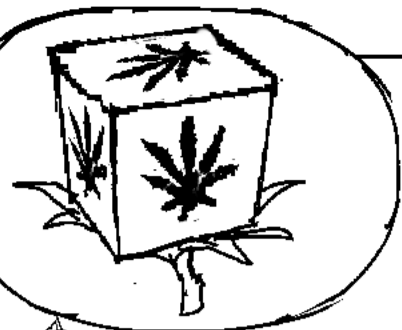

Yea, you're right. That was pretty lame..

The night's pretty young though. We still have plenty of time to help you fill out one of these applications!

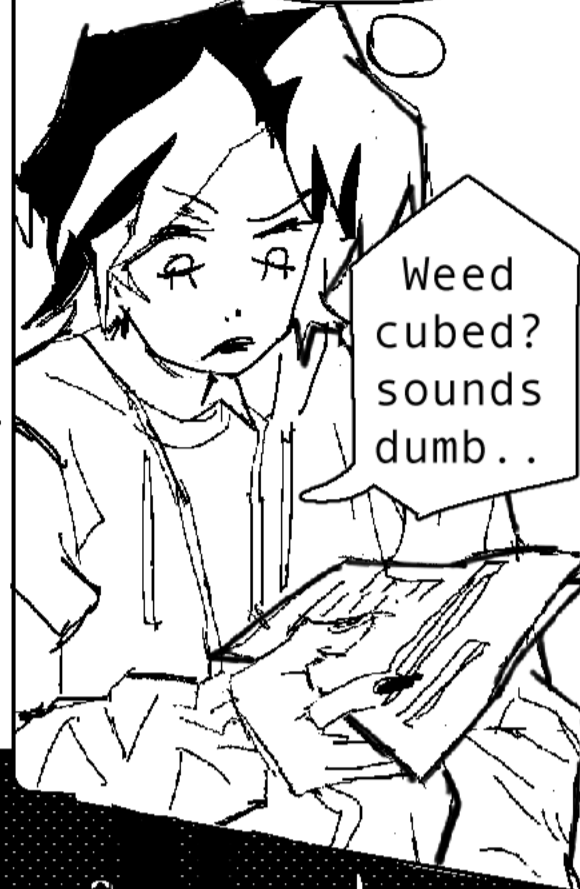

SHUT UP!!

There's only one thing that can fix this! We have to get WEED CUBED!!

Weed cubed? sounds dumb..

Is this what you were screaming about at the restaurant?

Yes! It's almost 12, we still haven't found a place with it!

sigh I'll go with you. But I am not tryna' run around the world lookin' for it. I know I just said it's not that late but I'm still pretty tired..

Sooo lame..

Ant! You gotta help me! I don't think I'll be able to find a dispensary by myself before Trinity starts getting sleepy!

The one in front of us has it.

..The 3 means cubed. It's a math thing.

Ohhhh...

Yea.. we don't fuck with any of that.

I plan to not do any for as long as I can!

I'm just glad we don't have to walk far to get to it!

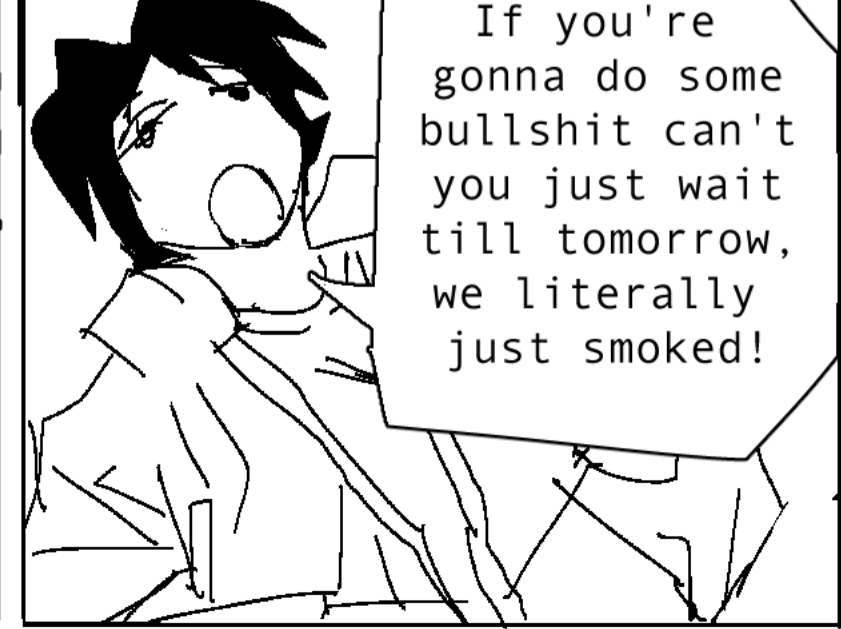

Damn! That's crazy!

I dunno. I hear a lot of crazy stuff about that. A friend who smokes it told me a week after he started, he was able to move out of his mom's place, get a girlfriend, and buy a car. I'm happy for him, but that sounds unnatural..

Maybe I should've just taken the blowjob..

Well I'm sleepy..

YAWN

ugh You don't even know if it's legit.. you're just in it for the hype!

I am going to force you to fill out this job application when we get home.

That can't be true!!

Don't worry Trin, I have a plan! And if it doesn't work, You can yell at me as much as you want!

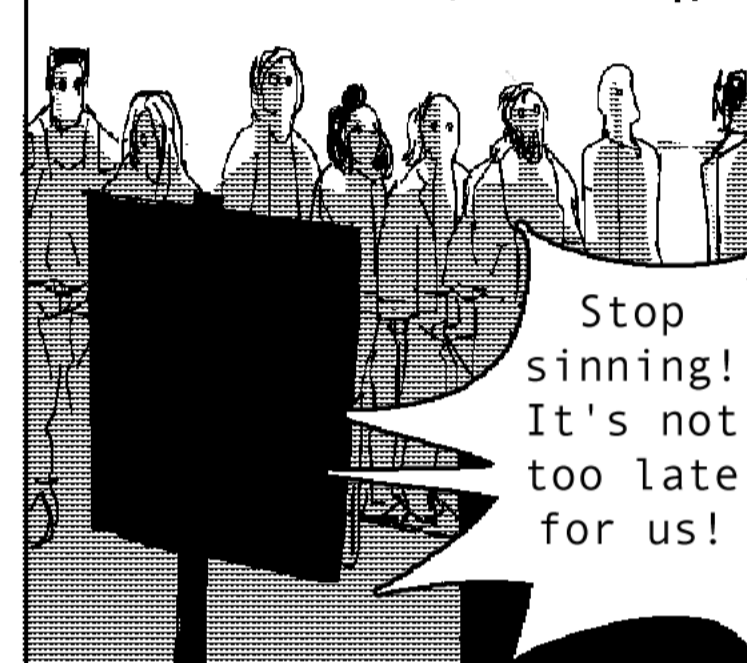

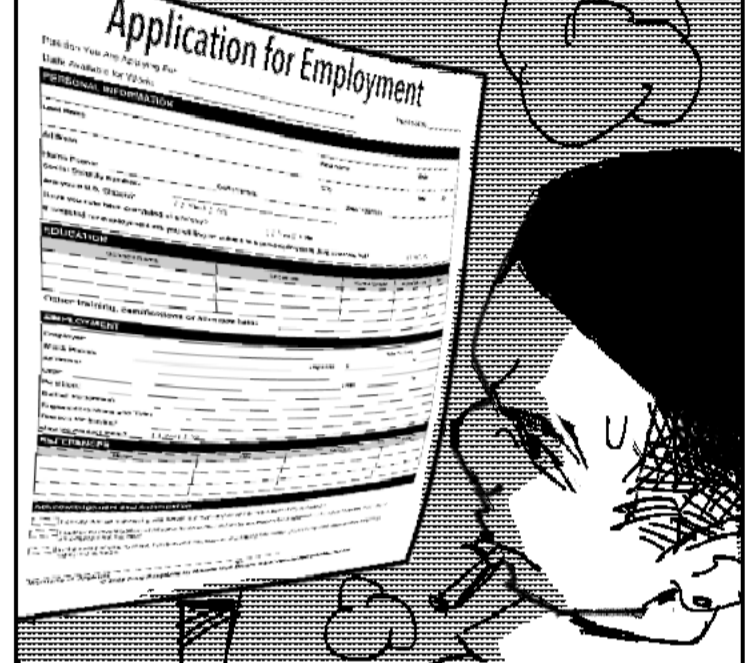

IF I CAN BUILD A COMPUTER I CAN MAKE YOU CUM.

Probably not...

You're lucky I need to re-up soon anyway..

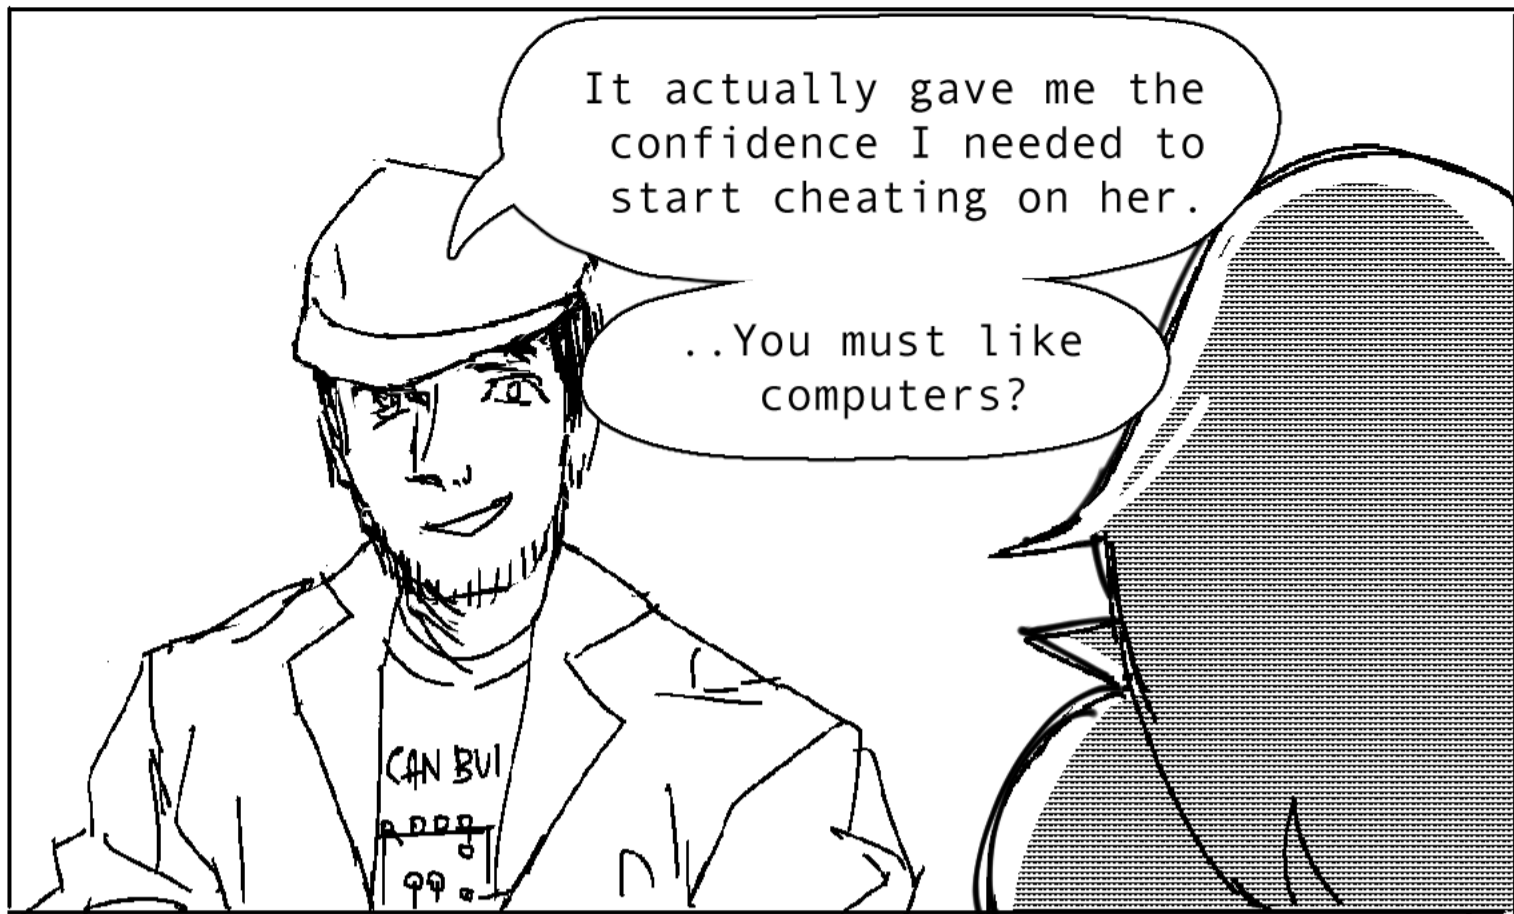

Are you thinking what I'm thinking!?

Dude that's a guarenteed hit! Horny nerds are so easy!

Oh, this old thing hah. My wife gave it to me after I made her cum for the first time!

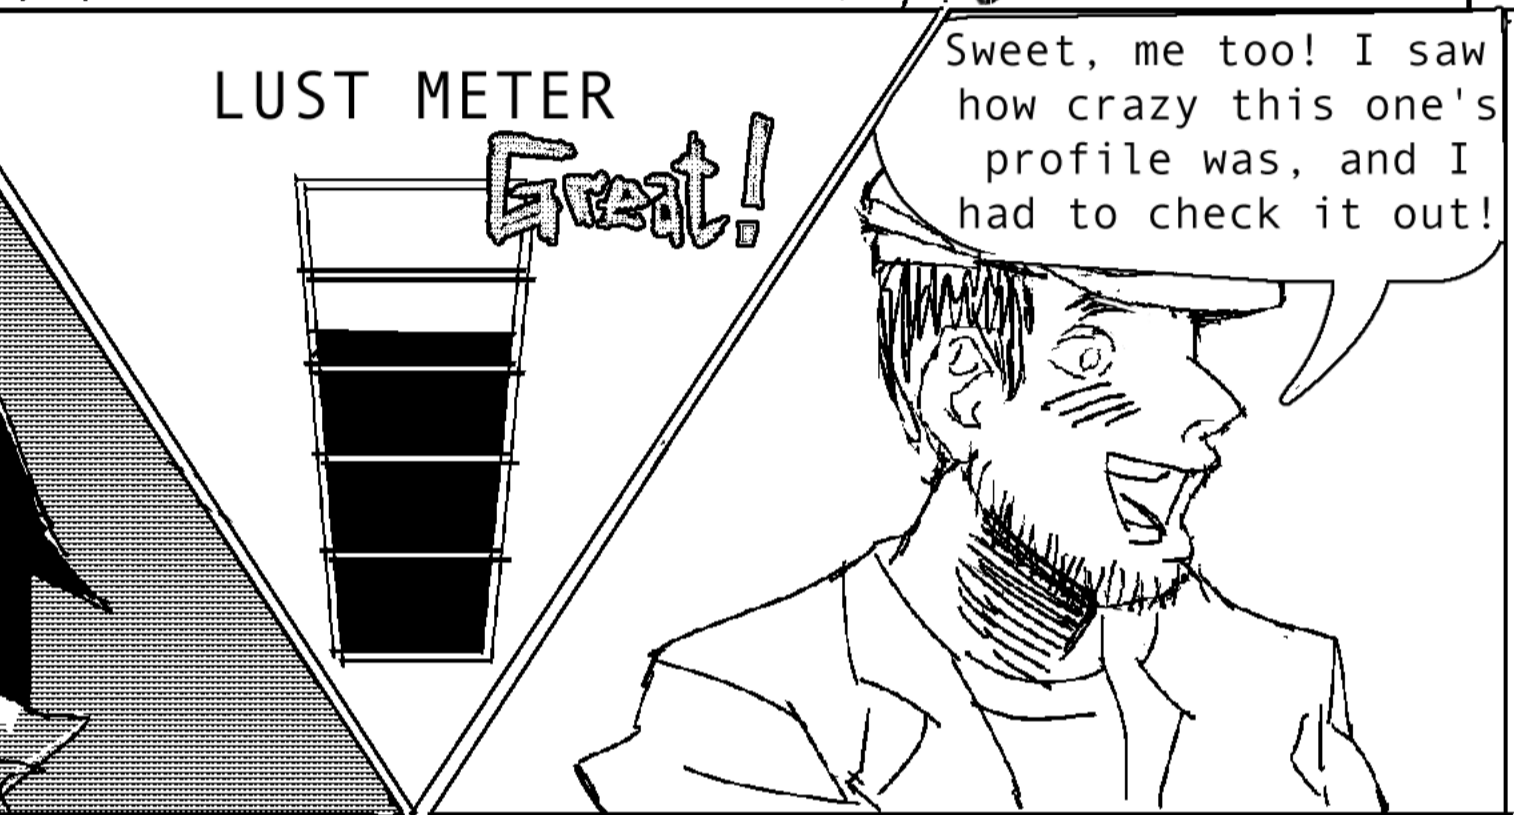

It actually gave me the confidence I needed to start cheating on her.

..You must like computers?

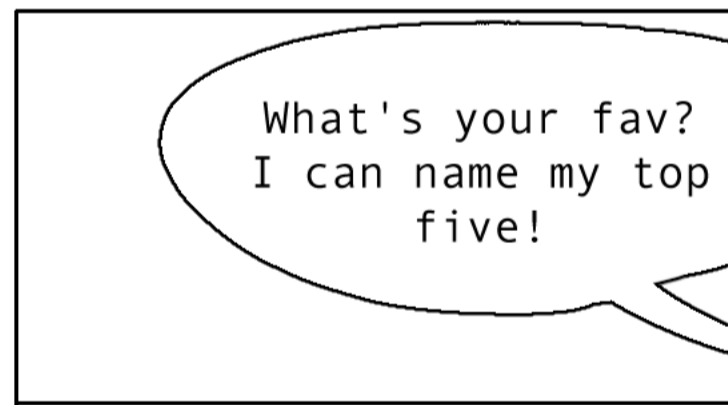

Mnn..Of course! I uh, like to look up stuff about weed... like terpenes..

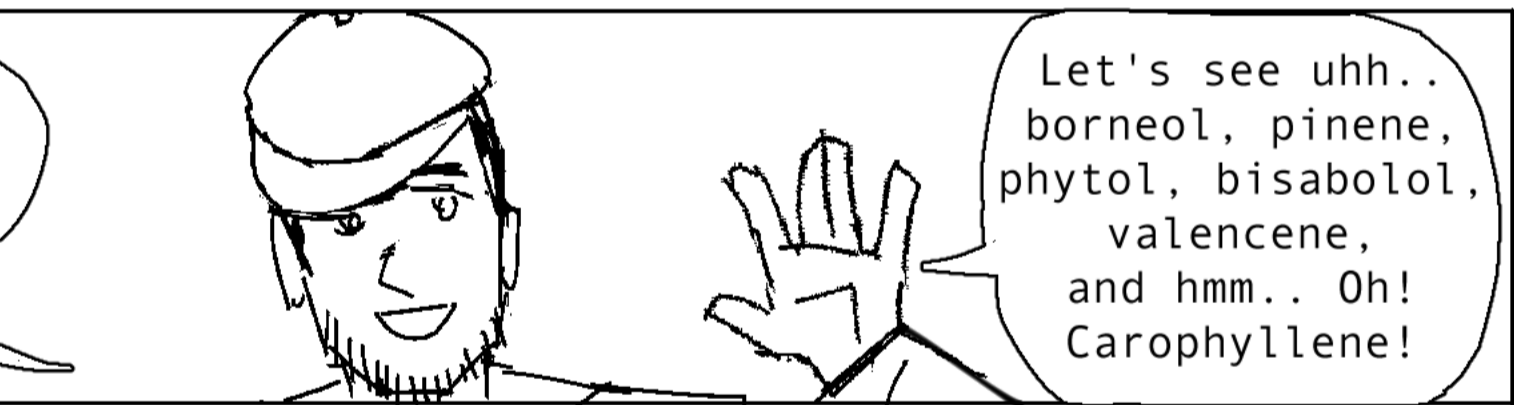

LUST METER

Great!

Sweet, me too! I saw how crazy this one's profile was, and I had to check it out!

What's your fav? I can name my top five!

Let's see uhh.. borneol, pinene, phytol, bisabolol, valencene, and hmm.. Oh! Carophyllene!

I think mine is mmm... sativa..?

LUST METER

FUCK!

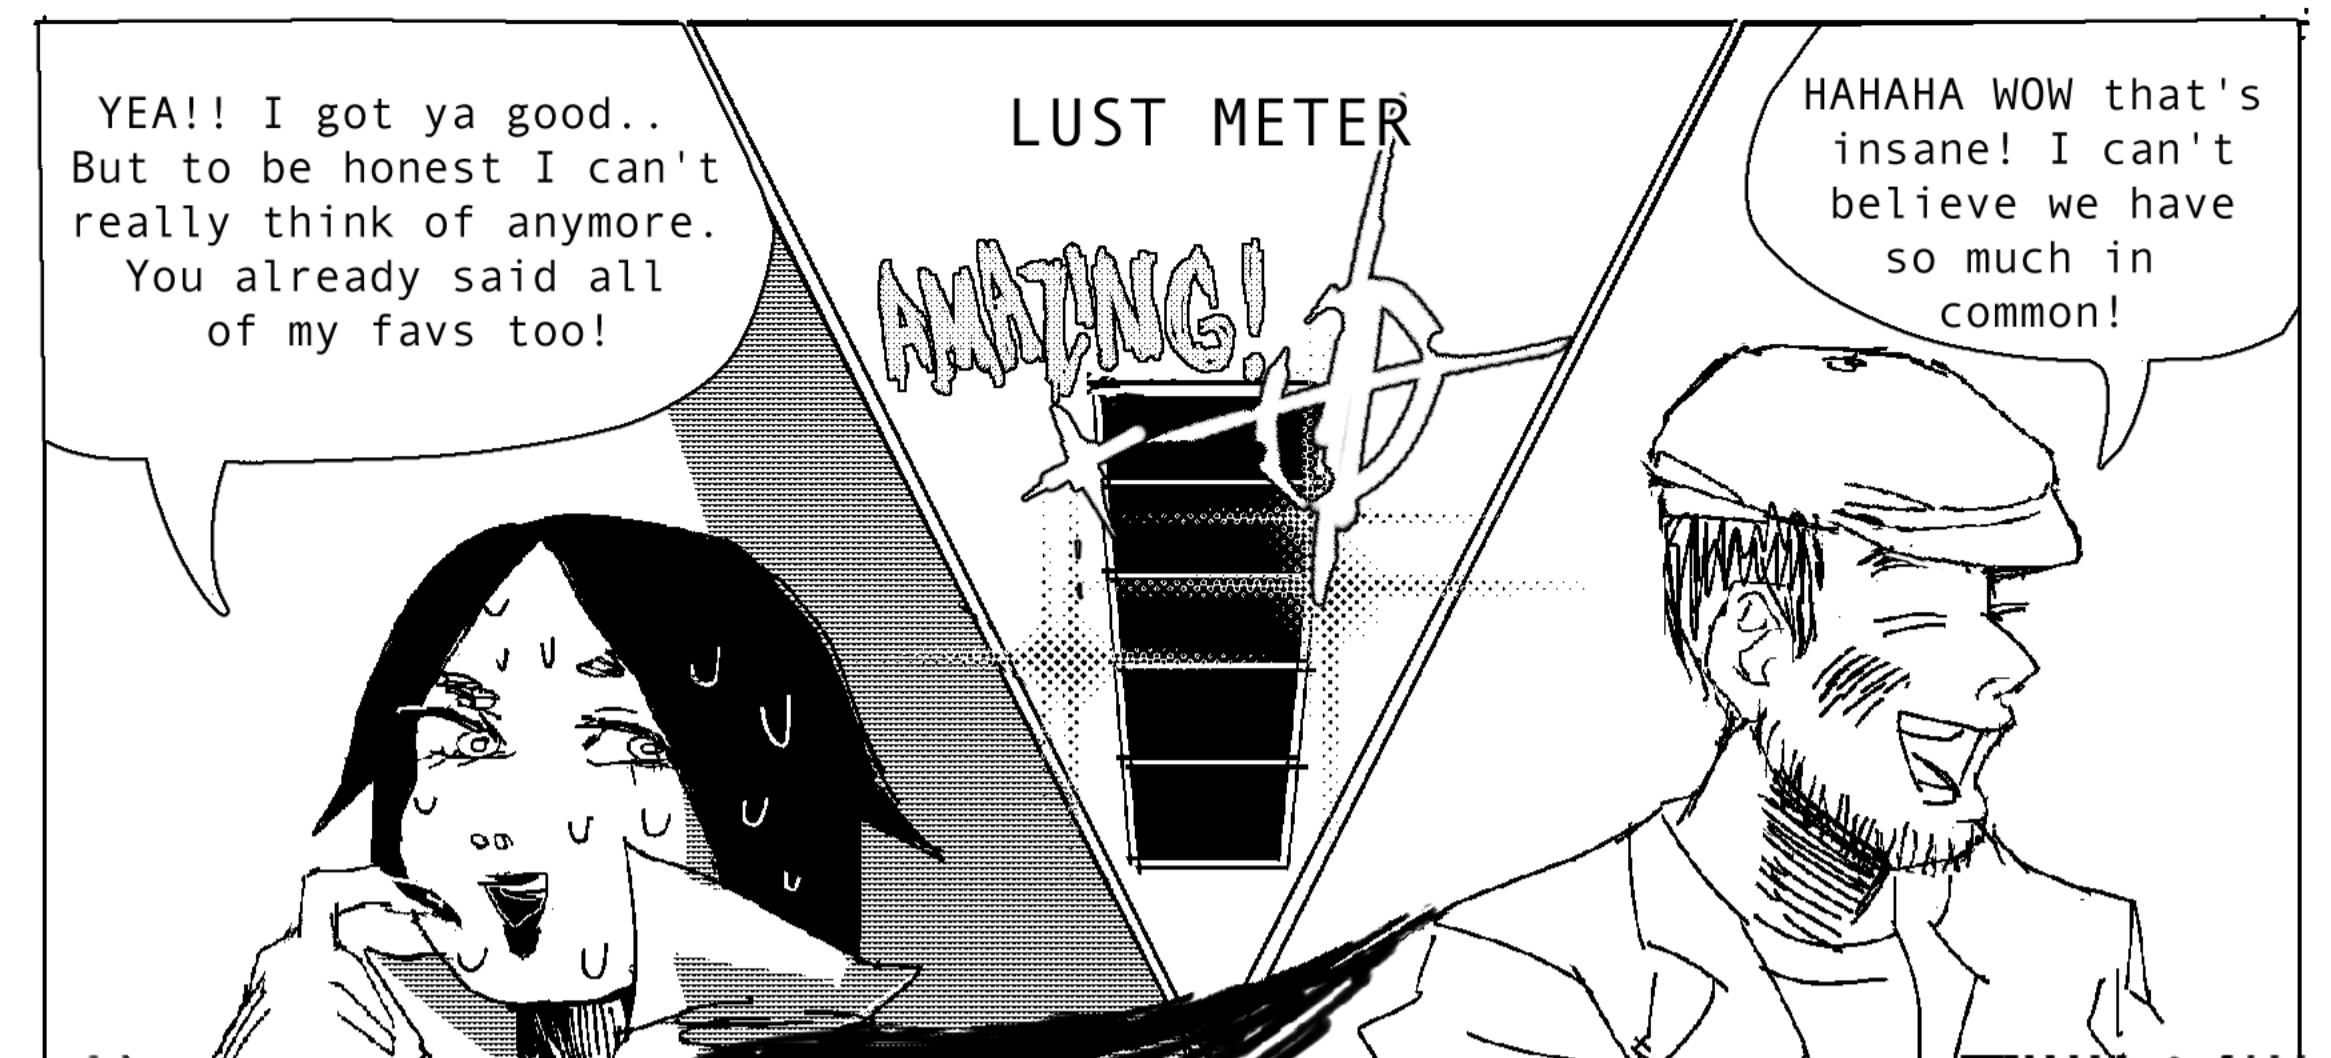

Was that a joke?

YEA!! I got ya good..
But to be honest I can't
really think of anymore.
You already said all
of my favs too!

LUST METER

HAHAHA WOW that's
insane! I can't
believe we have
so much in
common!

AMAZING!

OFASUMI

Me either!
HEHE!

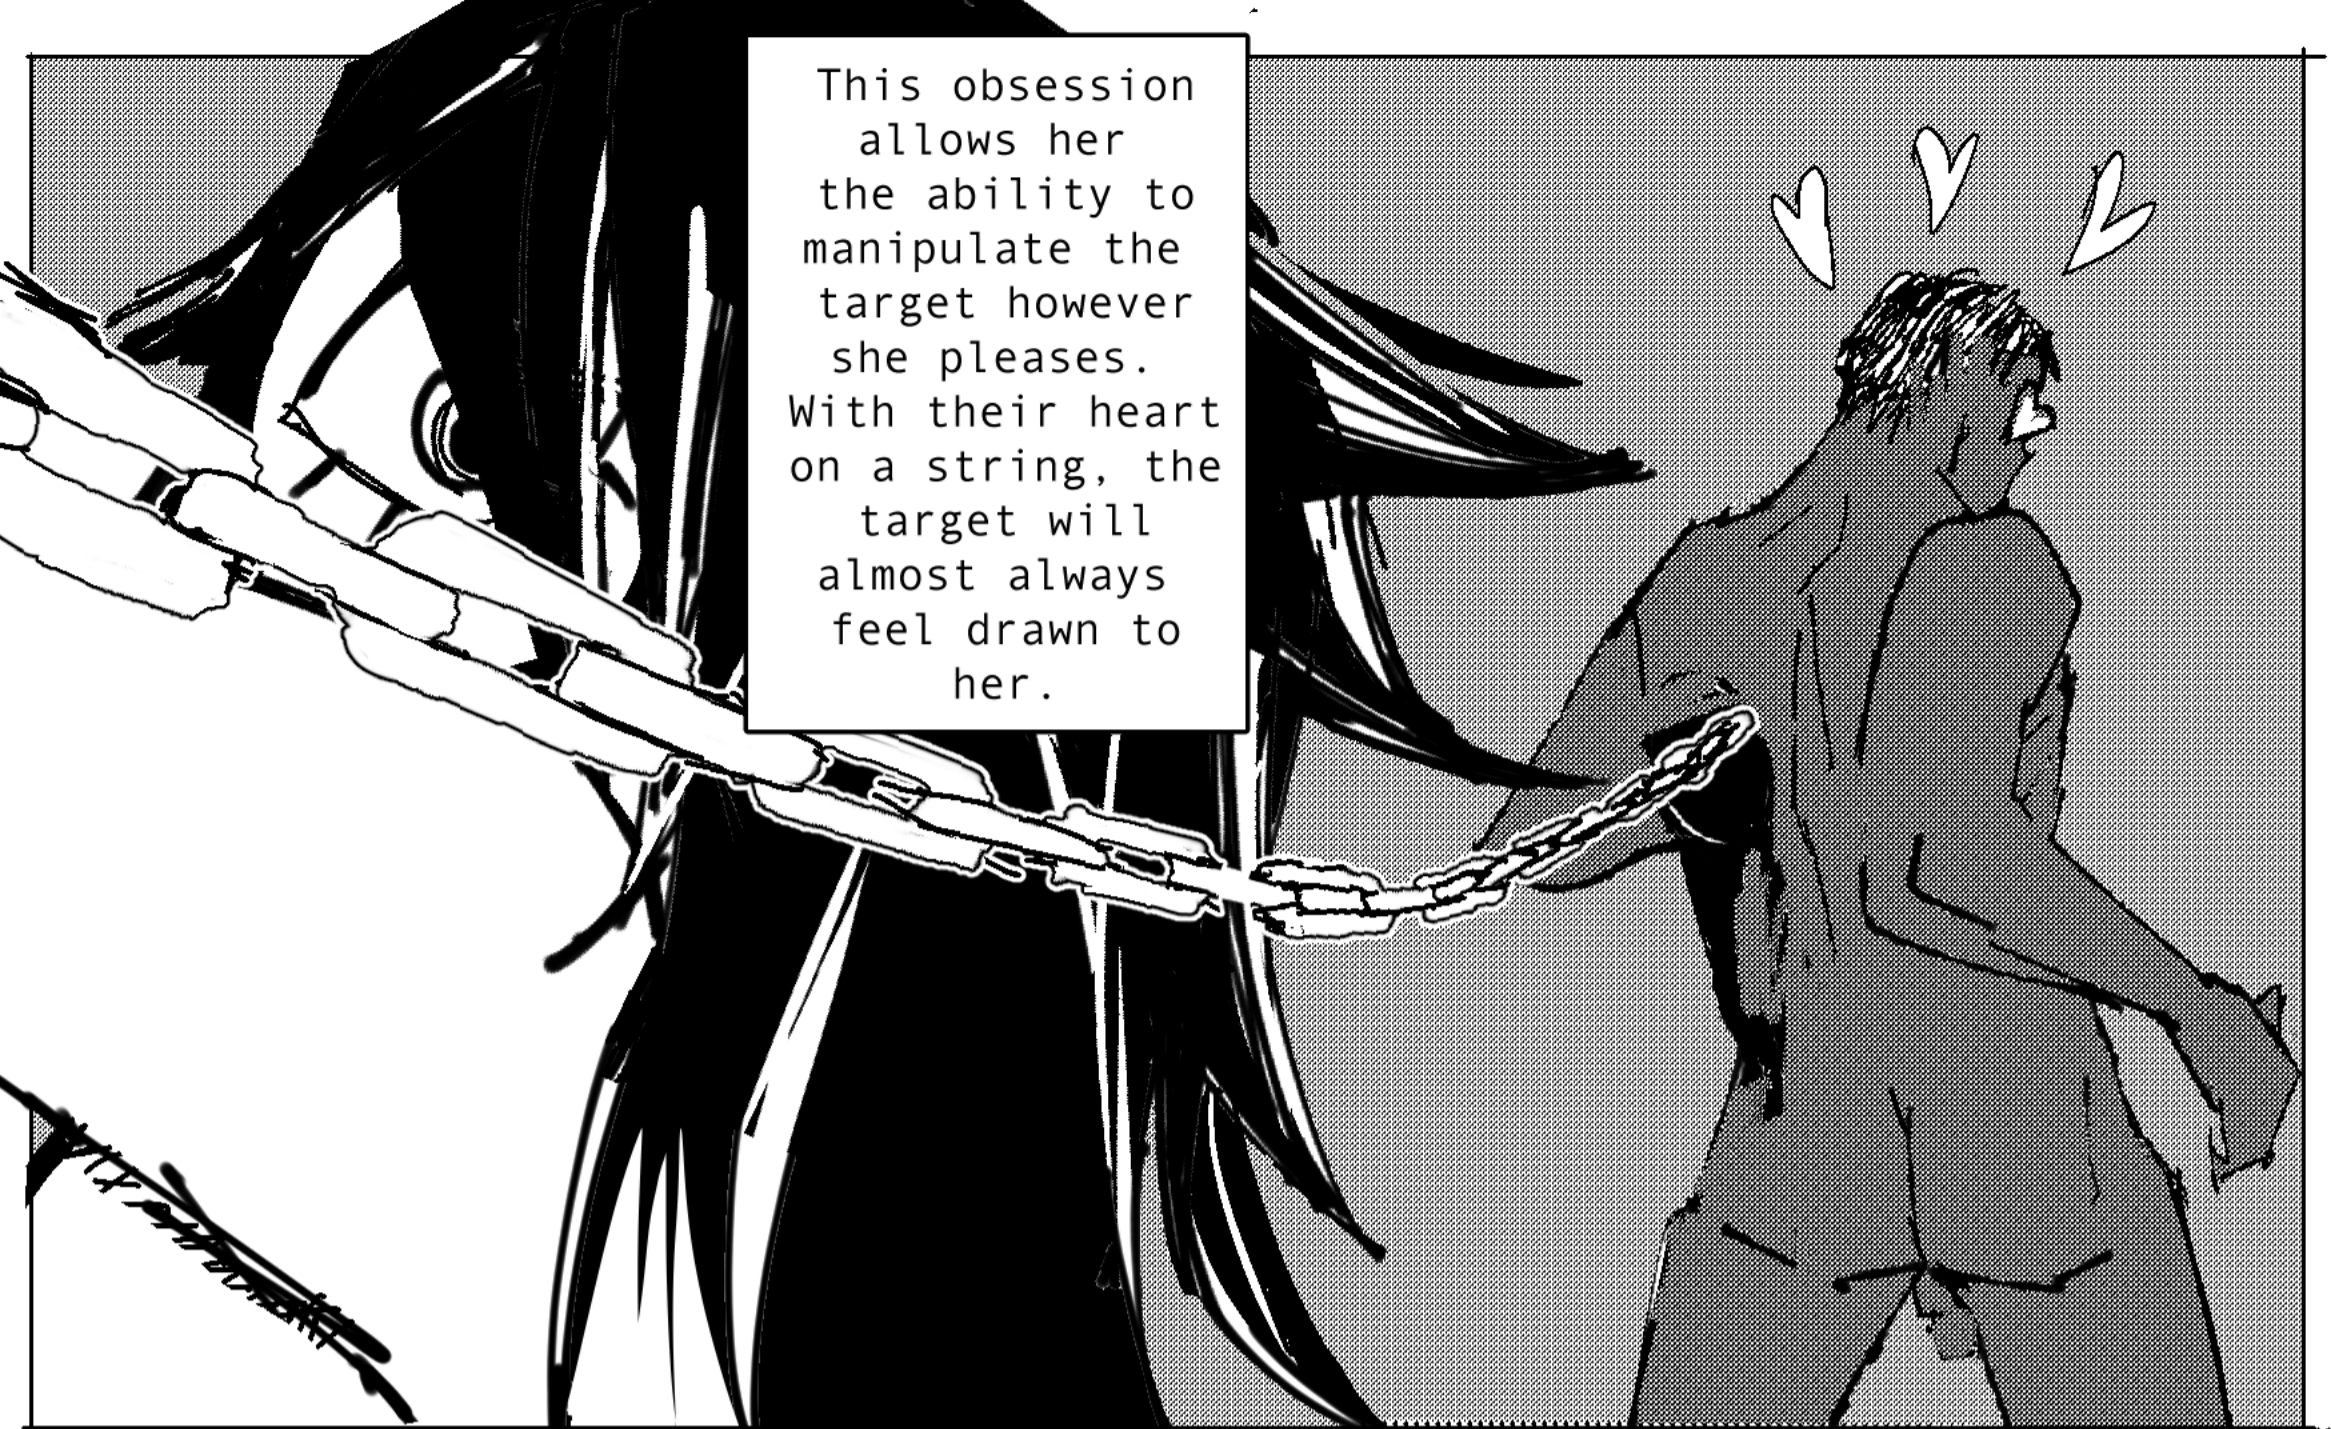

Total
Control

WOW

Each succubus has a unique spell, with some having more. Oyasumi loved to use this move called YoYo.

It involves stealing some poor soul's heart. If successful, the target harbors a supernatural obsession for her.

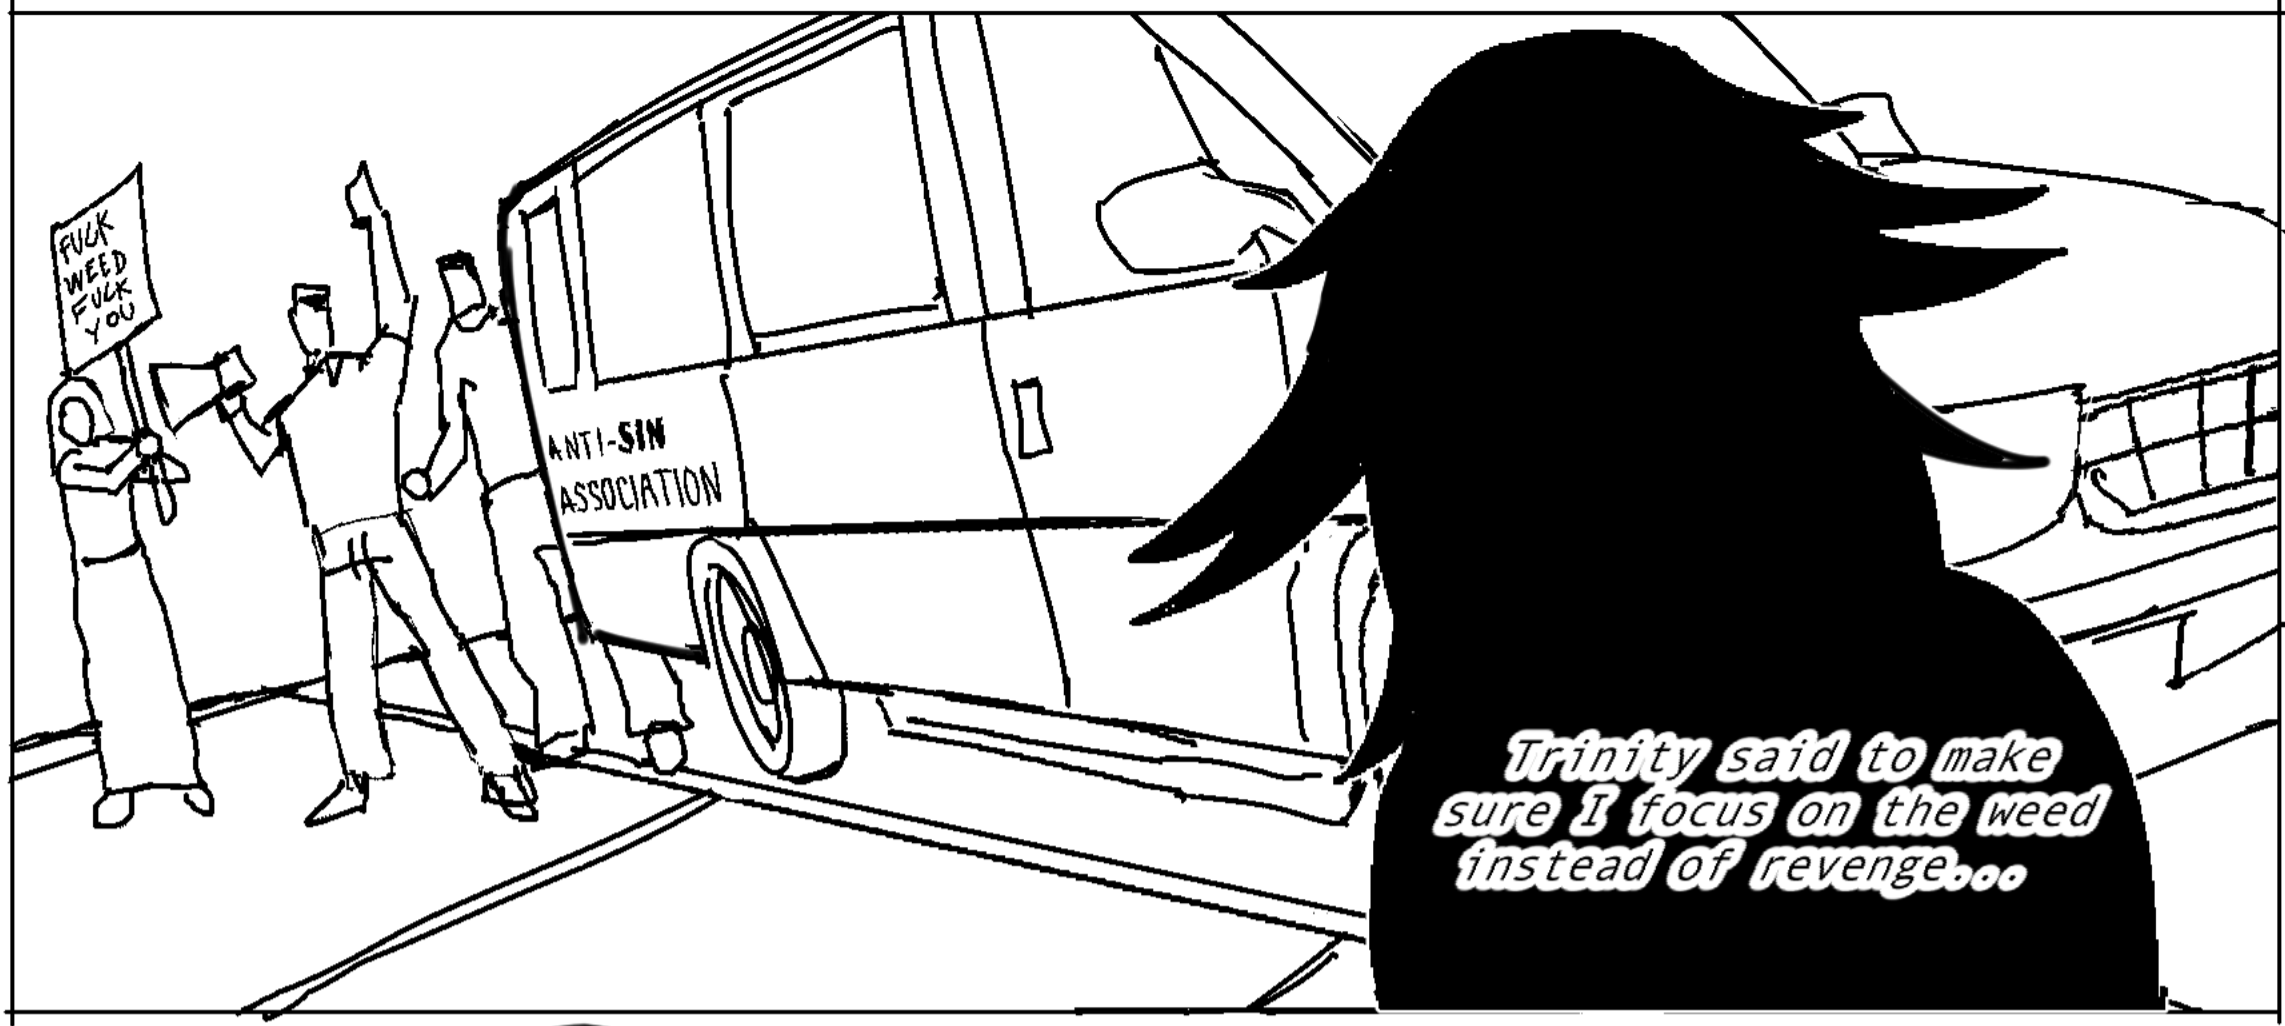

This obsession allows her the ability to manipulate the target however she pleases. With their heart on a string, the target will almost always feel drawn to her.

Would you be interested in joining me? I'd love to treat a fellow connoisseur!

He'll
YEAA!!

The plan was a success!
He even said he'd buy
it for me... this
is going great!

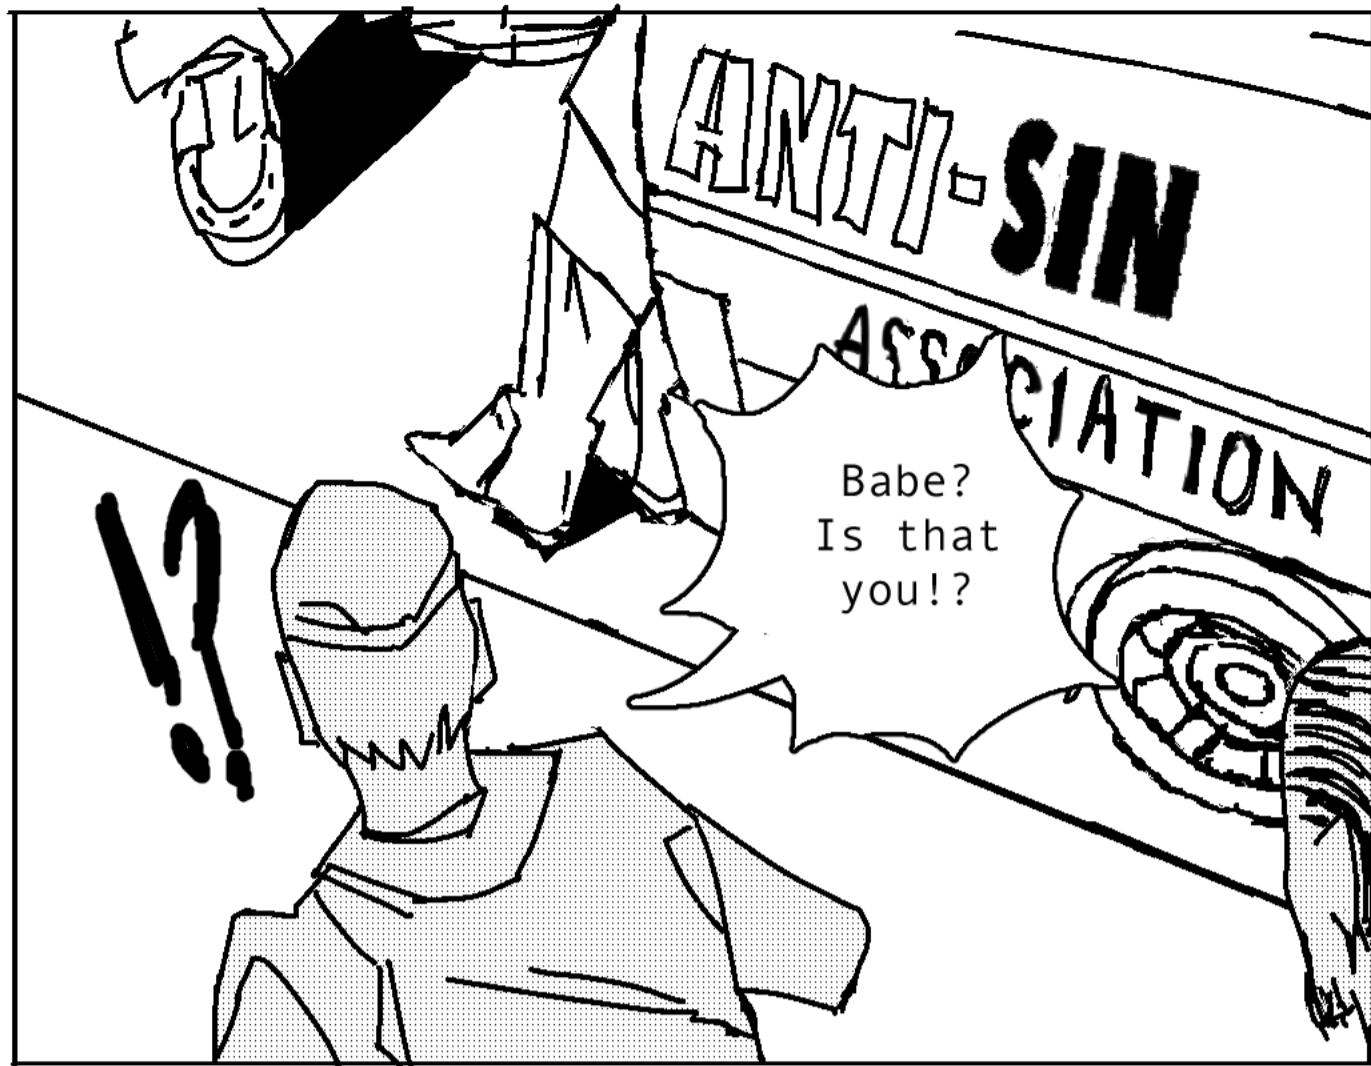

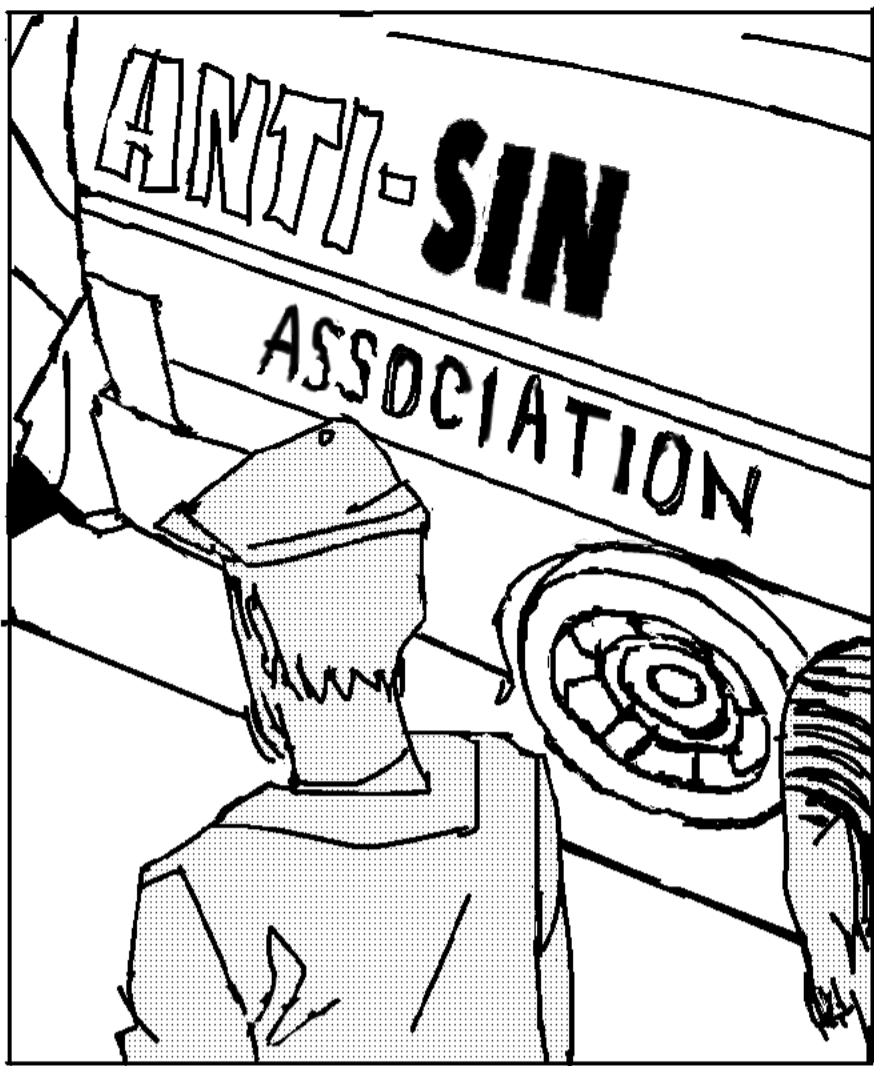

Trinity said to make sure I focus on the weed instead of revenge...

She's not here right now though..

I think I get what's going on.. There's only one possible reason she would act like this.. She's just testing me! I've gotta save face. I can't go out looking bad!

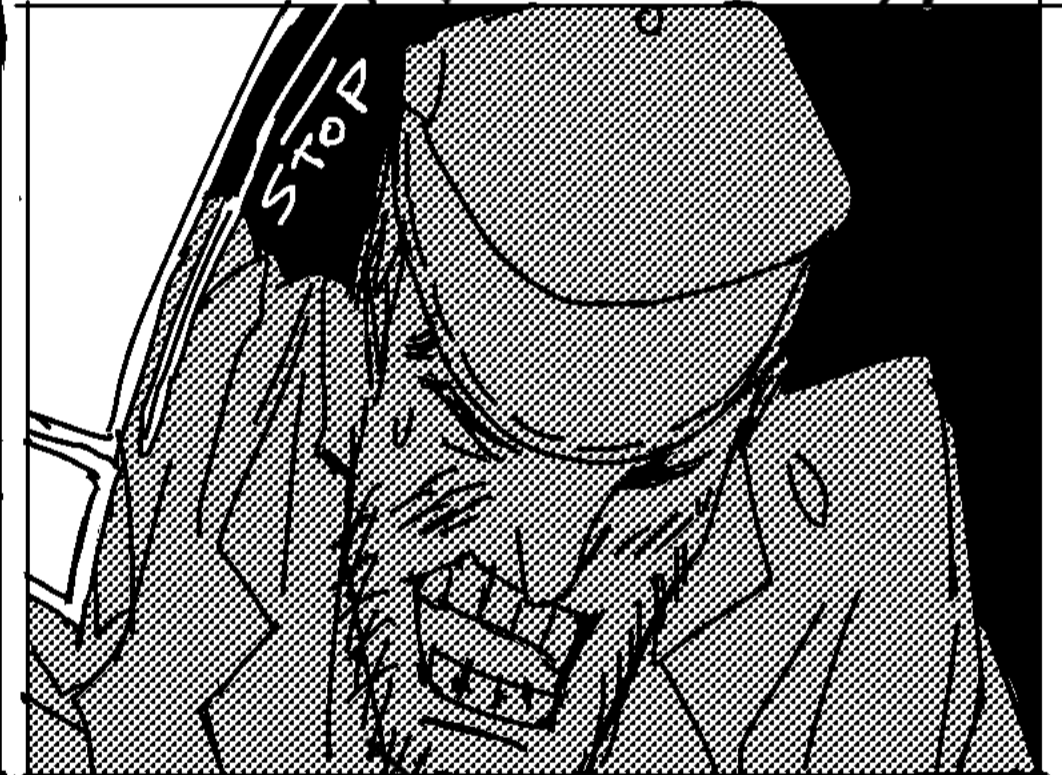

Are you busy-bodding bro?

I would never engage in a sin like homewrecking!

You deserve to get your ass beat for lying!

AHAHA!!! Your pussy ass really thought you could fuck with one of the Lord's finest soldiers?!

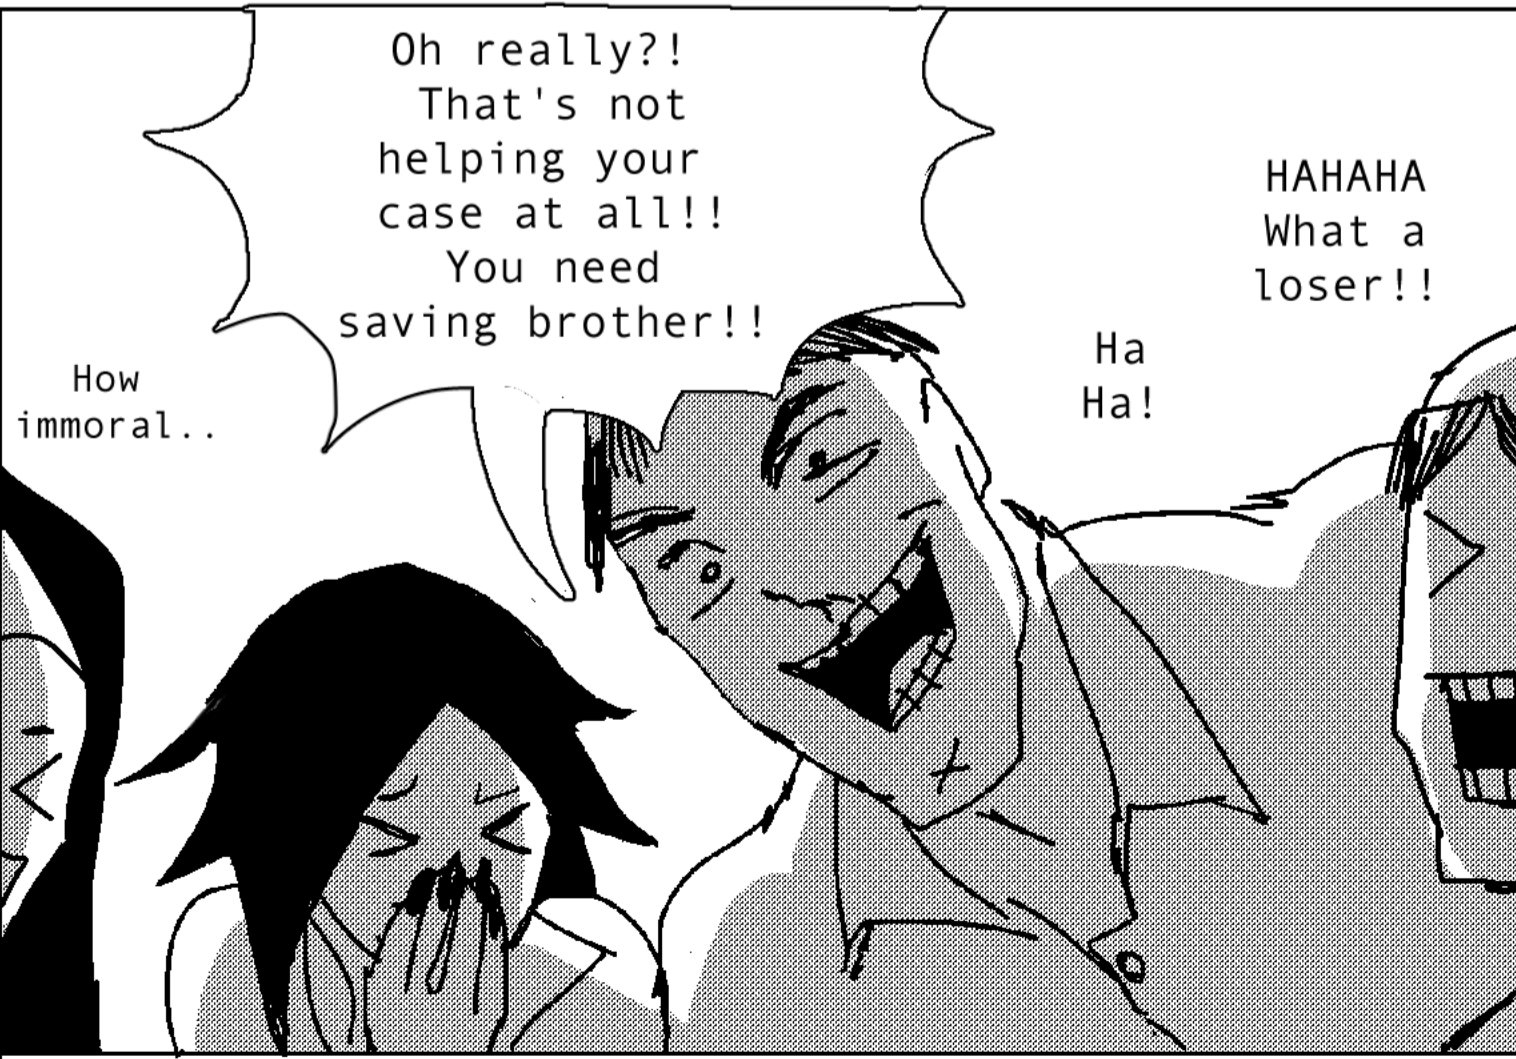

I'm not stealing anything if she was never yours in the first place! Just accept the fact that she chose me!!

All that weed
must've given you
brain damage,,

Your lungs are
probably so burnt
from smoking, you
couldn't take me
on no matter how
hard you tried!

SHUT UP!!
You don't know
what you're talking
about! Weed actually
helps my asthma!!

Oh really?!
That's not
helping your
case at all!!
You need
saving brother!!

How
immoral...

Ha
Ha!

HAHAHA
What a
loser!!

Every heretic
in line,
listen up!

This is what weed does to you. It kills your brain cells, and makes you pathetic like this guy!

Take a good look. This is a vile combination of excess drugs, lust, and worst of all, simping!

Keep up the good fight guys! God left us here for a reason. Sin will never win with us here!

Yea!

Although YoYo creates an obsession, one of its strengths lies in how the target handles negative emotions. The more trauma they go through, the heavier it weighs on their heart.

REEEEEEEE!!!

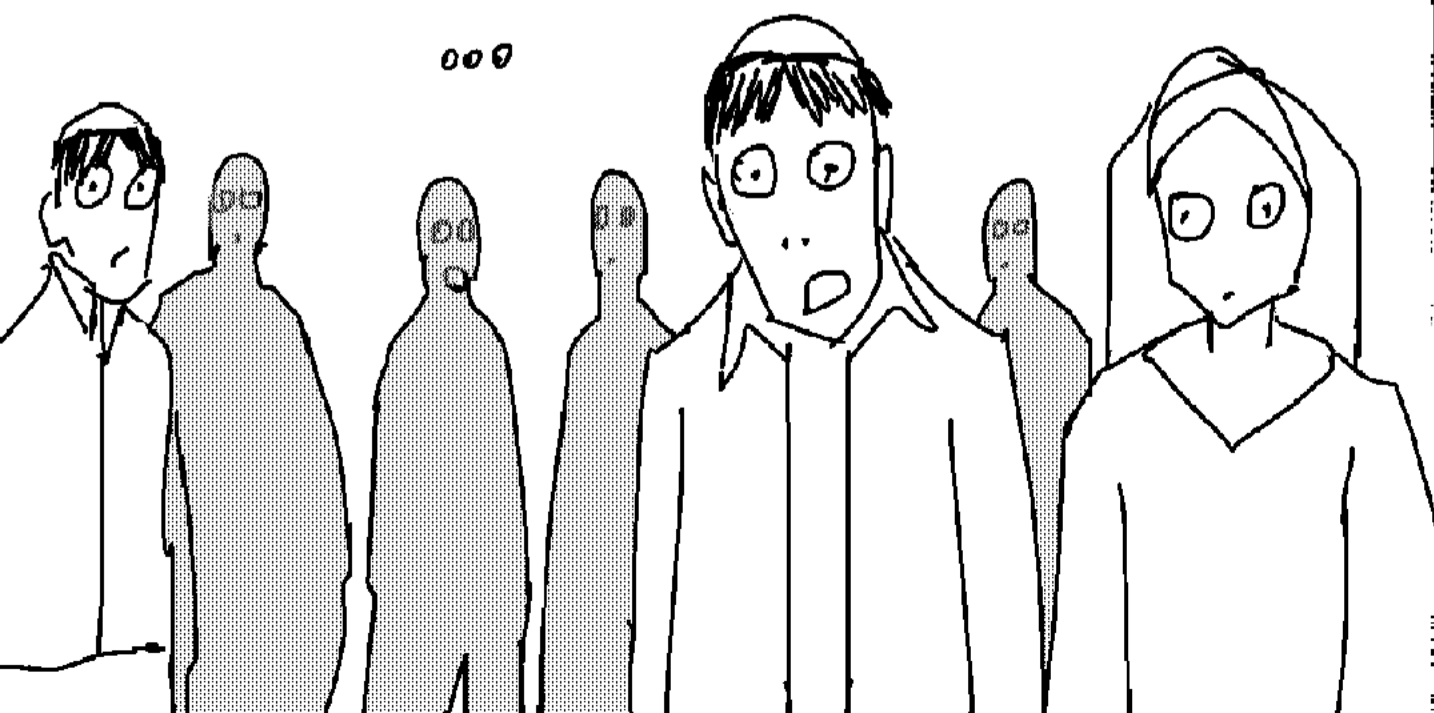

Dude, believe me when I say I know the feeling. It sucks! But you can't be doing all that...

Look.. I will personally do my best to save you and put you on the right pa-

Oyamsumi uses this heavy heart to her advantage. The heavier it is, the more destructive YoYo's supernatural obsession can become.

That's right you bitches! Get em' bae!!

SOVELCH

Let that be a warning to anyone else who comes between me and my love!! I'll kill all of you for even looking at her!!

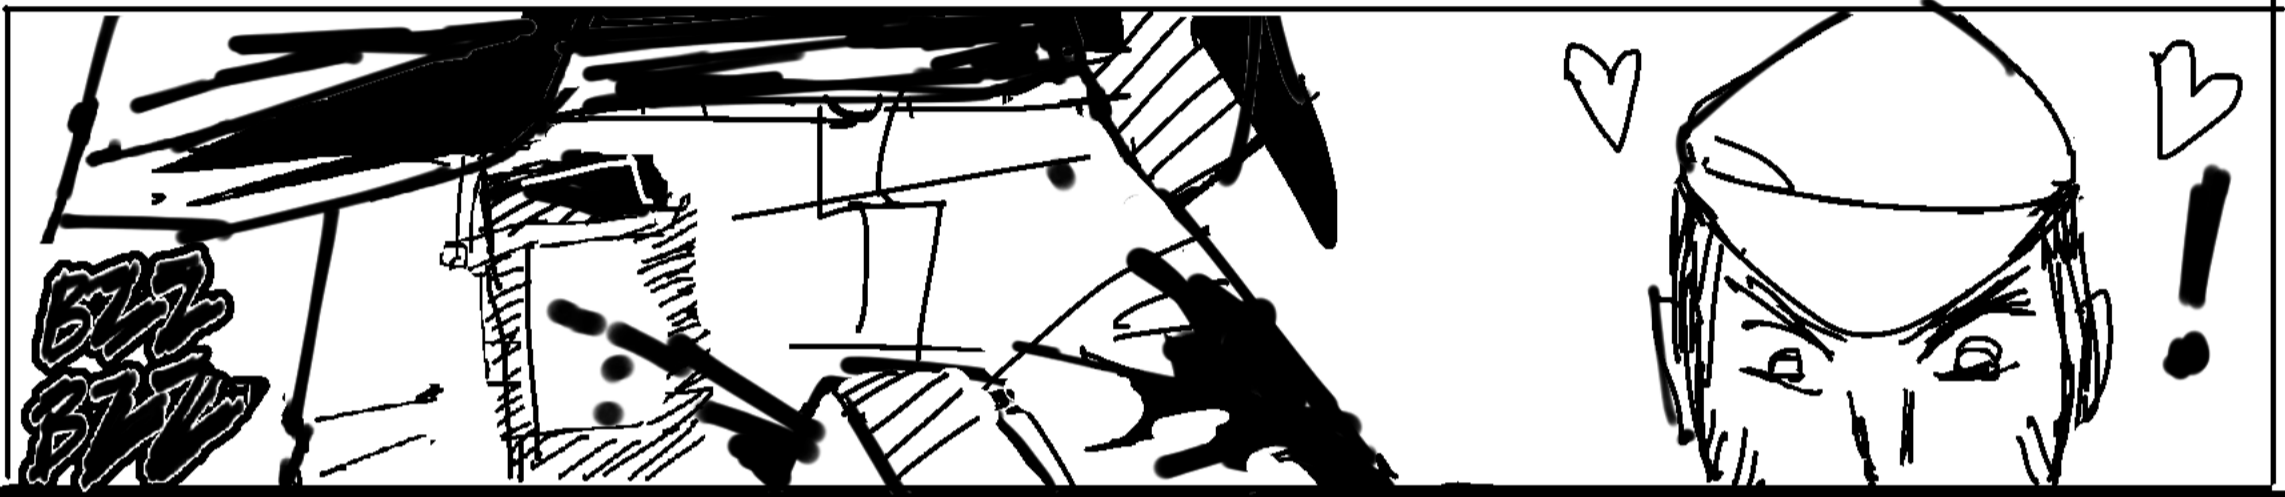

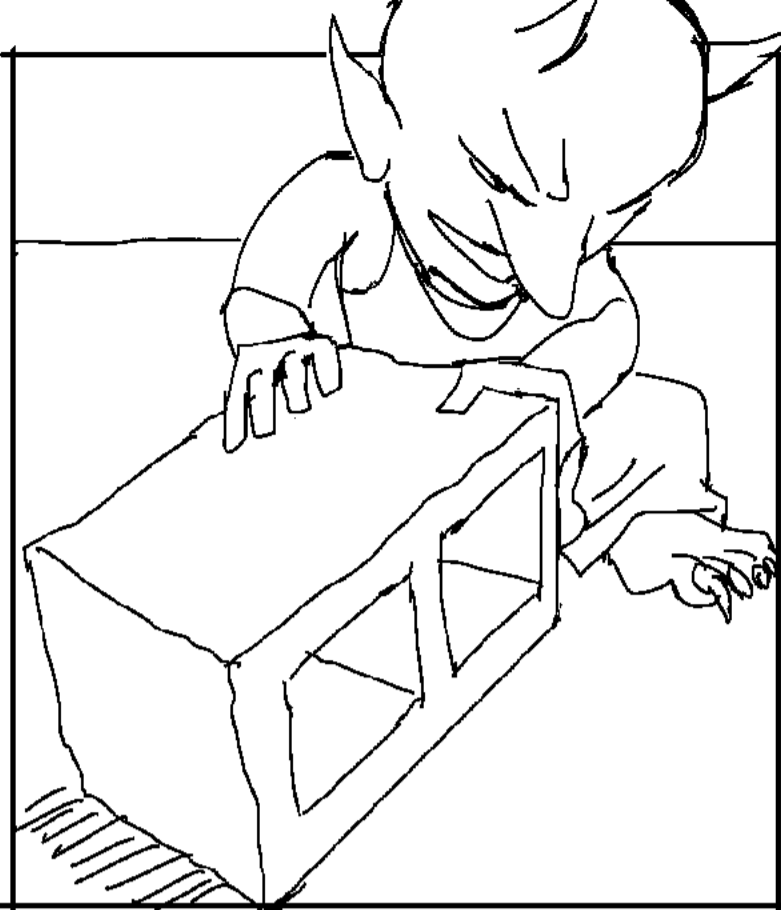

Maybe I let him get pushed a little too hard..

Damn! I was just hoping he'd beat a few up while I used his credit card..

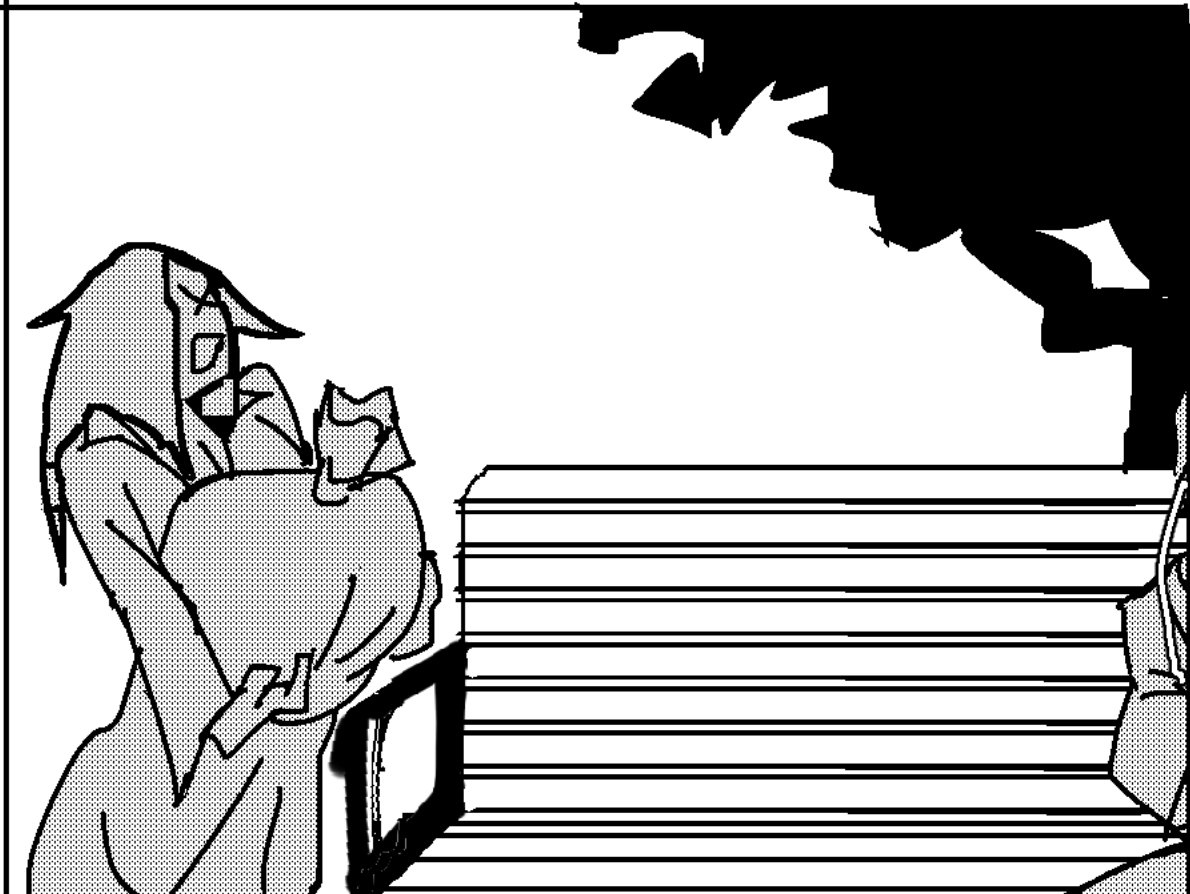

OH GOD!!
MAKE IT STOP!!

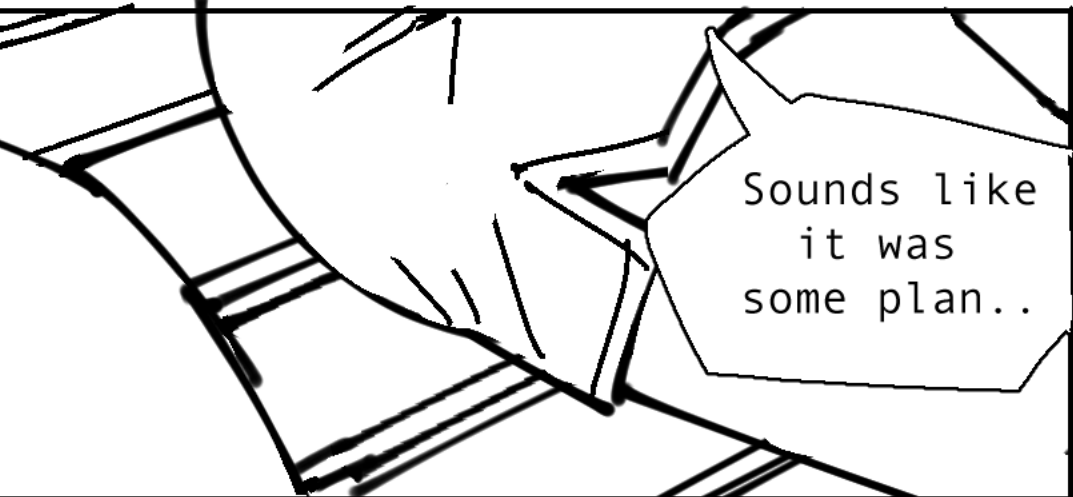

MY LOVE!
WHERE HAVE
YOU GONE!!
I WON'T LET
YOU BE TAKEN
AWAY FROM
ME!!!!

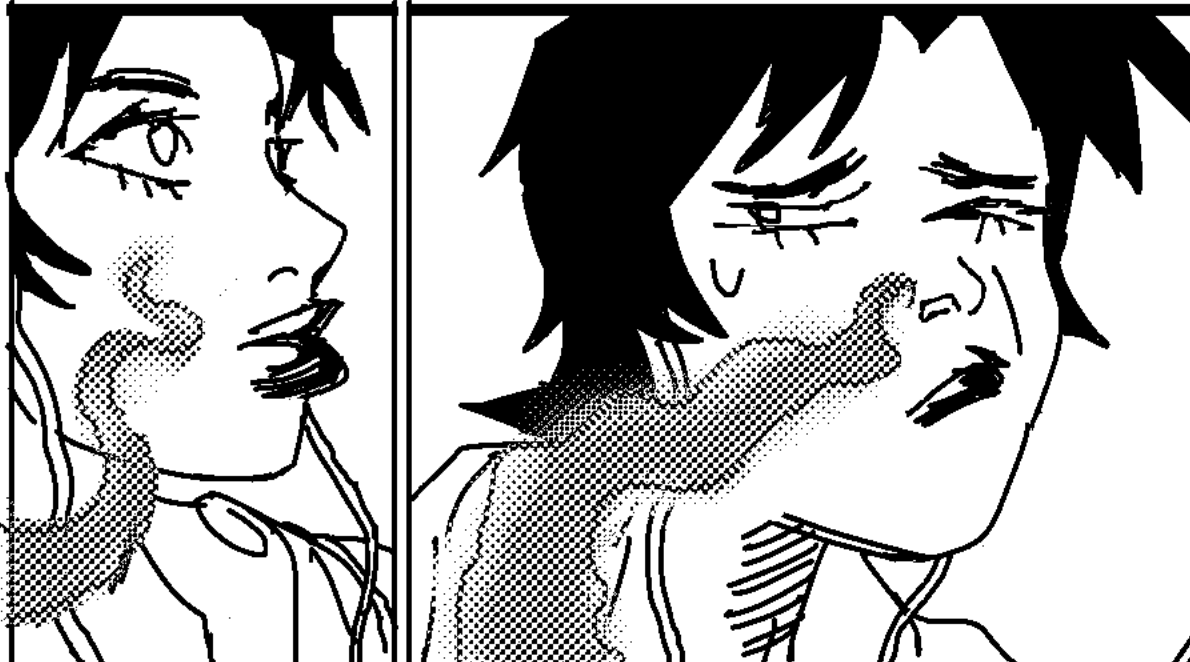

I heard
screaming.

pant
I'm about
to..
pant
piss
myself..

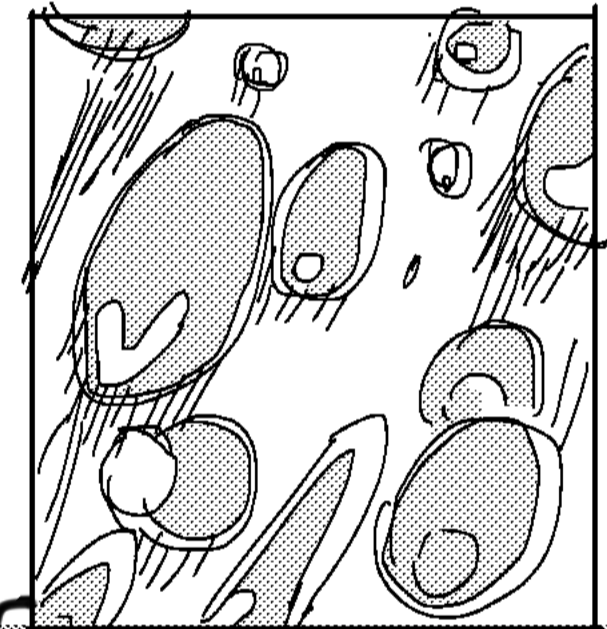

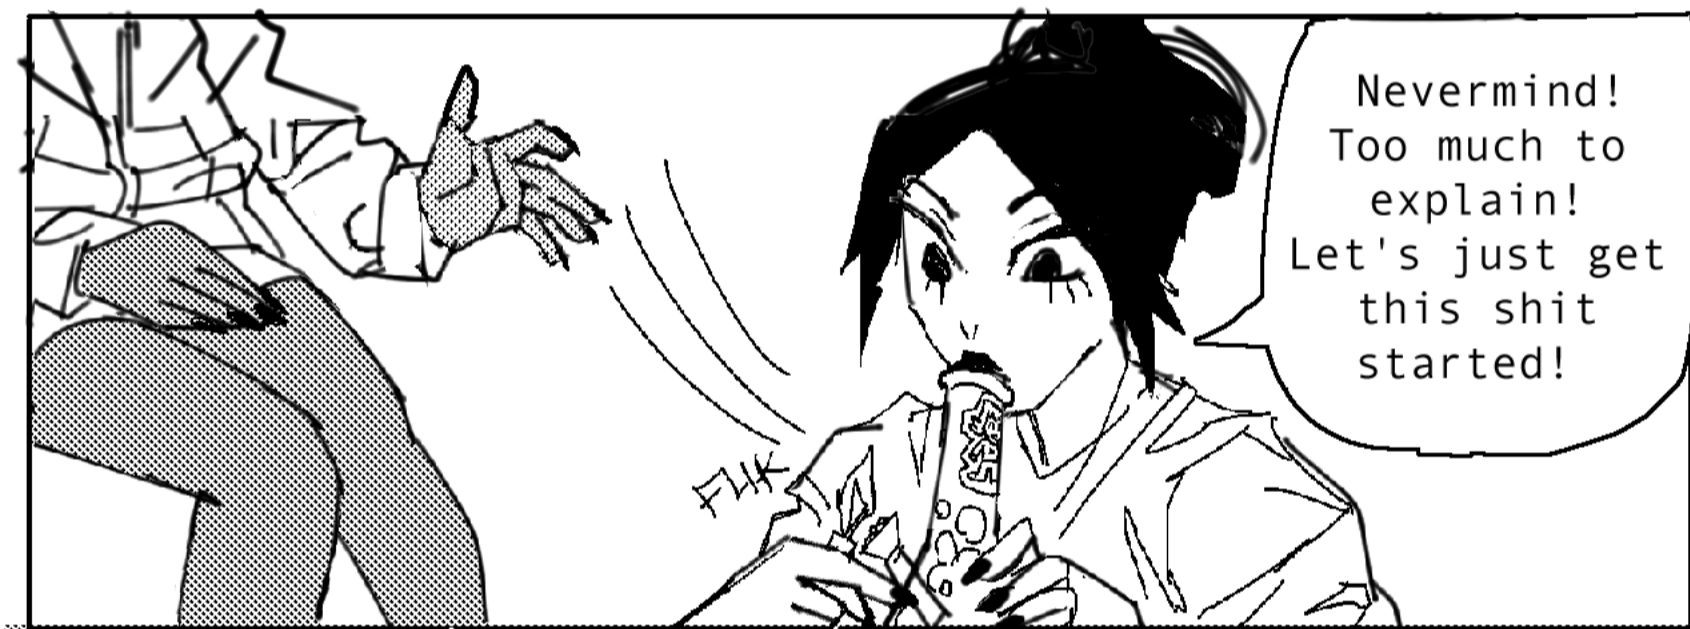

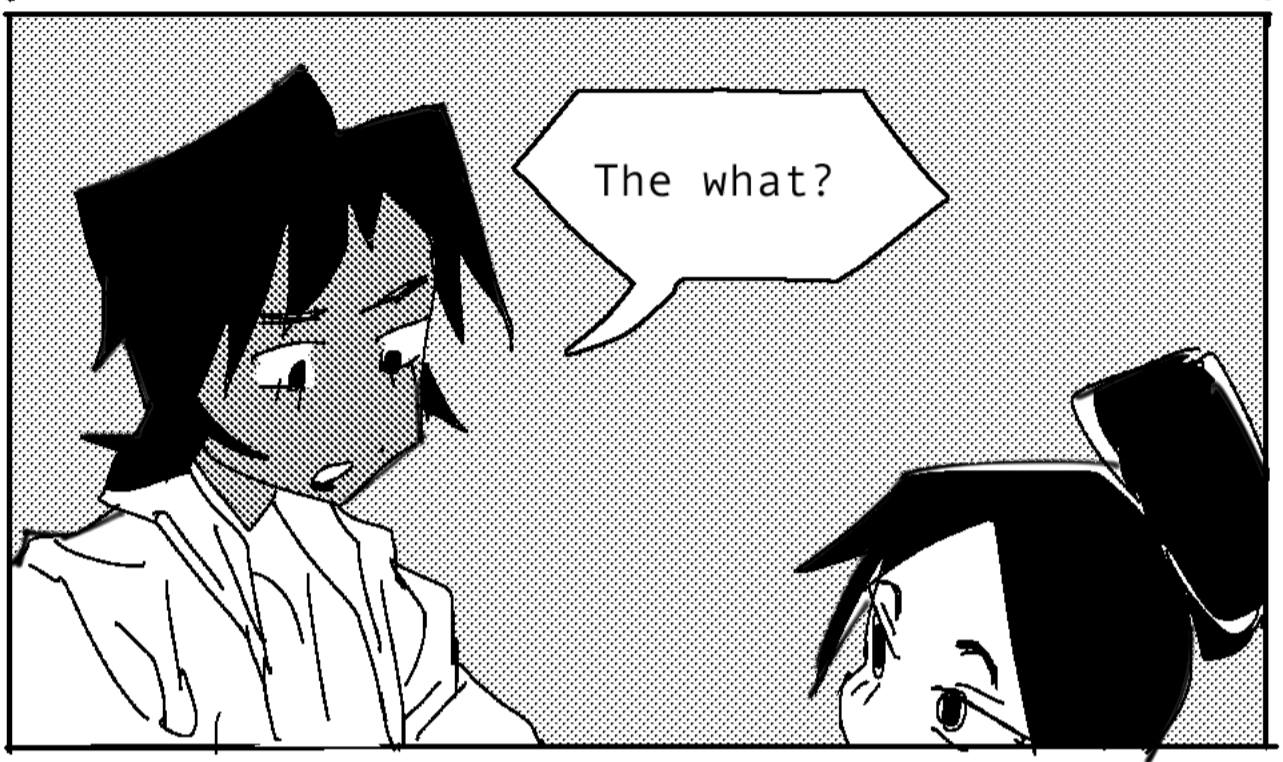

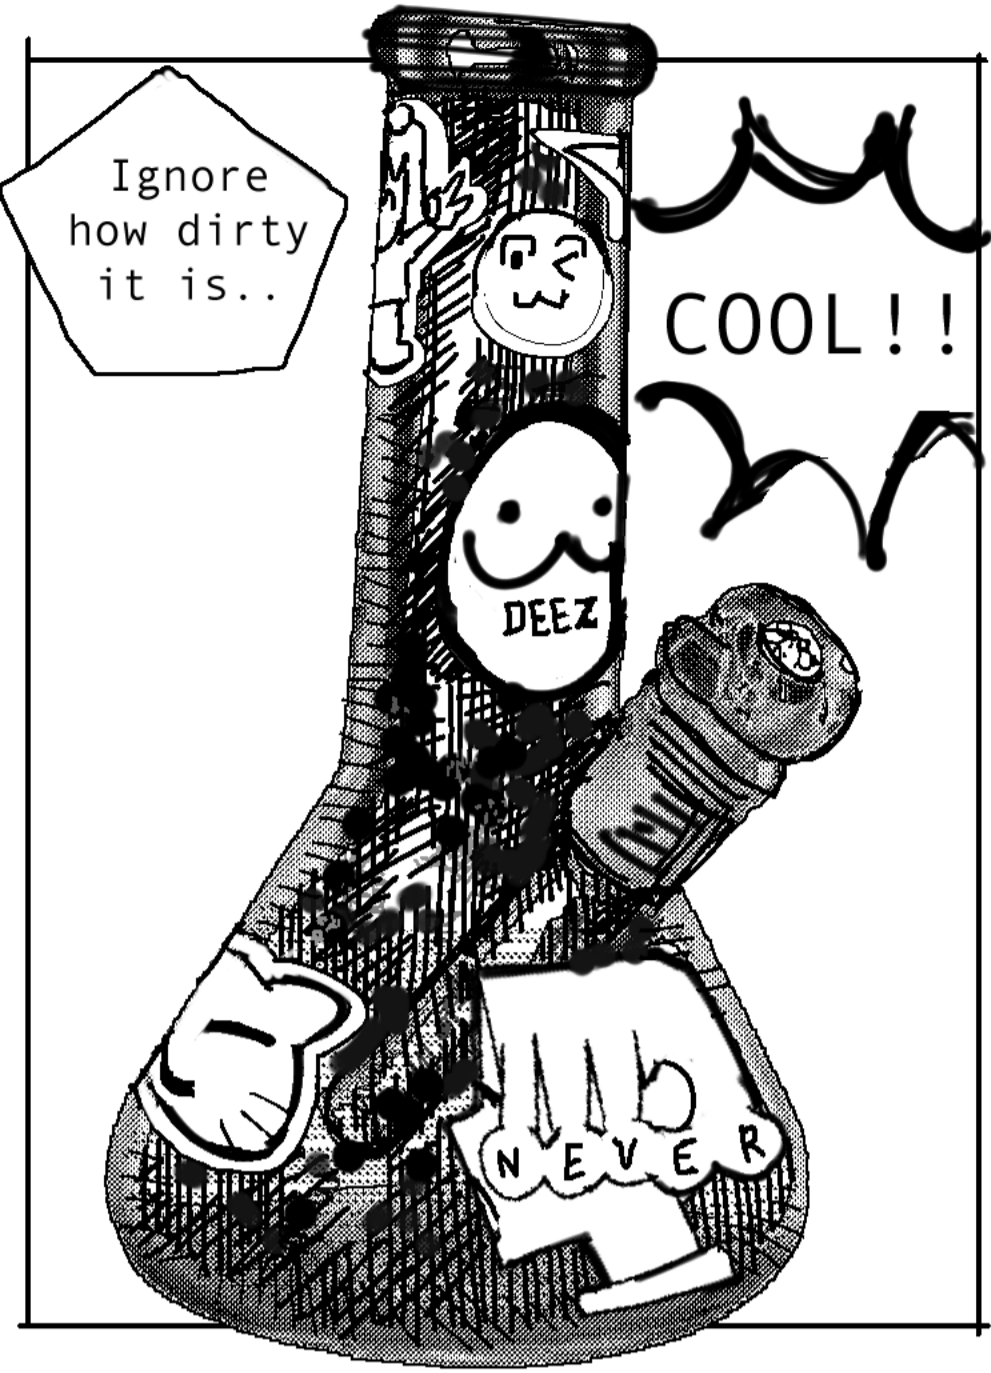

Sounds like
it was
some plan..

Good job.

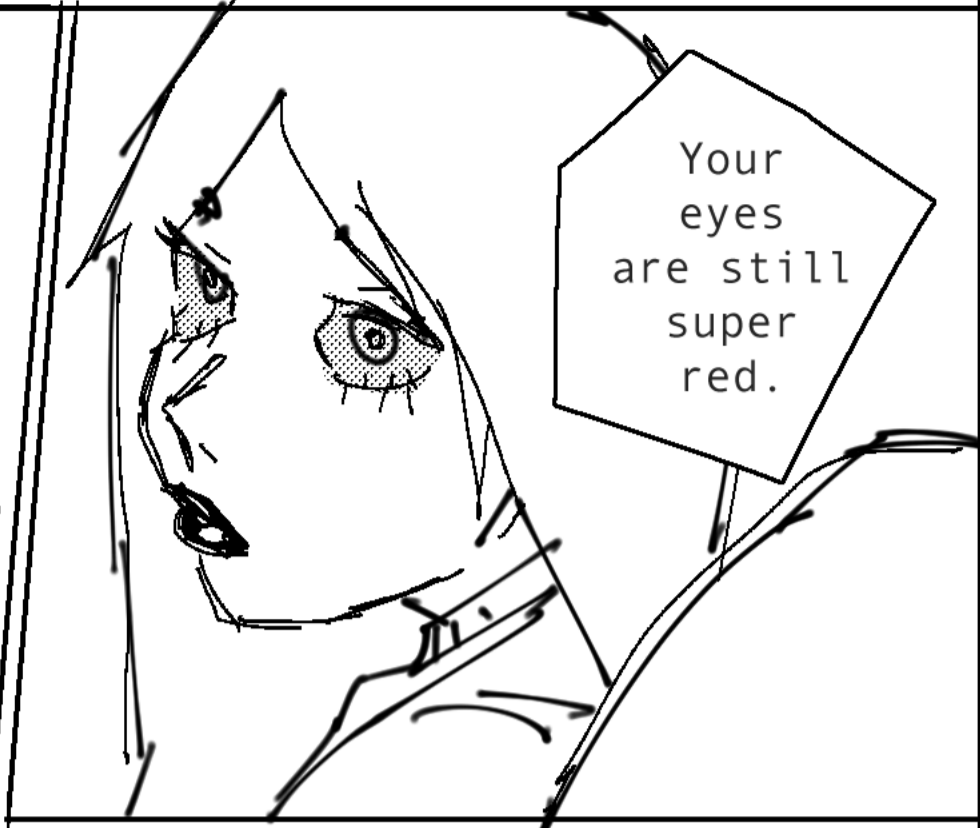

I never showed you the stickers I put on my bong..

It probably would have been better if we just waited 'till morning..

Hrmph..

Your eyes are still super red.

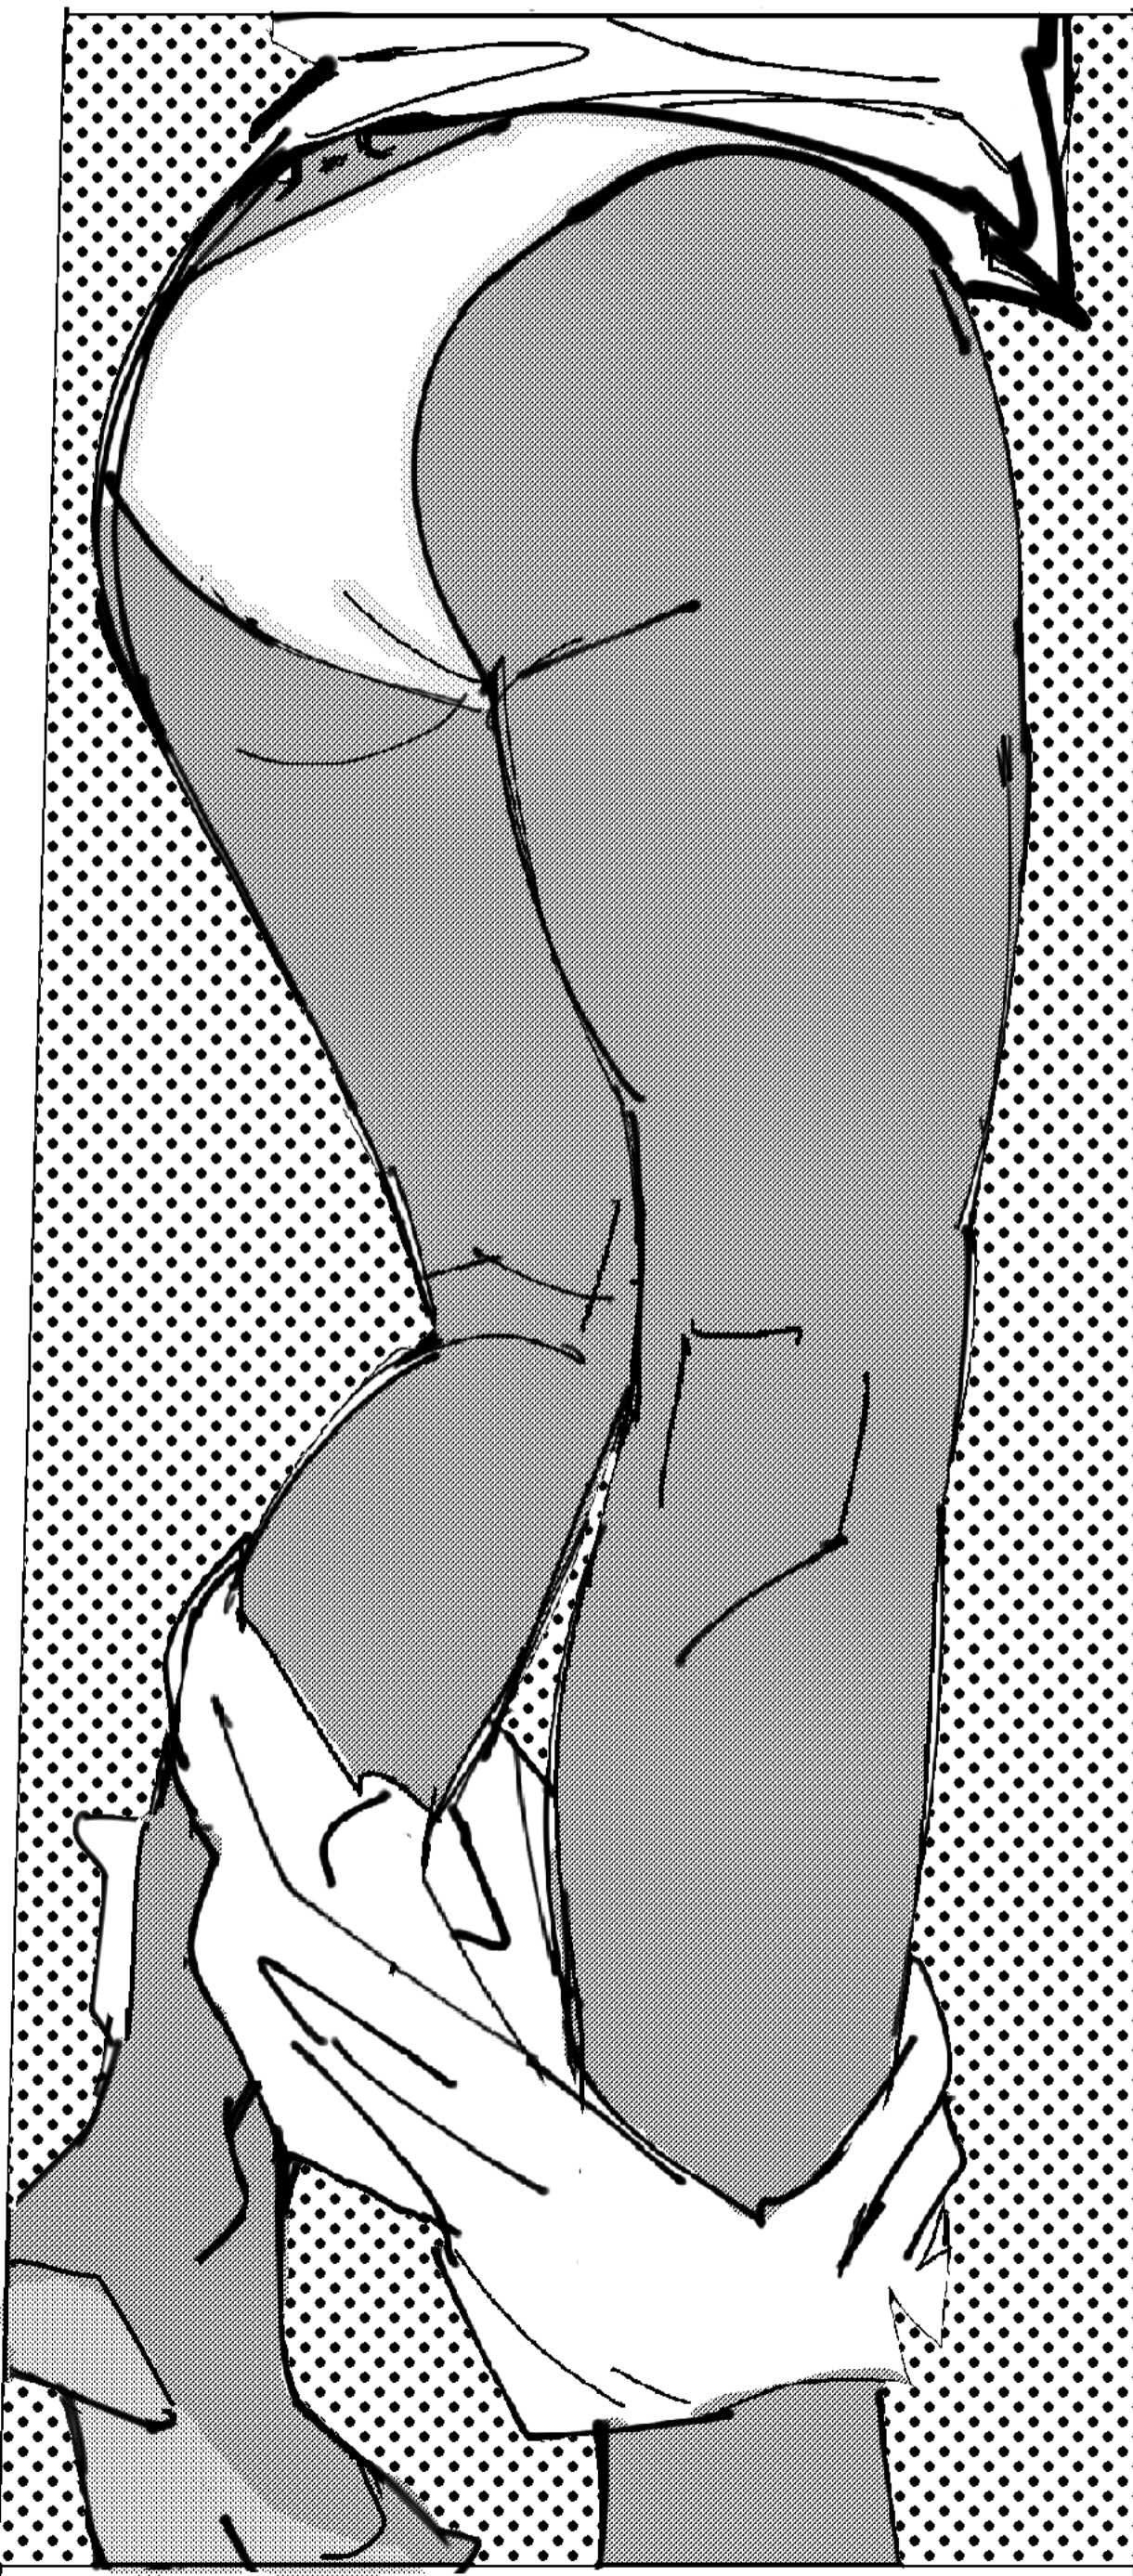

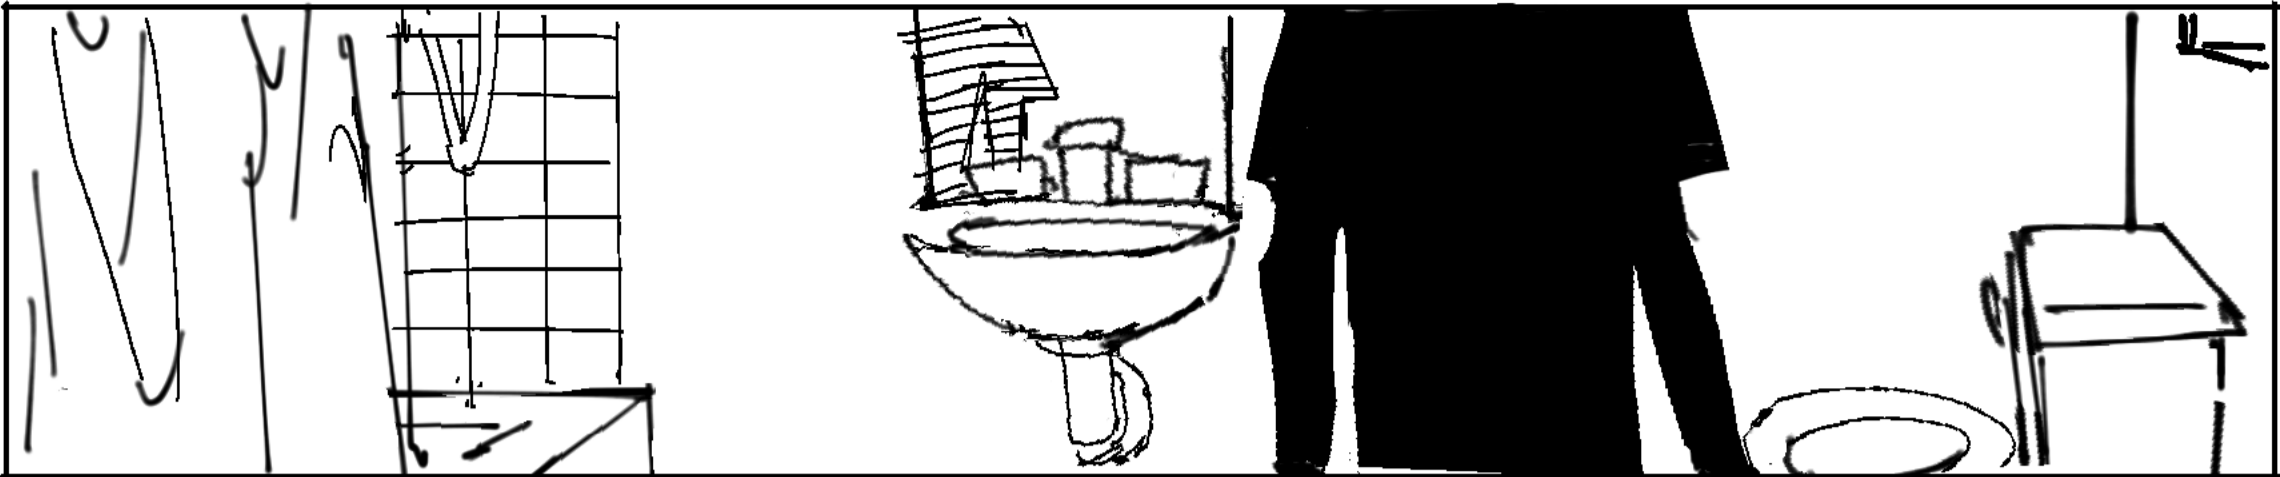

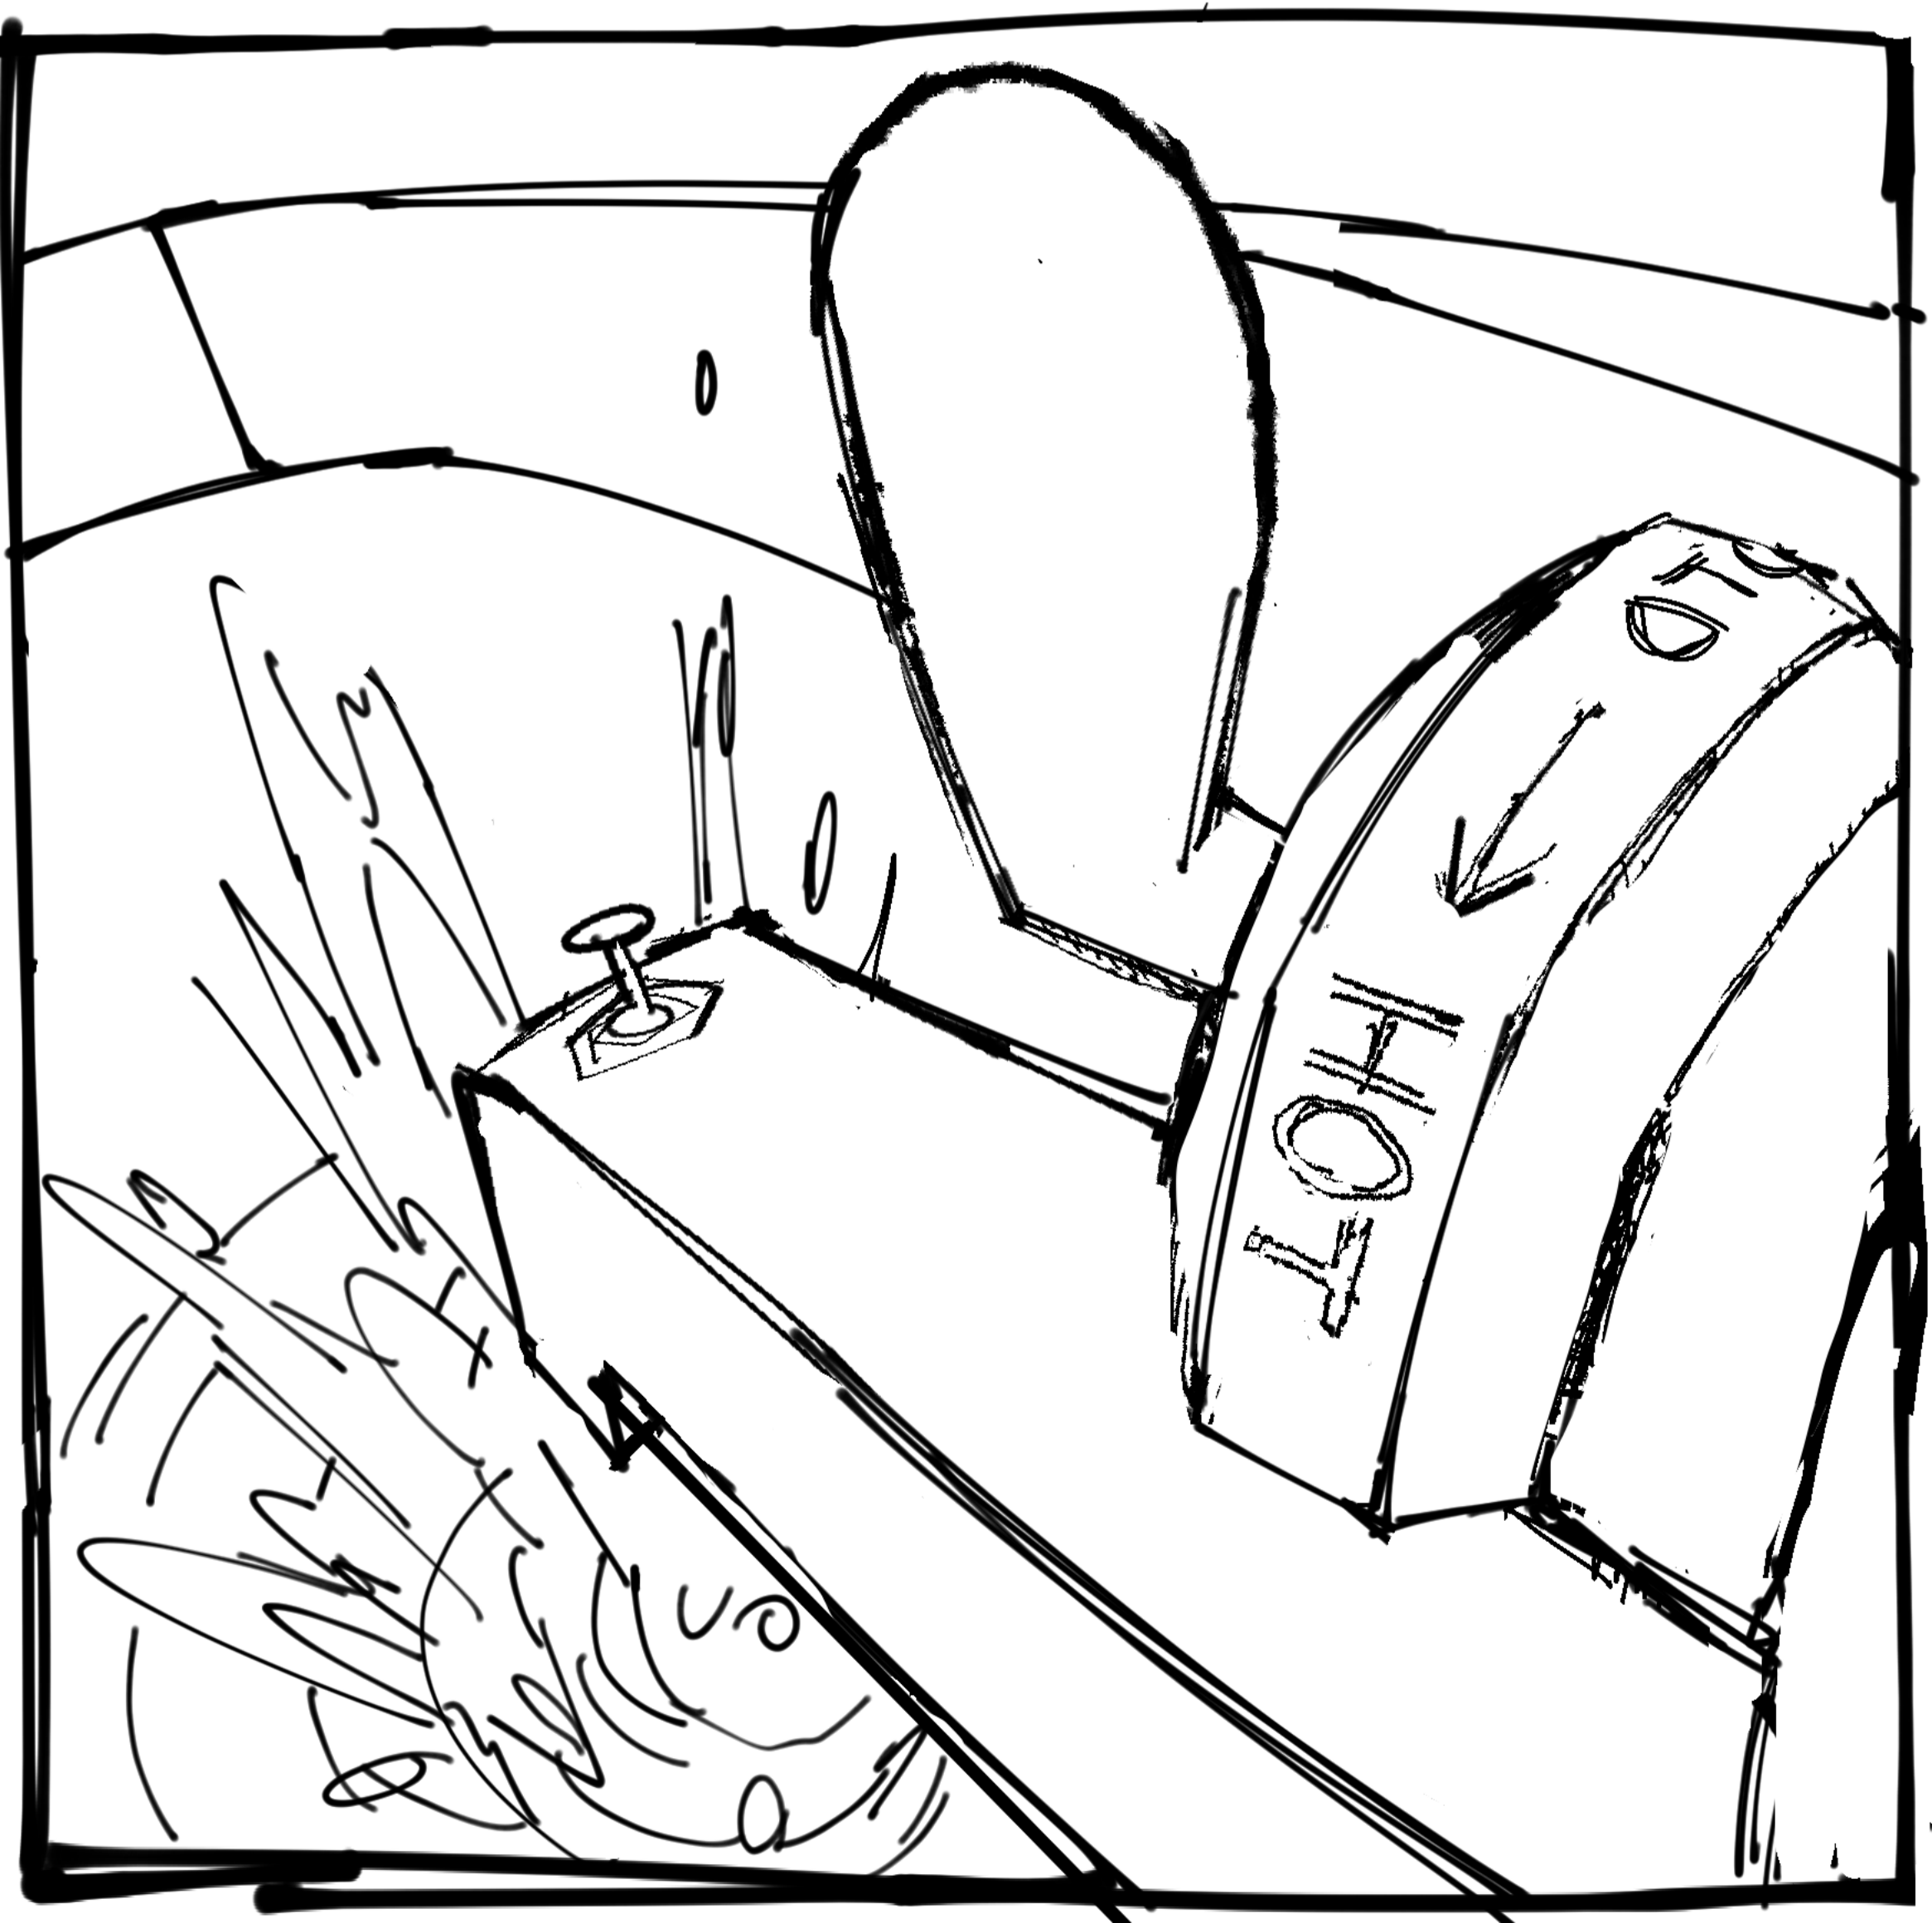

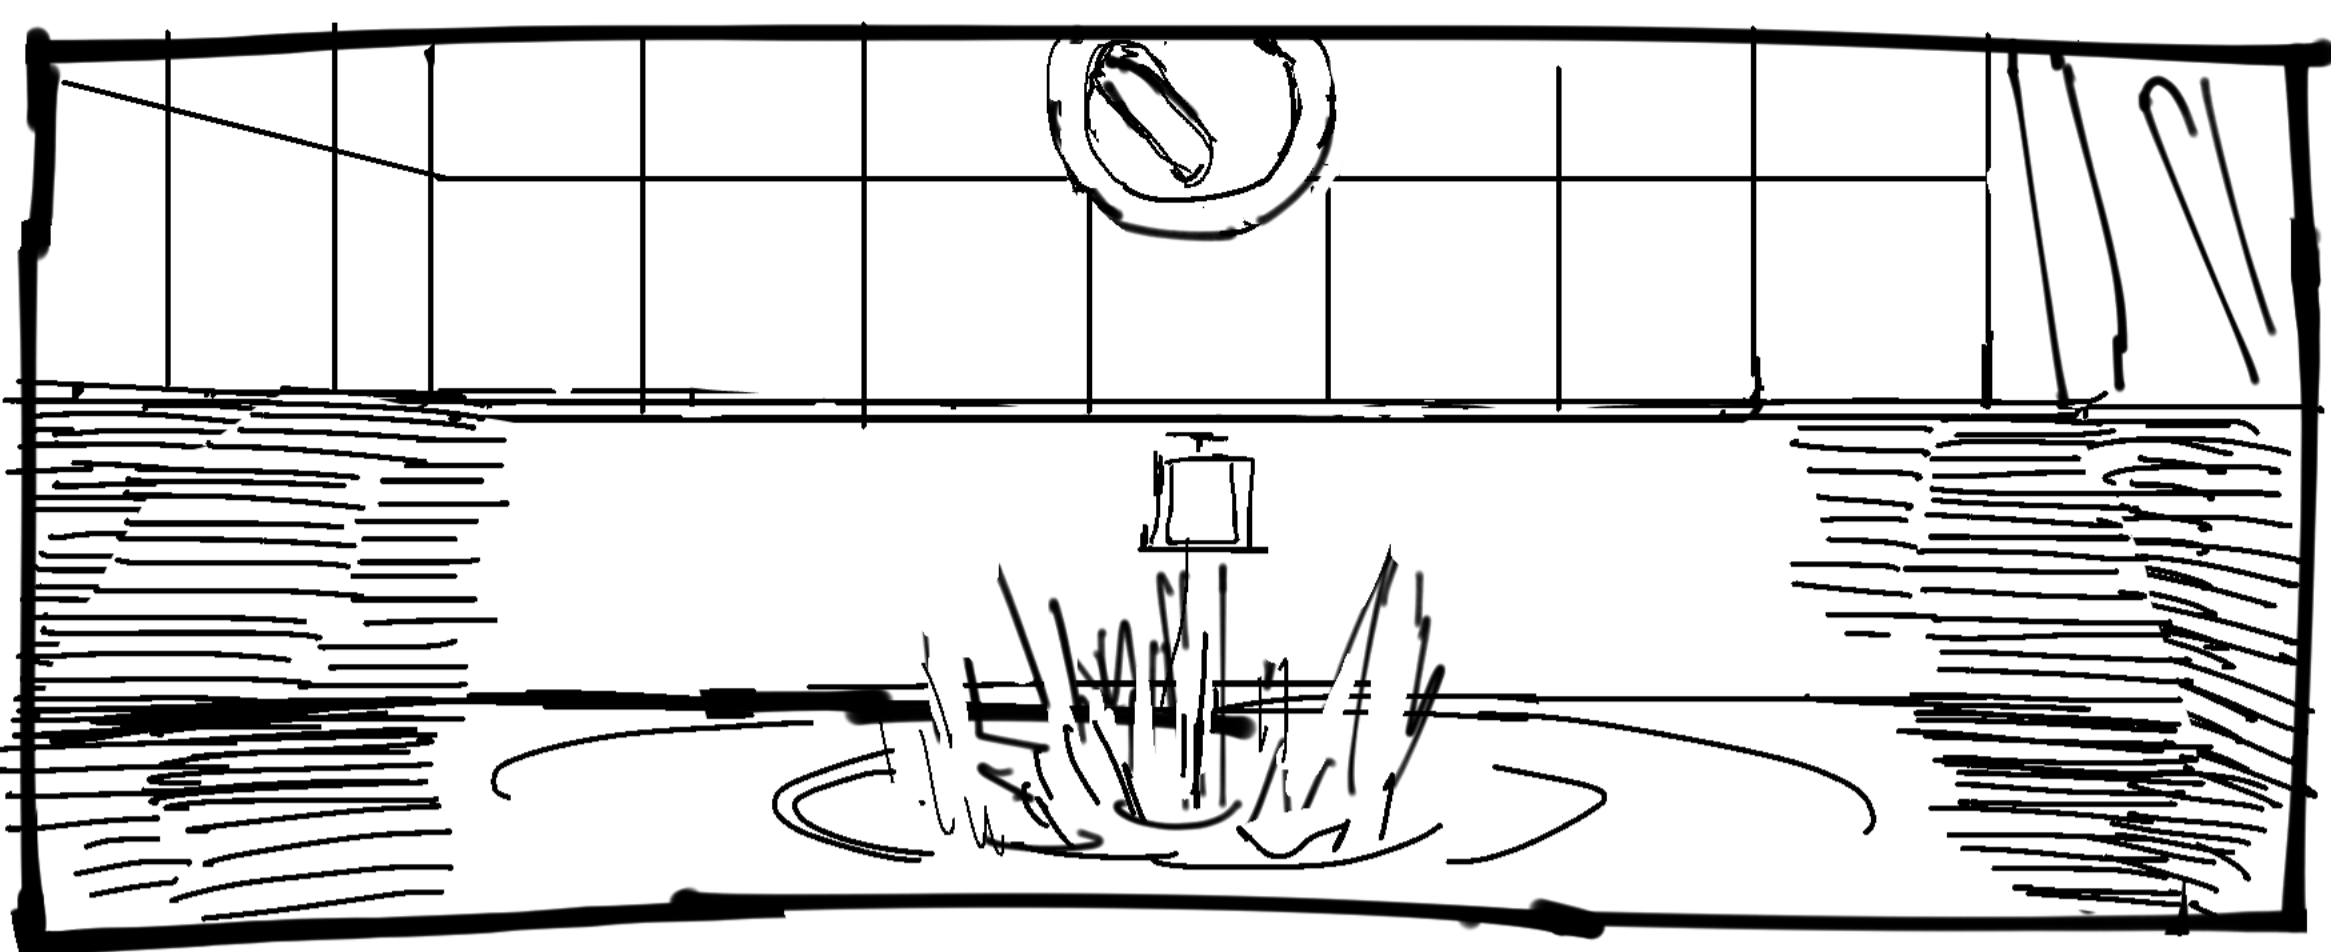

I'm about to take a shower.

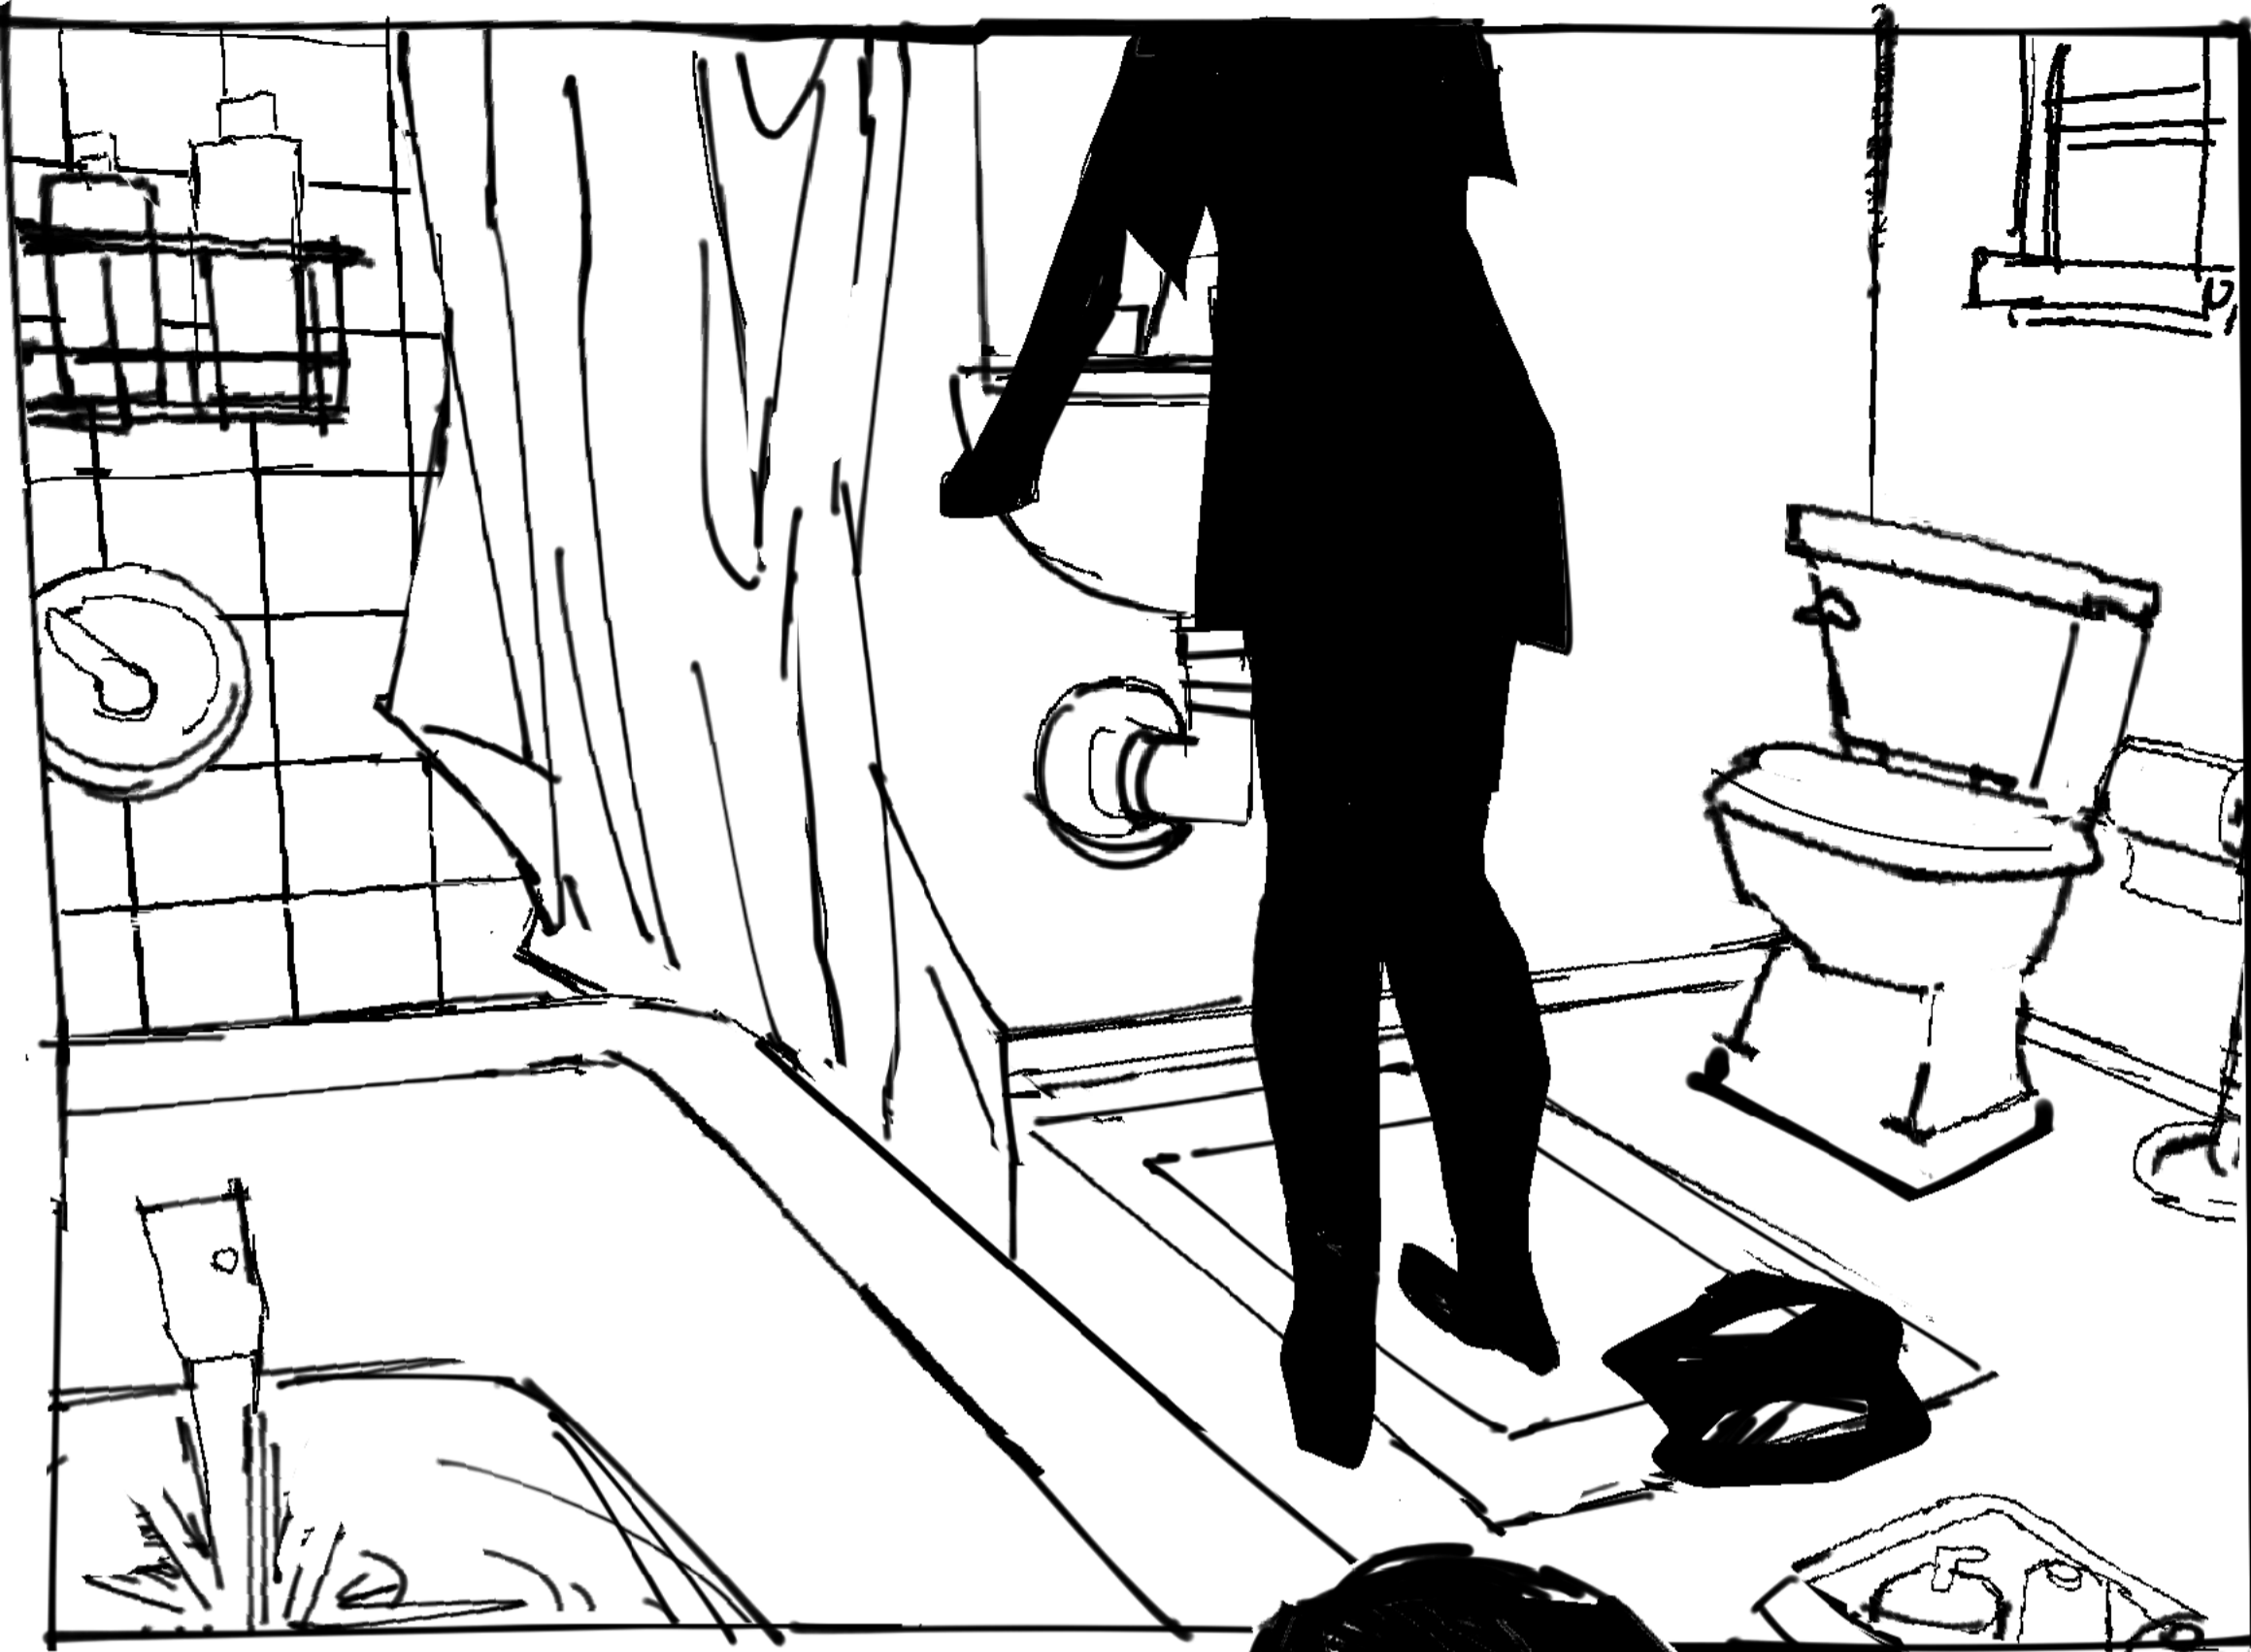

After you come out do you wanna watch a scary movie? We still haven't finished the Chucky box set like you said we would!

If I'm not too sleepy, yea.

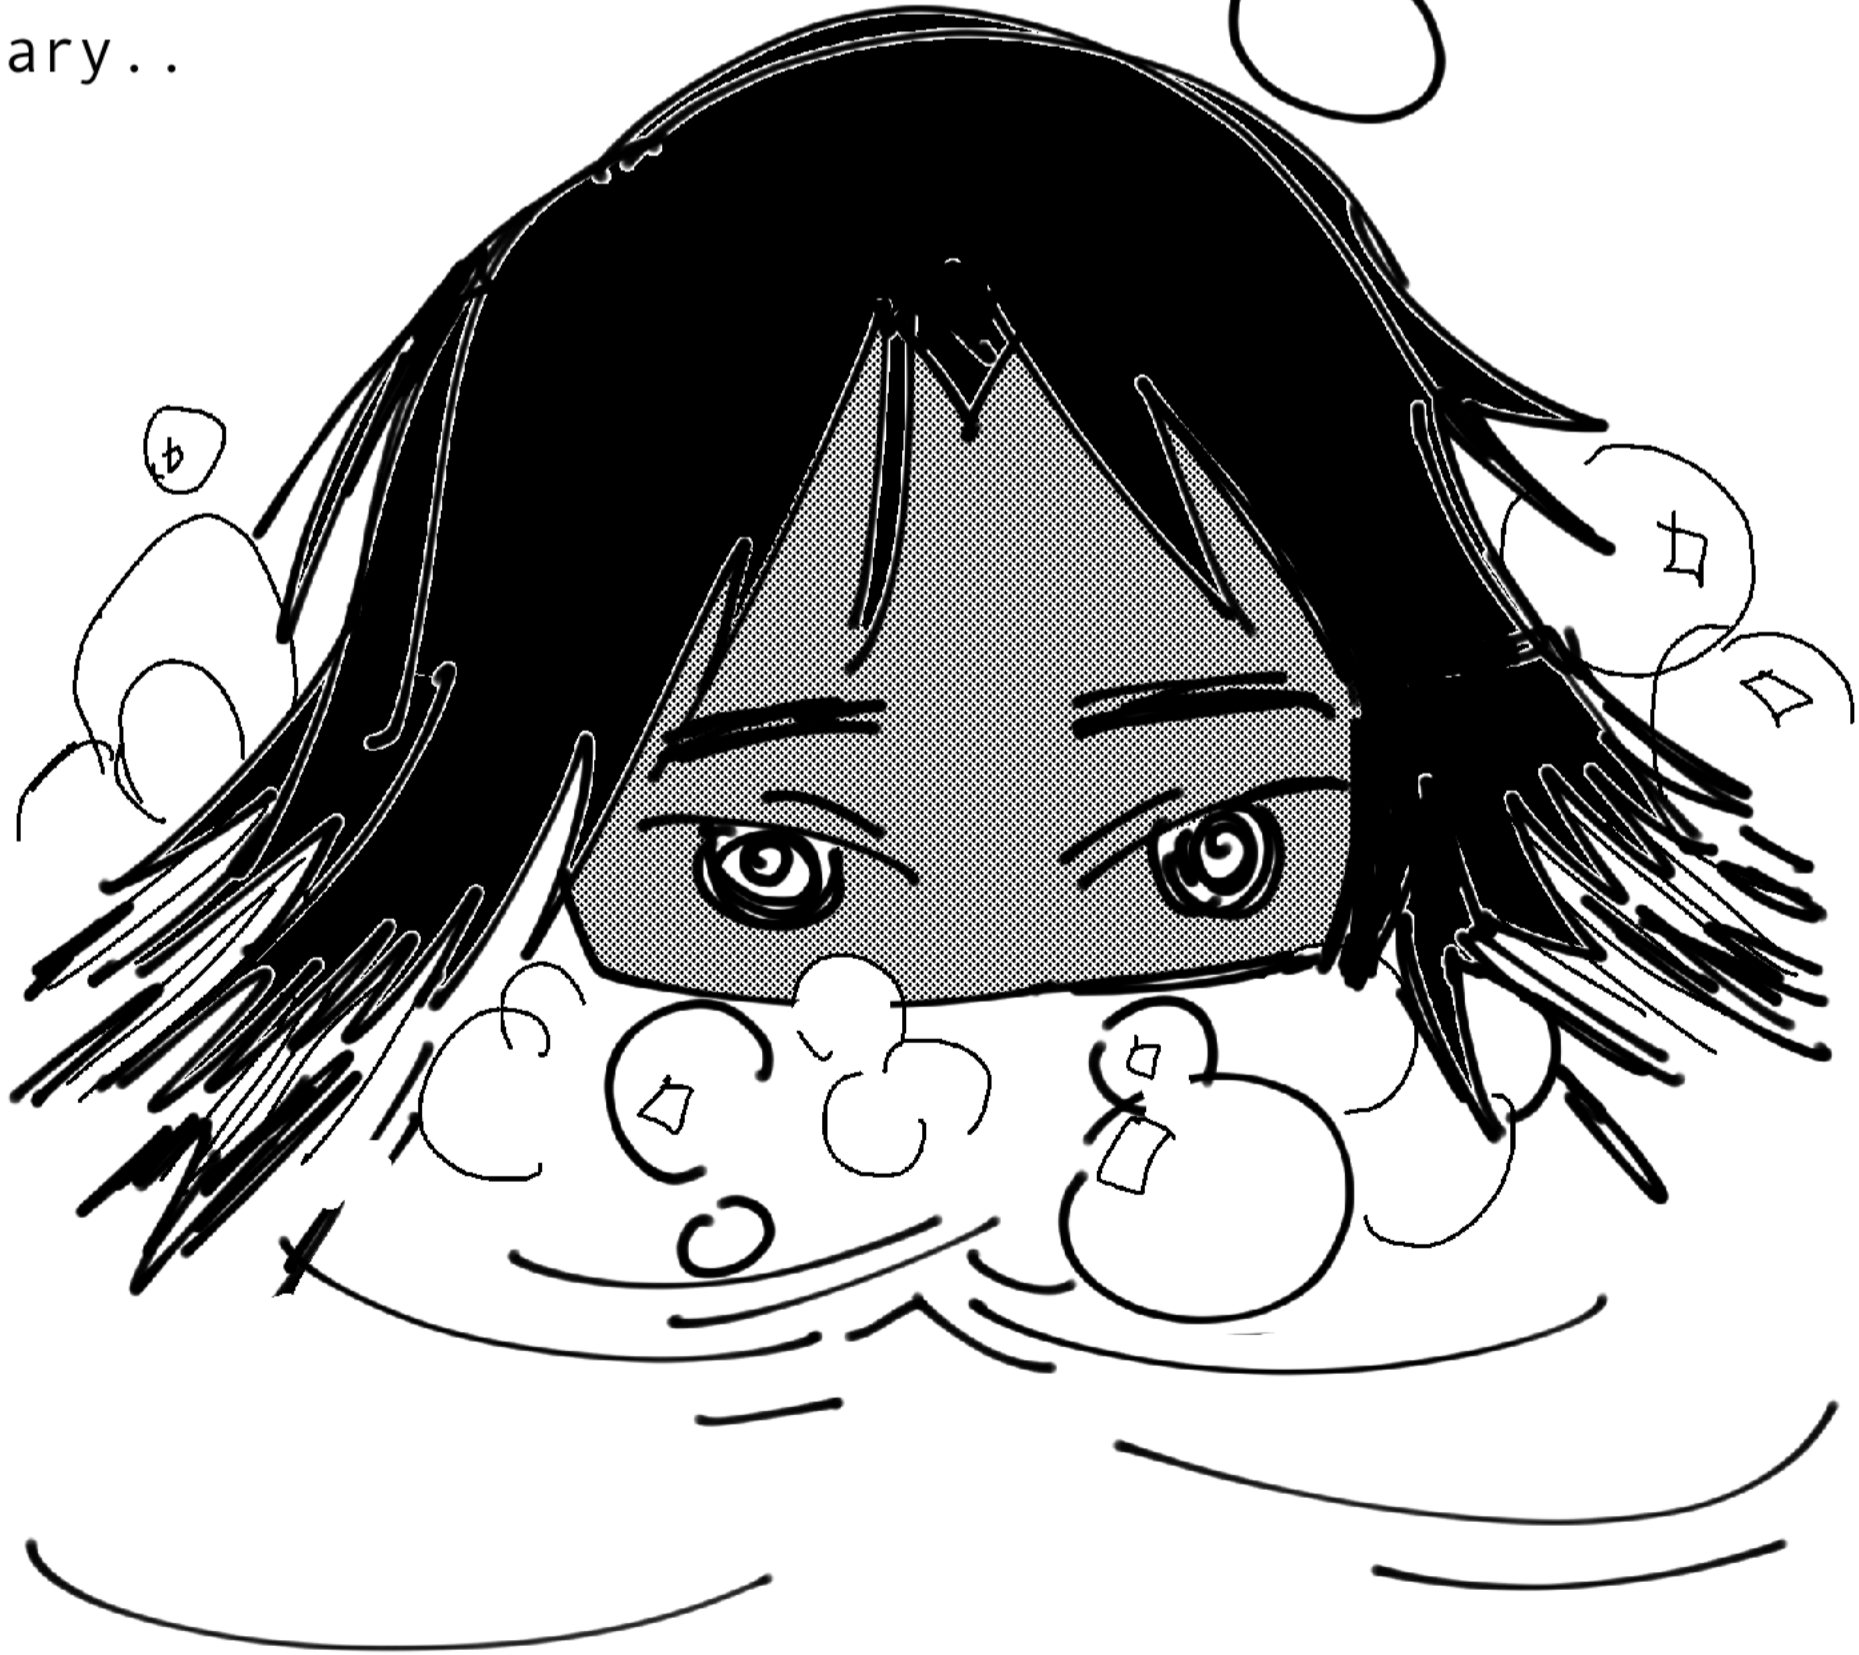

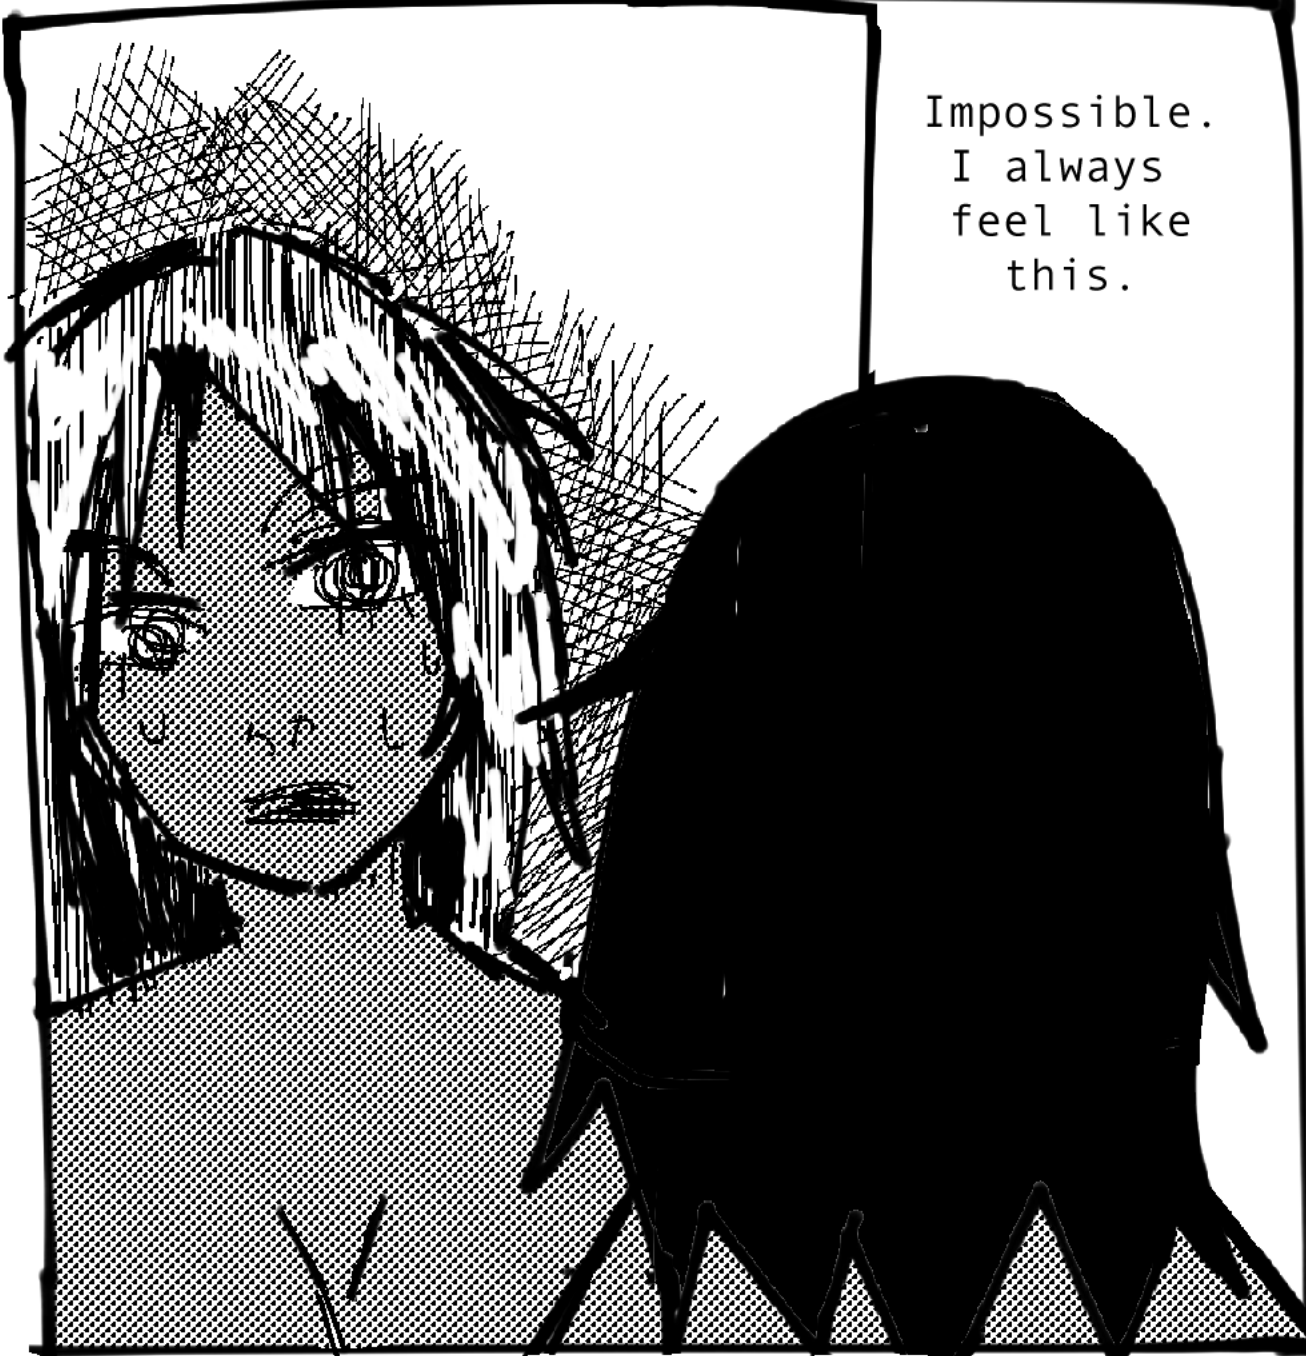

scary..

Shit!
How the hell did
this
happen?!
Am I
out of
my
mind?!

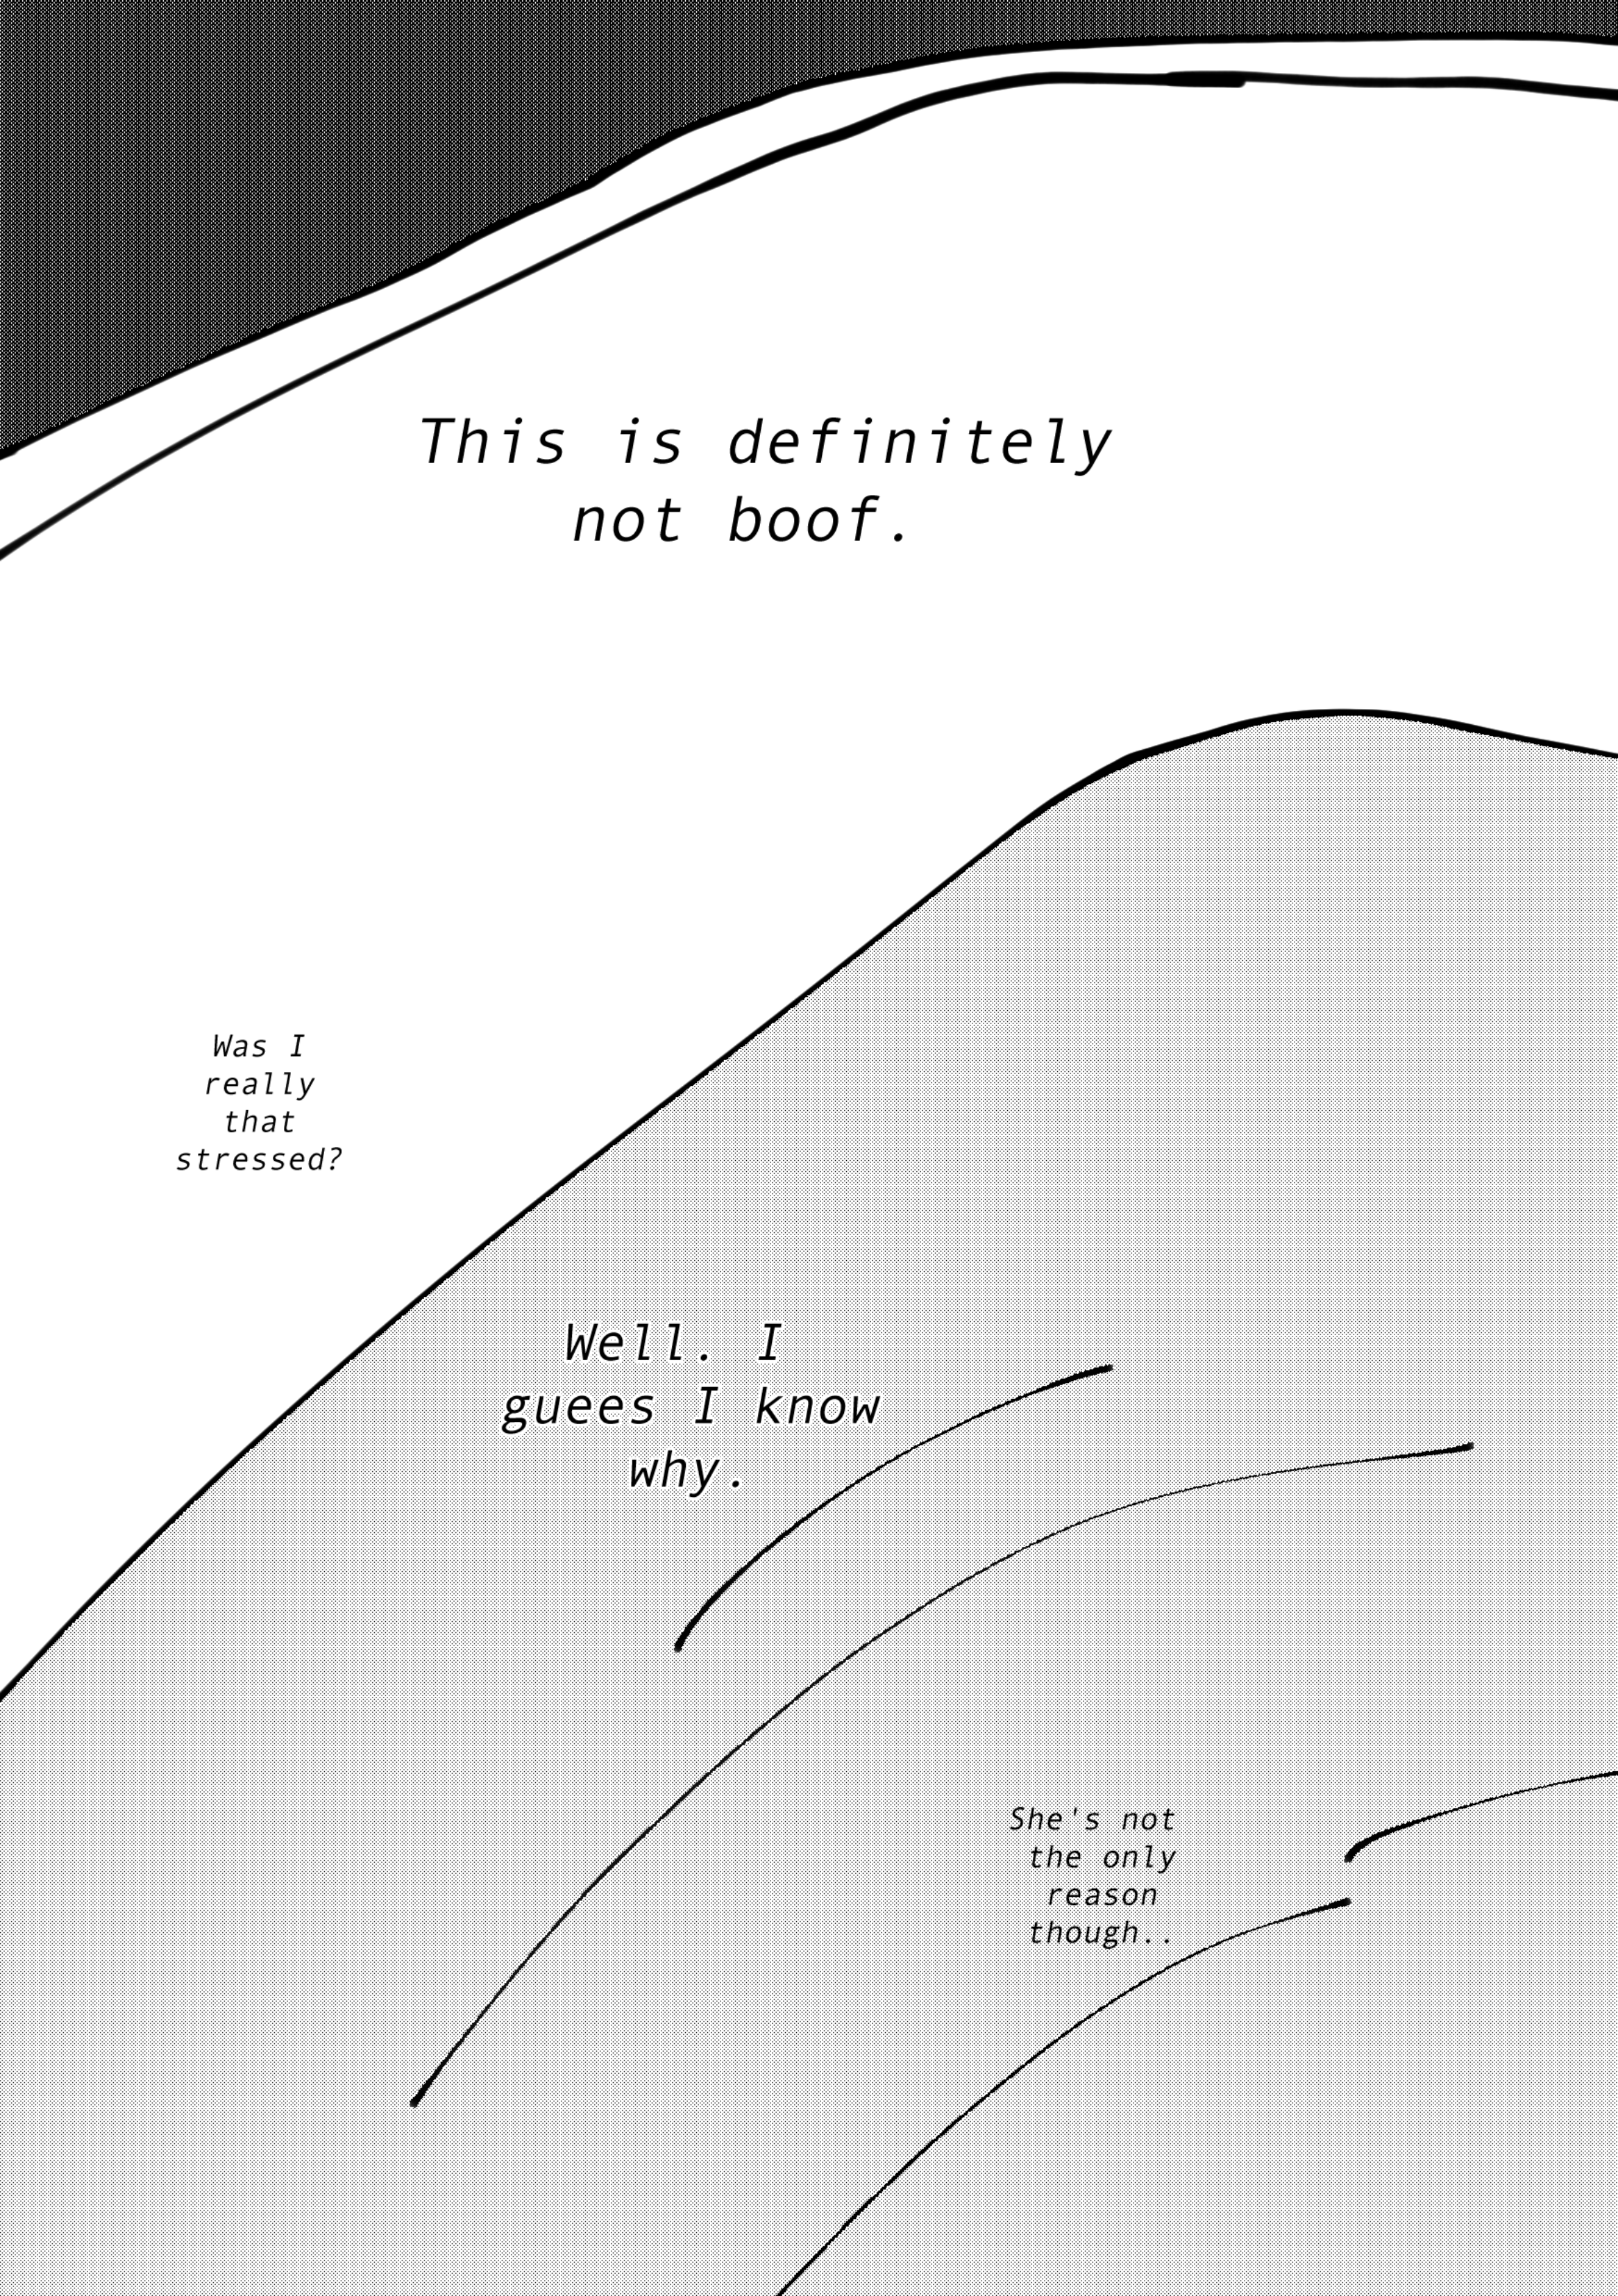

Impossible.
I always
feel like
this.

Well, not
this good.

I needed this.

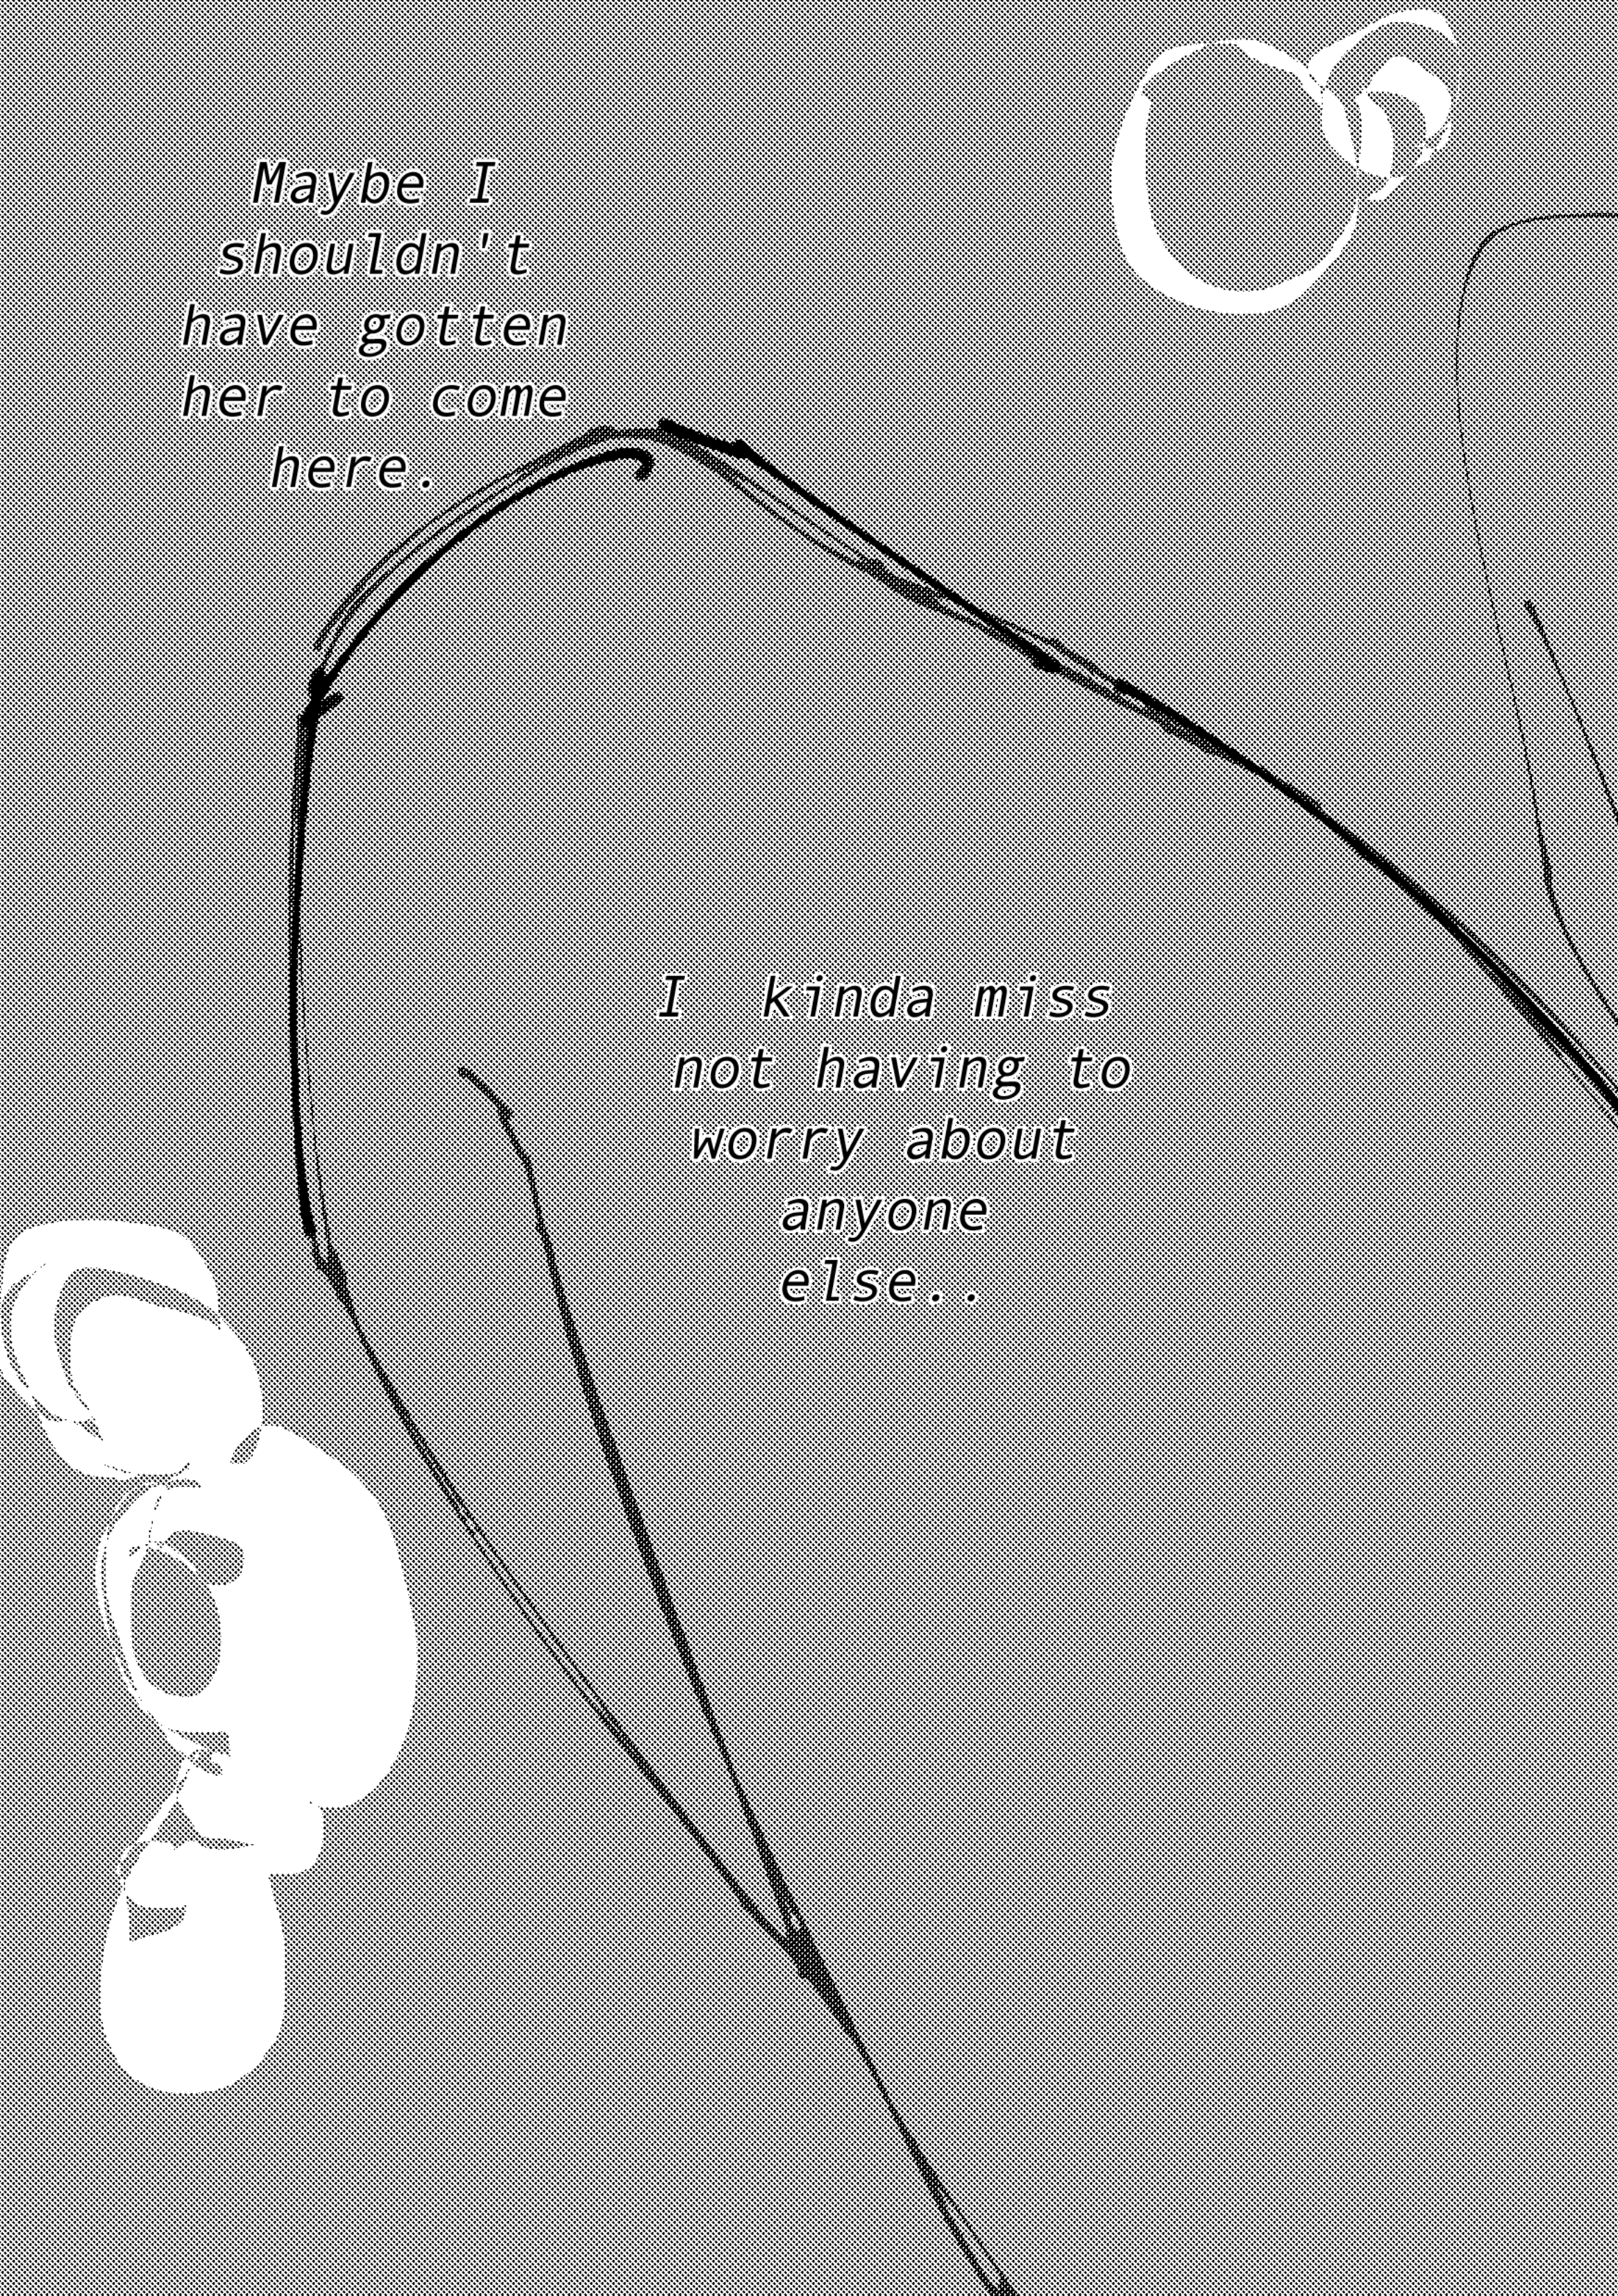

*This is definitely
not boof.*

*Was I
really
that
stressed?*

*Well. I
guess I know
why.*

*She's not
the only
reason
though..*

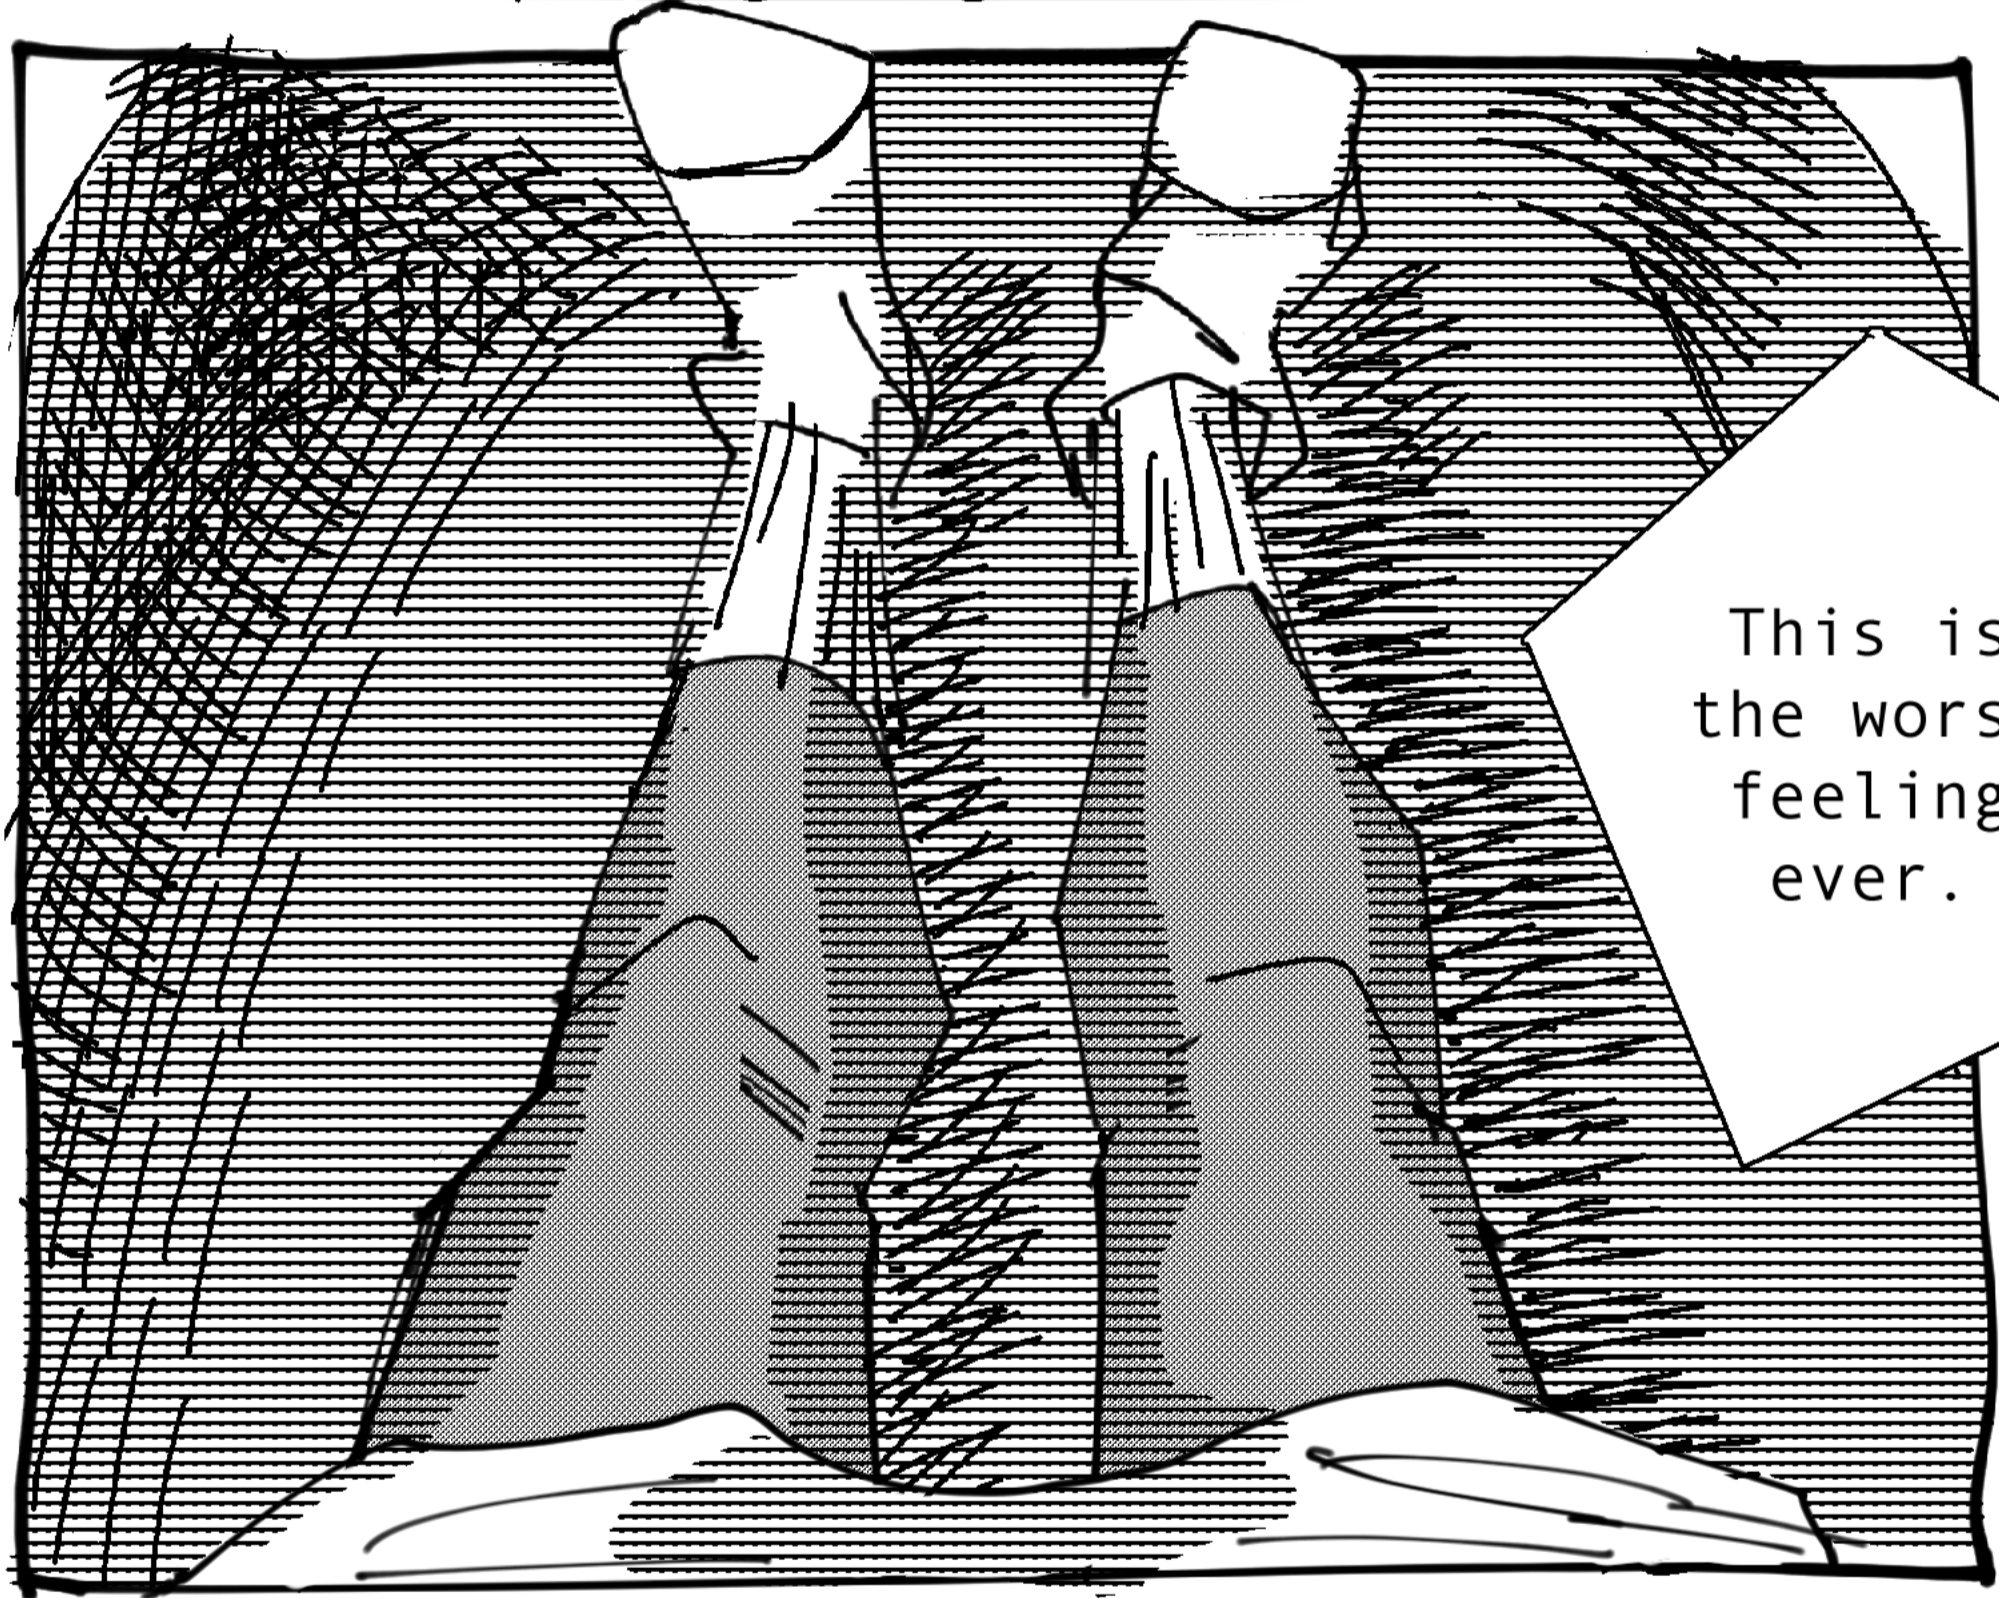

*Maybe I
shouldn't
have gotten
her to come
here.*

*I kinda miss
not having to
worry about
anyone
else..*

Things
were so
much
easier
when I
was alone.

This is
the worst
feeling
ever.

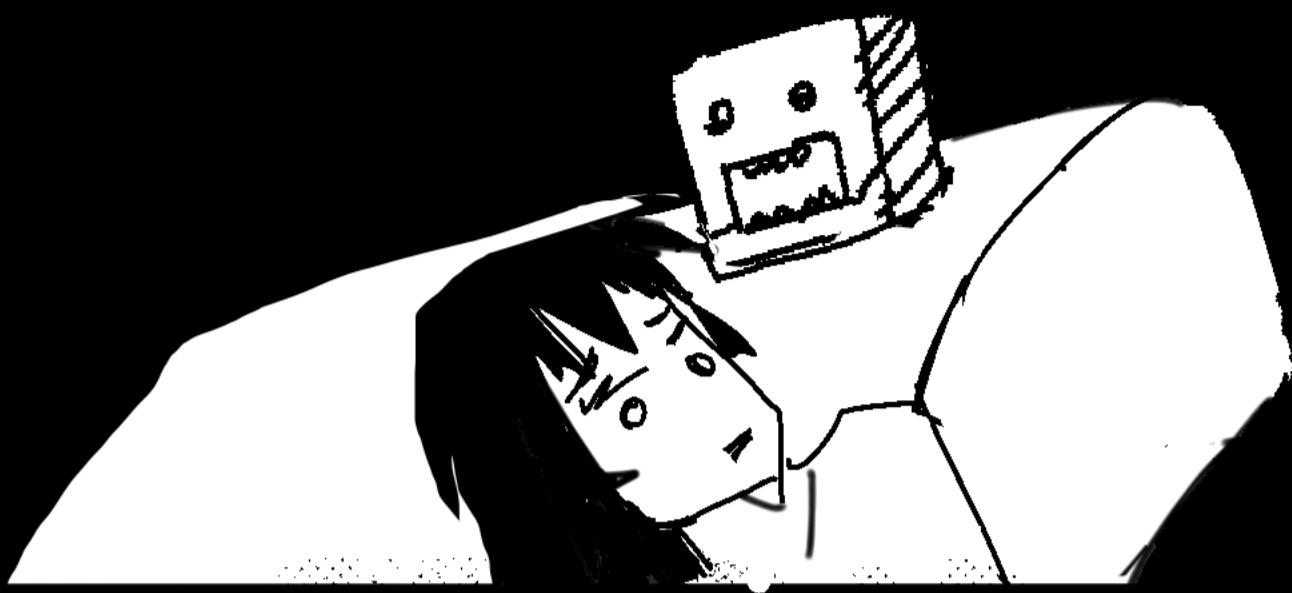

A used SL-1200
costs over
two thousand
dollars on eBay!

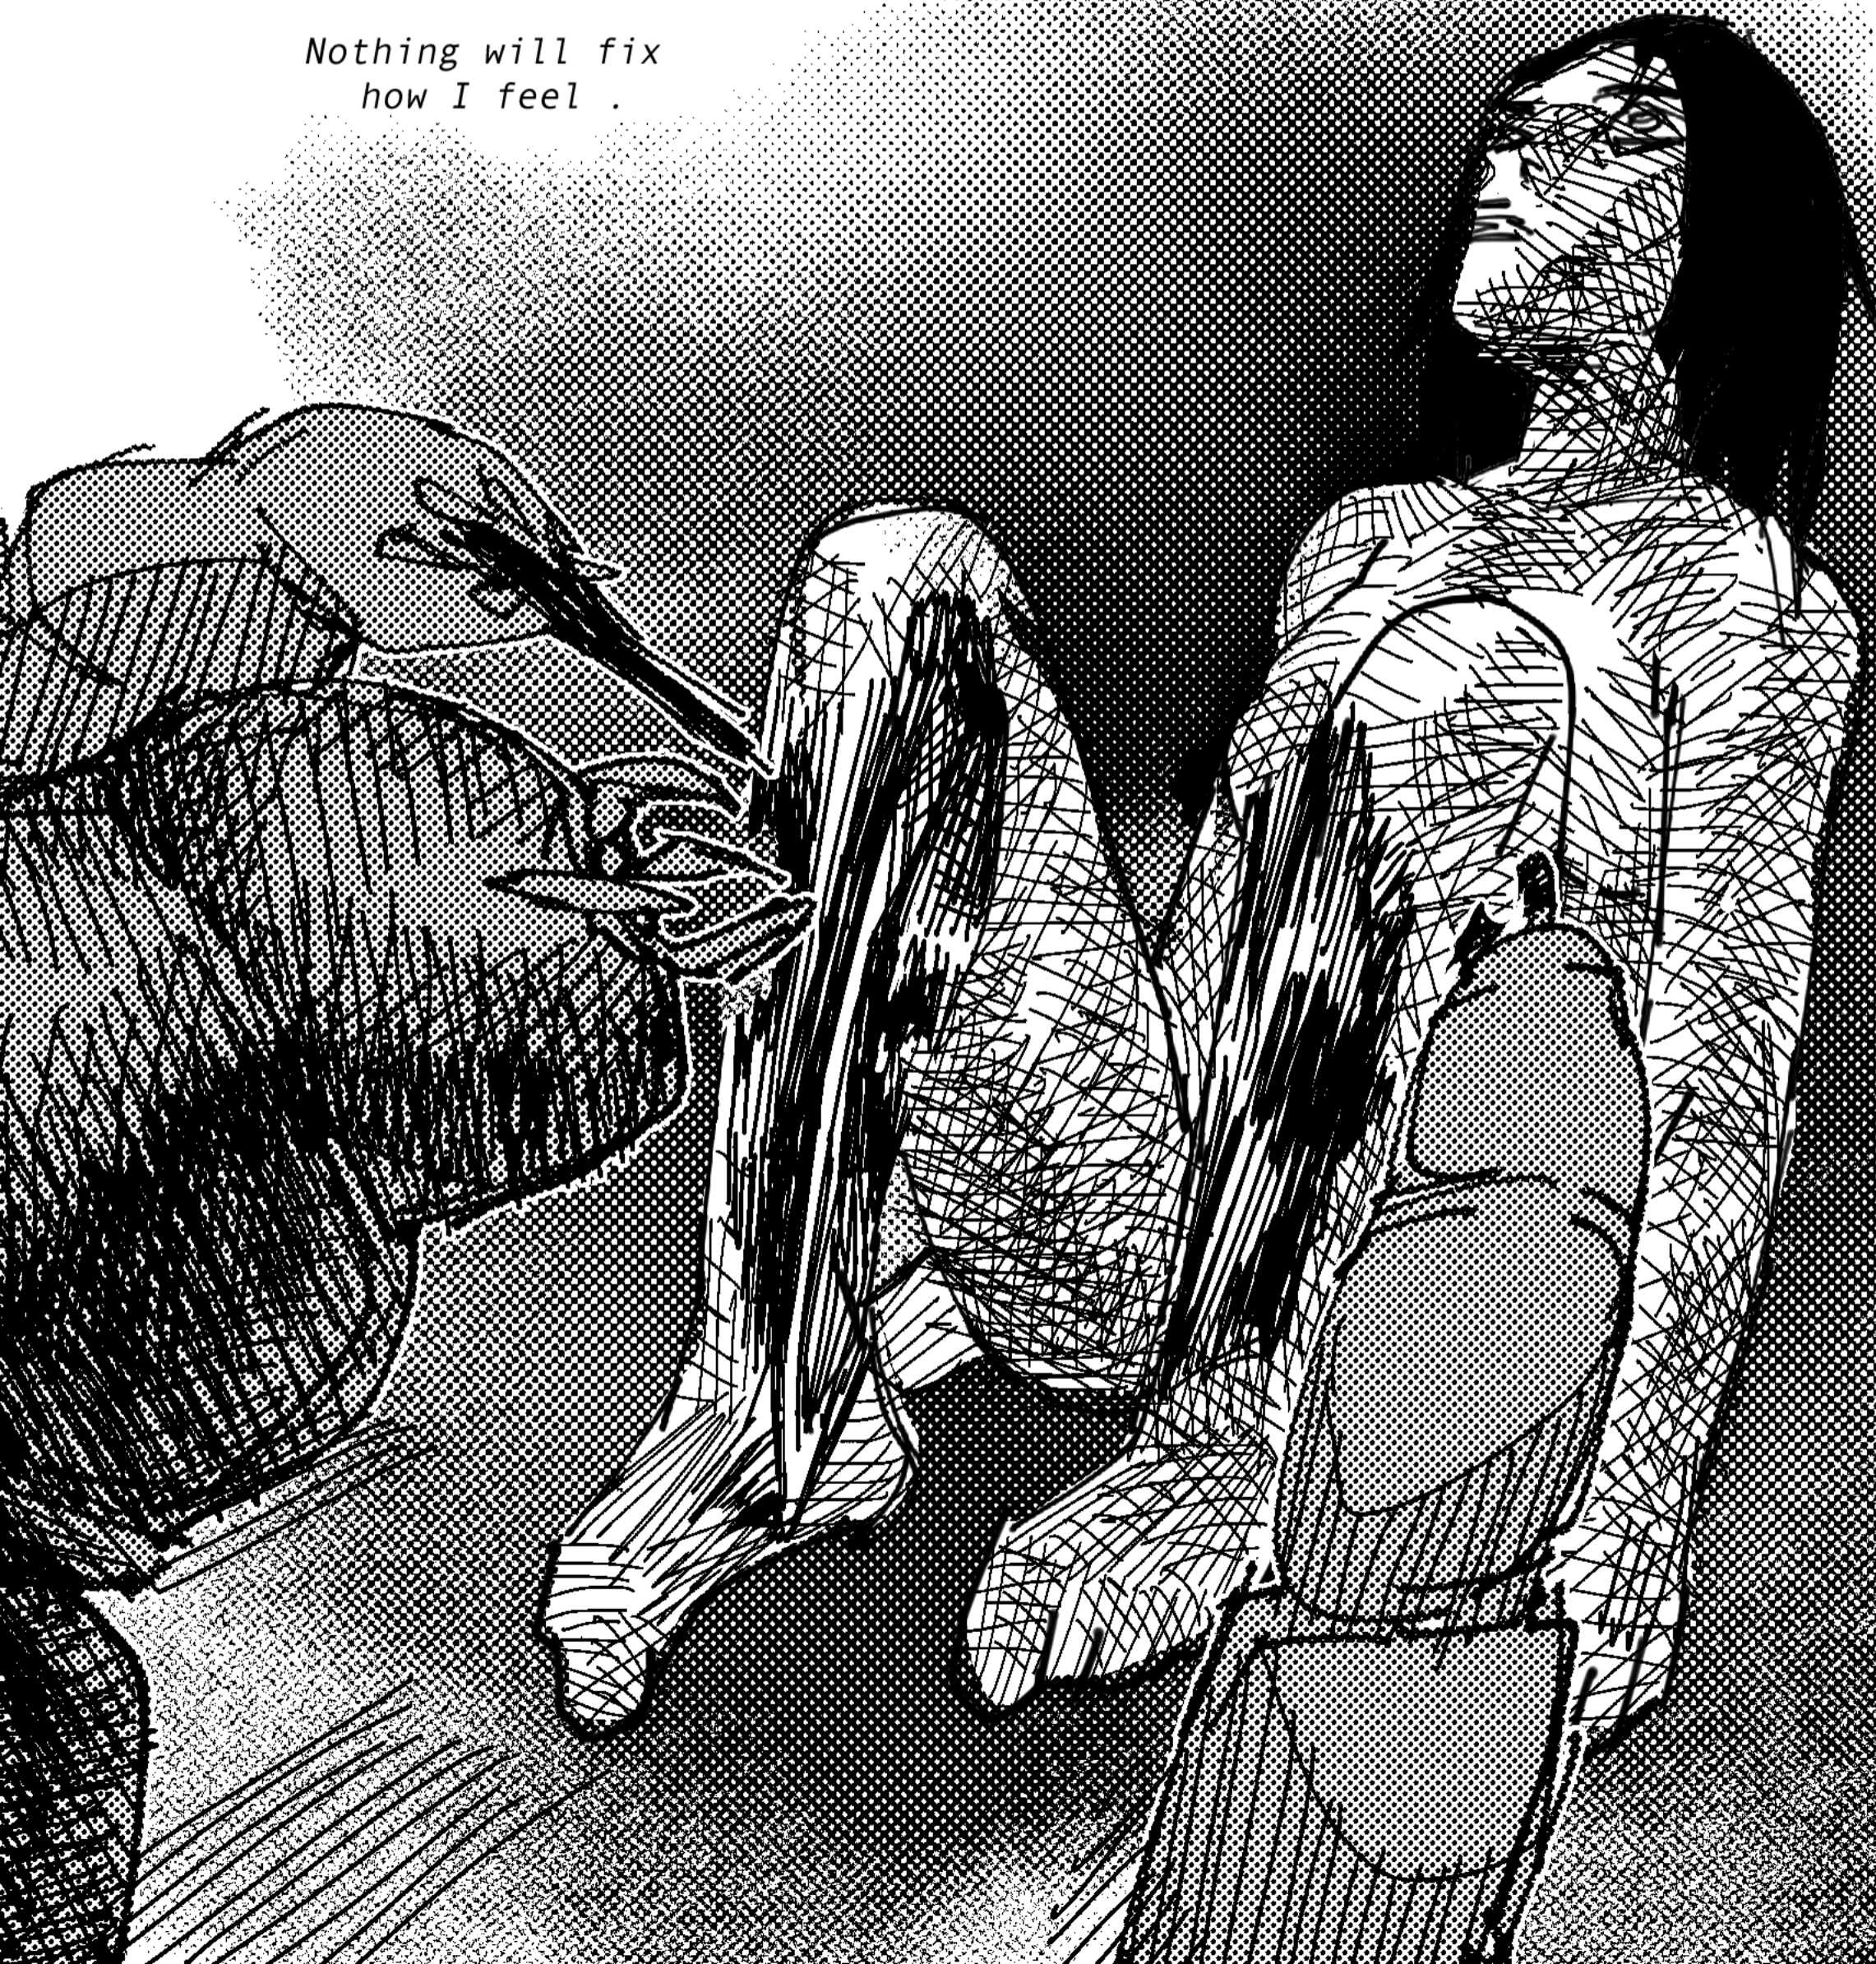

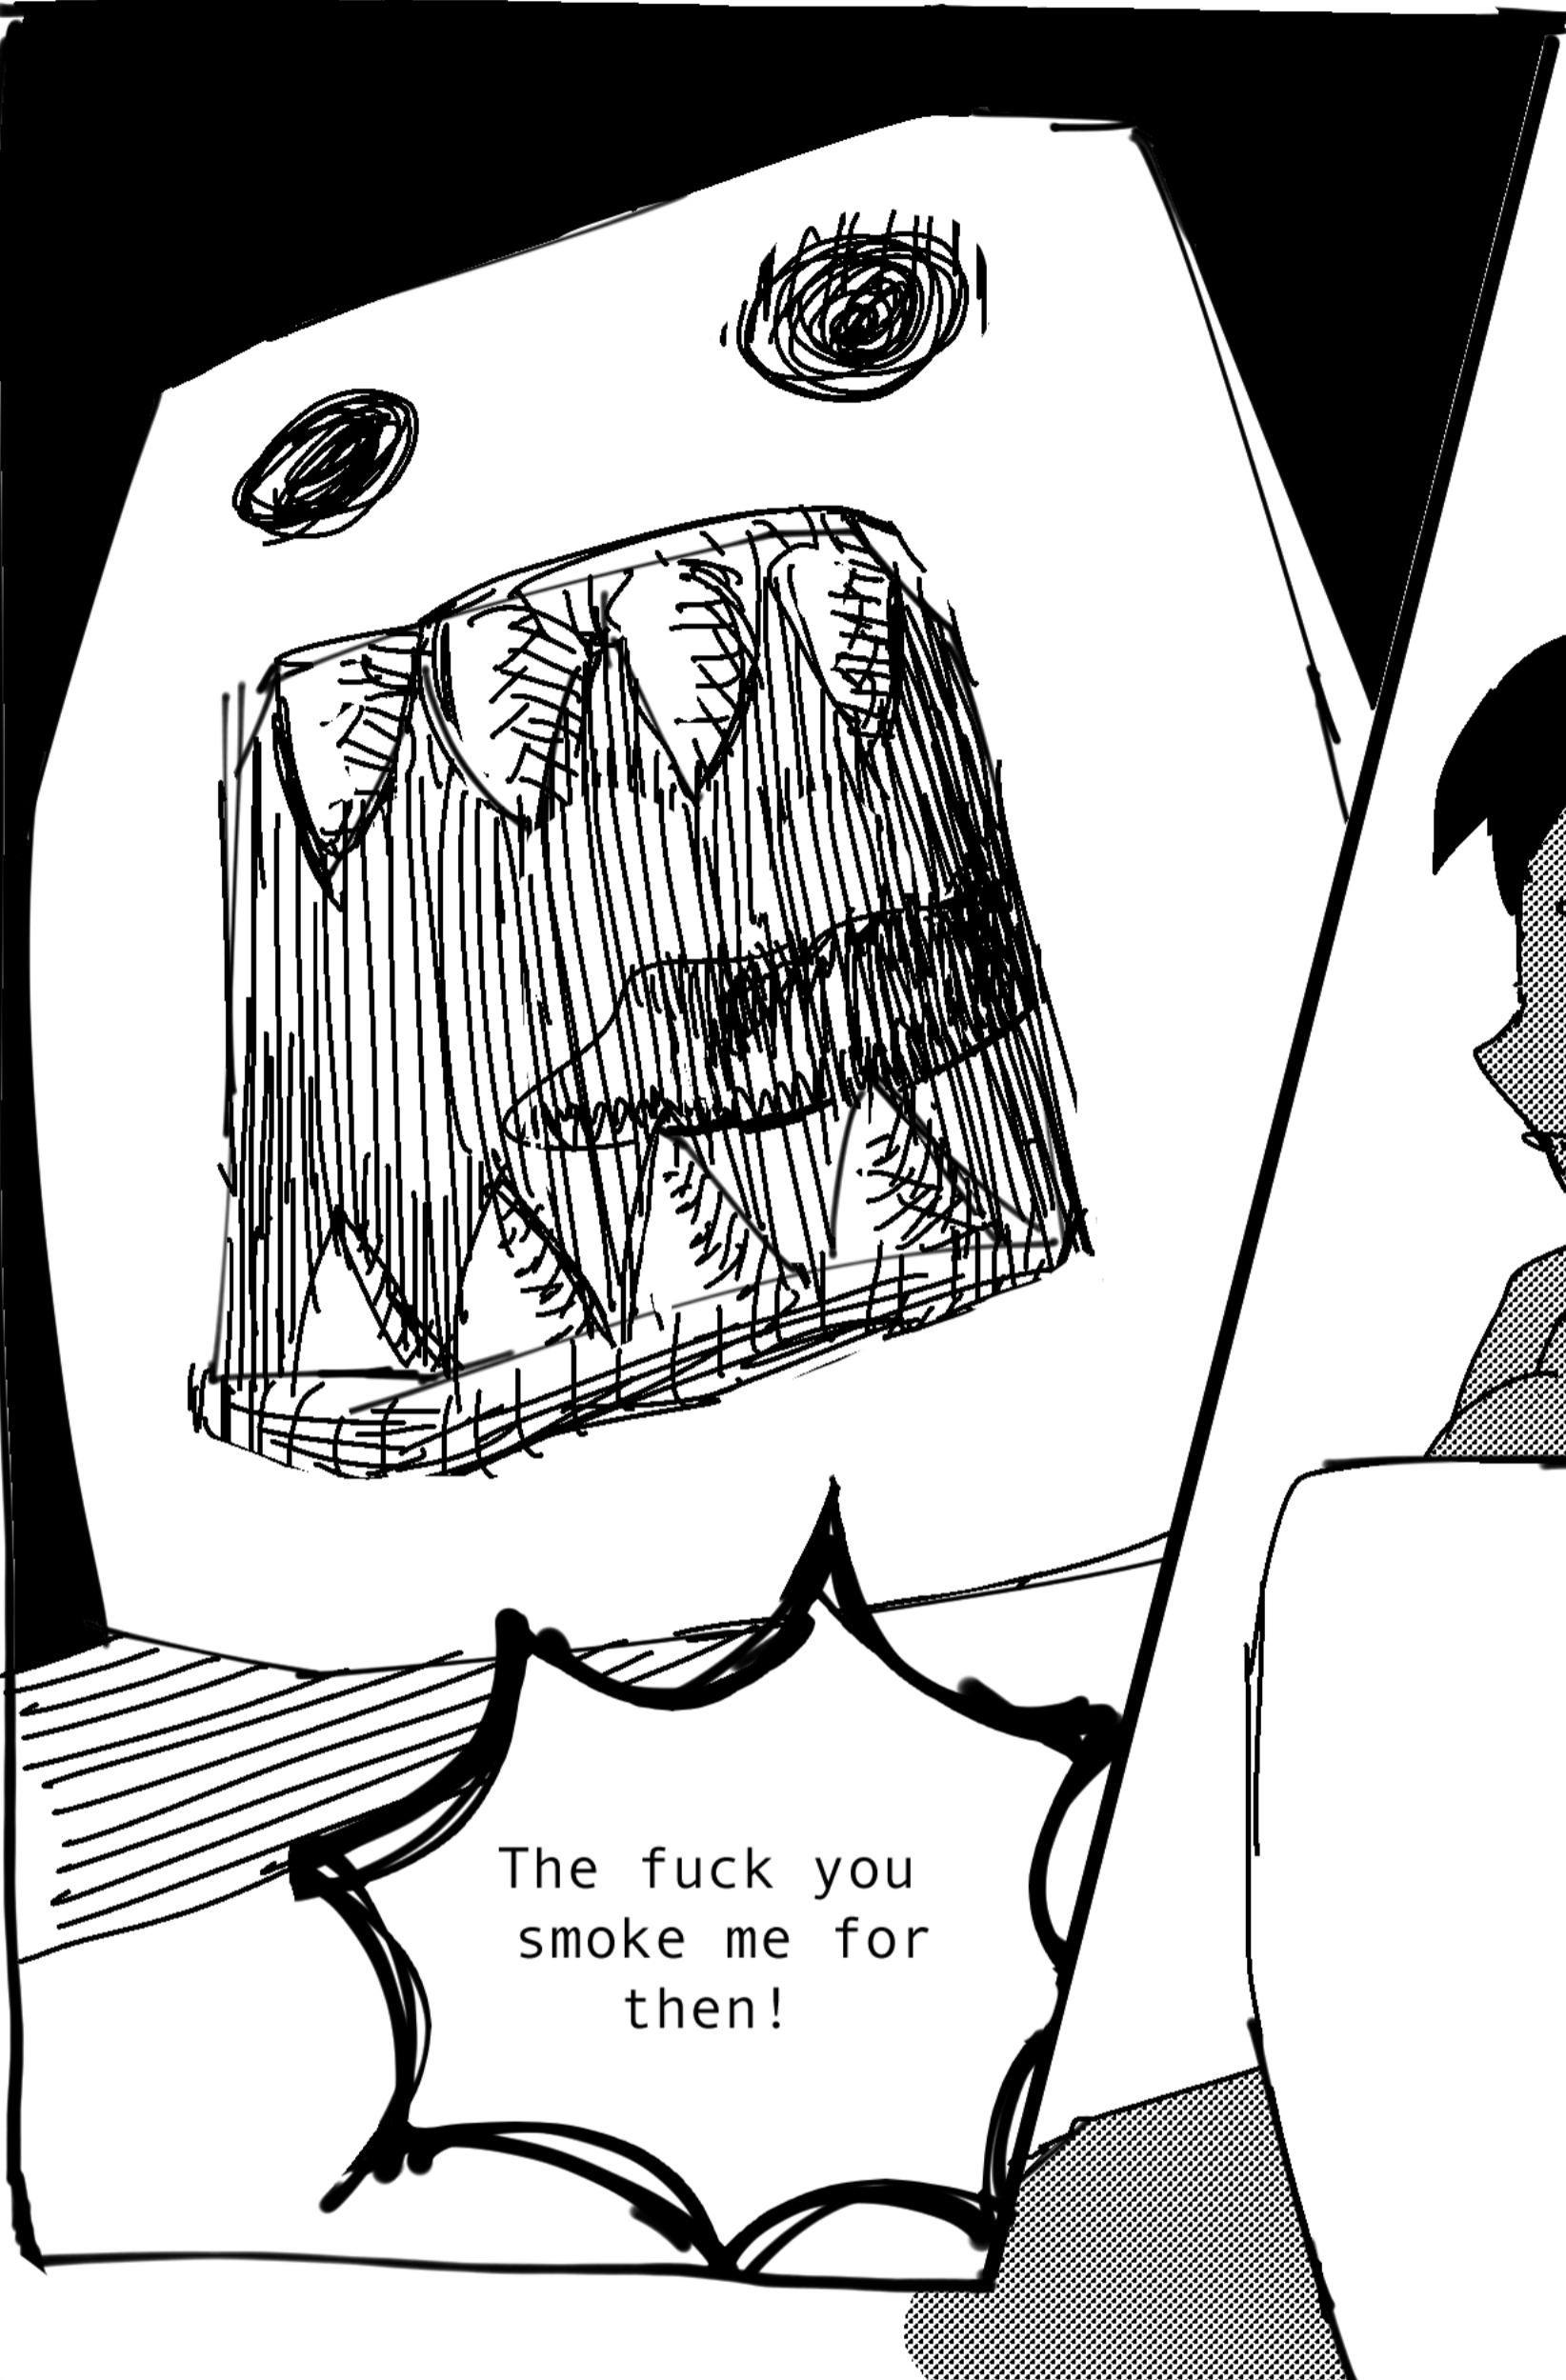

HUFF
HUFF

Nothing will
fix anything.

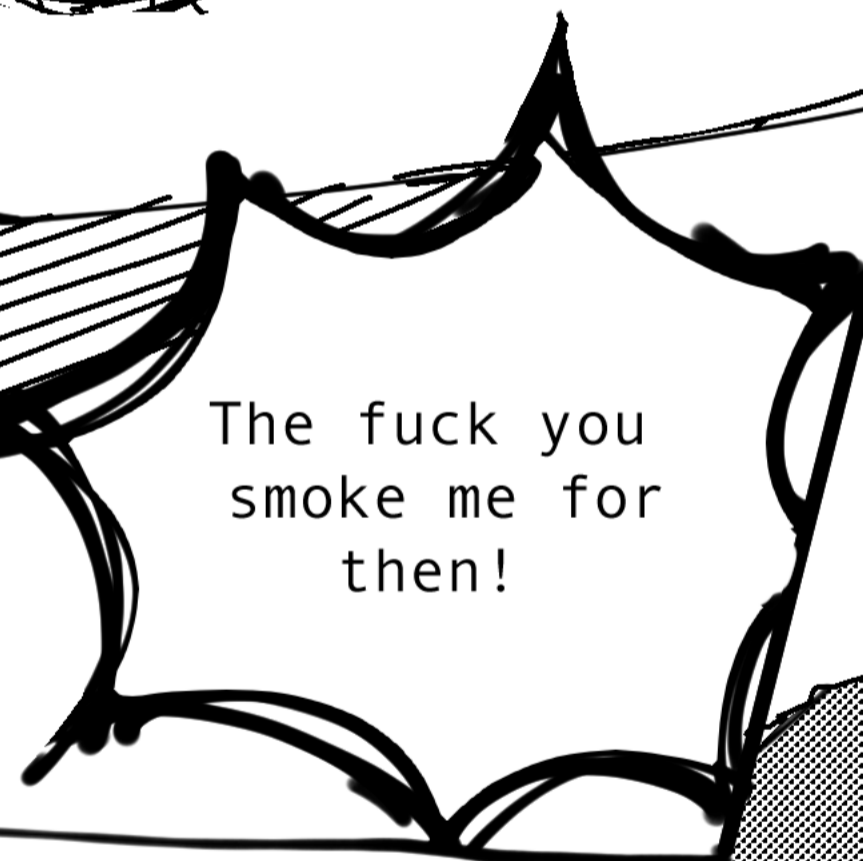

Nothing will fix
how I feel .

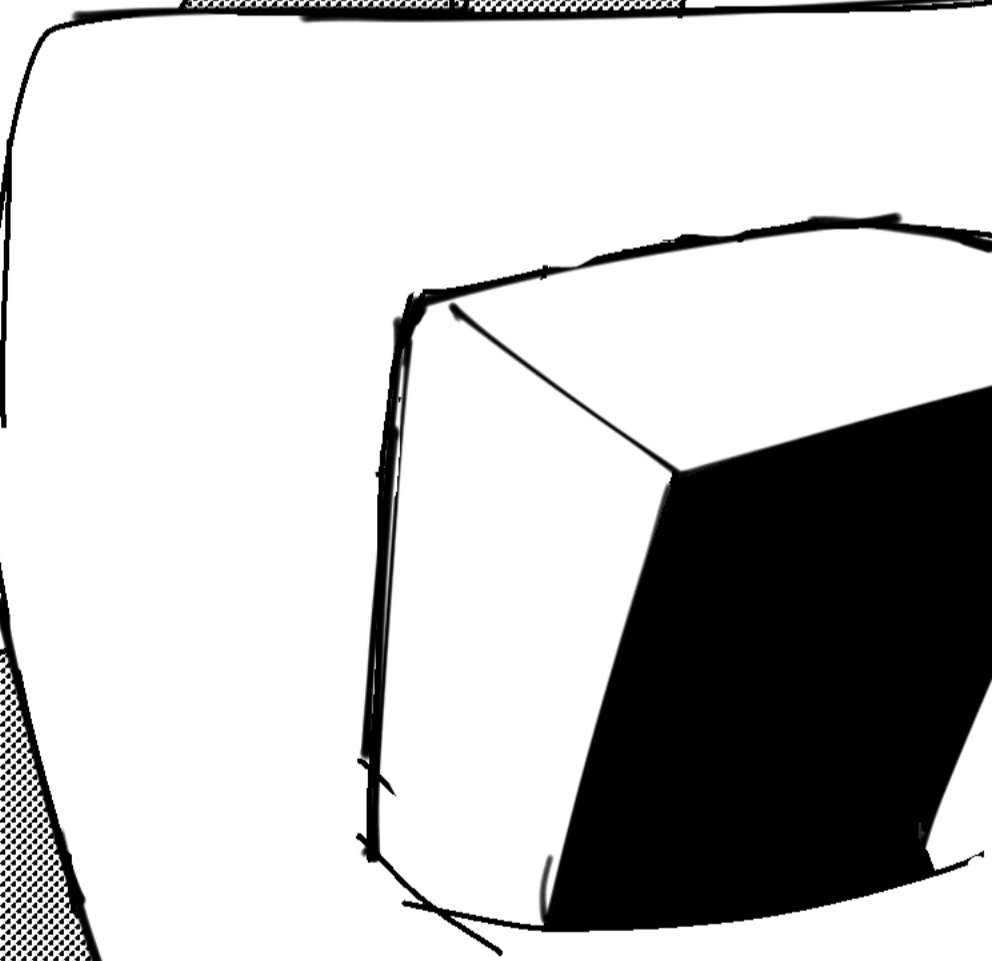

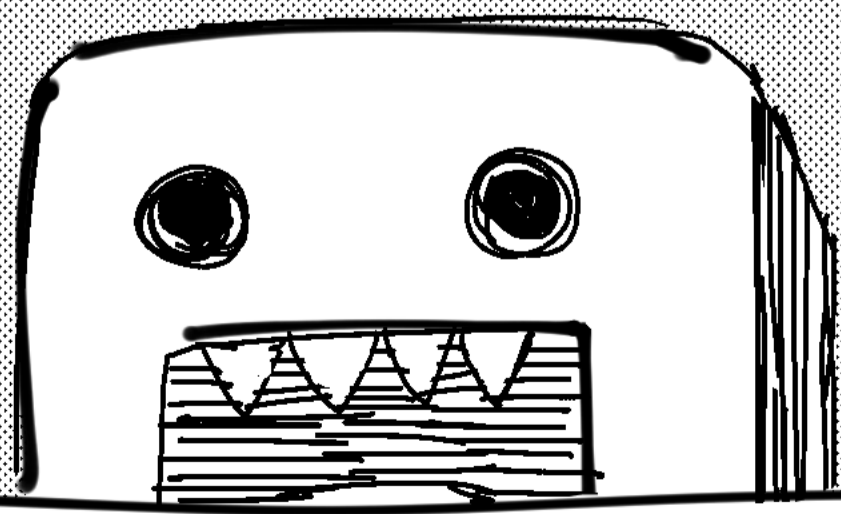

...

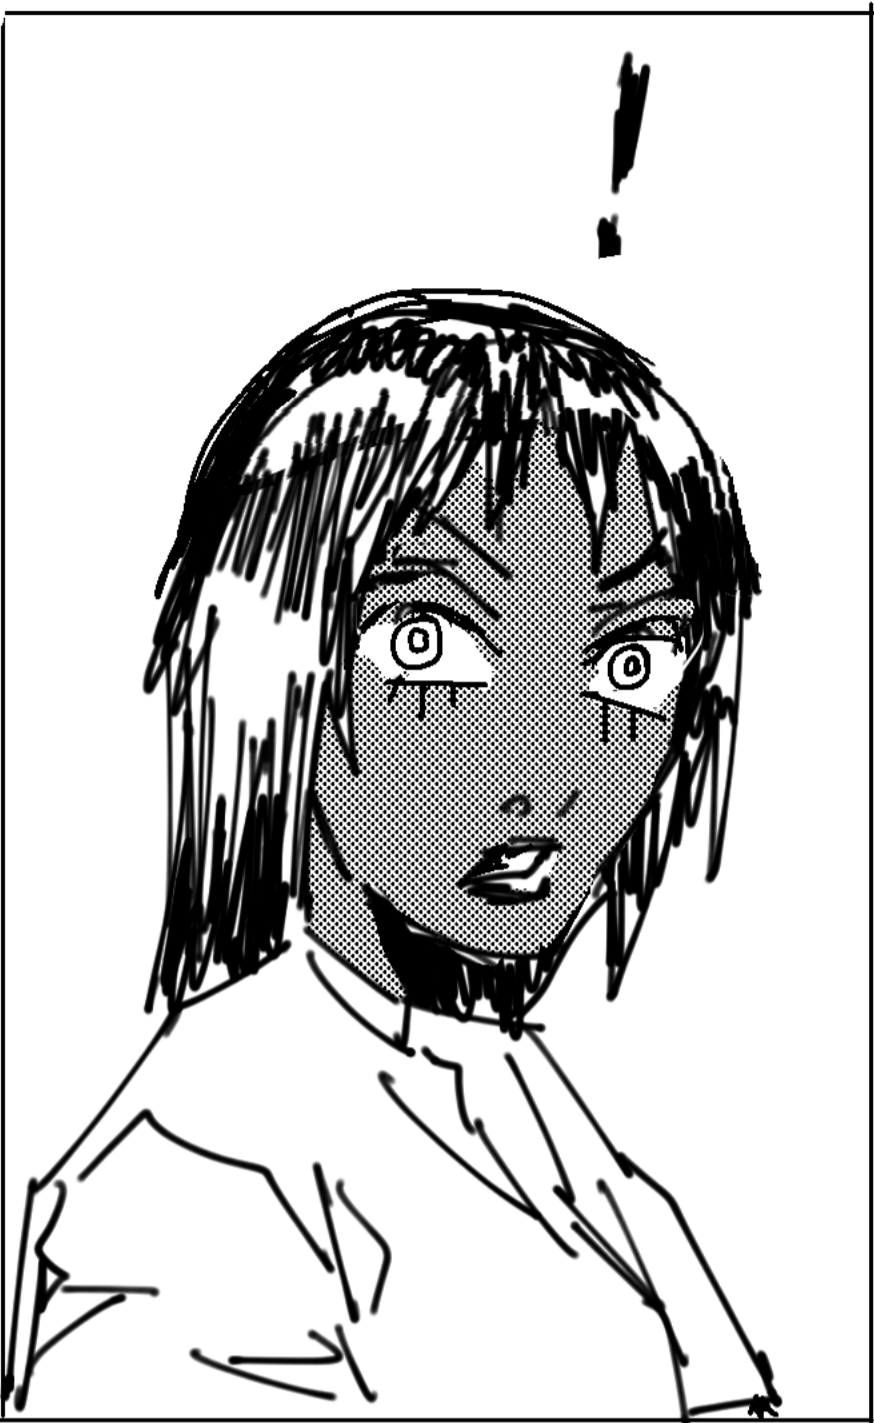

The fuck you
smoke me for
then!

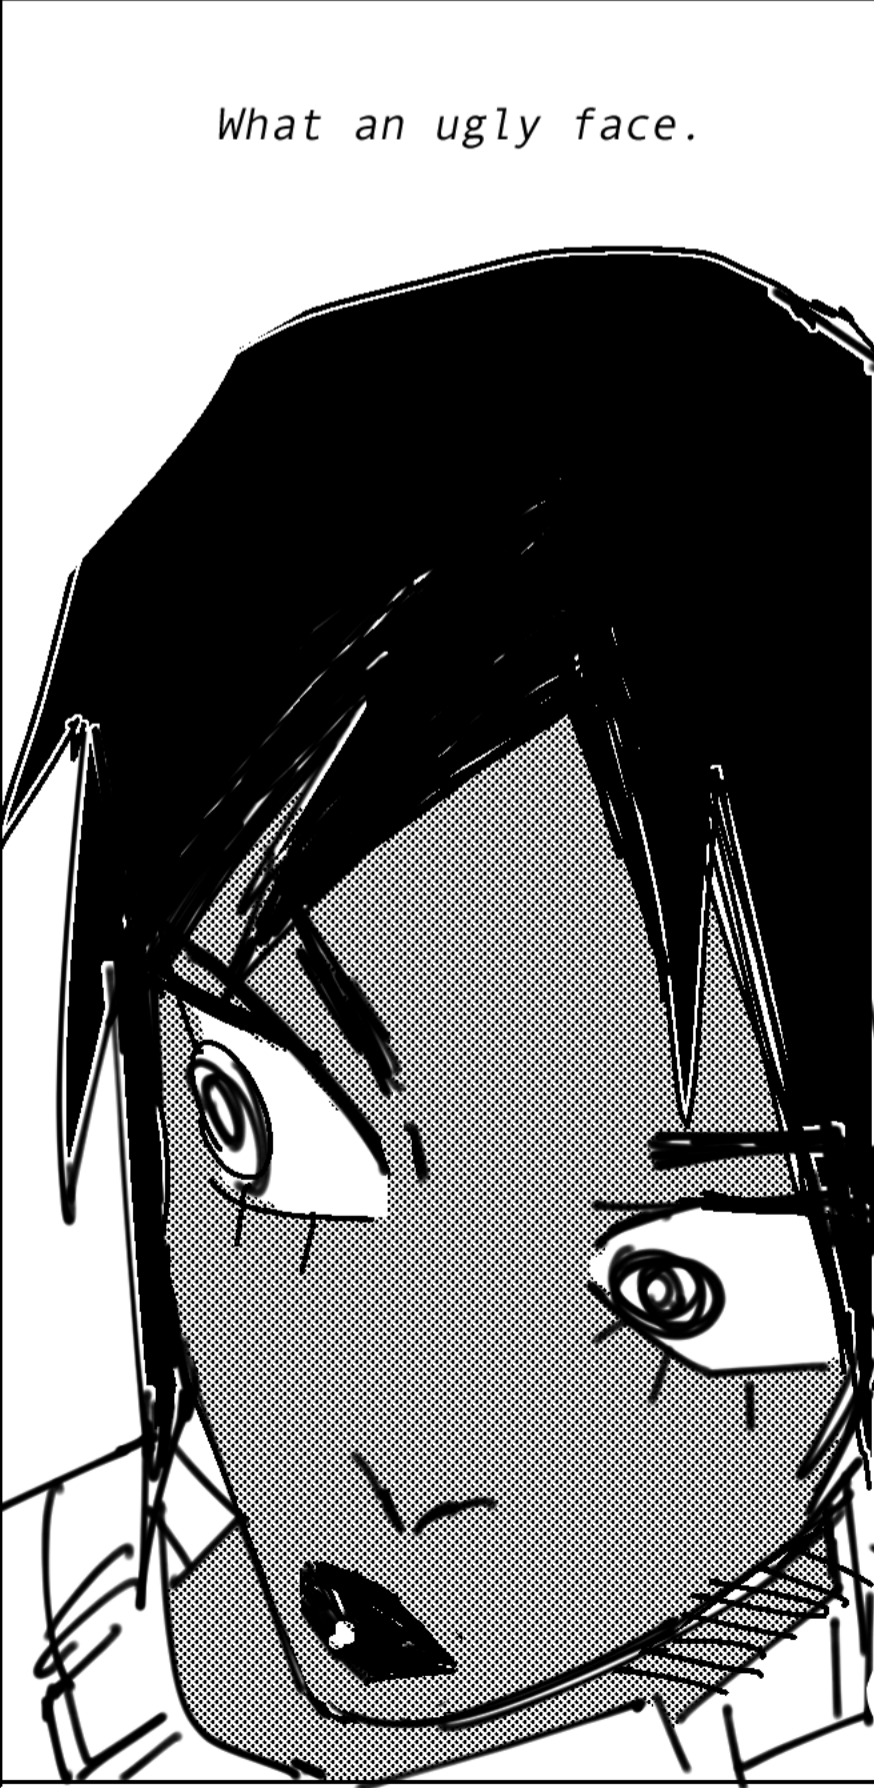

I see.

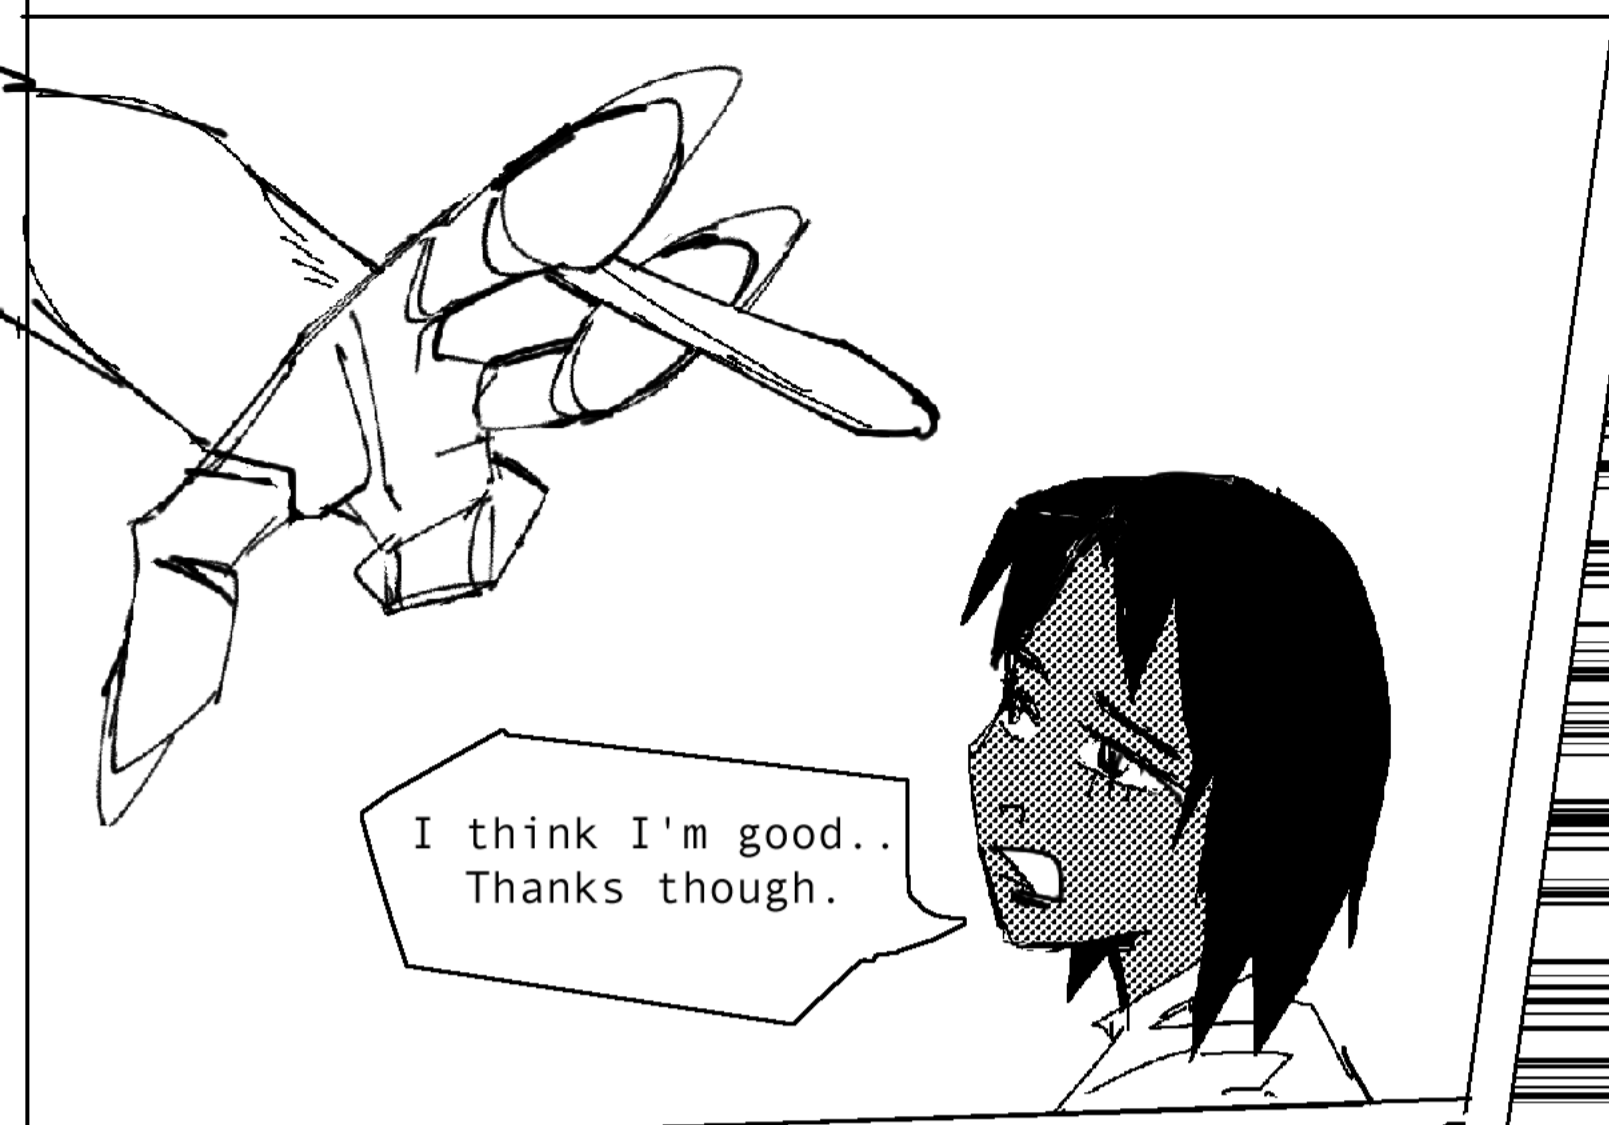

Be not afraid..
For I am the
spiritual
manifestation
of Weed³!

What an ugly face.

As you can
tell, I am a
hallucination.
But as a
demonstration
of good
faith I would
like to present
you a gift.

I think I'm good..
Thanks though.

This is no
ordinary
joint! It's
been infused
with magic
so that each
hit feels
like the first
hit you've
ever taken..

...

...

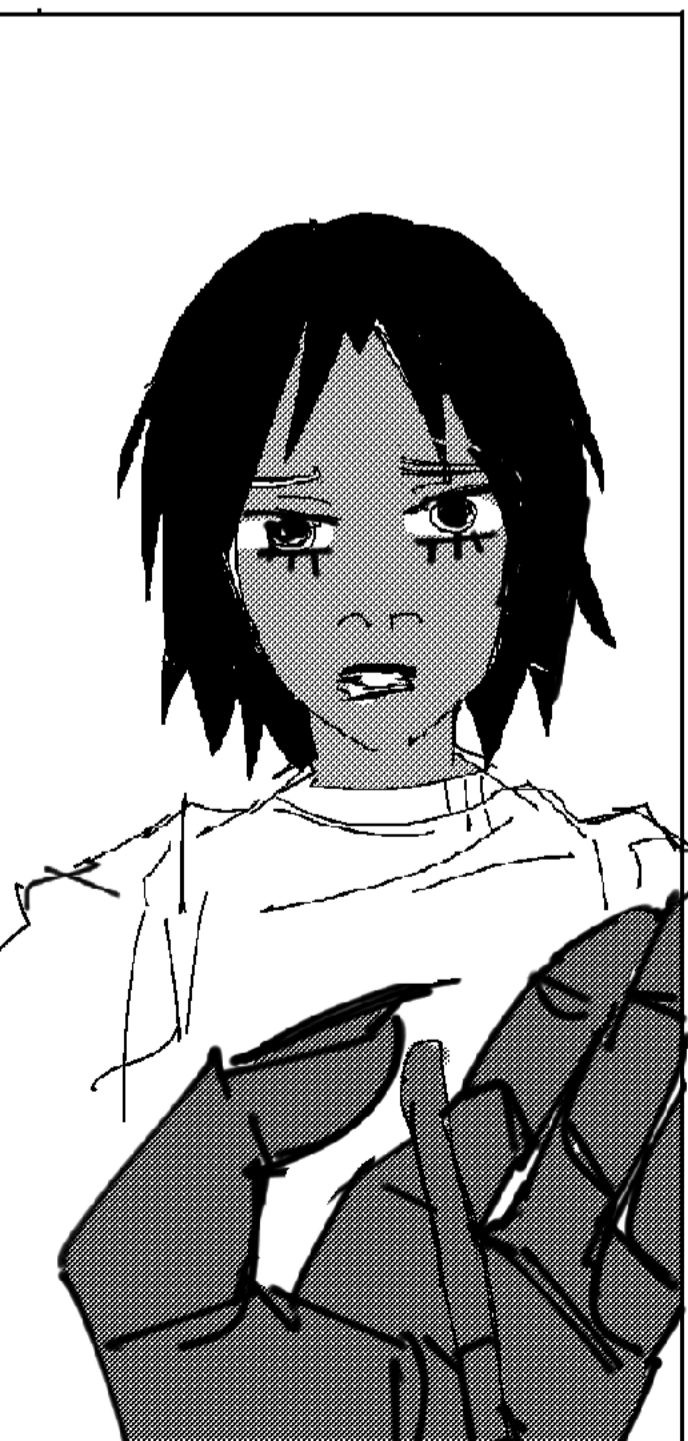

It also
regenerates!

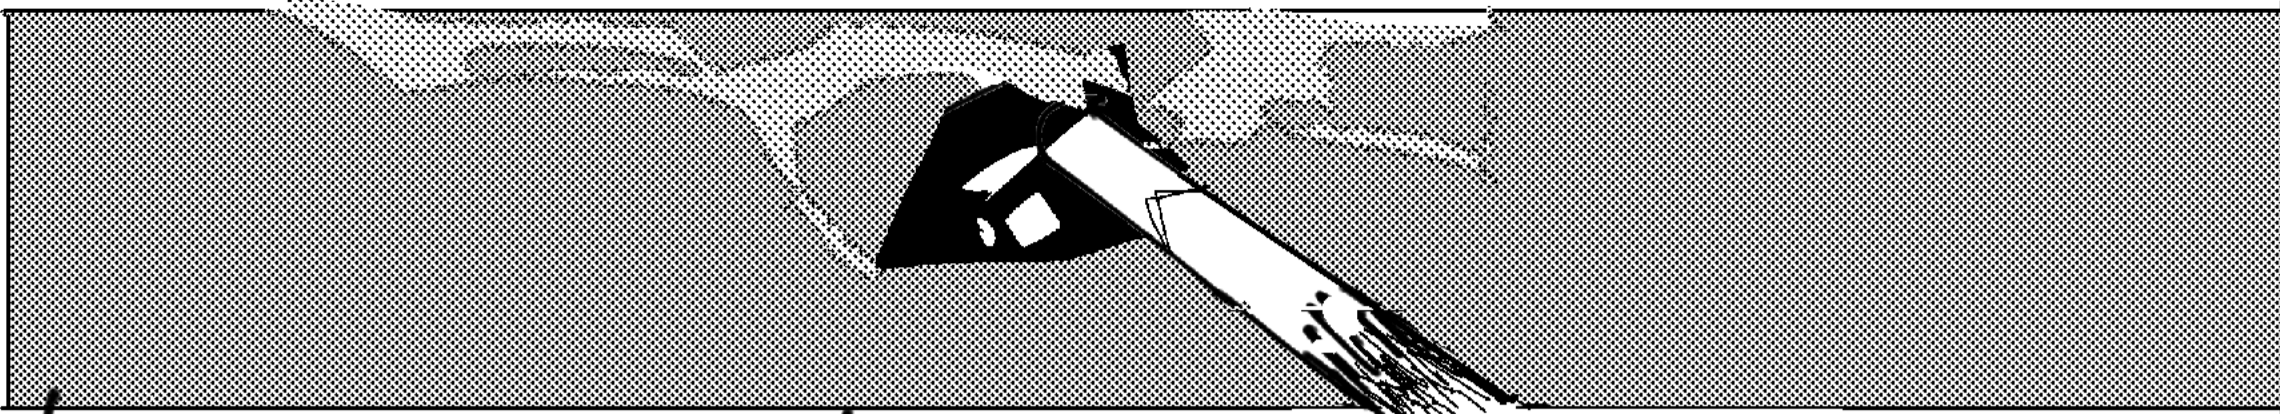

INFINITE
TOLERANCE

That does
sound cool
I guess.

But I
don't trust
you..

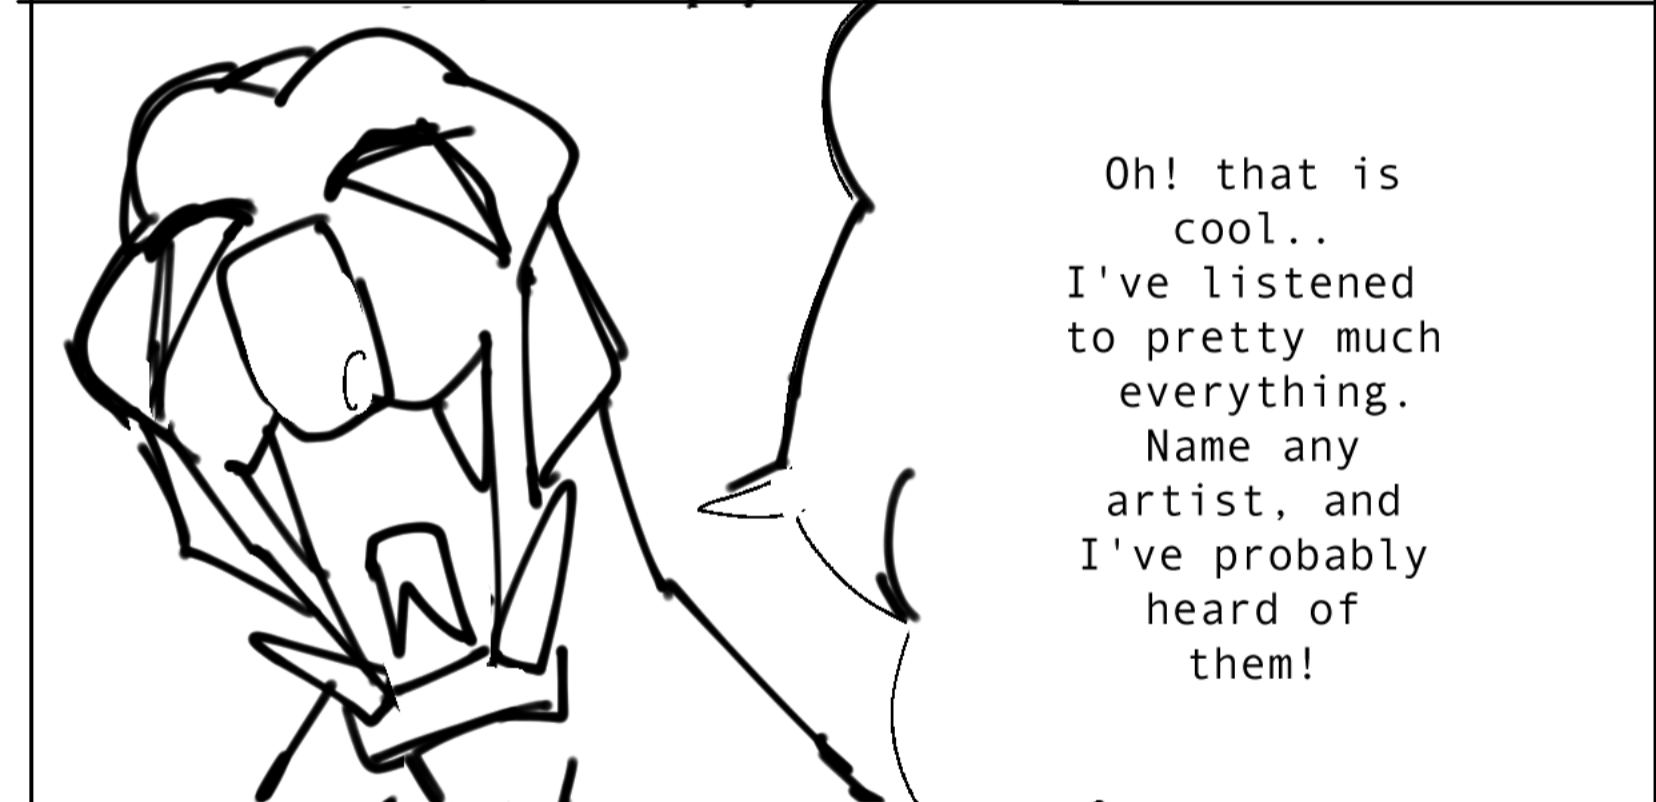

So,
what do
you
do?

I run
a record
store.

00h!

Oh! that is
cool..
I've listened
to pretty much
everything.
Name any
artist, and
I've probably
heard of
them!

Seriously?

What? You don't
believe me!

I've also played
every game, and seen
every movie and
TV show... Name any
classic, underground
shit, whatever!

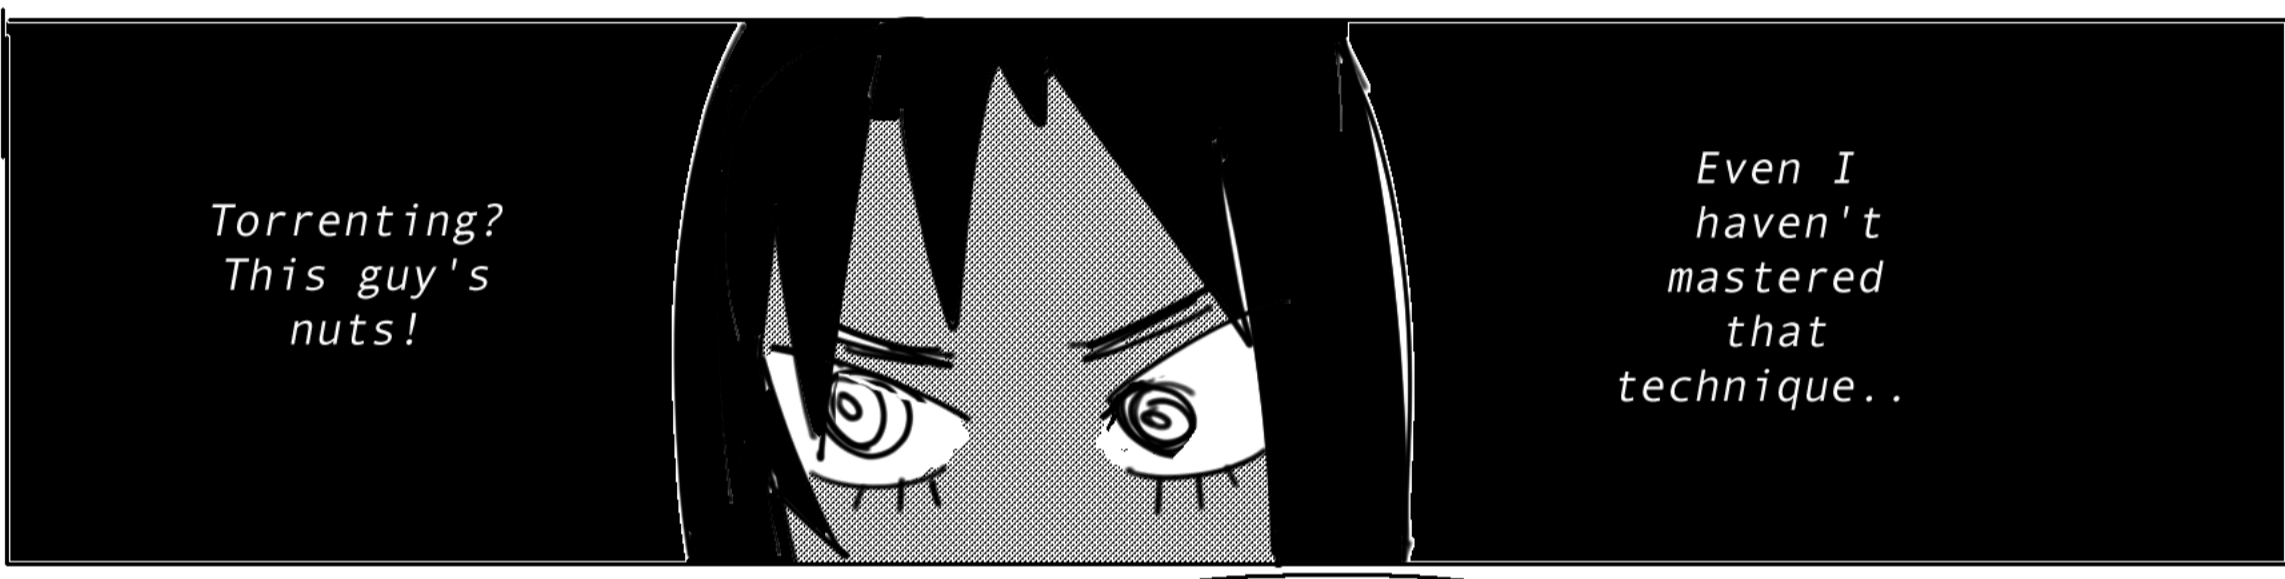

That's impossible..
What about stuff
that's not on
CDs or DVDs?
There's tons
of other formats
too!

There's so much
stuff that's
hard to come
by now!

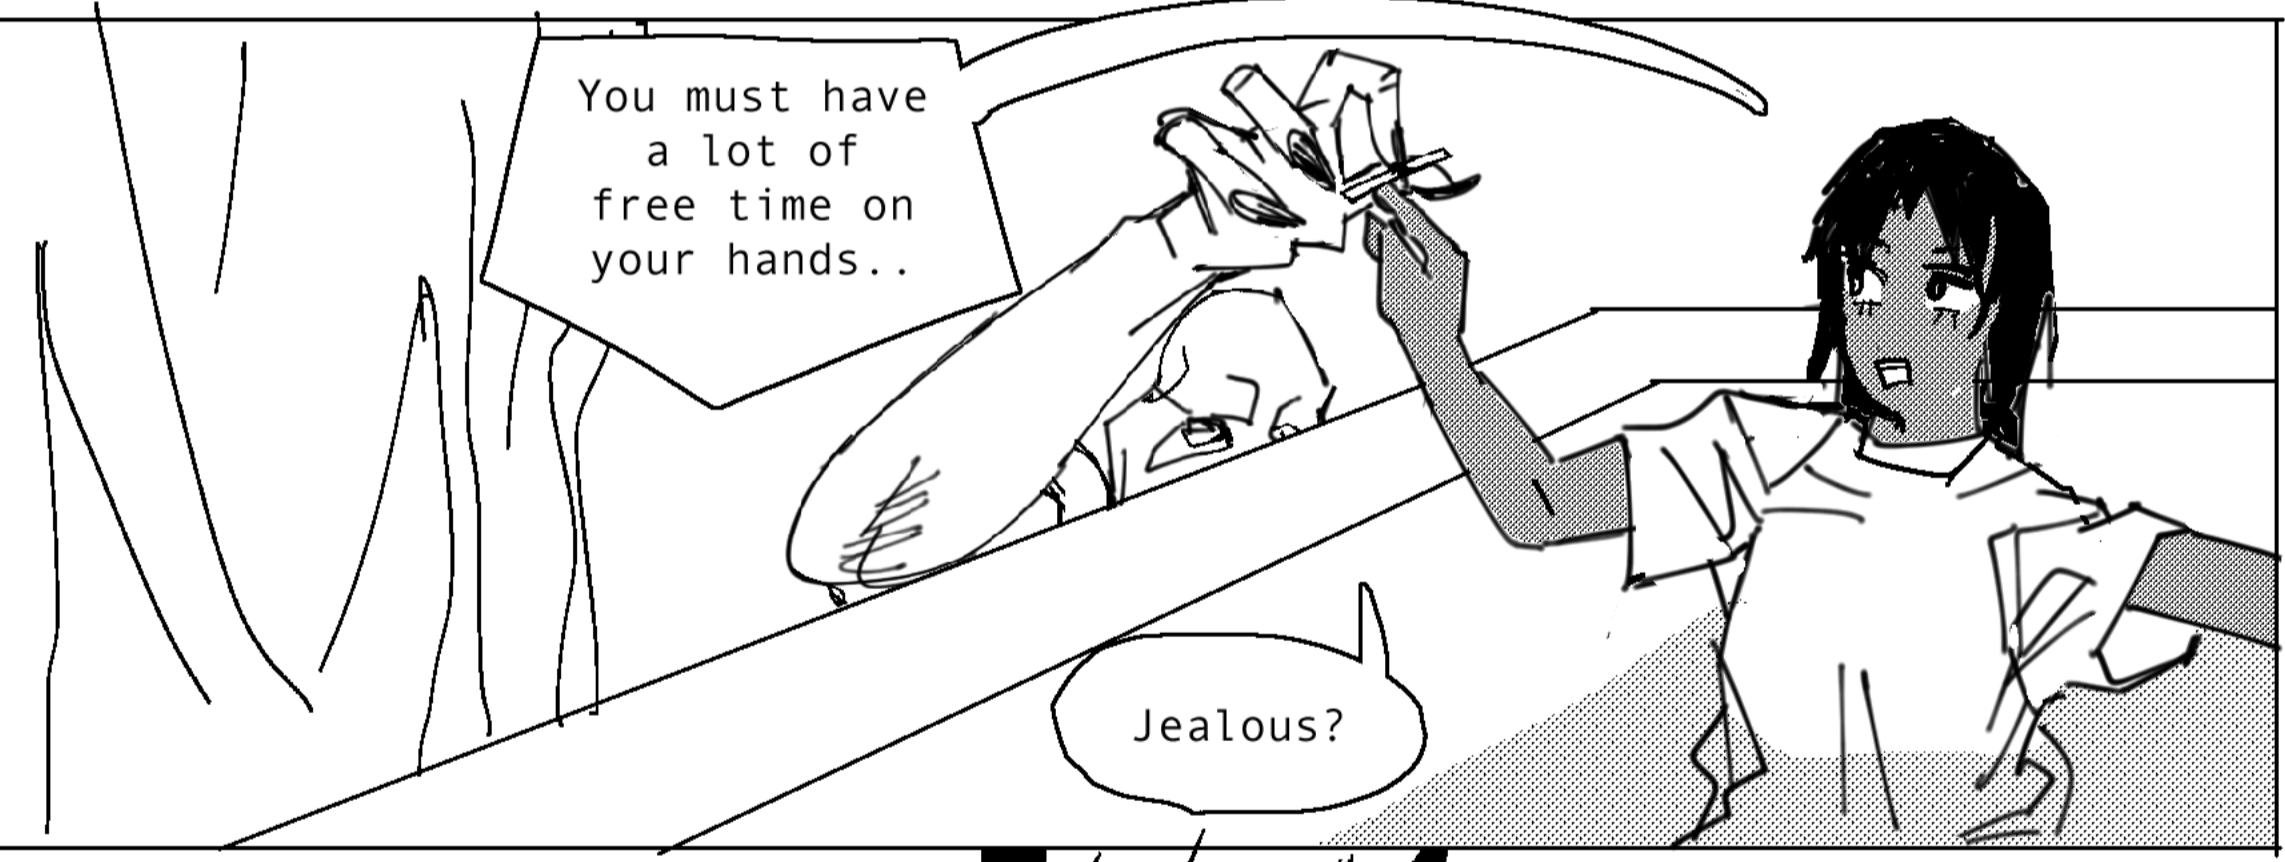

You die-hard
physical types
are funny. Those
are precious
toys..

But torrenting
will always be
the superior
method when
it comes down
to it! If I can
find it, I can
watch!

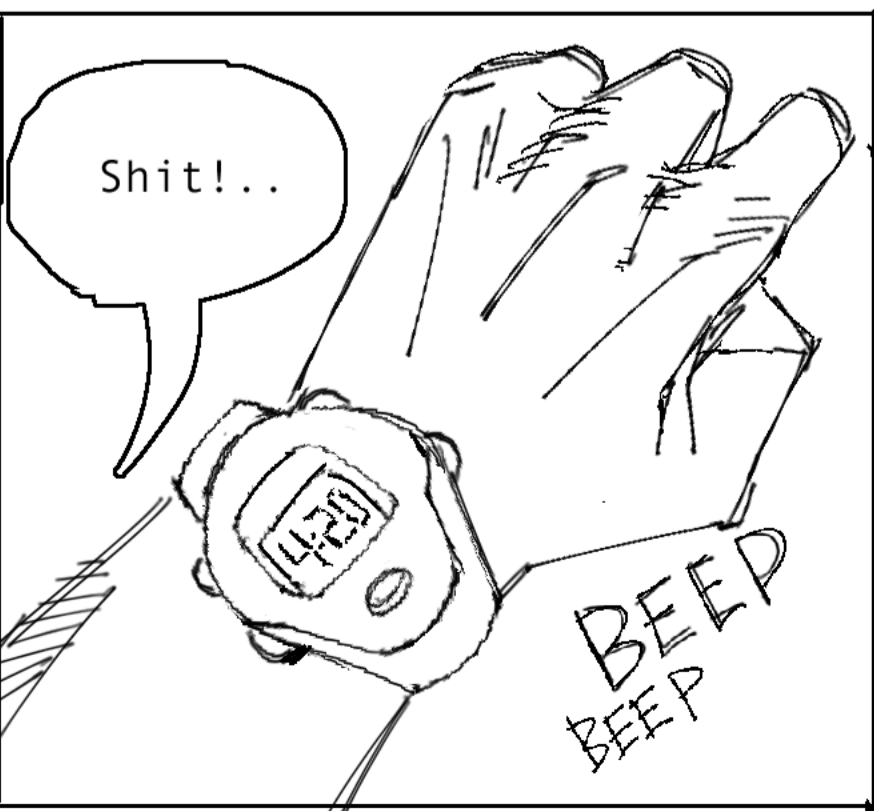

*Torrenting?
This guy's
nuts!*

*Even I
haven't
mastered
that
technique..*

You must have
a lot of
free time on
your hands..

Jealous?

Shit!..

BEEP
BEEP

INFINITY JOINT STACK!!

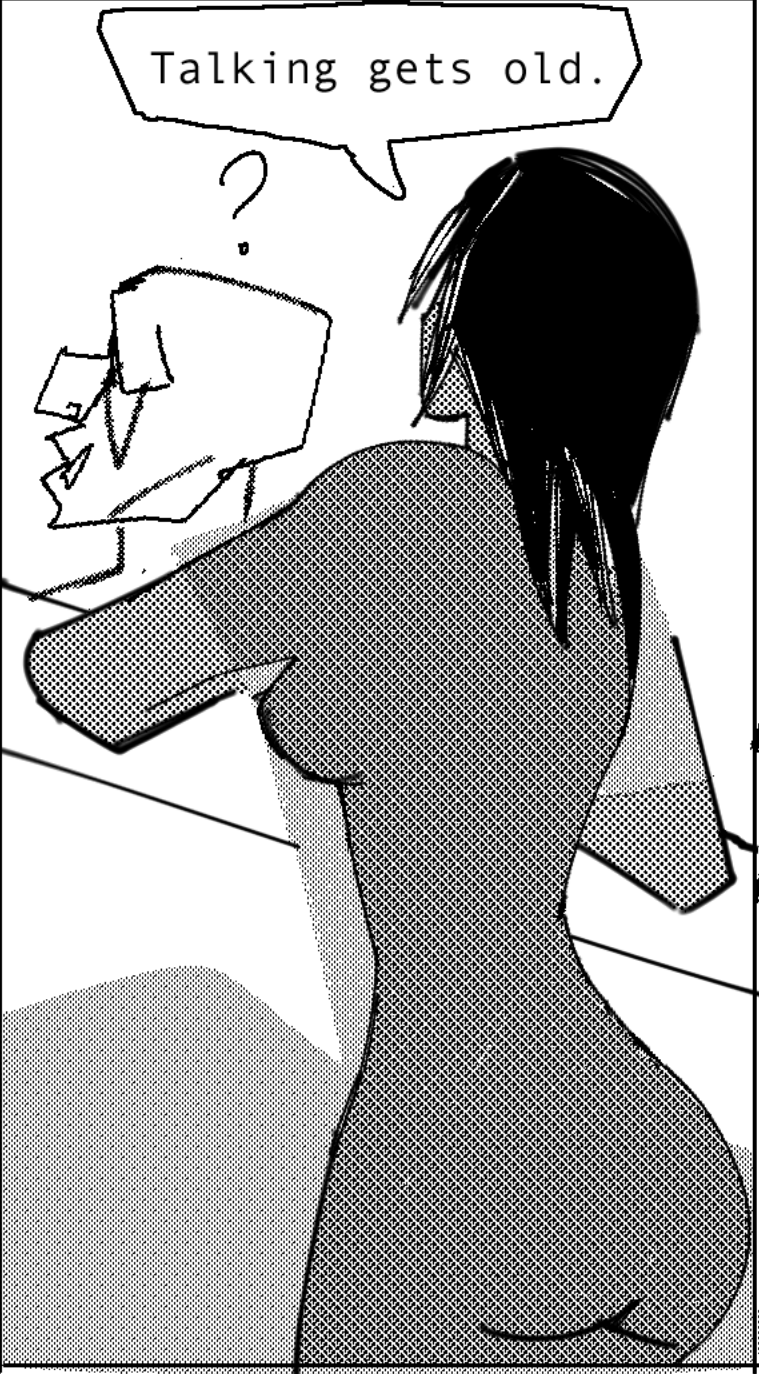

REGENERATING
JOINTS
LATER..

Did you
really
fucking fall
asleep on
me!?

I was
still
explaining
all the
extended
multiverse
sequels!!

Talking gets old.

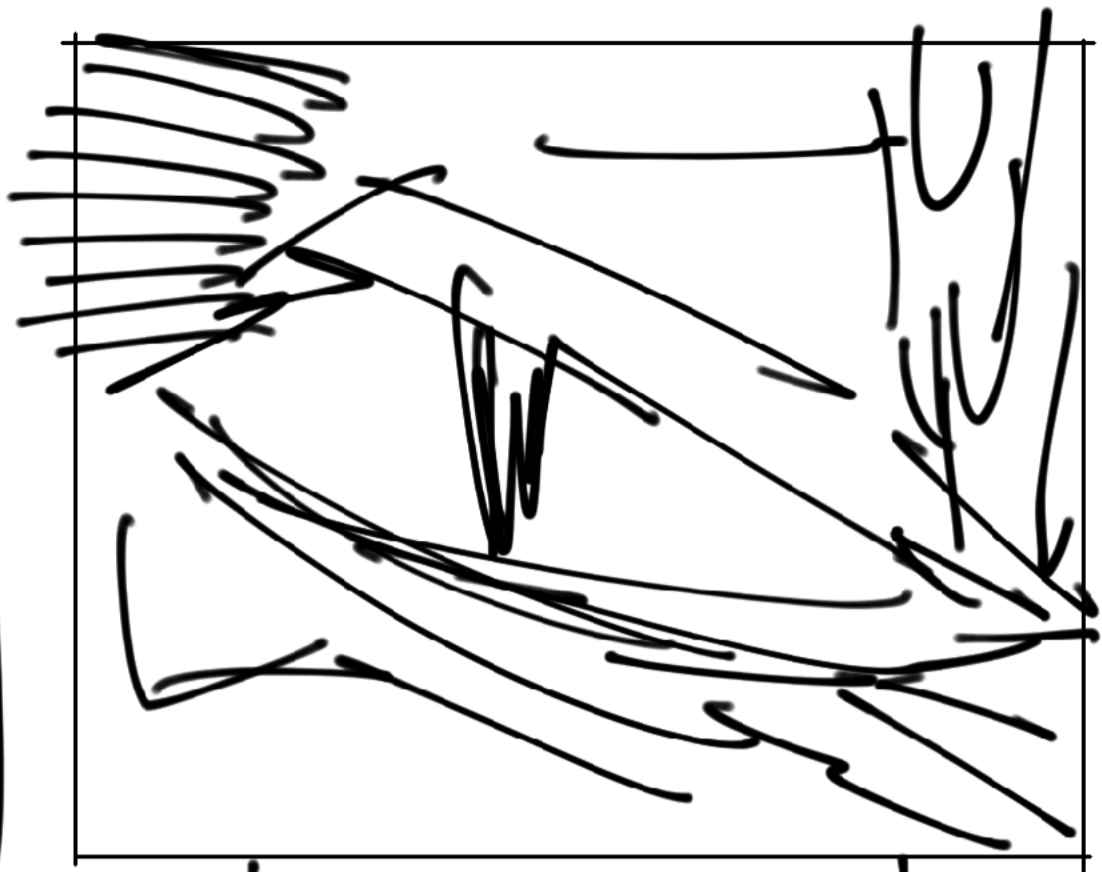

You're
so right..
We should
just smoke
this
helicopter
instead!

Can I sit here?

..Sure.

Stick...

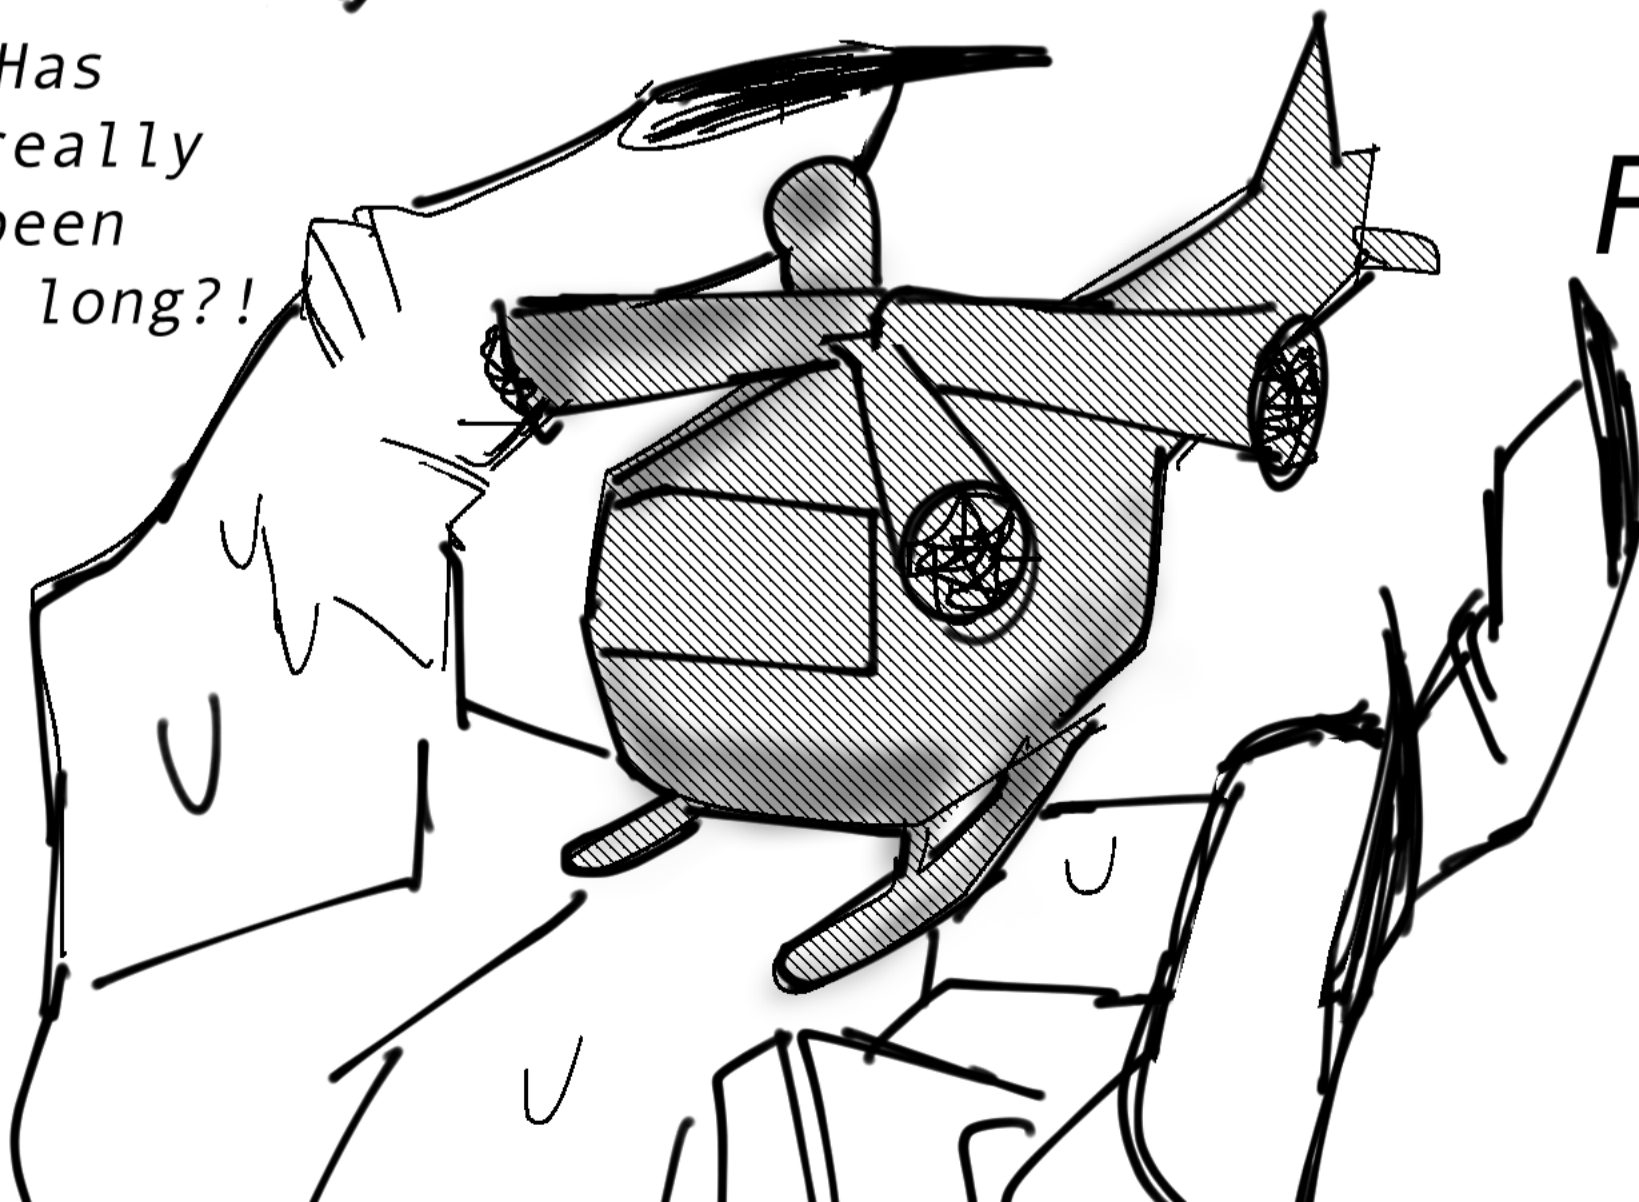

To...

The plan...

*Has
it really
been
that long?!*

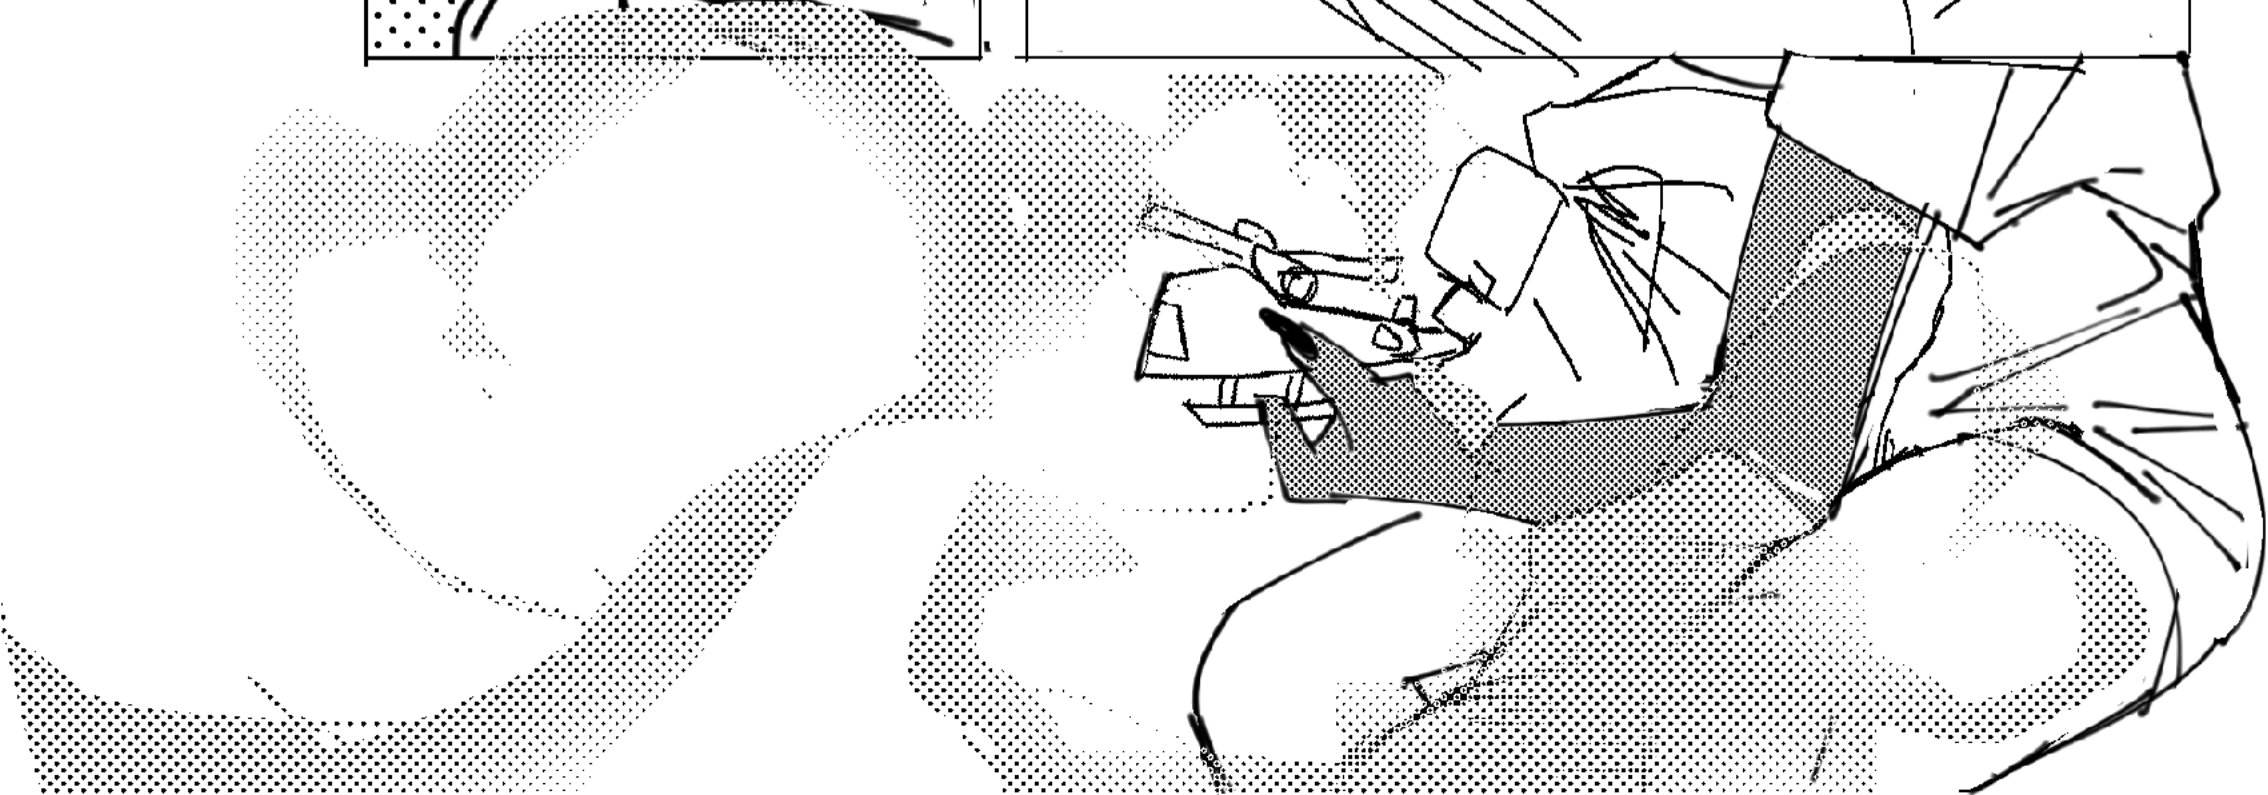

FUCK!!

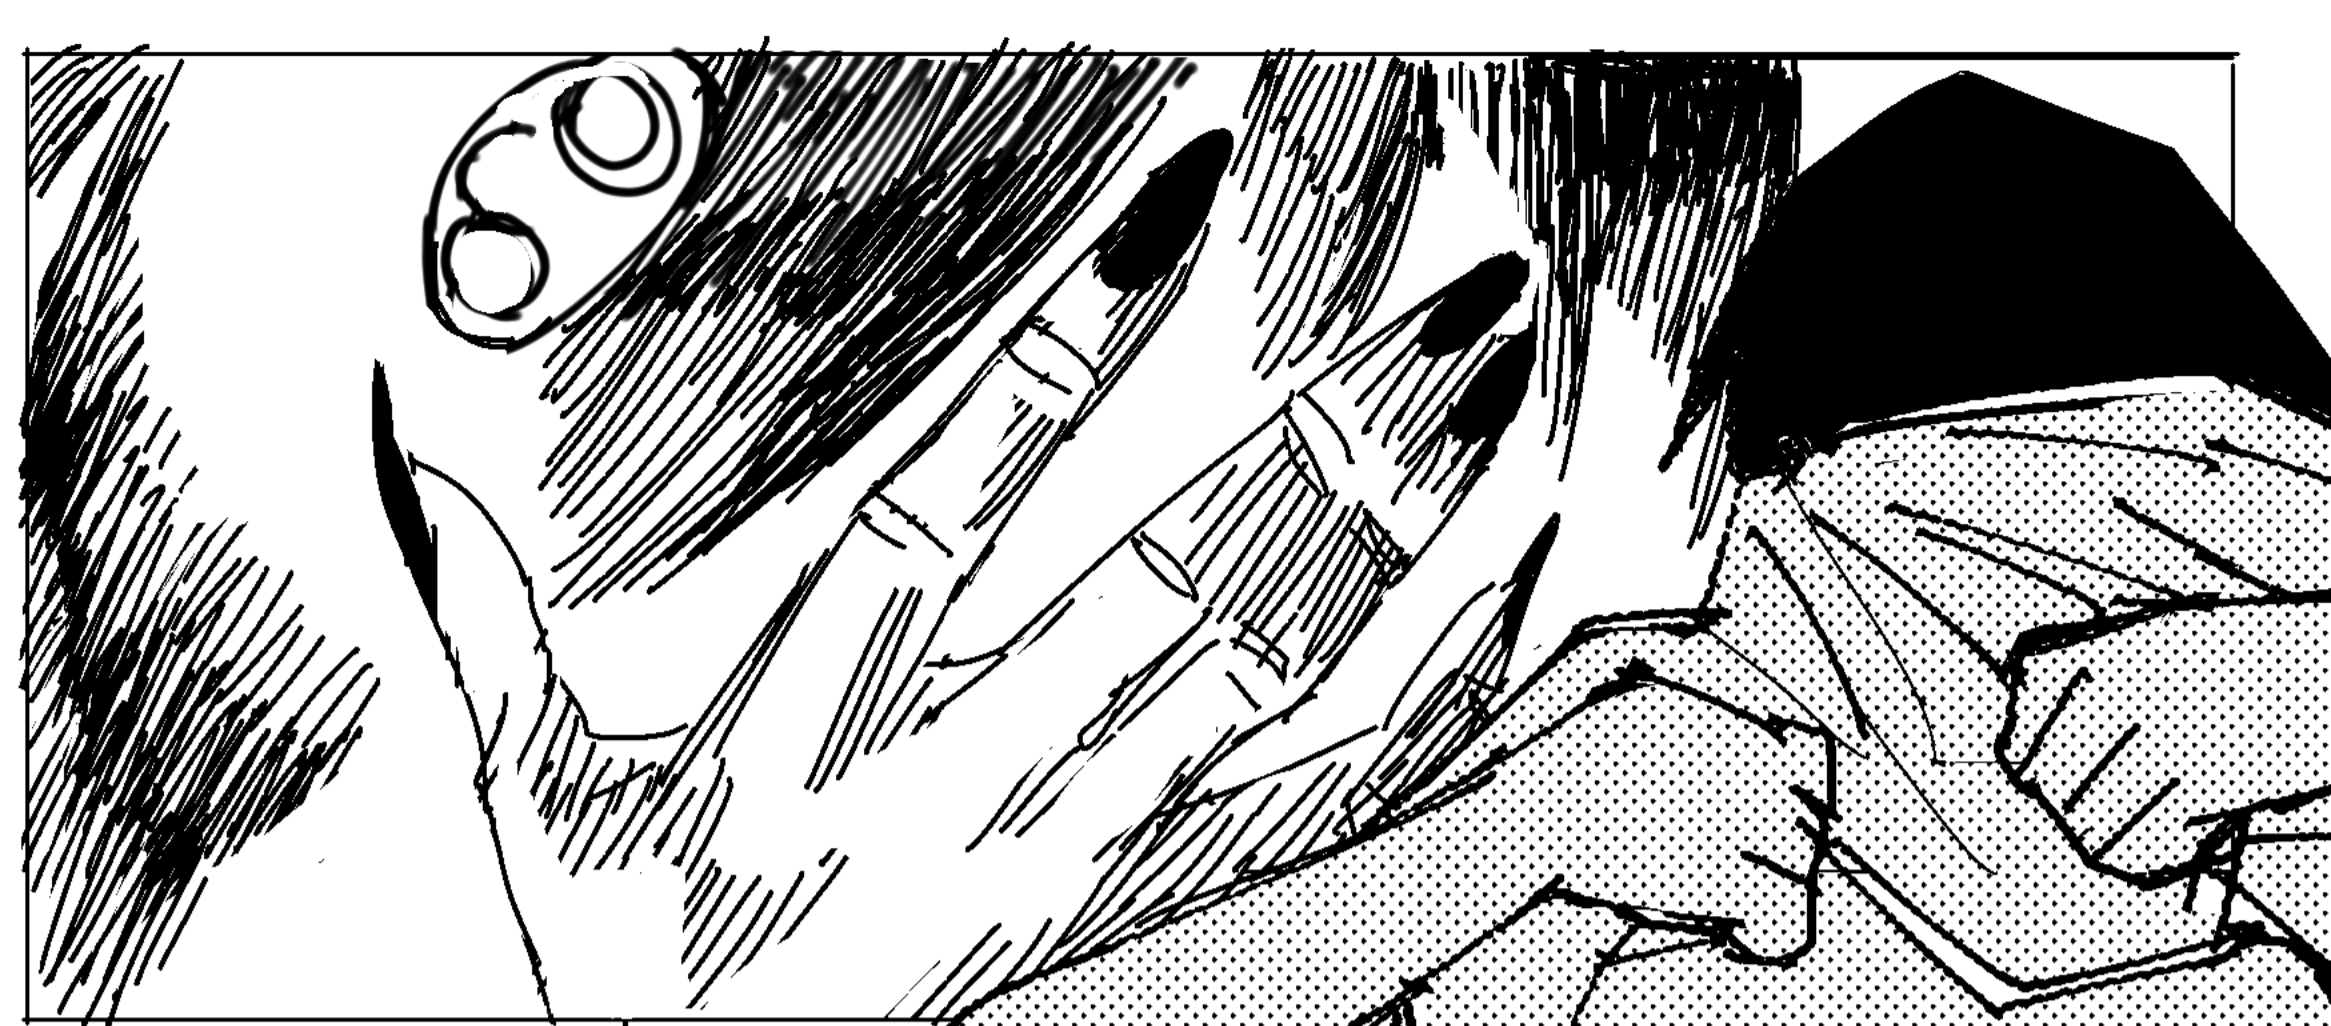

Want me to
hold it for
you?

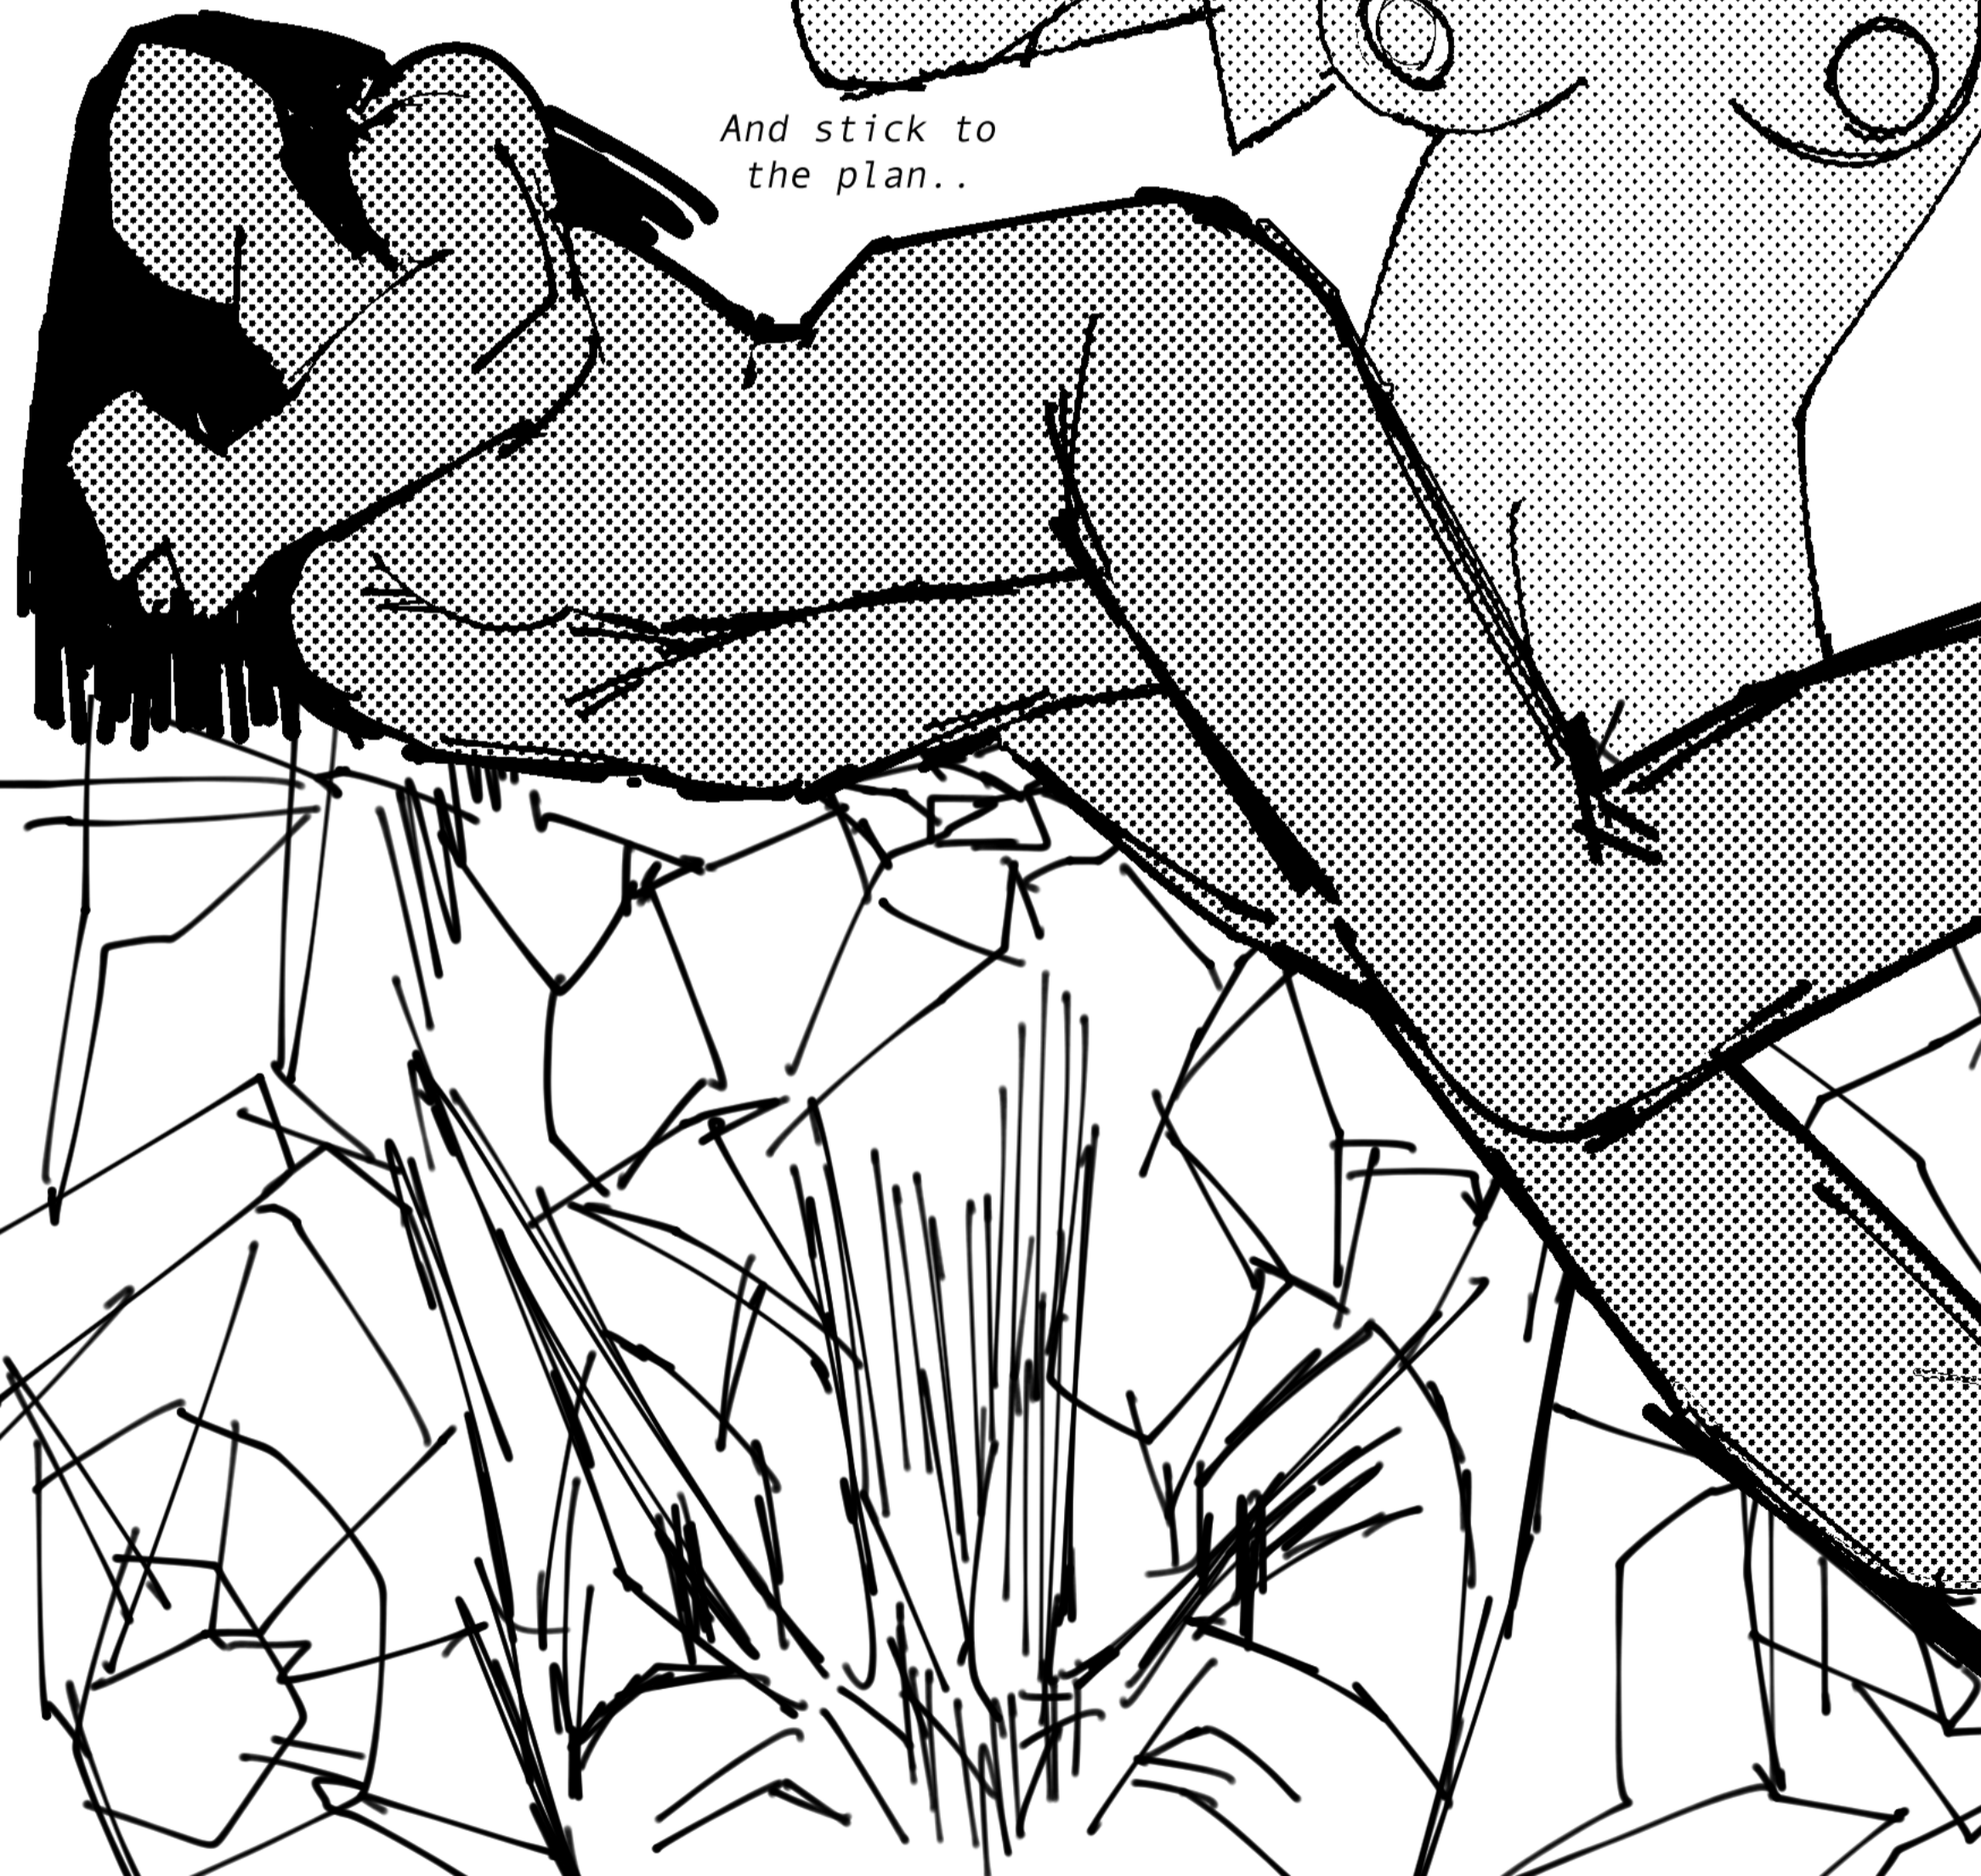

That's
cool...

I can do this.

*And stick to
the plan..*

Oh man.

Trinity never
came up with
a cool
temptation
name for
herself. She
hasn't named
this spell
either.

She doesn't
like talking
about it.

**Total
Domination**

I'm not stupid!
I know you're a demon!

Spiritual manifestations of plants don't try to fuck people! And why would I see one just from smoking weed!?

Tell me who the hell you really are!
And what you're doing here!

Damn... She's a succubus?!

This could mess up the plan!
Fuck! I gotta stay strong!
Desperation will only make her stronger!!

...I just thought the bitch was freaky!

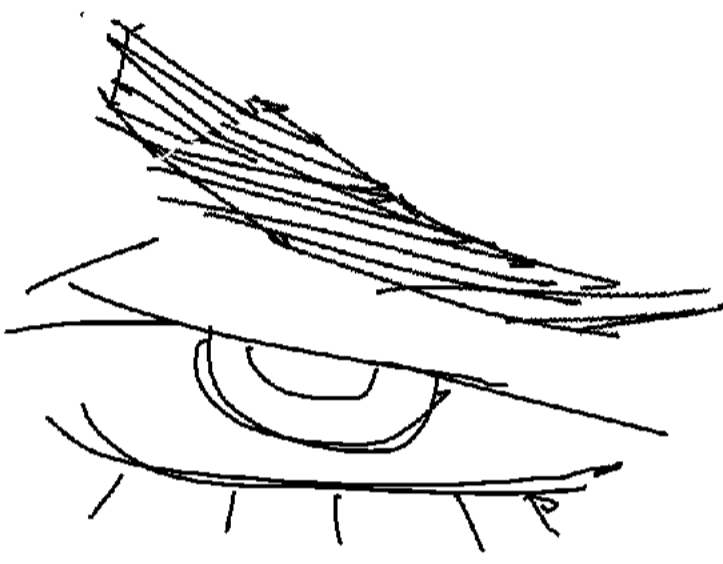

Turns out she's just a jealous geek...

...But she was able to see through my mask!

IT'S
SO
OVER!!!

I guess they weren't that bad.. Maybe I'm being paranoid.

That explains the mask.

I'll have to tone it down. We won't get anywhere until the crying stops..

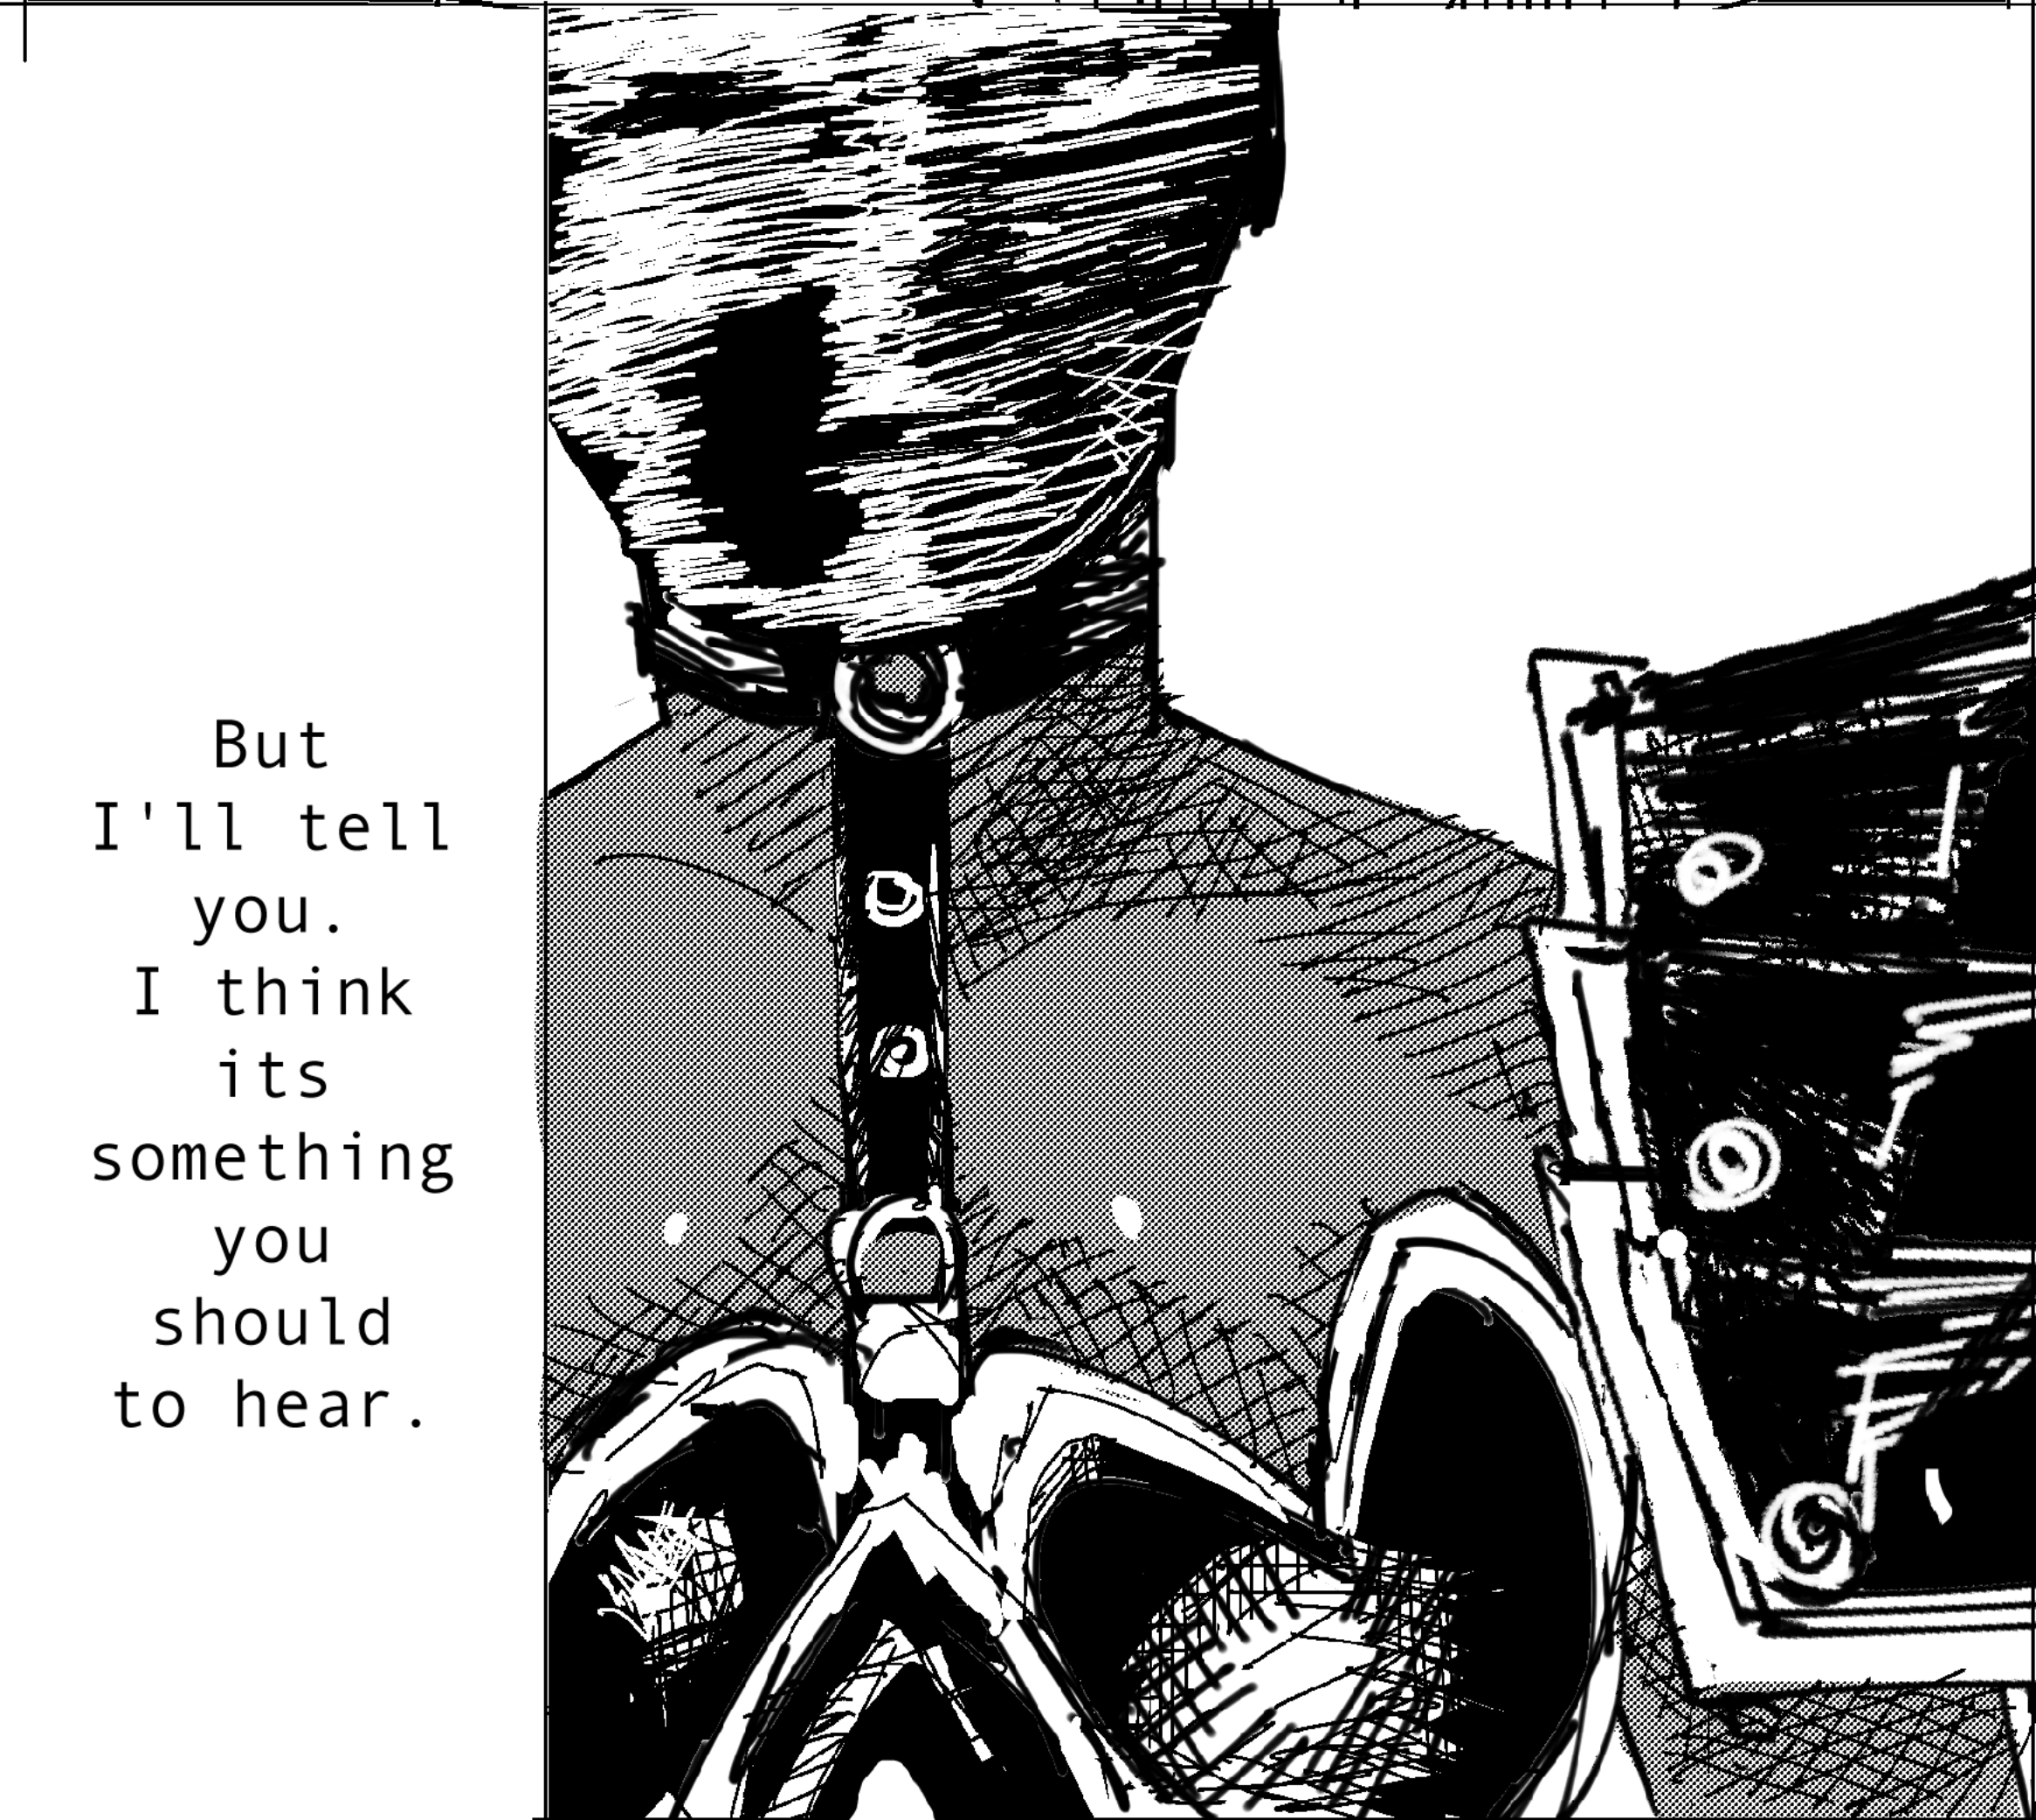

Look, I'm high as shit. So I don't want to fight if we don't have to.

You can
tell me
everything.

You don't
want to
hear
everything.

But
I'll tell
you.
I think
its
something
you
should
to hear.

I am Belphegor. I usually just let people call me Sloth, though.

You're probably familiar with the 7 Princes of Hell and all that. Every other Prince had a kingdom or sum' to rule over, but not me. I liked going inbetween Earth and Hell.

It's always been pretty easy for the 7 of us to visit Earth, even before Judgement Day. Most demons relied on possessions or haunting during that time.

But I guess since we're so integral to humans, we didn't have to worry about any of that stuff.

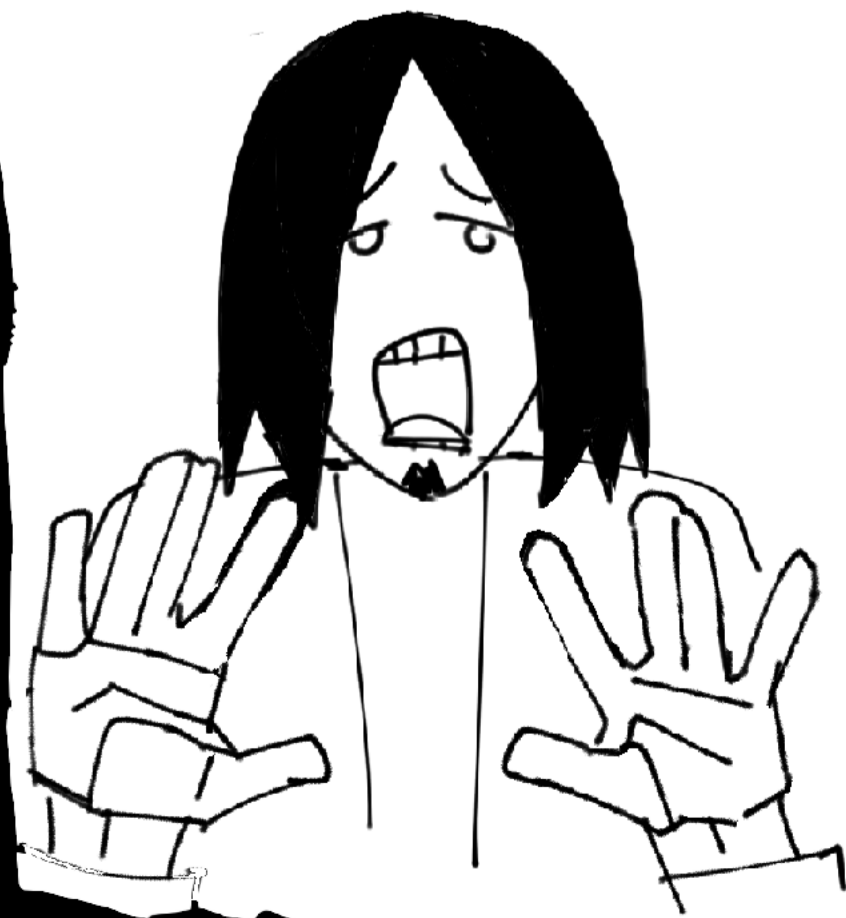

But since I was known for going to Earth a little too much, all of 'em were lookin' at me crazy when I said we should do nothing instead of signing the treaty or going through with the original JD plan.

They were like, "you suggest that for everything!" One even accused me of siding with humans.

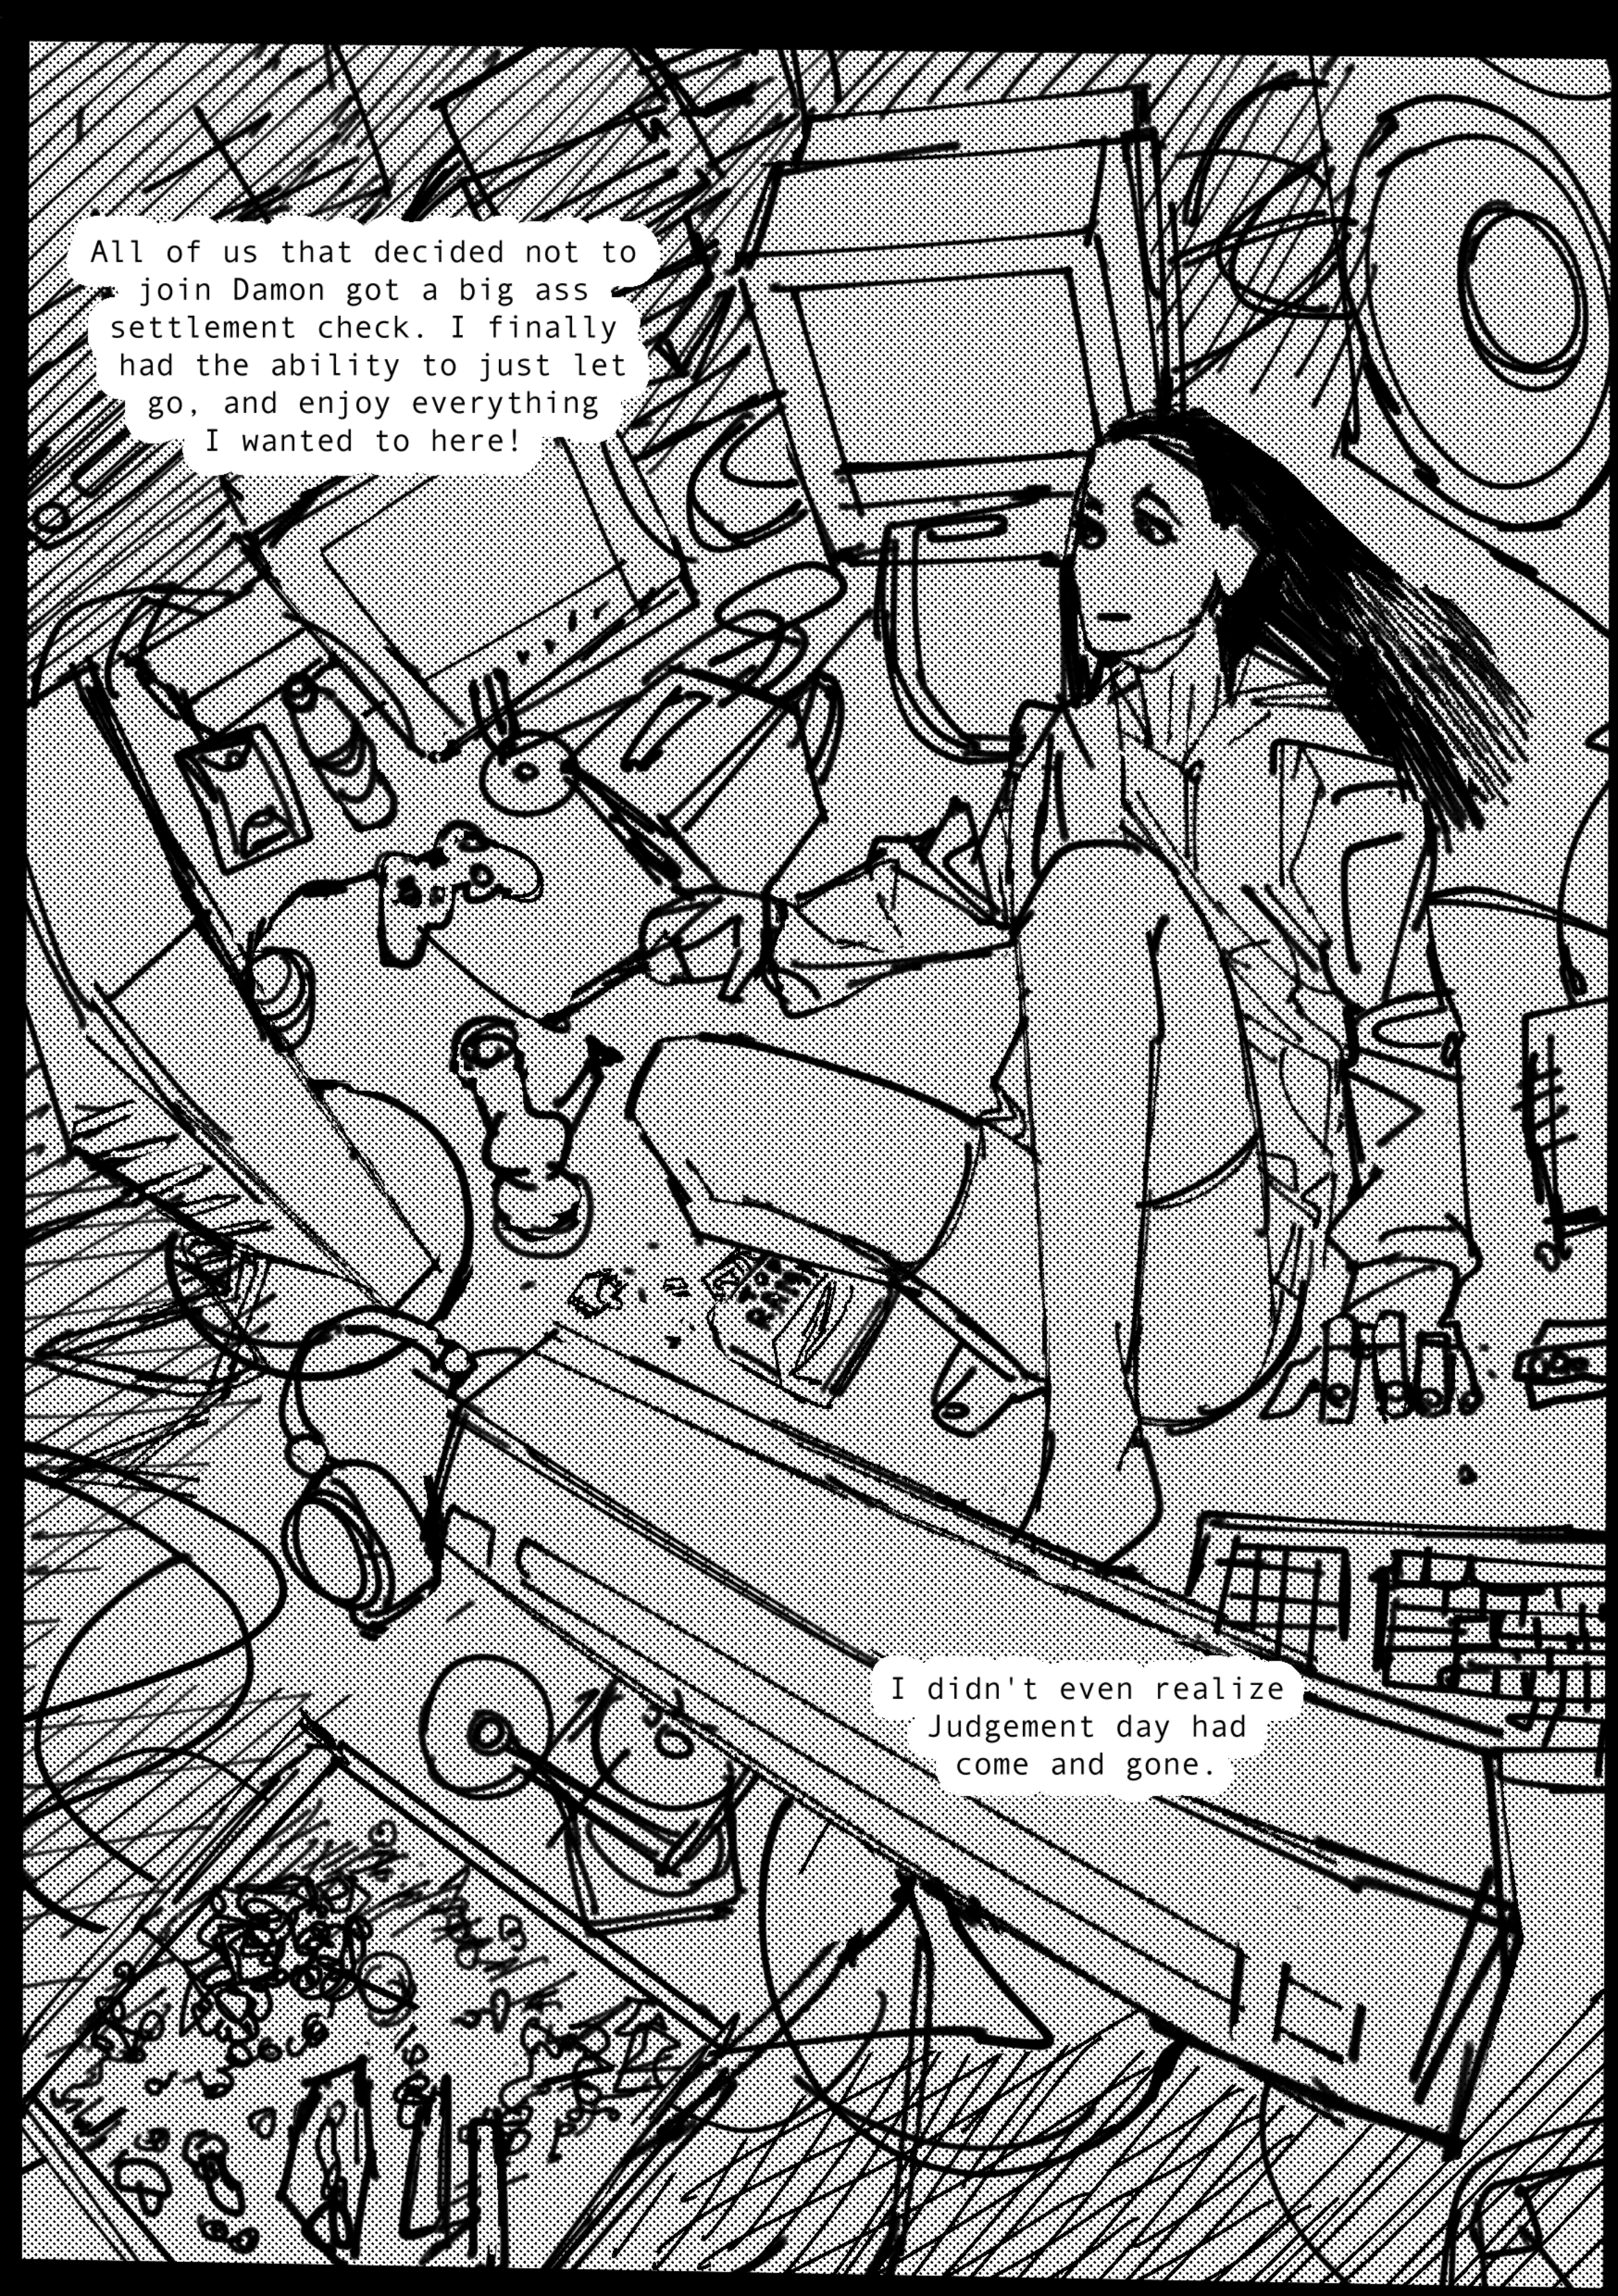

Damon tried to defend me.

He said no options should be off the table.

But the writing was on the wall. After spending centuries together planning, most of us went our separate ways.

All of us that decided not to join Damon got a big ass settlement check. I finally had the ability to just let go, and enjoy everything I wanted to here!

I didn't even realize Judgement day had come and gone.

But one day
I got a call
from GREED.

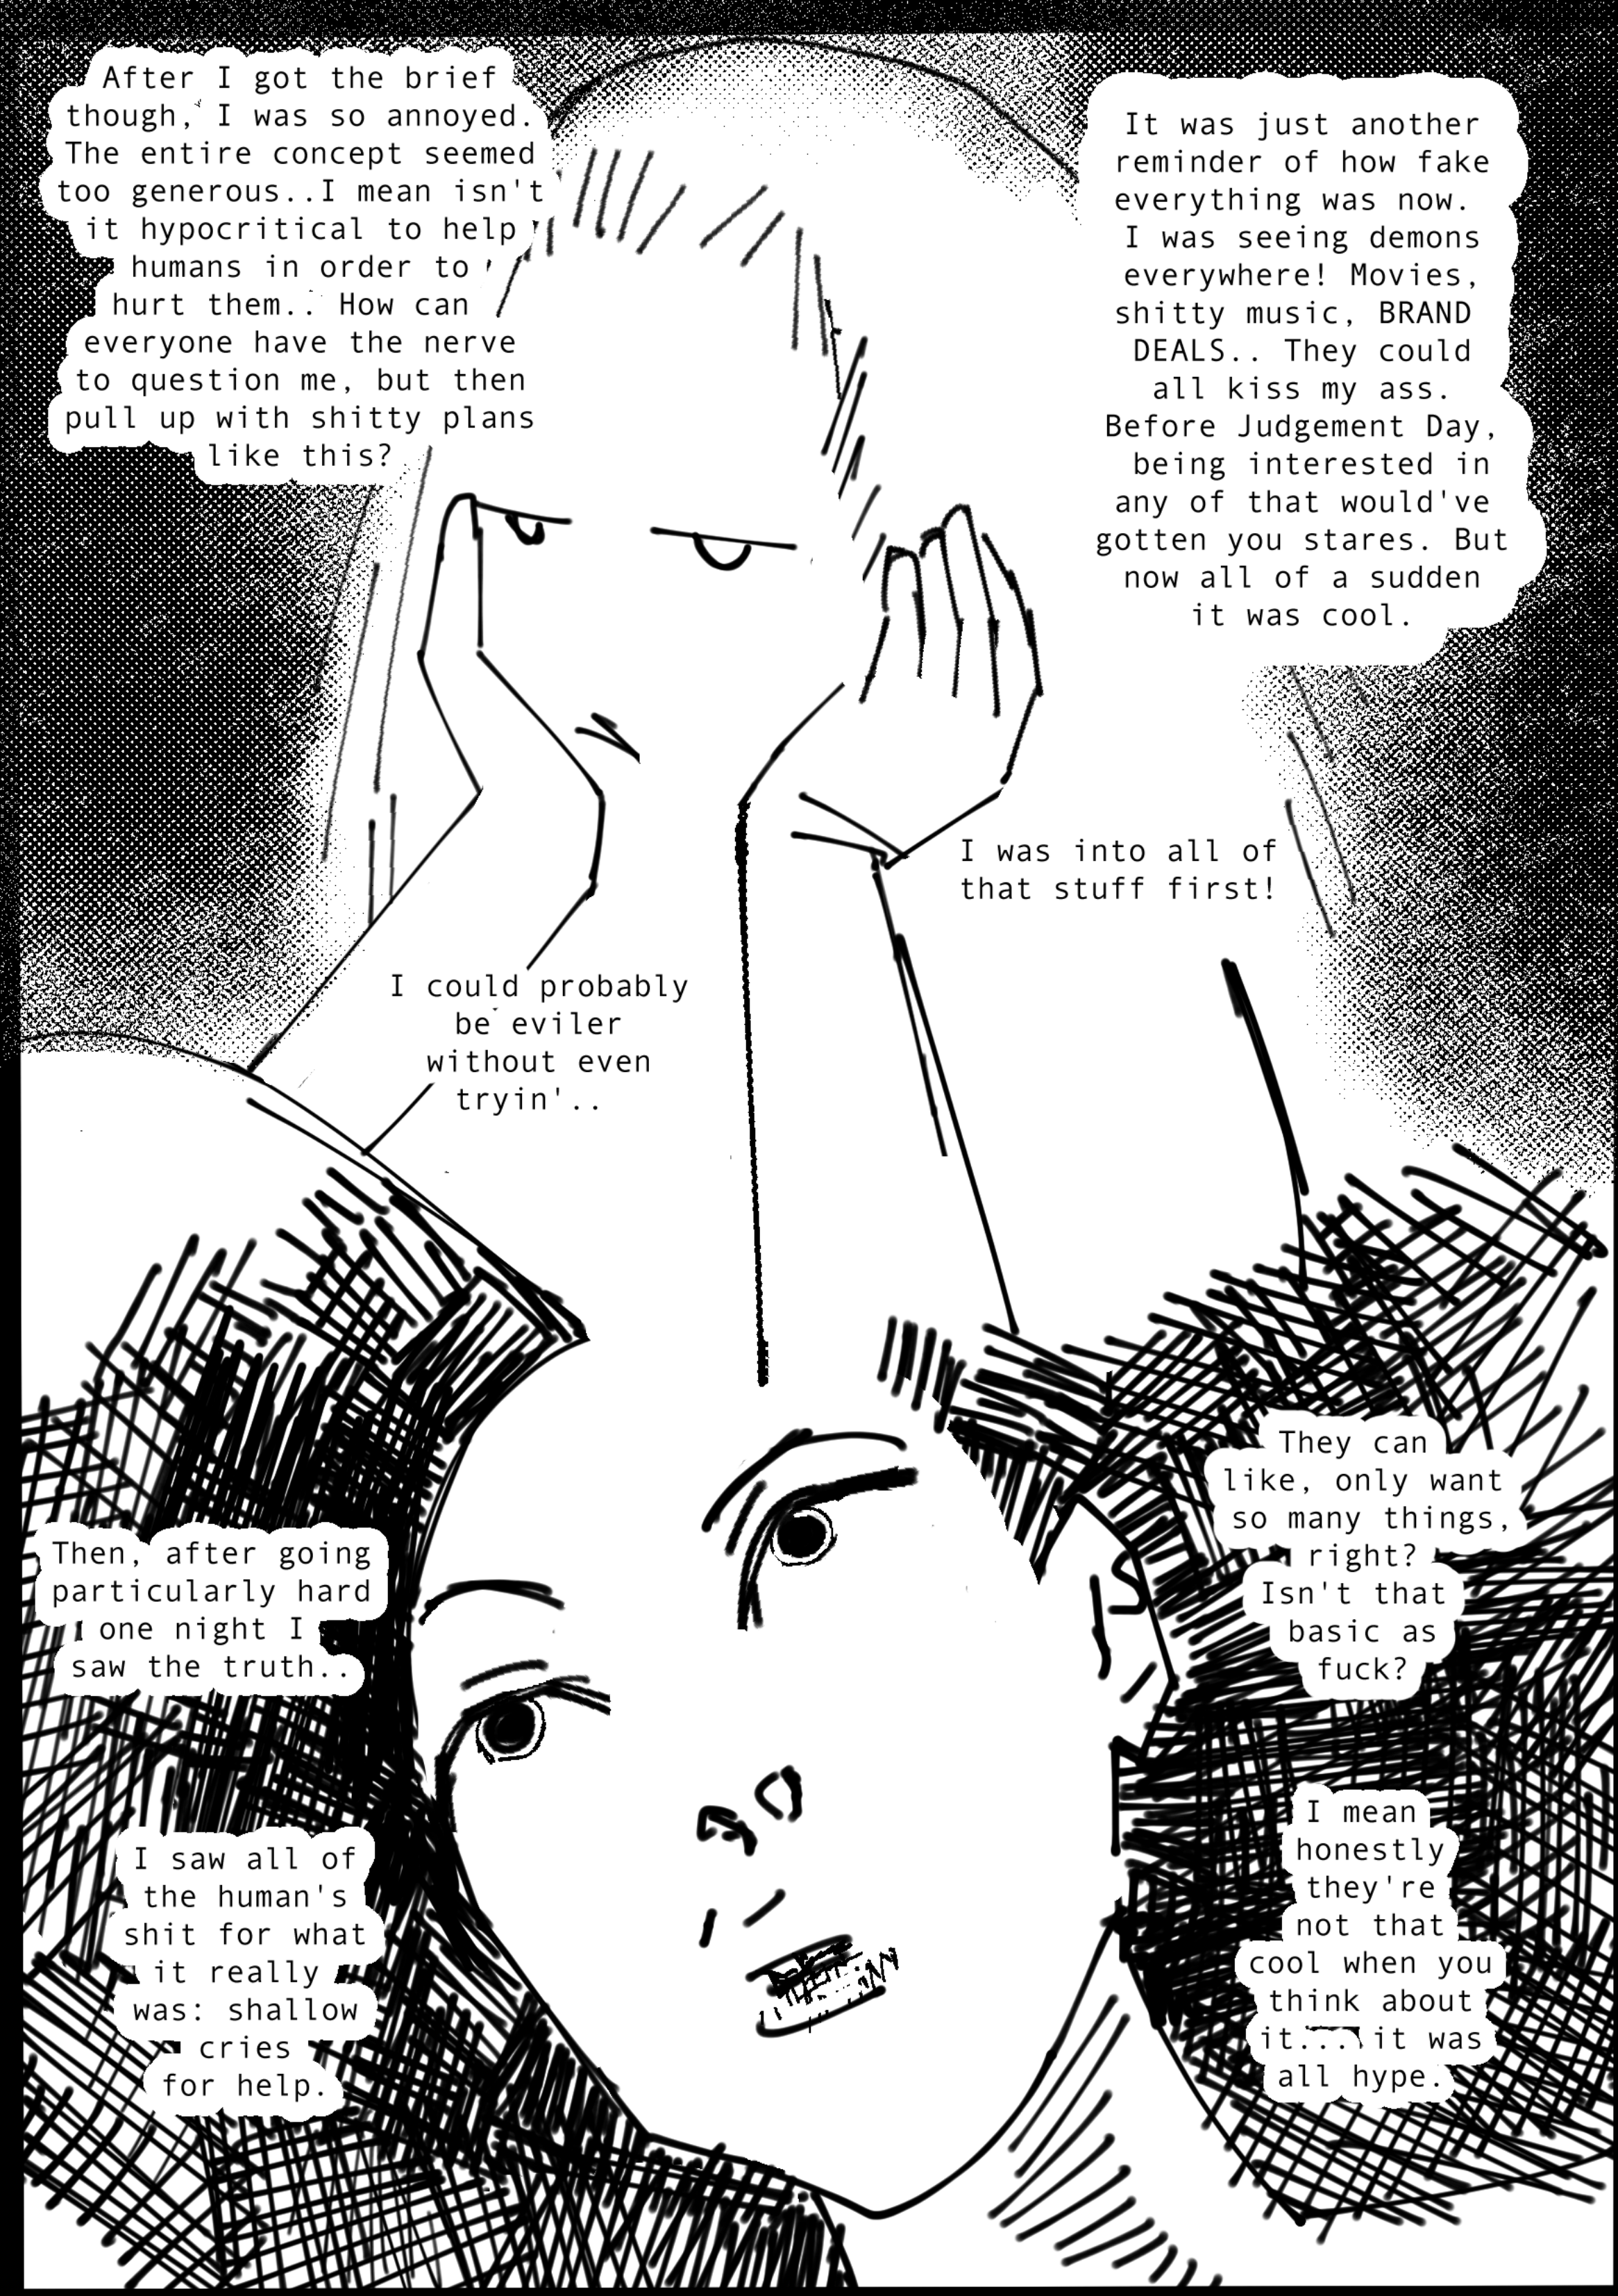

She asked if
I'd be into
this easy
contract job.
It was for
some new
agency that
her, Damon,
and Pride
were starting.

They
needed my
alchemy skills
to synthesize a
magical drug
that humans
would love..
One that could
make them a
lot of money.

I took it.
I was interested.
Not about the
job, really. I
just hadn't spoken
with anyone in
the group since
the fight.

I wanted
to ask for
Damon and
Pride's
phone numbers,
but I was too
scared...

After I got the brief though, I was so annoyed. The entire concept seemed too generous..I mean isn't it hypocritical to help humans in order to hurt them.. How can everyone have the nerve to question me, but then pull up with shitty plans like this?

It was just another reminder of how fake everything was now. I was seeing demons everywhere! Movies, shitty music, BRAND DEALS.. They could all kiss my ass. Before Judgement Day, being interested in any of that would've gotten you stares. But now all of a sudden it was cool.

I was into all of that stuff first!

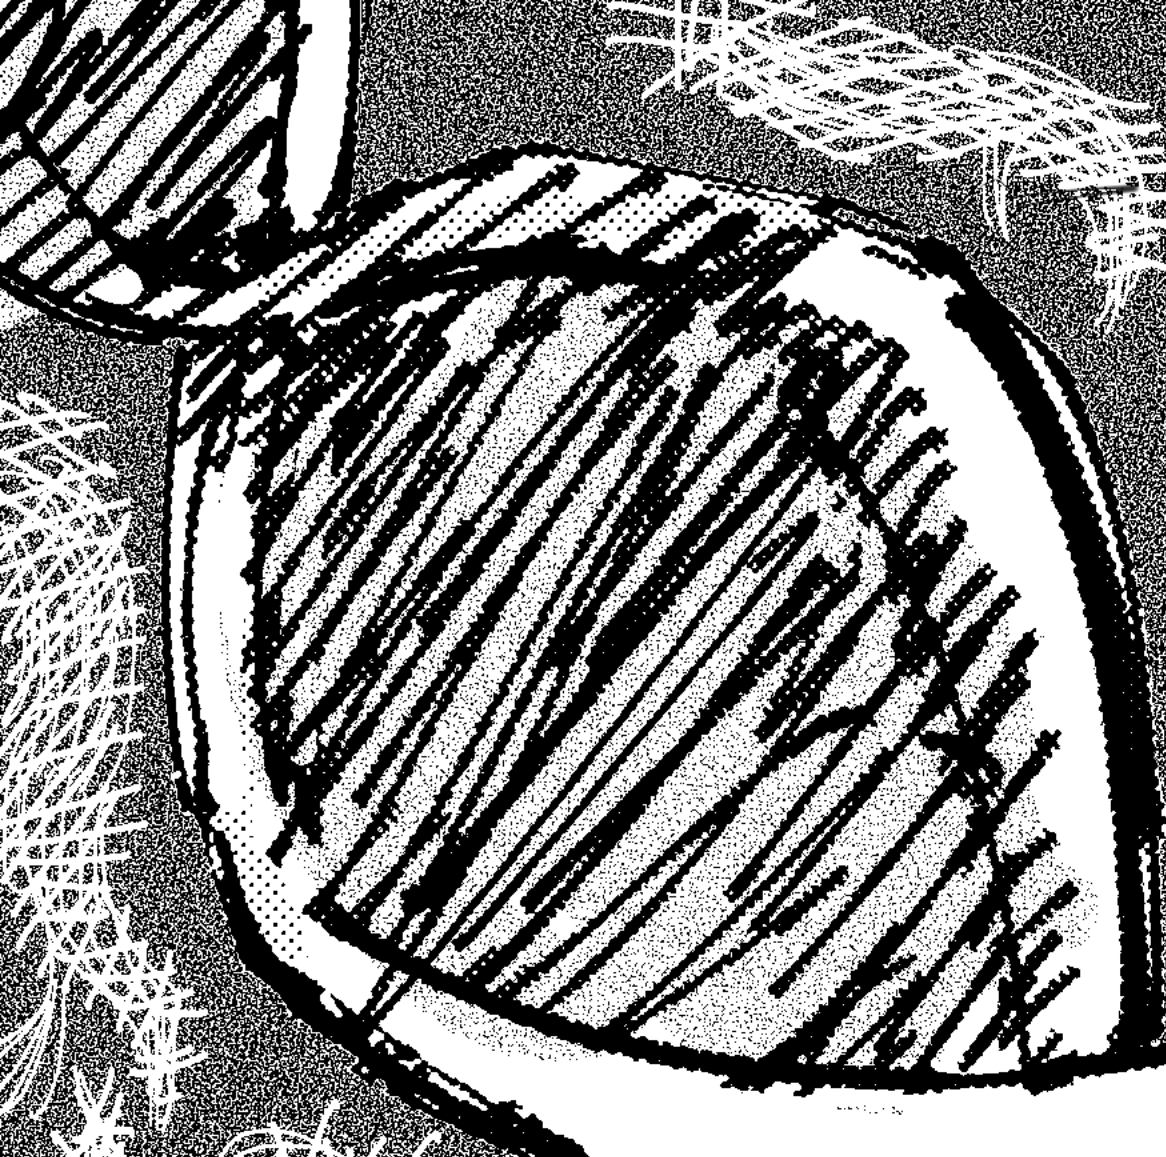

I could probably be eviler without even tryin'..

Then, after going particularly hard one night I saw the truth..

They can like, only want so many things, right? Isn't that basic as fuck?

I saw all of the human's shit for what it really was: shallow cries for help.

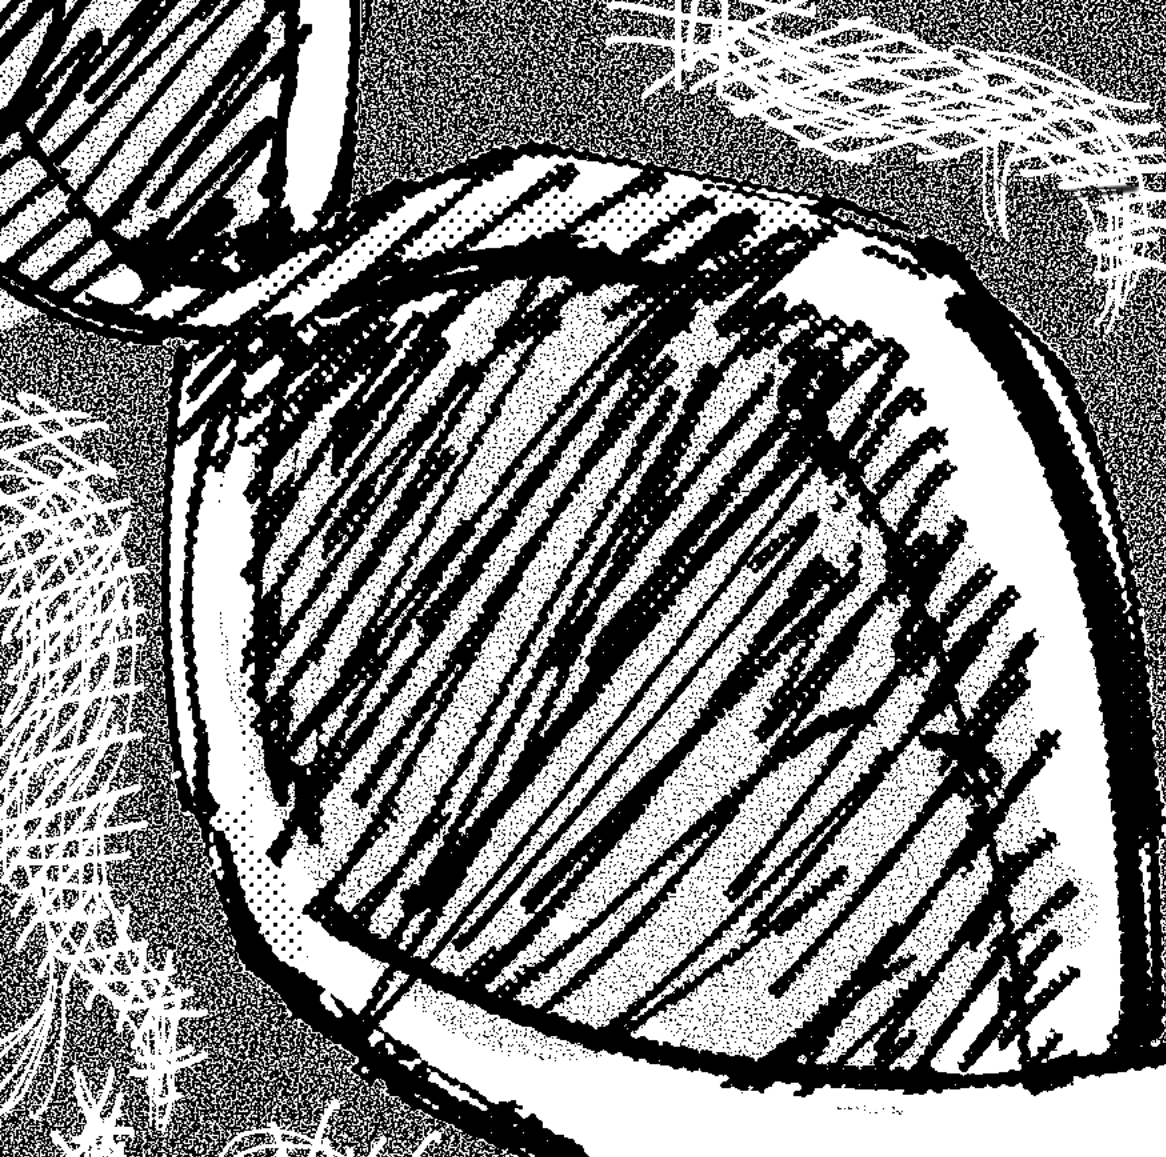

I mean honestly they're not that cool when you think about it...it was all hype.

Survival for them looks like a game to me. So I decided to help make it easier!

I magically fused my consciousness to the plant's DNA. After it's used, it creates a permanent backdoor for me into their conscience whenever they feel like a loser! Usually I'm more helpful, so to not raise suspicion...

But at any time I want, I can push people to do the easiest, most sinful option that could be the solution to why they feel so loser-y. If they resist, I kill them by frying their nervous system!

I'd already submitted sumthin' for **Weed³**. 'Cause the deadline was tight. But I knew what I had in my head was special. I wanted to show everyone that this was true evil!

It was genius. But I felt bad for the stoner... The person taking this just for fun.. I mean those will always be my people!

I decided that before I killed anyone, I would gift them the infinity joint to try and make up for it.

The plan was still the most important thing. I don't even think I can comprehend the potential evil with something like this!

I wanted to tell them what I did.. but at that point I just couldn't.

Things are fine now, but what if something goes wrong? It would be my fault for going against the brief.. That on top of what they already might think of me would just be too much!

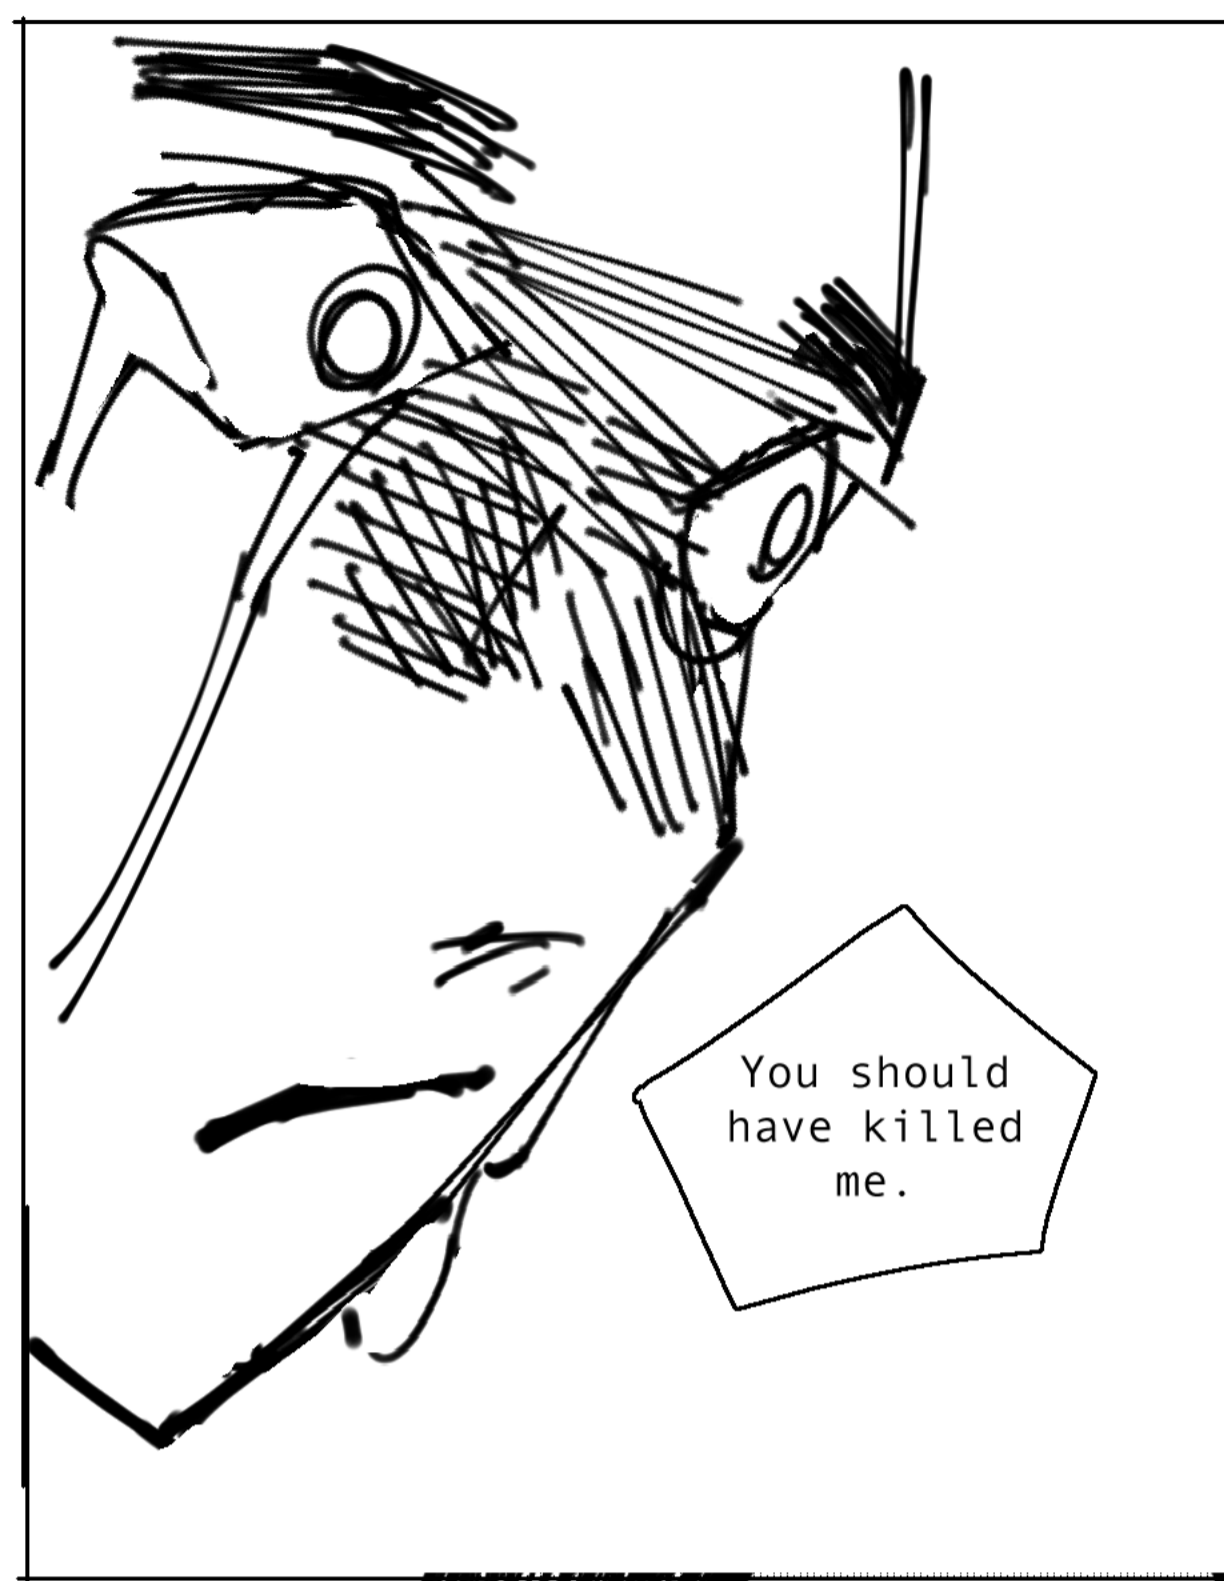

Now I can only wait for enough people to smoke it...

..But that's perfect for me! Soon, once I am ready I'll be able to show everyone!

I just.. need them to know..

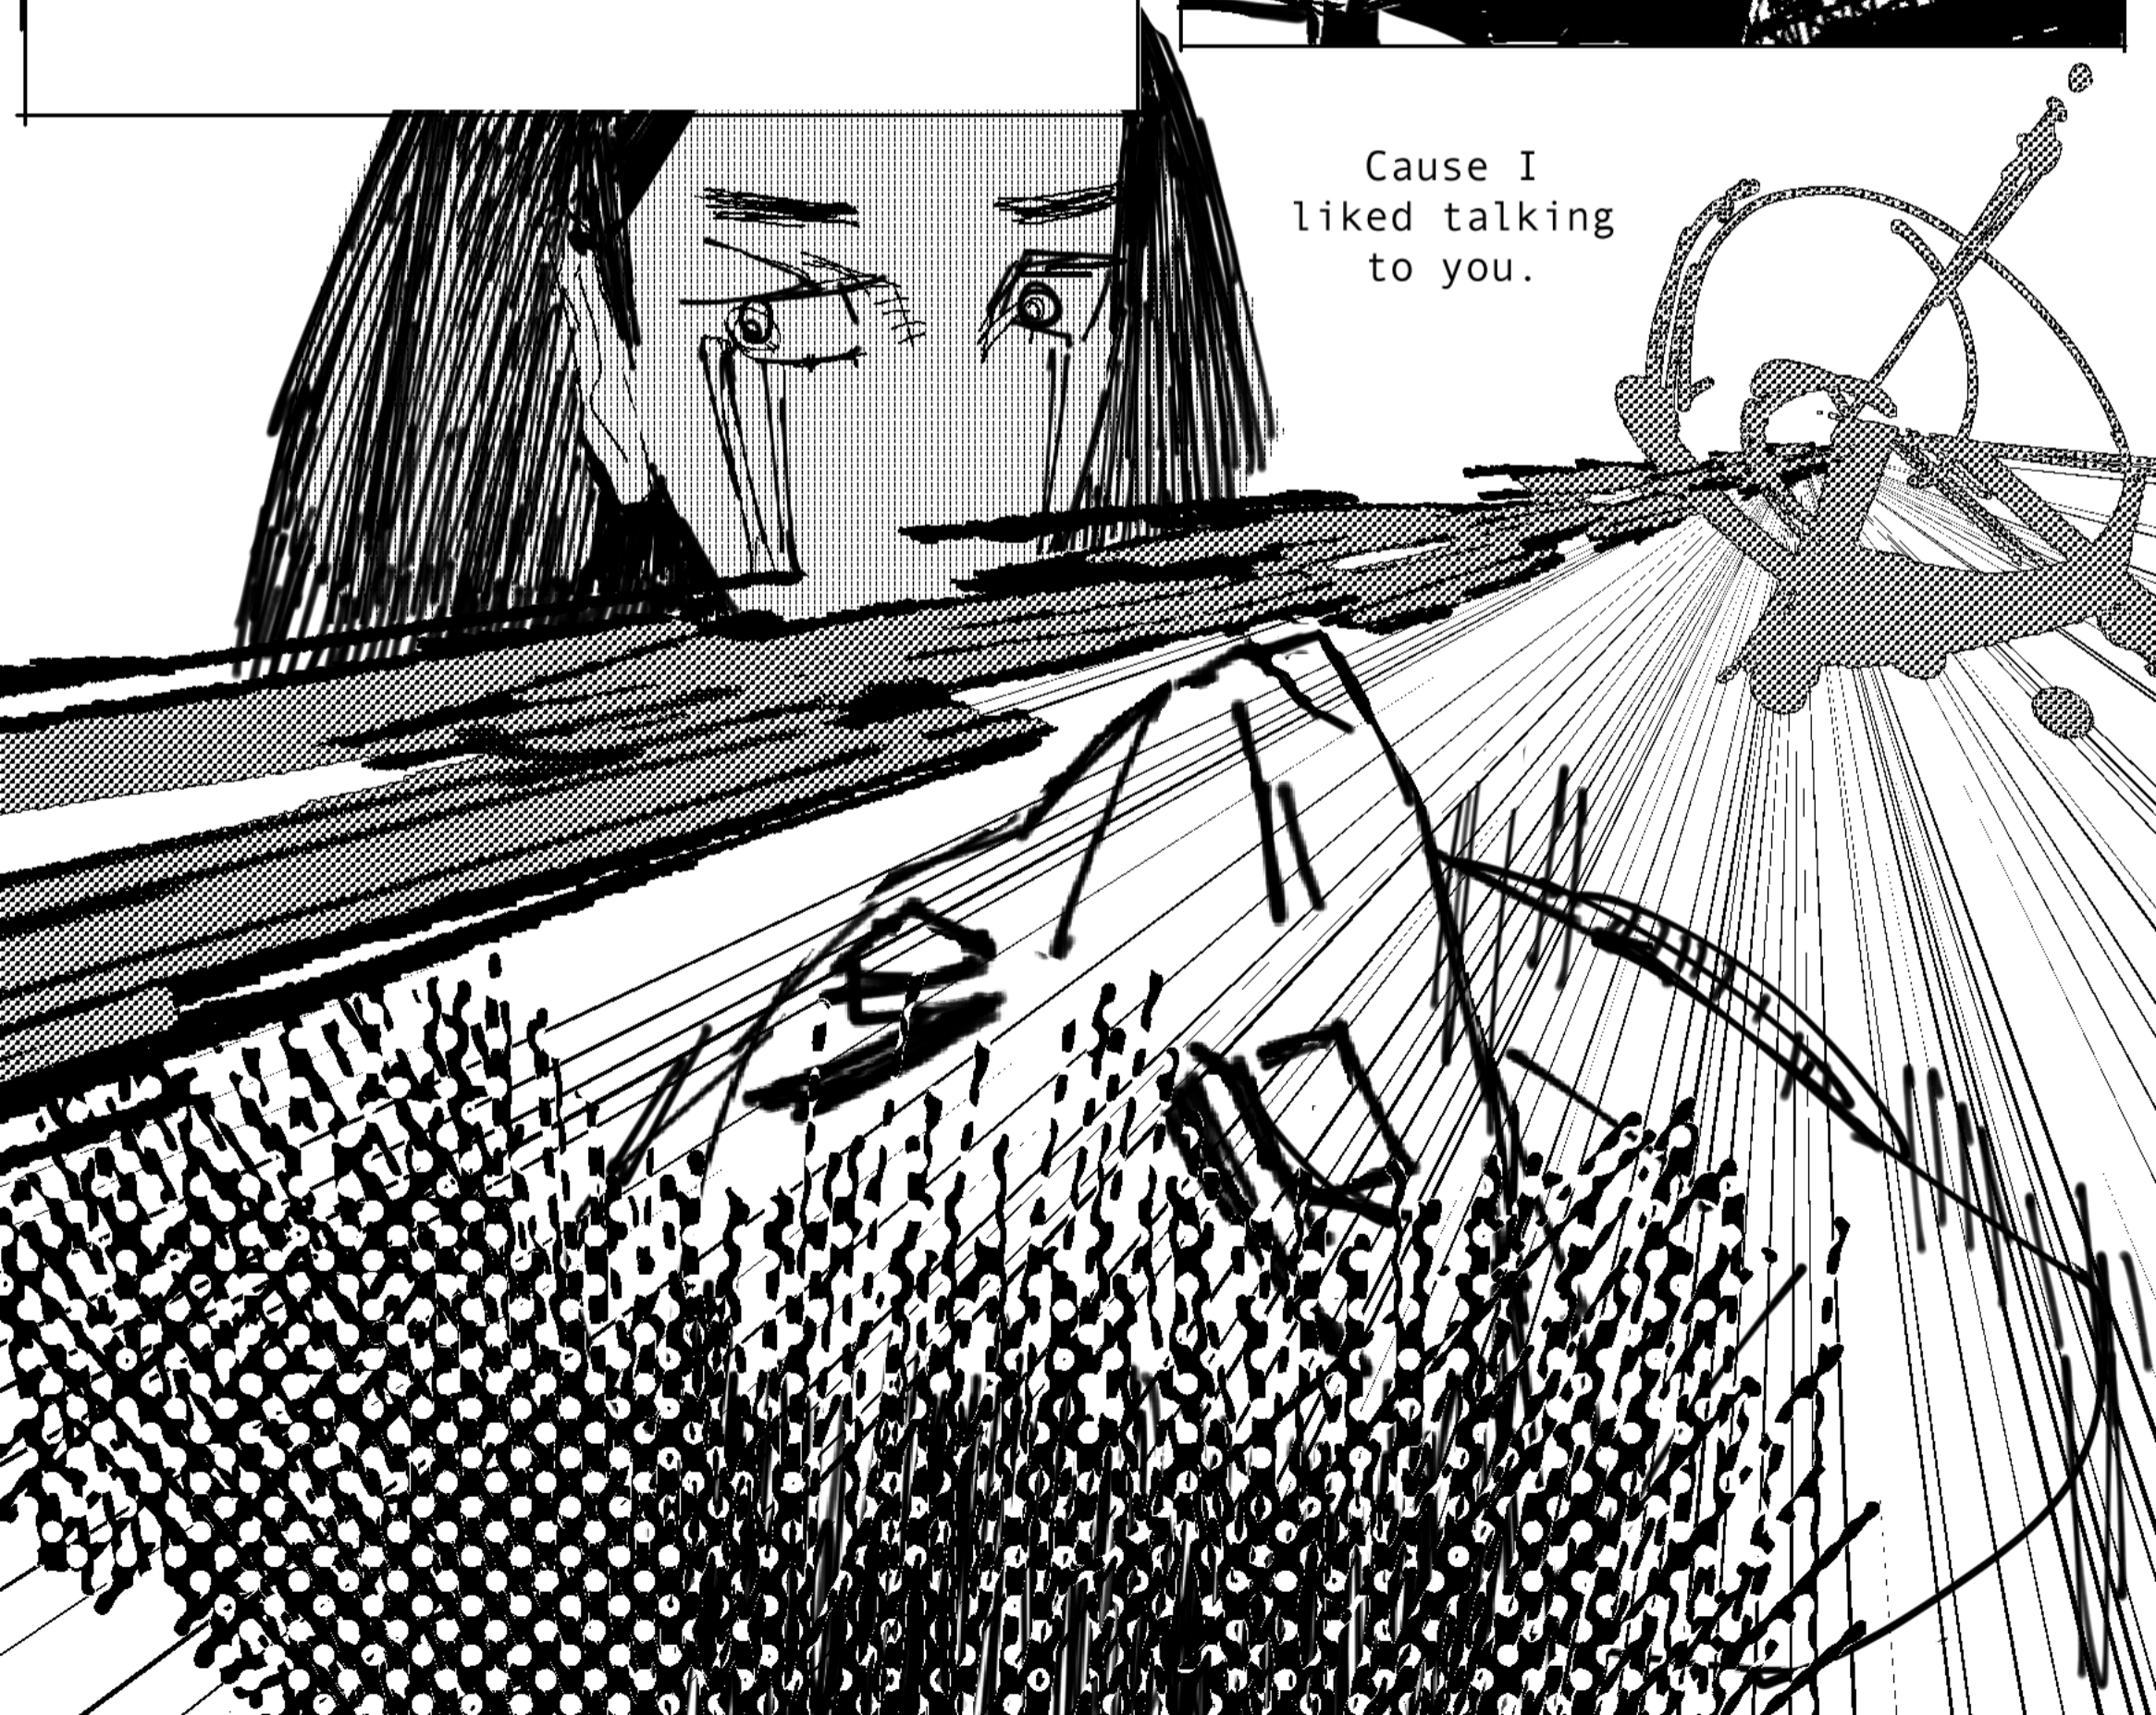

I can be evil too!

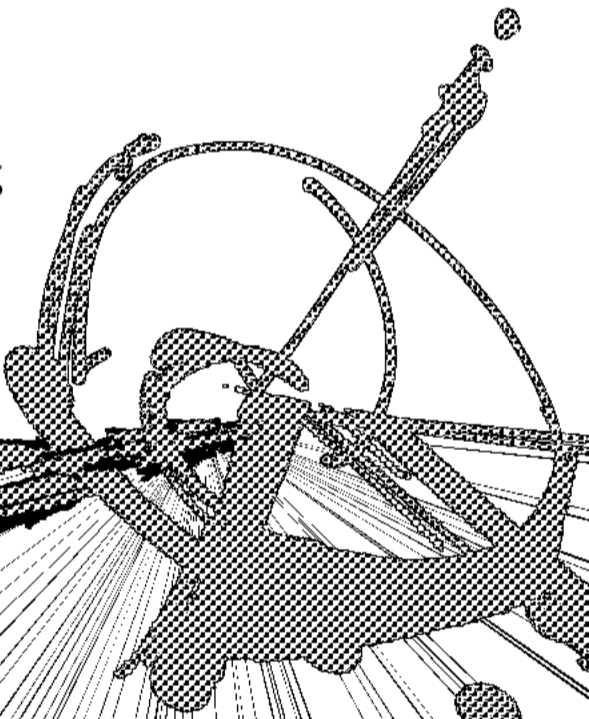

You should have killed me.

Why didn't you?

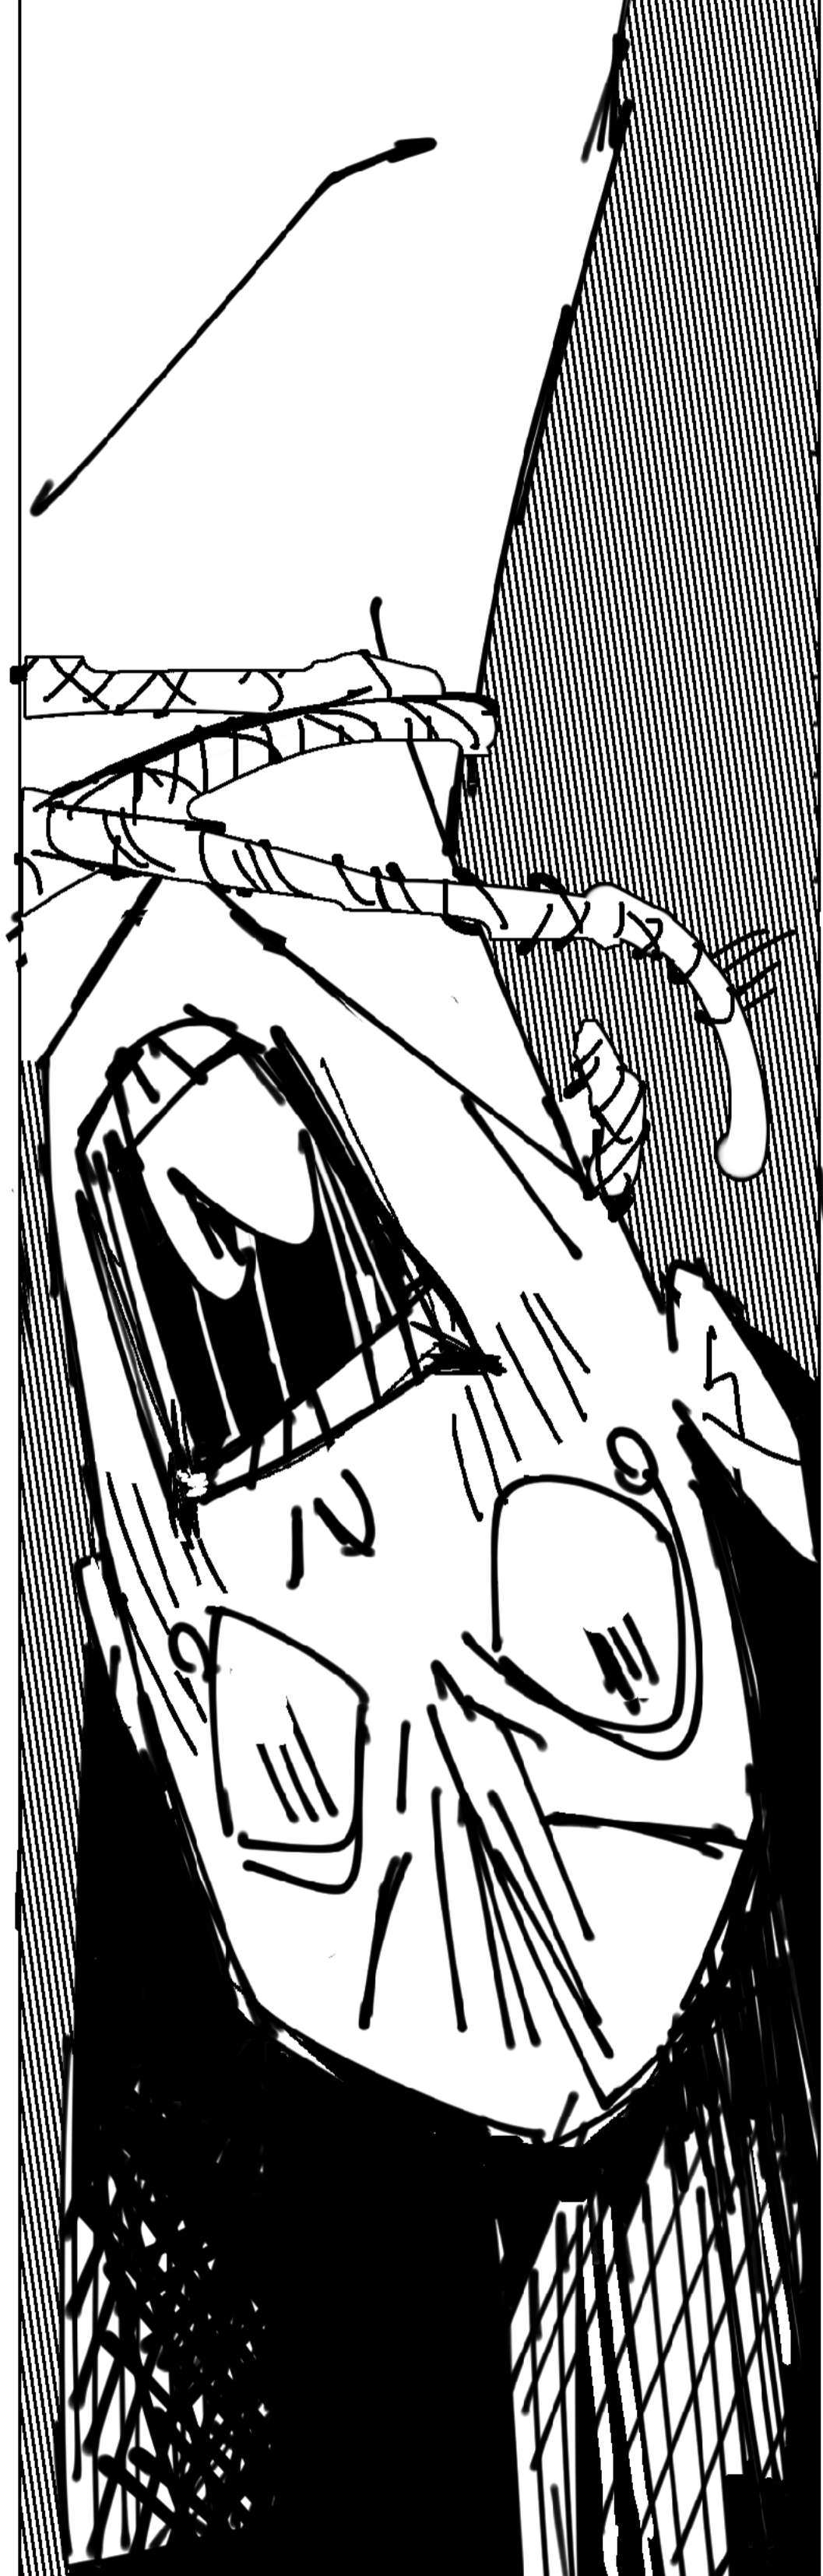

Cause I liked talking to you.

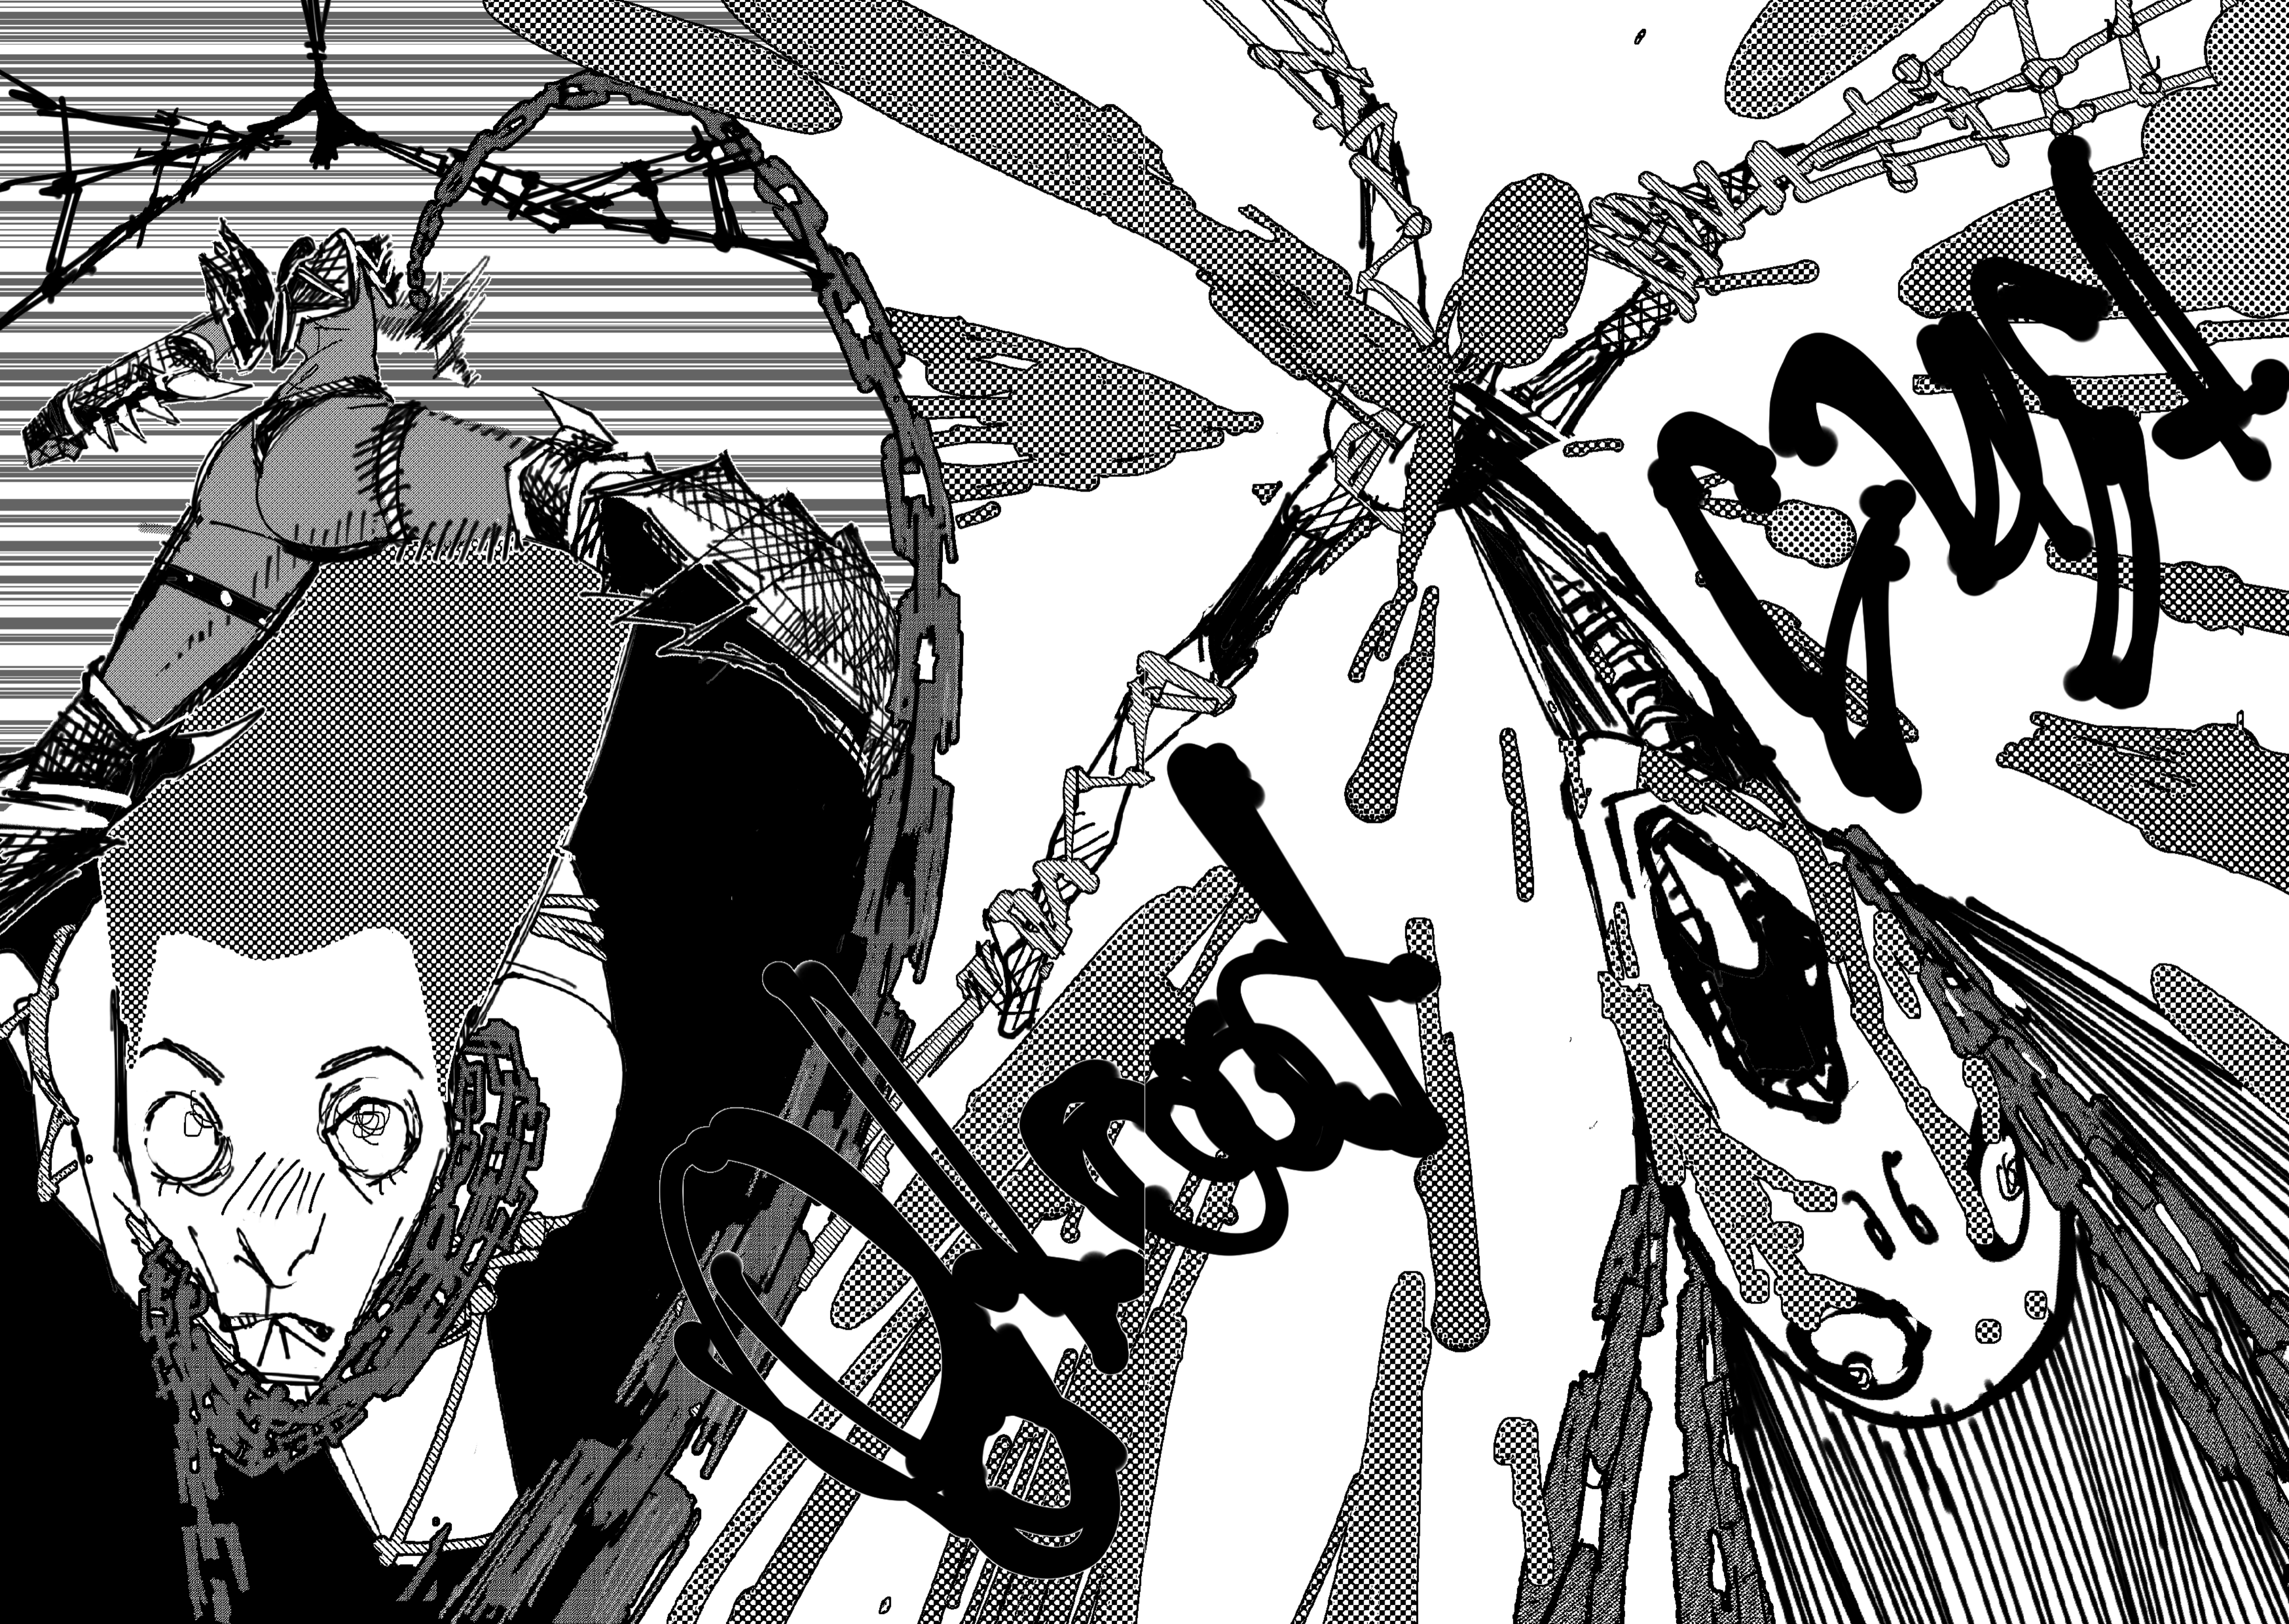

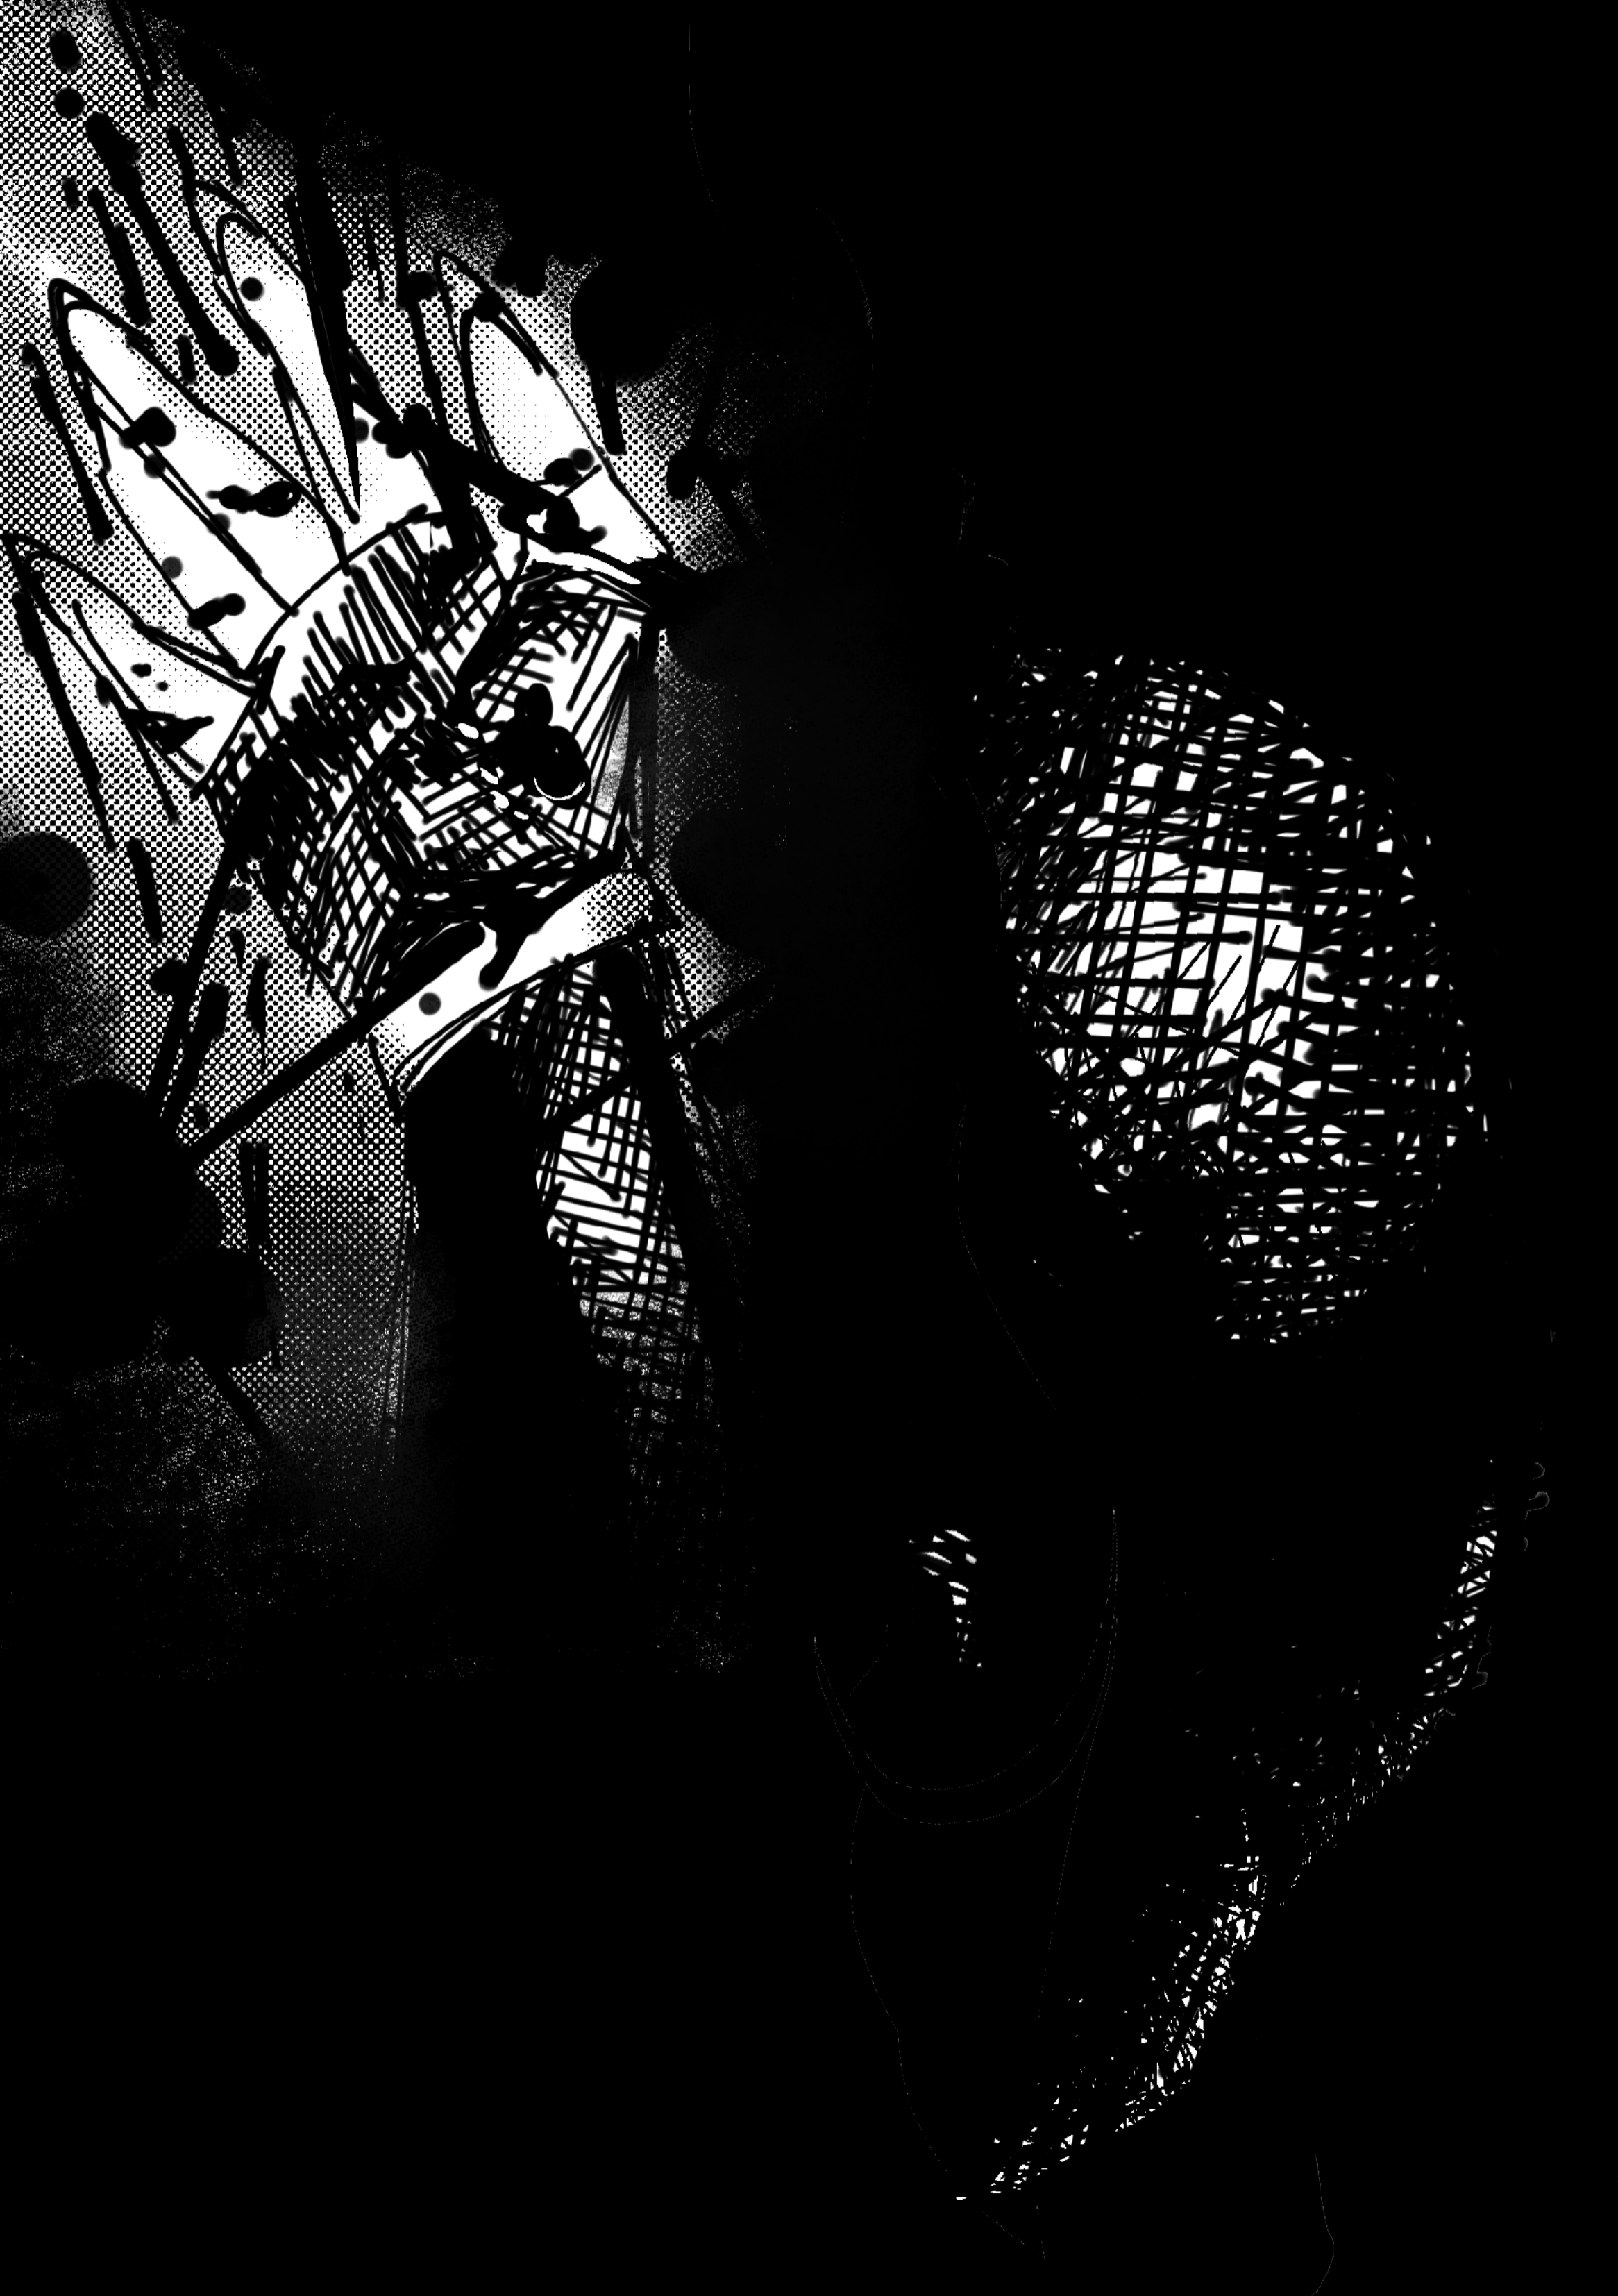

So stupid...

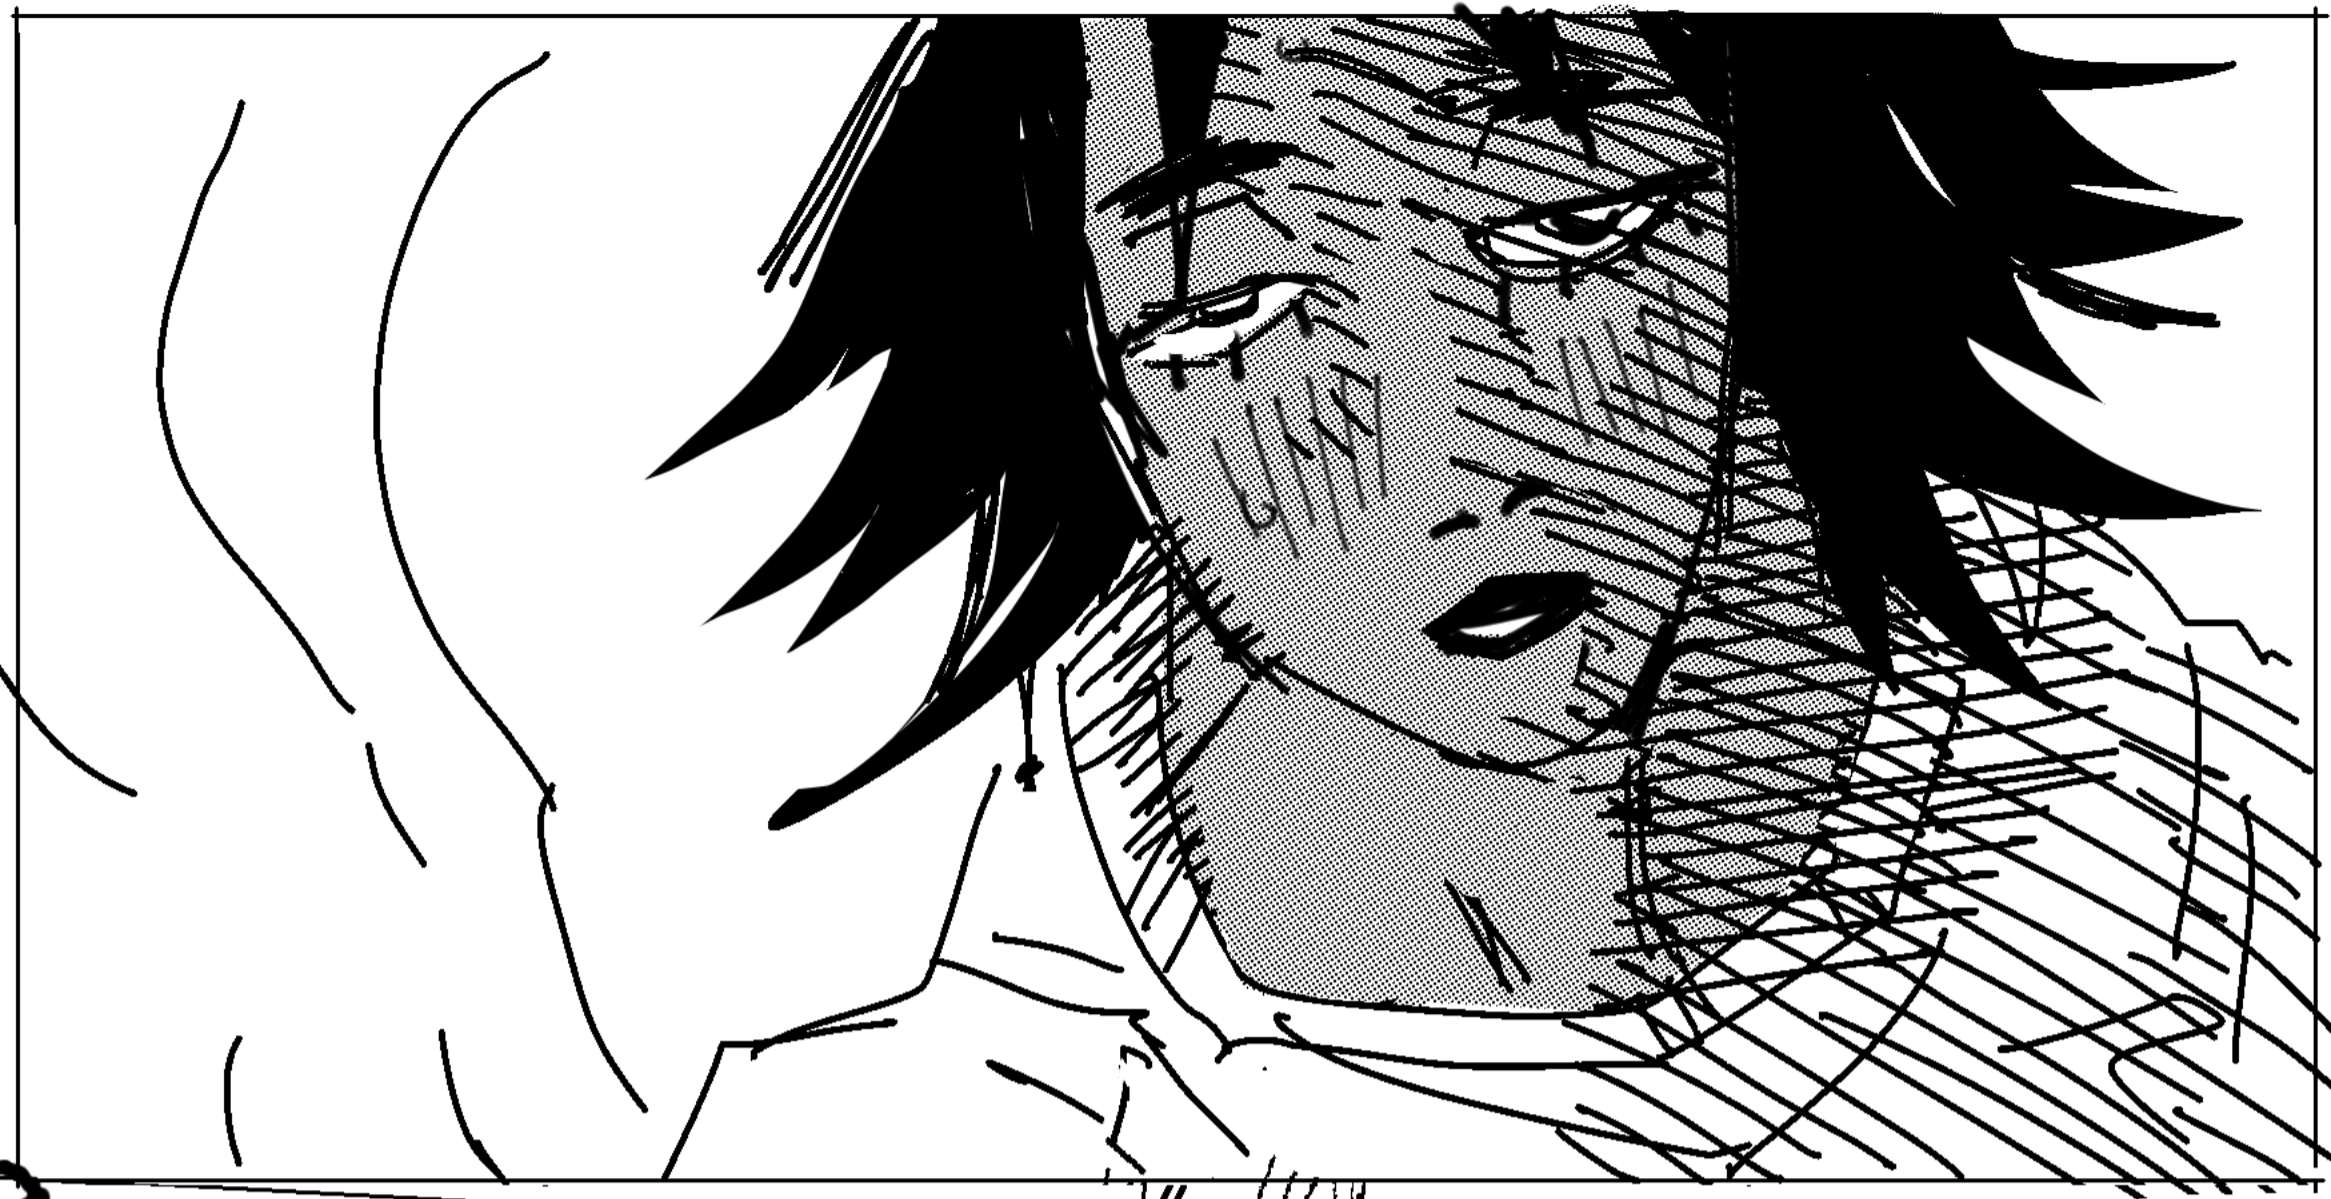

This isn't
over..

You can't
kill
something
everyone's
guilty
of!

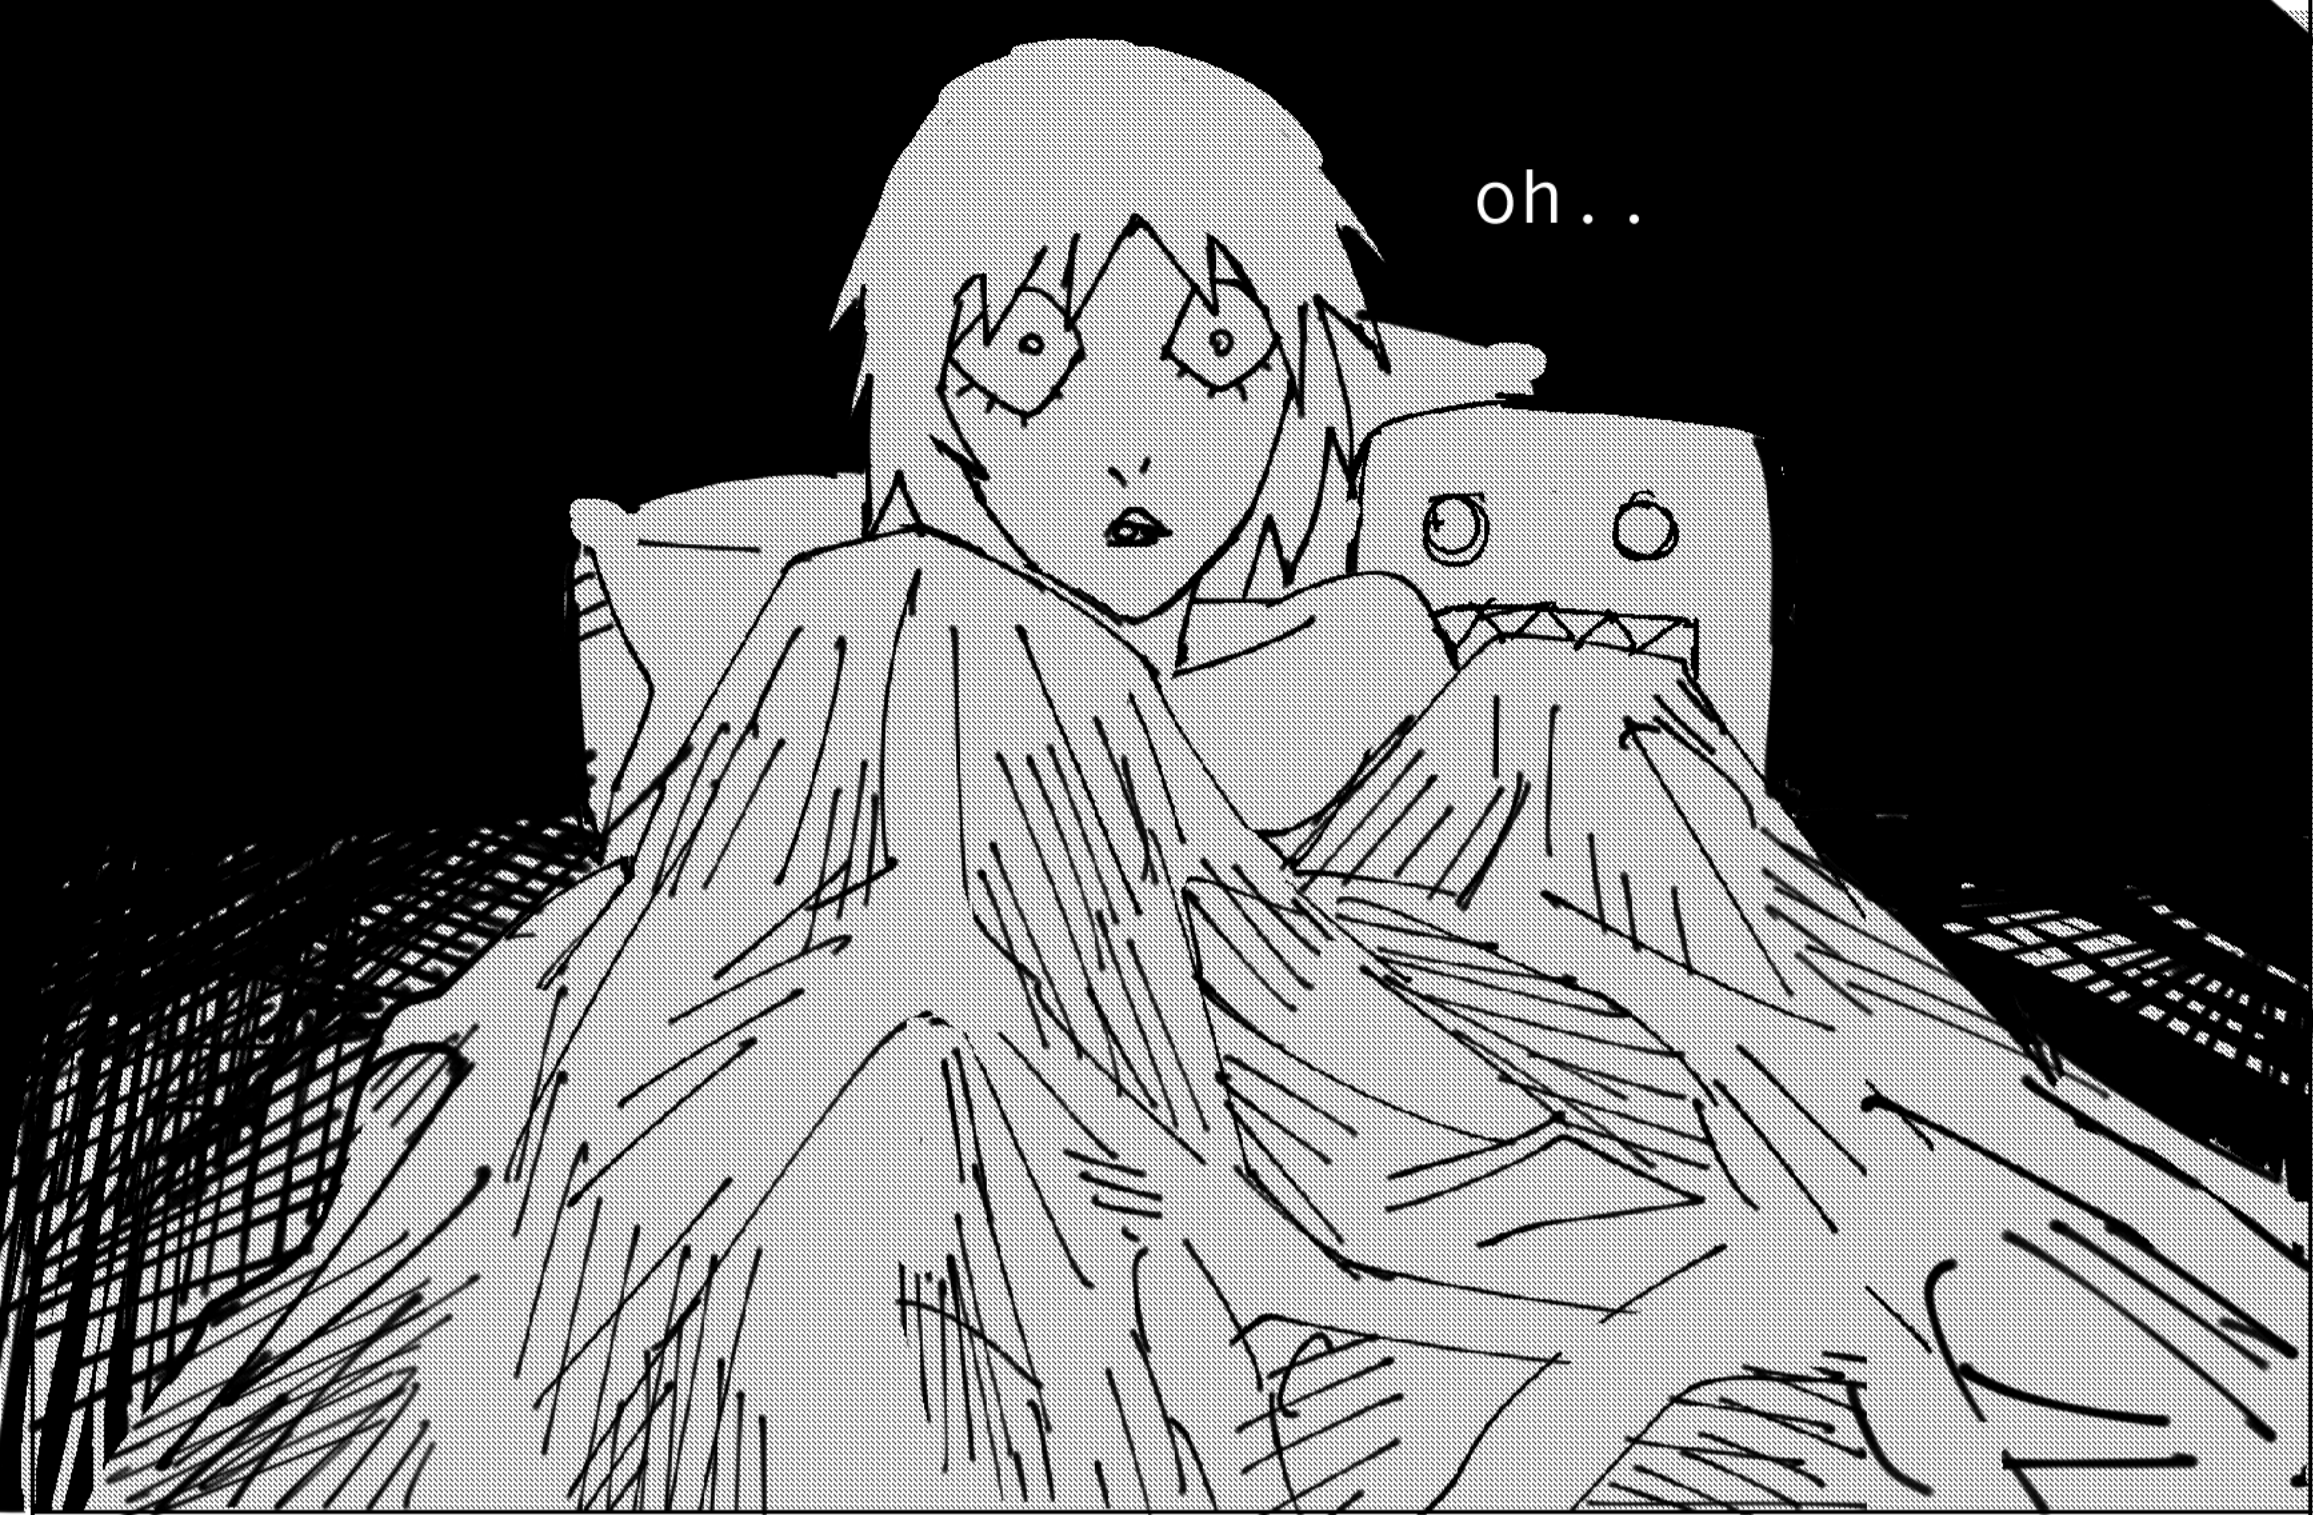

Sugar..

and everything nice.

Spice..

these were..

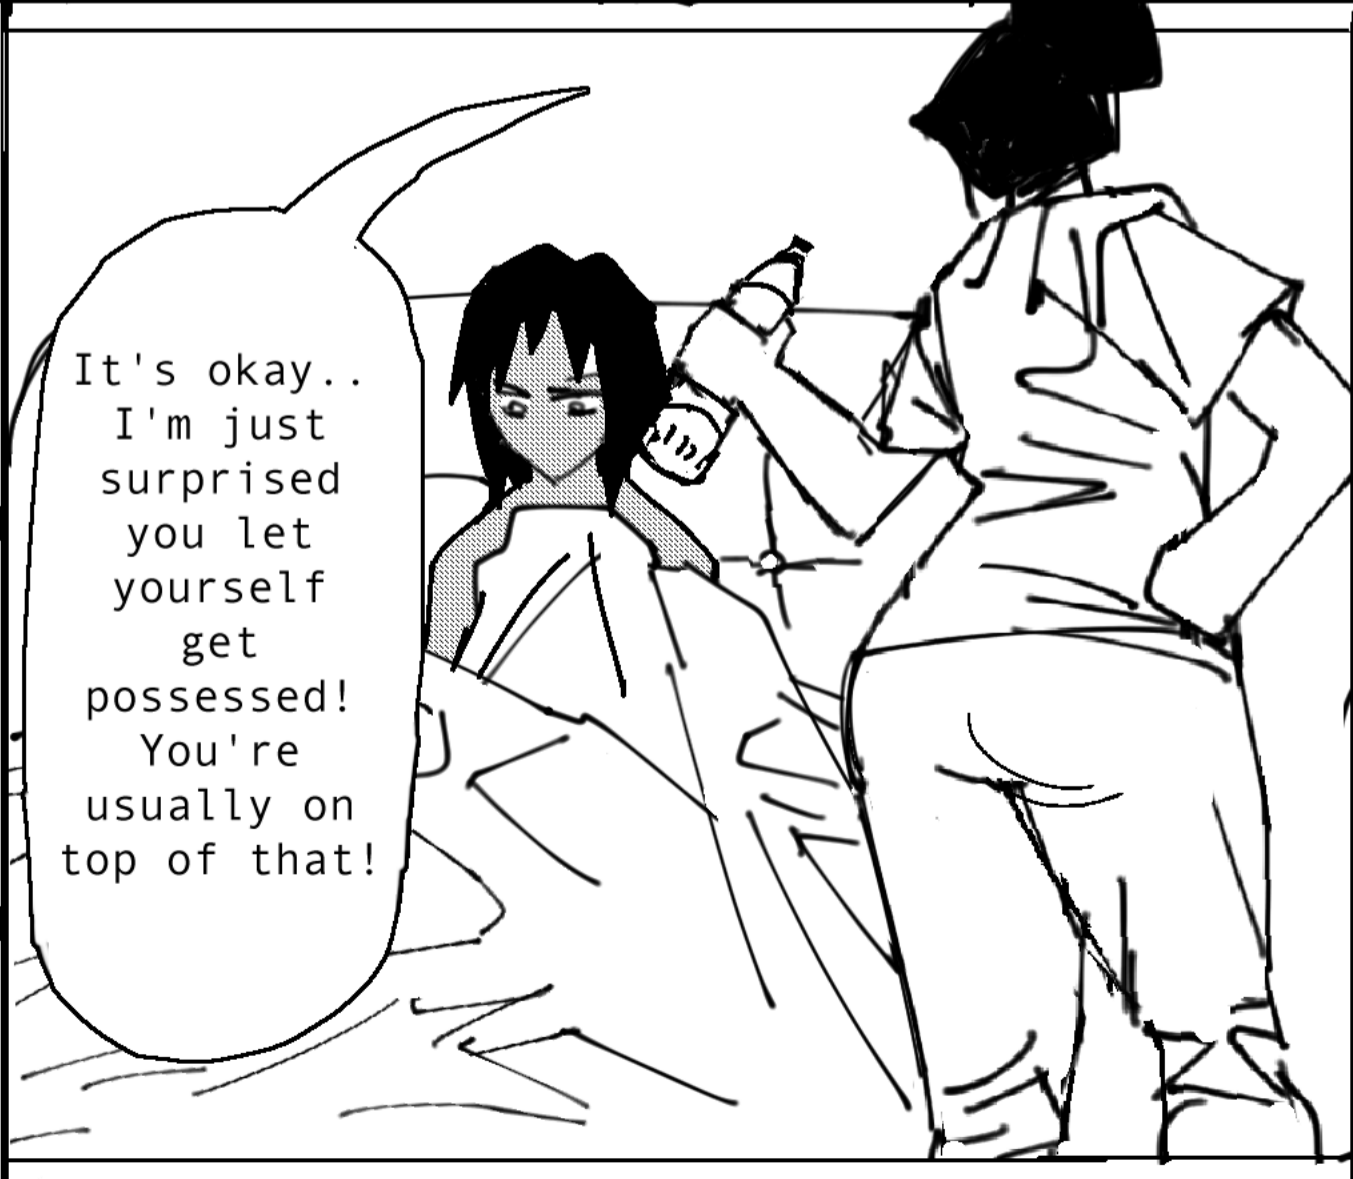

oh...

Oh. Hey chokey.

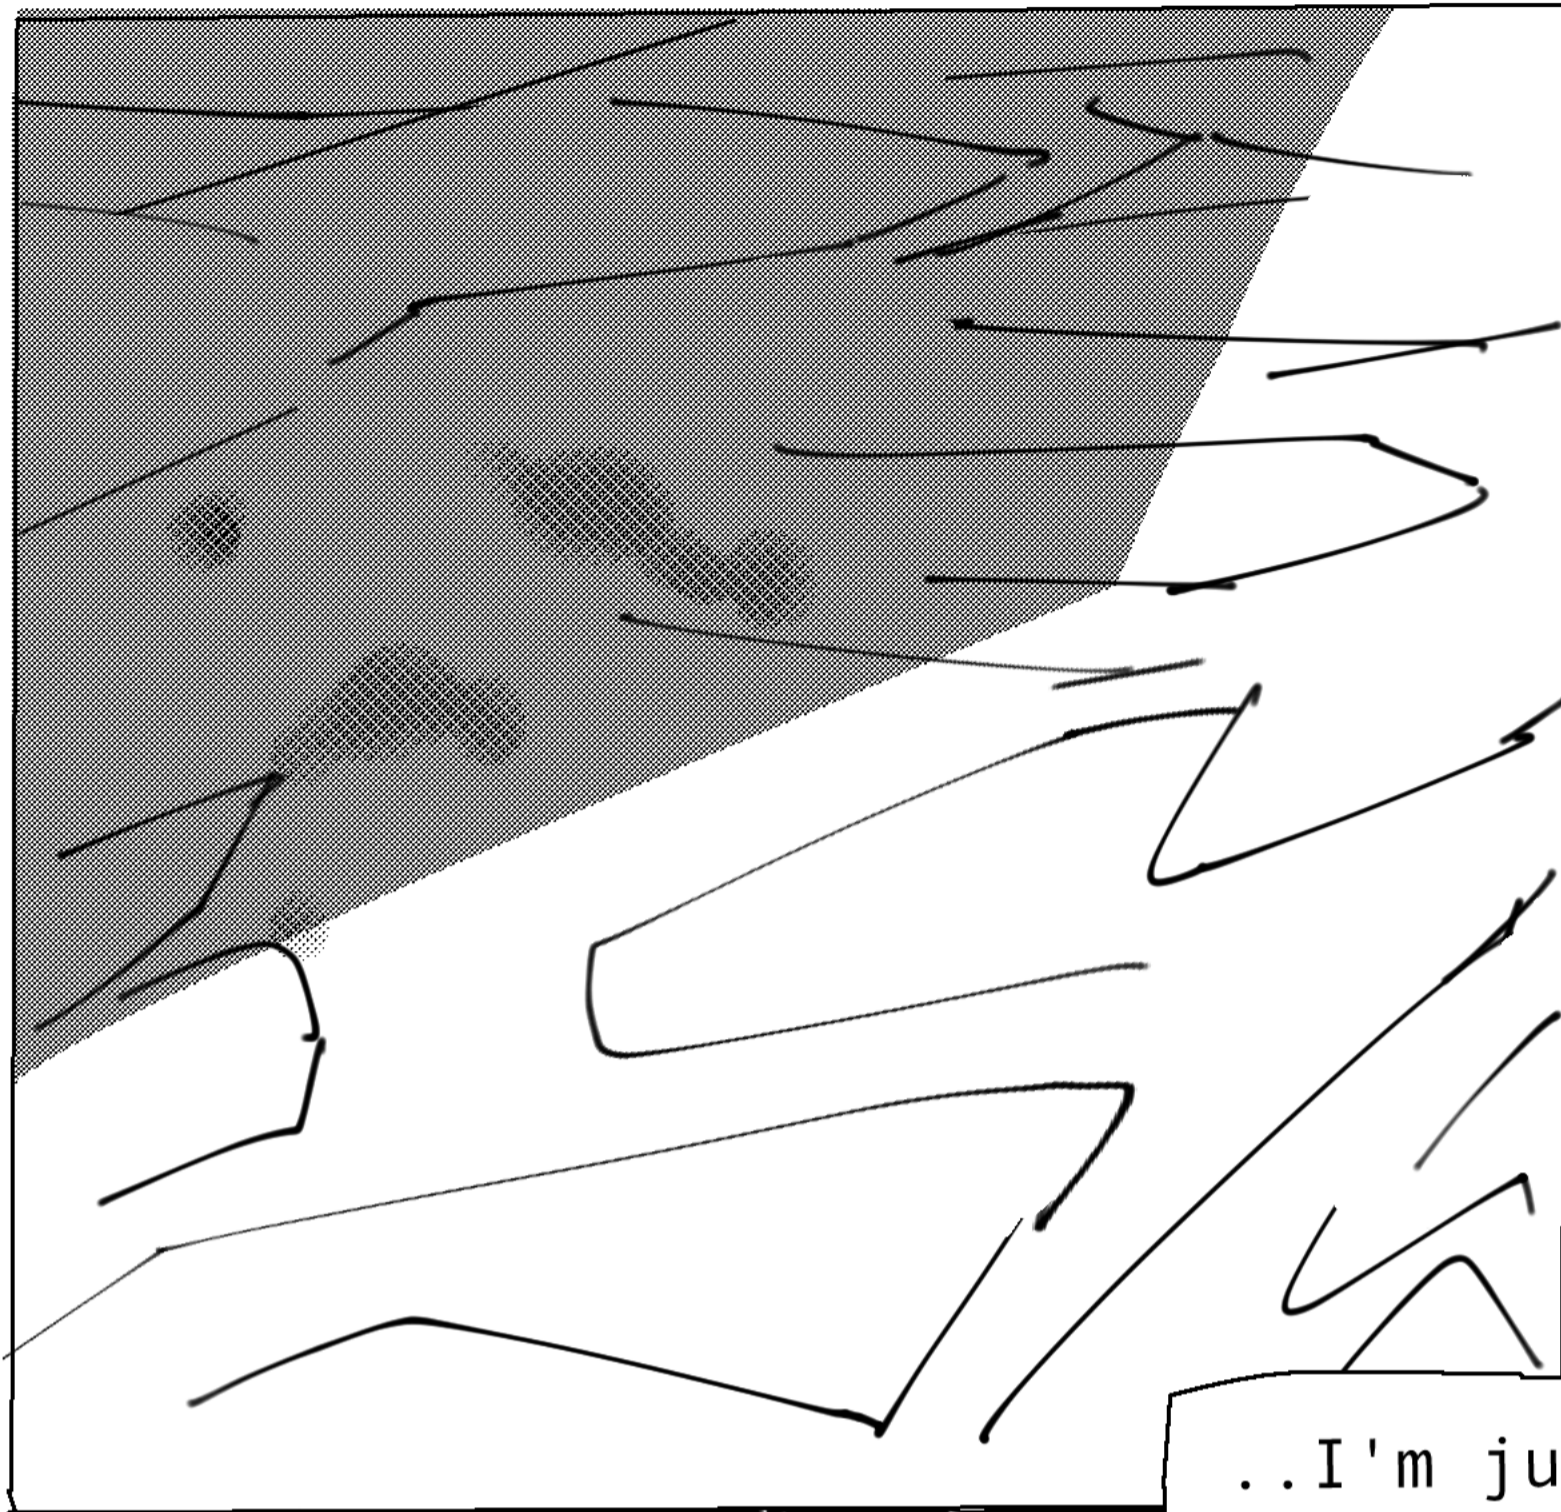

...

It's okay.. I'm just surprised you let yourself get possessed! You're usually on top of that!

You don't have to feel bad. This stuff happens.. Heh, for a second I was actual-

..I'm just glad you're here.
